

ANTILLES MIDDLE SCHOOL YEARBOOK

the Mid-Focus

1970-71

SAN JUAN, PUERTO RICO

*The Governor of the
Commonwealth of Puerto Rico*

April 26, 1971

Dear Graduates:

It is for me a great privilege that by means of this, your first yearbook, I am afforded the opportunity to reach all of you.

I would like to share with you a thought that I hope will be a source of inspiration throughout your lives:

"I believe that it is in you to be good citizens.

And what is it to be a good citizen ?

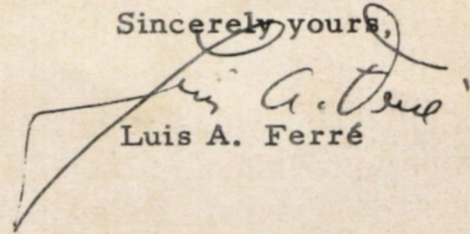

It is to acknowledge the other person's right before asserting your own, but always to be conscious of your own.

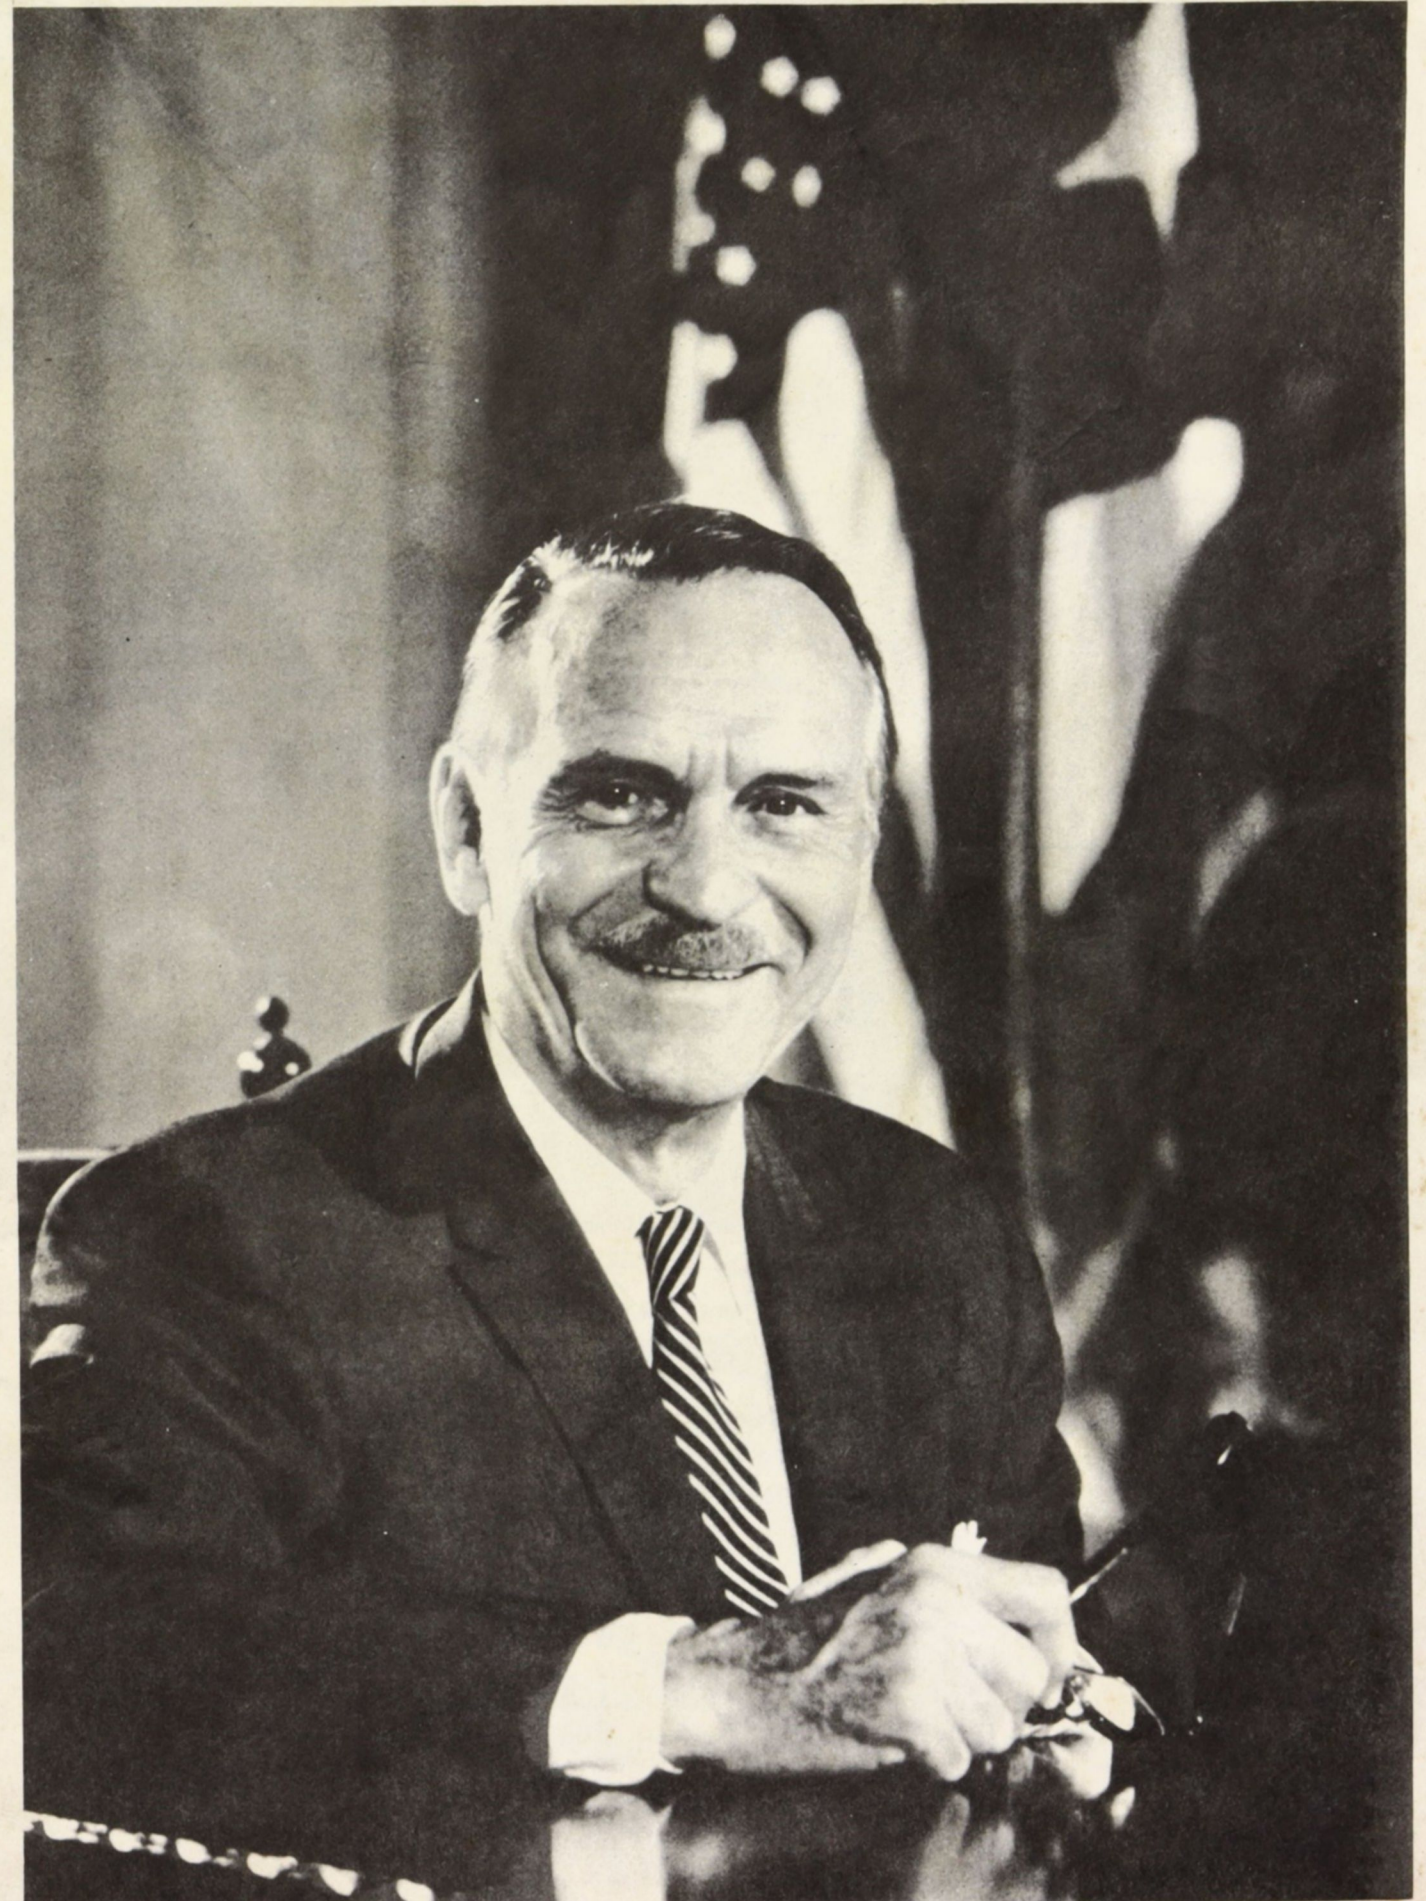

It is to create the useful and the beautiful with your own hand, and to admire what others have created in love and with faith."

May the words of the Prophet from Lebanon, Kahlil Gibran, guide you always.

With my warmest wishes, I remain

Sincerely yours,

Luis A. Ferré
