Reach for the Stars....And Beyond!

2006-2007

Congratulations on a great learning year! You were busy learning new words and becoming a better reader. I saw parent volunteers help you learn math facts and read with you. I watched you receive awards for your good work! Assemblies, contests, celebrations, March of the Penguins and Mardi Gras parades, and visits by an author and poetry performers made learning fun! Wasn't it fun to see students and adults dressed as book characters? Dr. Seuss storybook characters came to life as the Broadway Jr. cast performed "Seussical."

You were good citizens! I saw many good deeds you did for the school and the community. Your kind actions helped people through the Holiday Food Drive and pennies for the Make a Wish foundation. Your Jump Rope for Heart \$ helped with heart research! Earth Day activities for the New River Air Station made you a hero to the Commanding Officer and his staff.

You showed pride in America as each Friday you wore red, white and blue. You helped our military heroes, the Wounded Warriors. Each month a grade level of students and parents collected items to help the injured Marines and Sailors. The Wounded Warriors loved visiting Delalio in December and joining the students to see "Annie." These heroes told me you were very kind to them!

Delalio students are the best! You have worked hard, learned so much and deserve a summer vacation! "Congratulations! Today is your day. You're off to Great Places! And you know what you know. You are the one who will decide where to go. Will you succeed? Yes! You will indeed!"

Oh, the Places You Will Go! By Dr. Seuss
