PATRONS

When your class ring is from Balfour it can be as unique and special as you are. Because *you* choose the style, the stone, the decoration, the engraving—to express *your* interests, activities, feelings. Your own personal class ring from Balfour. No other can express who you are so exactly. Or help you recall those special times so clearly.

We the editors, Fara Baker and Yolanda Pitts, of the 1988 yearbook would like to thank the yearbook staff and the photographers for their time and devotion and a special thanks to those who put forth an extra effort.

To Mr Gardi and Mr. Brisky, thank you for all your patience, support and help. We would have been lost without you.

To the graduating seniors, we sincerely hope that this yearbook will always bring back happy memories.
