Q	What is M.U.N.?
A	<p>Well that answer all depends of how technical you want to be. If you take it for face value then it is Model United Nations. In which students from various schools represent all of the nations who are members of the United Nations and try to solve all the problems of our world that the grownups can't. But if you take it for what it's worth then it's all of the above and a lot of kids in The Hauge, Netherlands, having fun and meeting lots of interesting new people.</p>

BATTERS UP!

TENNIS 1991

May 16, 1991 was probably one of the longest days of our high school tennis careers when we headed off to Woodbridge for the Tennis Championships. Normally this would have taken 4 hours, but things did not go according to plan. We went through a total of 4 buses, well, 3 buses and 1 van, a double blowout and missing racquets before arriving 3 hours late.

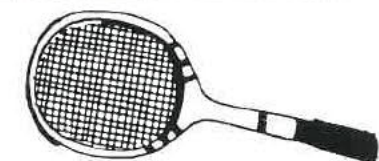

However, our luck improved over the weekend. Angie and Lynette placed 1st in Womens Doubles; Jenn Tryon placed 3rd in the Womens singles; Steve and Mike placed 3rd in the Mens Doubles; Norman placed 5th in Mens singles and finally Ray and Liz placed 3rd in the Mixed Doubles.

Adverse weather (including a blizzard) was a minor hurdle compared to the strong competition we faced and conquered all season. Some of our fastest times were recorded from the steps of the bus to the counter of McDonalds. But we also performed well on the track and field where our guys took the U.K. Crown.

Some of the outstanding performances were by: Jamie McGregor (1st place 400m), Tony Booker (1st place Long Jump), Dawn Brown (1st place High Jump and Shot Put), Paul Stovall (1st place 1500m), and Jeremy Hacker (1st place Shot Put).

CHAMPIONSHIP CIRCLES.

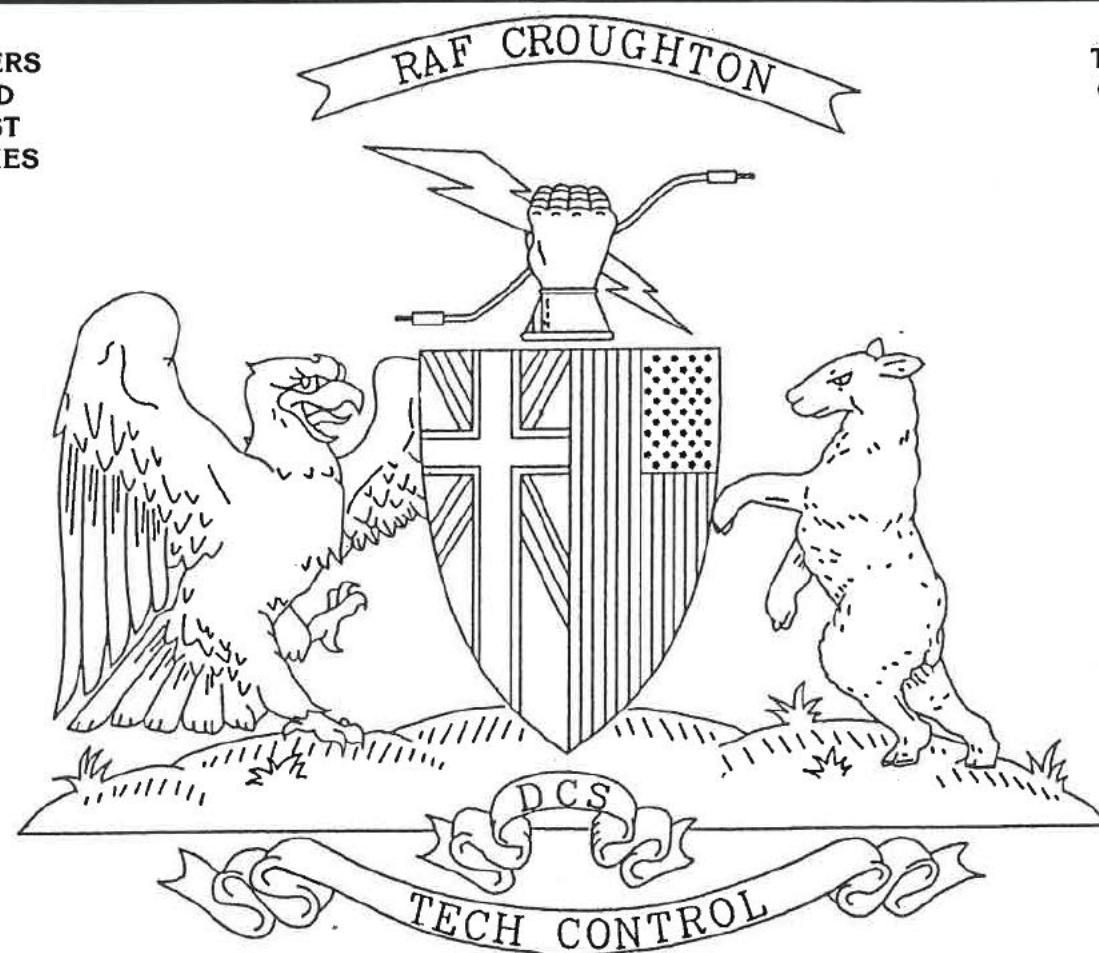

Congratulations! Your Balfour Class Ring puts you in an elite circle of champions: world class professional and college sports teams, fraternities, sororities, colleges, businesses and other fine schools just like yours. Because each has been carefully crafted with pride by Balfour... the first name in championship circles since 1913.

ANYTHING . . .

... GOES!

THE CLASS OF 1992,

SAYS GOODBYE!

As the class of '92 moves on from these hallowed hallways of learning, we leave you with the knowledge and security of knowing that the future rests in our hands. We know you will miss our quirky smiles, unending school spirit, and charismatic personalities, but we are sure you will see our faces again someday. We predict that Michelle Marquez will rise to fame by becoming a Laker girl, Sarah will be a poor, starving artist, Dru will become an AA counselor, Danny will be a rock star, Meri will be a world famous marriage counselor, Andrea will organize the world, and David L. will work in the airport as a shoe shiner. The excitement of senior year lies not in the present but in the unknown future, where we will be considered adults and no one can tell us what to do! Our advice to future superior seniors is expressed so eloquently by Bill and Ted, "Be excellent to each other." Just remember, as the class of '92 well knows, **ANYTHING GOES!**

We would like to thank everyone on the yearbook staff for putting up with us bossing you about. This book would never have been completed if it wasn't for you. We would like to thank Mr. Gardi for his long hours of hard work. We would like to thank Mo for putting up with all of our questions and our endless use of the copier. Last but not least we would like to thank Mr. Brisky for helping us with all of the Senior baby photos.

We have had lots of fun (and stress) working on this yearbook and looking at all of your cheesy grins. We hope all you Hadites enjoy this yearbook and that it brings back memories. We have tried to capture the unique spirit of Croughton High School!

GOOD-BYE and GOOD LUCK!

Joanne, Wendy, and Michelle
