~Yearbook Volunteers '00-01  
DeLorio PTO

Dear Delorio Students,

"Readers are lucky! They will never be bored or lonely!" This school year brought you many chances to celebrate the fun and adventure of reading. Teachers and I read to you every day and gave you the chance to read, too! Every night you had the opportunity to "SURF" at home. Each month teachers and volunteers counted your reading minutes and Delorio "surfers" received awards and were honored at assemblies. "Surfers" were pictured on our closed circuit television, CCTV. You read every chance you had and even the morning news on television had pictures of you reading. You read the stories on CCTV about everything happening at school, including stories about the new classrooms being built. We had special visitors like the "Magic Man" and author Kim Johnson who shared with you the delight of reading and writing. And, who can forget our reading fun and excitement of celebrating the birthday of Dr. Seuss as younger and older students read together.

Reading adventures were everywhere as we had book character parades, Accelerated Reader celebrations, children's theatre, and traveled to day care and retirement homes to read to young and old alike. Some lucky students even visited the MCAS commanding officer to read! Dr. Seuss says:

"The more that you read,  
The more things you will know.  
The more that you learn,  
The more places you'll go."

Bullwinkle & I wish you happy times as you explore the wonderful world of reading!

Love,
