## *Upon Your Retirement*

### *Our Very Best Wishes*

*Mrs. Maxine Smith, Mr. Patrick Greeley, and Mrs. Jean Rodriguez, after many years of dedicated service to the students of the Antilles Consolidated School System, and Antilles Middle School, will retire this year.*

*The contributions of these teachers and administrator cannot be measured only in terms of their service at the Middle School, but their total years of service at several schools in ACSS.*

*Mrs. Maxine Smith has worked for the improvement in the quality of education in ACSS for over 27 years. She has held positions at Antilles High School in the areas of English, social studies, counseling and reading. In addition, she has been System Language Arts Coordinator and E.L.P. teacher at AMS. Mrs. Smith received her bachelors degree from Simmons College in Boston and a Masters of Arts in Teaching degree from Harvard University.*

*Mr. Patrick Greeley first came to Puerto Rico as a Marine in 1947. He vowed to return. The opportunity to do so came in 1962 when he was appointed to a 6th grade position at Antilles Elementary School. Mr. Greeley has held positions as Assistant Principal at AES, AMS, and AHS, in addition to counseling at RRHS. Upon his return from a 12 year hiatus, in 1984, he became an English teacher at AMS. Mr. Greeley is from the state of Maine. He received a bachelors degree from Boston College and his masters degree from the University of Maine.*

*Mrs. Jean Rodriguez came to us in 1980 as a Special Reading Teacher. She has also held positions as Principal and currently Assistant Principal. She received her bachelors degree from Tennessee State University and her masters degree from George Washington University.*

*The students and staff wish them a happy and active retirement.*
