Heroes United!

Johnson Primary School

Our Mission Statement:

Johnson Primary in partnership with families and the military community, provides an exemplary education for all preschool through second grade students to prepare them to become lifetime learners, decision makers, and productive citizens in a global environment.

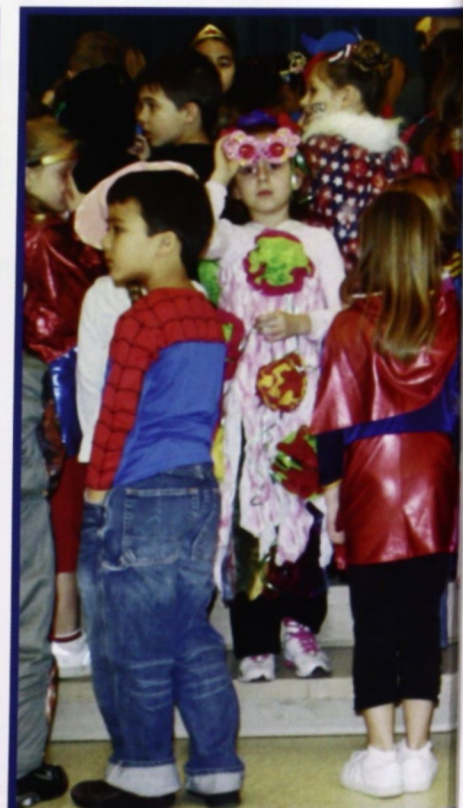

2027 Stone Street Camp Lejeune, NC 28547 910-451-2431

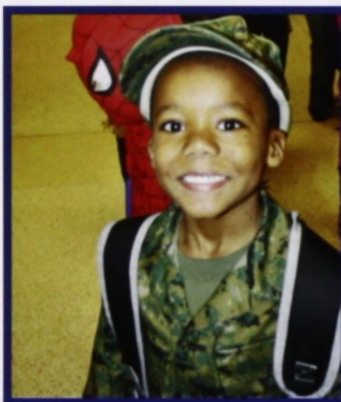

Heroes United!

This year, inside the walls of this school, we came together to learn so many new things. We focused on our teams and supported each other when we needed it. Through tough personal times when our parents were deployed and in great play times, we built the bonds of trust, understanding, and unity.

We are :

Johnson Primary, Heroes United!

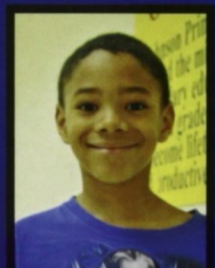

My Hero is...

"My hero is my Dad."
- Cole

"My hero is my Dad. He went
to Iraq for a year." - Alia

"Batman!" - Chris

"My hero is my Dad."
- Leilani

"My hero is Superman."
- Alexa

With Great Power Comes Great Responsibility

Faculty and Staff

Super Heroes are brave, strong, do amazing things and find people who need help. Where can you find Super Heroes? Fictional heroes like Spiderman or Superman can be found in books or in movies. Some real life heroes can be found in sports such as when you watch a Super Bowl quarterback throw the winning touchdown. But, the best place to find the best Super Heroes is at Camp Lejeune! At Camp Lejeune, you can find thousands of grown up heroes everywhere. You know when you see one of these heroes as they wear cammies.

Did you know there are also children Super Heroes? Do you know where to find them? Do you know who they are? You can find these young heroes at JPS! Did you know there are 725 heroes and you are one of them! Each of you has a parent that is in the military. You are a hero because you share your parent with people who need help and who live in far away places of the world. You are so brave and strong as you kiss and say goodbye to your parent when he or she leaves to help the world's people have freedom.

You are as strong as a hero when you help your mom or dad take care of the family when your other parent is away. You are strong when you come to school each day with a smile on your face and show you are eager to learn. Your actions make your mom and dad very proud of you!

Super Heroes do a lot of good things. JPS Super Heroes do, too! You have learned to be fantastic readers! You can write great stories with bold beginnings, magnificent middles, and excellent endings! You can solve big UPSE problems in the blink of an eye! You are powerful in your computer skills and knowledge of science! Super Heroes have many skills and so do JPS students! You can speak Spanish, create awesome art projects, be good teammates in PE, and sing songs. You are a VIP Super Hero as you make the world better because you are kind and respectful to everyone.

Super Heroes have a secret code: "Good, better, best! Never let it rest until good is better and better is best!" JPS students live this code daily and I am so proud of you! It has been a joy to know you - A JPS Super Hero! You made every day a great learning day!

Have a fun summer!

We have developed so many friendships in our classroom and have had a great time helping each other learn. We want to thank the many parent volunteers who came in to help us with projects and special presentations. Super Friends!

It has been a year of many changes and challenges. We have seen a lot of new faces in the halls and some of our friends moved away. What kept us going day to day, was our drive and determination to do our best no matter what. It was difficult some times, but we got through it. Now we are moving on and taking with us the lessons that we learned and the friendships too. We will always look back and remember we were once:

HEROES UNITED!

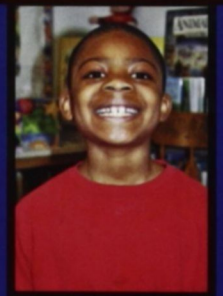

What I will miss most...

"I am going to miss all my nice teachers." - Caroline

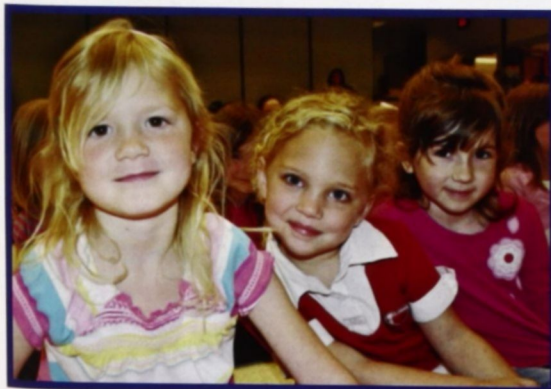

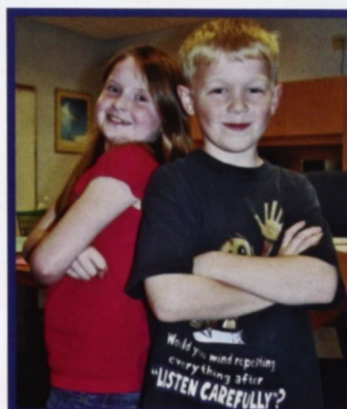

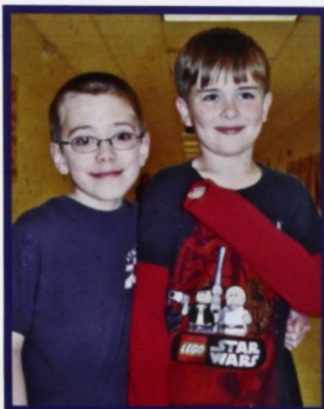

"I will miss Ms. O'Leary and the great food!" - Ahmad

"I will miss my friends and my teacher." - Aimee

"I am going to miss my friends." - Cassidy

Until Next Time...

Heroes United!
