The Darmstadt Elementary School is extremely grateful for all of the support that the military community provides. The administrative personnel, faculty and staff wish to acknowledge the contributions of the following people/organizations for their time, talent, patience, professional expertise, care and concern:

Mrs. Schrieber and her many dedicated bus monitors;

Sgt. Hansen, the D.A.R.E. program, McGruff the Crime Dog and volunteer assistance from other individual MPs as field trip chaperones;

the Dental Clinic personnel who provided in-school dental screenings;

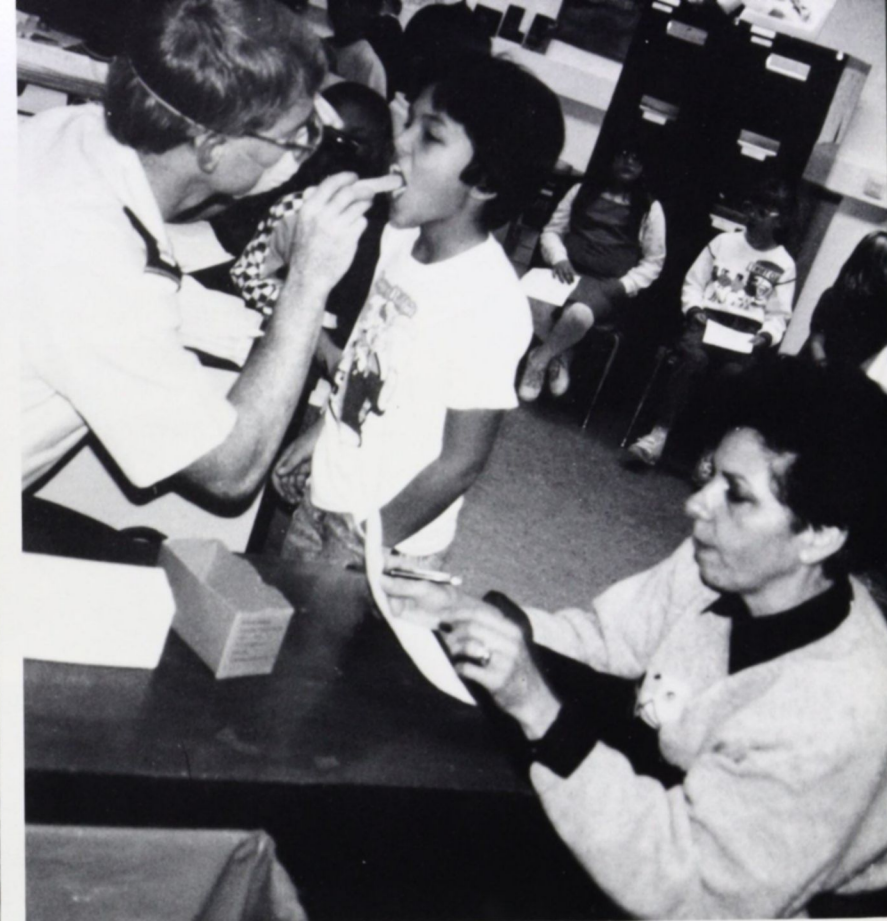

parent volunteers and Red Cross volunteers who have assisted in the classrooms and office;

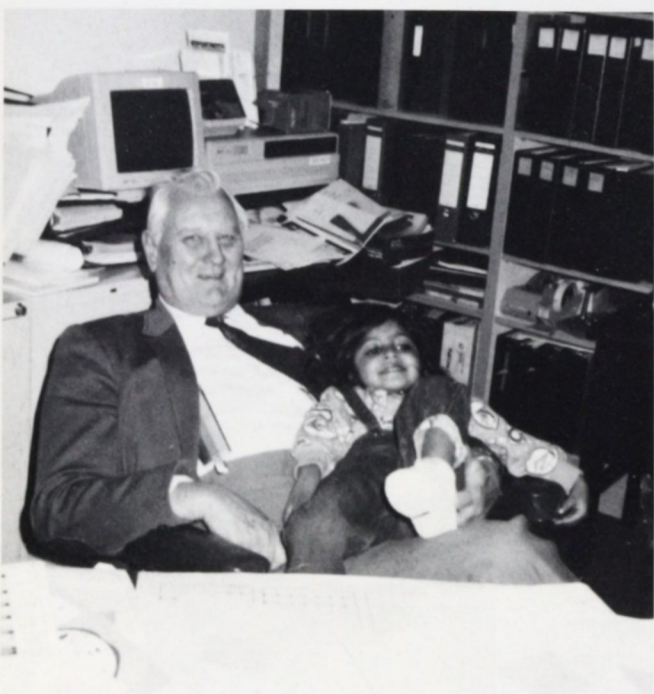

the Darmstadt Jr. High students who served as tutors for our Metra Reading program and who proved to be positive role models as assistants with Pride School Wide parties;

the parents and teachers who organized and supported our S.A.C. and P.T.O. this school year;

the cleaning team who kept us tidy;

the substitute teachers who came in on both day-to-day basis and on long-term assignments.
