Dear Diary!!

This year wuz "like" totally awesome. I mean the Rüdesheim trip wuz pretty cool, like, all I can remember is a bunch of 8th graders singing "Shout" on the chairlift, what a total trip! And the trip wuz truly radical. It's like, this dude from "Prime Time" hung around us asking "What are you gonna do with your life?" "It's, I'm too young to know or care what I'm gonna do with my life, I wanna party serious!!!! Vienna wuz sharp! We went to all these museums and stuff, being with all of my friends made it all like so fantastic! Our next seriously awesome trip was one to the zoo for all the giddy-goddies who didn't get detention. Yes, of course, I went, why wouldn't I have? No..... hold that comment!!!! dates, all the 8th graders went to the Nuclear Power Plant with Mr. "B", what a blast! Our second reward trip got postponed because of all this serious snow, what a Bummer! When we like finally went all you could see was a bunch of kids yelling "HELP, I can't skate! Look out!" followed by a big crash. Some radical kids spent more time sitting on the ice than skating! What a serious up?? trip! Oh g's, some other stuff that happened wuz we had student council speeches and elections, everyone wuz so nervous, funny! It's people! Also, we had this weird, trippy Christmas play "The North Pole Does Rock and Roll," where a whole bunch of crazy people got on stage singing "Santa's gone hip" "Awesome!!" One of the neatest things about this school is like its so little,

totally tubular! It's like so weird to watch all these people going together, crushes, break-ups, everything! Seriously trippy! Like, g's, all these couples keep breaking up, getting together, breaking up, getting together..... can't you make up your minds? Then there are the sweet little couples who stay together forever, nice, but boring and unrealistic!! I just kidding you guys! And dances? You wanna know about dances? Well, our Christmas dance wuz pretty cool, it just took a while for everyone to get into it but our Valentine dance... we were all jamming! I guess the worse part of this year was having to see some of my friends move. Lots of people have left, but like they'll always be a part of my heart forever!! O.K., off the serious stuff and onward. Sure, lots of people have left but some pretty crazy buds have come in to replace others! Well, I guess if there's one thing I can say about this awesome year it's that it wuz totally fun and it wouldn't have been the same anywhere but Darmstadt middle school!!

Love, your friend,
you can
guess! :?!
