HOME OF THE BUCCANEERS!

From the Principal's Desk

Greetings Buccaneers!

It is hard to believe that SY 2021-2022 has come to an end. My family and I have finished our 1st year here in Ft. Buchanan, Puerto Rico at Antilles Middle School, and we feel so happy to be here. This year will be remembered for many unique challenges but also great successes we have all had. We look ahead with hope and determination.

A big shout out and thank you to all students, parents, community members, teachers, and staff for a wonderful year of teaching and learning. Even in unique and trying circumstances, and despite incredible challenges, you have all risen to the occasion. I am in awe and appreciation. This year has been a success because of all your efforts.

That experience could not occur without the endless energy, skills and devotion of the Antilles Middle School teachers and staff. I am grateful for and appreciate this incredible group of professionals.

A word to our Antilles MS students: Thank you for all your hard work throughout the school year. Thank you for being resilient and flexible. I know it has not been easy with so many COVID mitigations like social distancing, constant mask wearing, frequent hand washing and sanitizing, etc., but know that we have tried our best to keep you safe so that you can continue to learn and grow.

I feel honored and privileged to be your principal. I am proud of all your accomplishments, successes, perseverance, and amazing talents.

You make me proud to be a Buccaneer. Also, best wishes to our eighth graders who will be promoting to high school. You will be missed greatly. Please visit anytime and hope to see you in the future. Once a Buccaneer, always a Buccaneer!

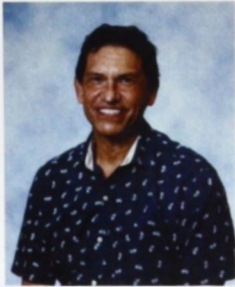

I hope everyone has a safe and happy summer break.

Respectfully,

Mr. Jared Collins
Principal

Dear 8th Graders,

This class was my last Kindergarten group at AES, the last I saw take a nap and lose their first tooth, the ones that learn to love learning centers and playground time. Now, you are ready to move on to high school and in 4 years be "official adults" that will be the next generation of those who run the world...Never doubt your talents and your reasons to be; you are unique, and your purpose in life might not be clear right now, but YOU are an amazing creation. There is a reason and a season for everything, and you are ready for the next one! Take care, be unique and always give 150% in whatever you do. Big hug full of love, hope, and empathy.

Truly yours,

Mrs. Soldevila

Dear Son,

Congratulations on all the success throughout your entire school education. A new beginning is now to come with new challenges that will require more sacrifice. Continue being who you are, and you'll reach anything, remember, there are no limits or obstacles in your life other than the ones you create in your mind and place in front of you.

- Mom and Dad

Congratulations!

We are so proud of you! Don't let the world change you, always be yourself!

- Mom and Dad

Laura,

-Dad

Copernica,
