Principal's Message

Dear Delalio Students,

Congratulations! It was another great year for Delalio students! I had the pleasure of visiting your classrooms and seeing your smiling faces as teachers presented interesting lessons to teach reading, writing, math, science, and social studies. Many students received prizes for achievement in reading. Many others were published authors through the Delalio Publishing House and some were honored by North Carolina as outstanding authors! Outside the classroom you participated in fun activities such as Jump Rope For Heart, singing at many community events, attending the ballet, opera, symphony, and participated in fire safety and dental health poster contests. Broadway made its first appearance as students showcased their singing and dancing talents with the spring performance of Music Man!

You were kind and generous as you shared your coins in the "Pennies for the Playground" PTO fundraising project. You supported America's troops as you sent them valentines and also tied yellow ribbons to trees. Every Thursday selected students were honored at the VIP lunch. Each month one student from each classroom was honored at the Good Citizen's Assembly. Delalio students are the best!

"Congratulations! Today is your day. You're off to Great Places! You're off and away! You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. YOU are the guy who'll decide where to go. Will you succeed? Yes! You will, indeed!"
Oh, the Places You Will Go! Dr. Seuss
