San Juan, Puerto Rico

In Dedication Mr. John Ladd

Mr. John Ladd, teacher, father, fine human being. John Ladd has always projected optimism and humor in his work and life. His attitude has always been positive and caring. For his time with us at AMS, he brought a quality of enthusiasm and joy for learning that will be hard to forget. He has been a model for both the staff and students of our school.

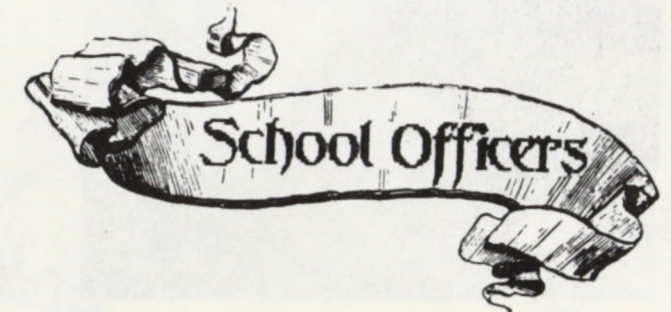

We will miss him upon his retirement.

WE'LL MISS YOU MR. LADD!

Through the Years

Mr. John Ladd

ACTION

VOL. 5, ISSUE 4 ANTILLES MIDDLE SCHOOL MAY 1985

MOON ROCKS MISSION ACCOMPLISHED

Agent MST 8-5 left San Juan International Airport at 9:02 Apr. 1985 undercover as a tourist headed for Disney World. Landed at Orlando 11:59. Hopped into traffic on The Beeline Express, and pointed the front of the sleek black Pontiac towards Cape Canaveral Space Center. Agent MST 8-5 wheeled off the expressway onto the highly secured Canaveral approach road. He was quickly cleared into the Indoctrination Library and given a briefing on the High Risk Mission" he was about to undertake. Chief of Operations set the pick up time at 2200 hrs. on Monday Apr. 8

Agent MST 8-5 arrived at his Holiday Inn Hotel and immediately knew his cover had been blown! High up on the Motel Marque was his name in 14 inch letters "Welcome John Ladd." Yes, he would have to drop all pretense, and run the gauntlet of the International Rock Hounds who prey on moon rock carriers. Could he get the rock back for chief Bielecki and top research program signers, Woodard and Crespo? Well, it wasn't quite that exciting but the M.S. science fair on April 10 did have an unusual unique display of a 1/2 logram moon rock on loan from the Kennedy Space museum for all participants and the public to see. The sample was enclosed in a 12 inch pyramid of lucite plastic and with a special light base, really looked quite awesome and intriguing. It helped make the science fair even more interesting. Ms. Laurie Espo, agent MST 6-4, was the agent designated to return the sample to the space center.

Thank you, Mr. Bielecki and ACSS for promotion of the scientific contribution for our A.M.S. parents and the student body.

Alternative Fashions

Tired of looking the same everyday?
 Try some other styles once in a while.
 Here are some suggestions...

For example, why wear the same old baseball cap all the time? Try other hats.

Make-up is essential

Accessories are a must

The "Rasta" fashions are hot. Please note that for an authentic Rasta look, your hair should be in dreadlocks.

keep up with the latest hair styles

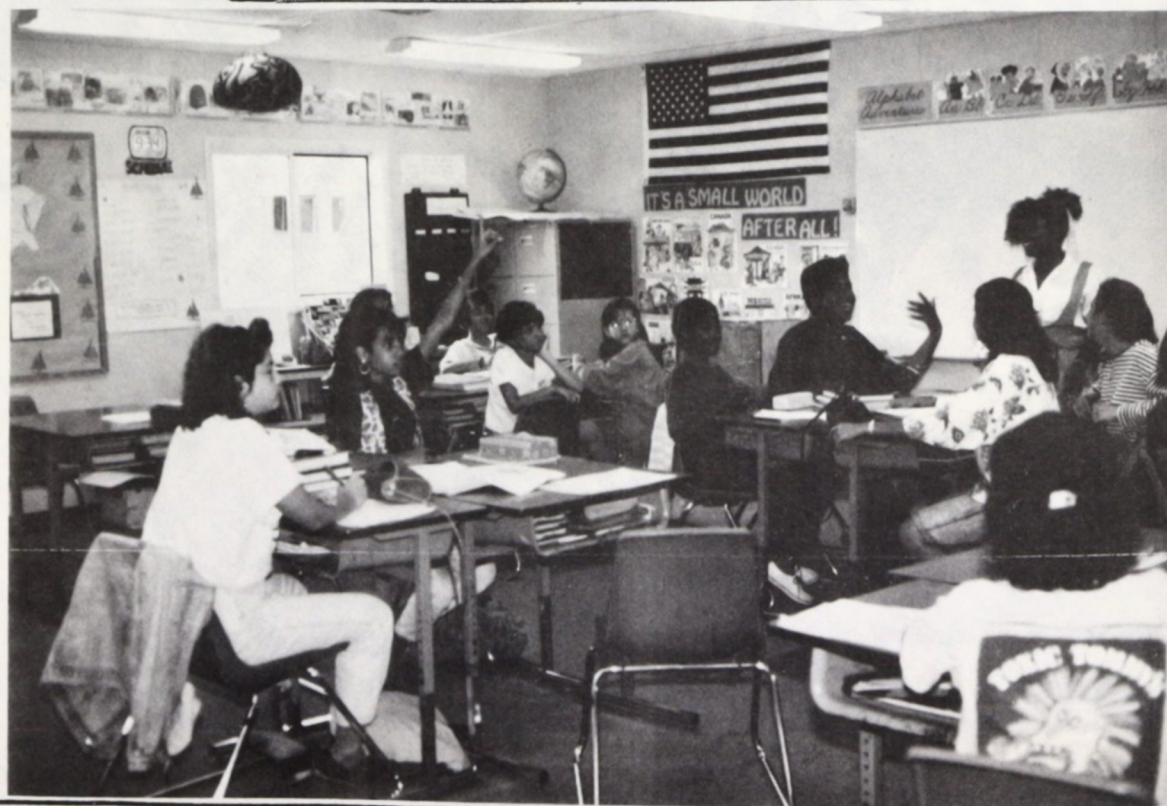

The "Rockette" look is also cool. You have to hang around with a bunch of people wearing same clothes. Make sure you walk sideways.

AUTOGRAPHS

AUTOGRAPHS

The word "AUTOGRAPHS" is printed in a bold, black, serif font. It is flanked by two circular balloons, each with a vertical line representing a string. Small decorative elements, including a star and a bird-like figure, are interspersed between the letters of the word.
