ADMINISTRATION

Core Beliefs

Schools are built for children. They are the most important asset of our school. All children can learn and be successful.

People come first at AMS. Treat others as we want to be treated. All students must be prepared to live in a world in which the ideals of democracy, celebration of diversity, multi-cultural awareness, and the need for global interdependence are essential.

These core beliefs drive our daily activities and enter in each decision we make.

DEDICATION

Frances Nochera

Mrs. Frances Nochera, after many years of dedicated service to the students of the Antilles Consolidated School System, retired this past December.

Mrs. Nochera brought a joy for learning through the arts. She is a fine human being and a model teacher.

We wish her a happy and active retirement.
