*Never doubt that a group of  
thoughtful, committed people  
can change the world, indeed  
it's the only thing that ever  
has.*

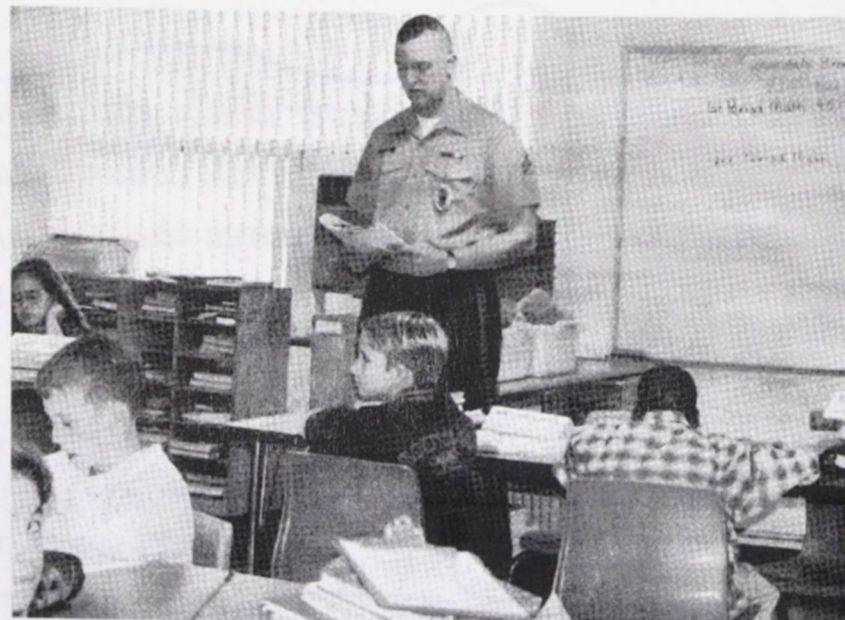

*Lots of thanks to all of the volunteers  
this year, for without them, nothing  
would have been possible.*

### Dedicated To:

We would like to dedicate this yearbook to Mrs. Jordon and Cpl. Hess for their devotion to the school and the student body. We could never compensate for their sincerity and guidance over this past year. Thank you does not seem to be enough. Also, good luck to them both on their new ventures. Our sincere good wishes to Mrs. Jordon who is retiring.
