## 1946-1976

*Frankfurt American High School opened in 1946 in a former German Elementary School in a section of Frankfurt known as Bornheim. This building was glass enclosed for natural lighting and was situated on the top of a hill in a pleasantly wooded area. It was only natural that it was called the "Eagles Nest" by the students.*

*The enrollment soon outgrew the Bornheim building and in 1955 the school was moved into the present building. The school has grown from an enrollment of 146 to its present size of over 1,400 students.*

*In 1957 "Silver City," the complex of Quonset Huts adjacent to the main building, was erected to relieve the bulging enrollment already being experienced at Frankfurt High School. These additional eight classrooms soon became inadequate to handle the ever increasing enrollment. In September 1961, "Annex A," a five-minute walk from the main building, was opened to accommodate six additional classrooms which has since expanded to over 40 rooms. The Industrial Arts building with laboratories, electronics, drafting, and auto mechanics was added in 1970.*

SM-M-M-ACK!

Lookin' good Ted!

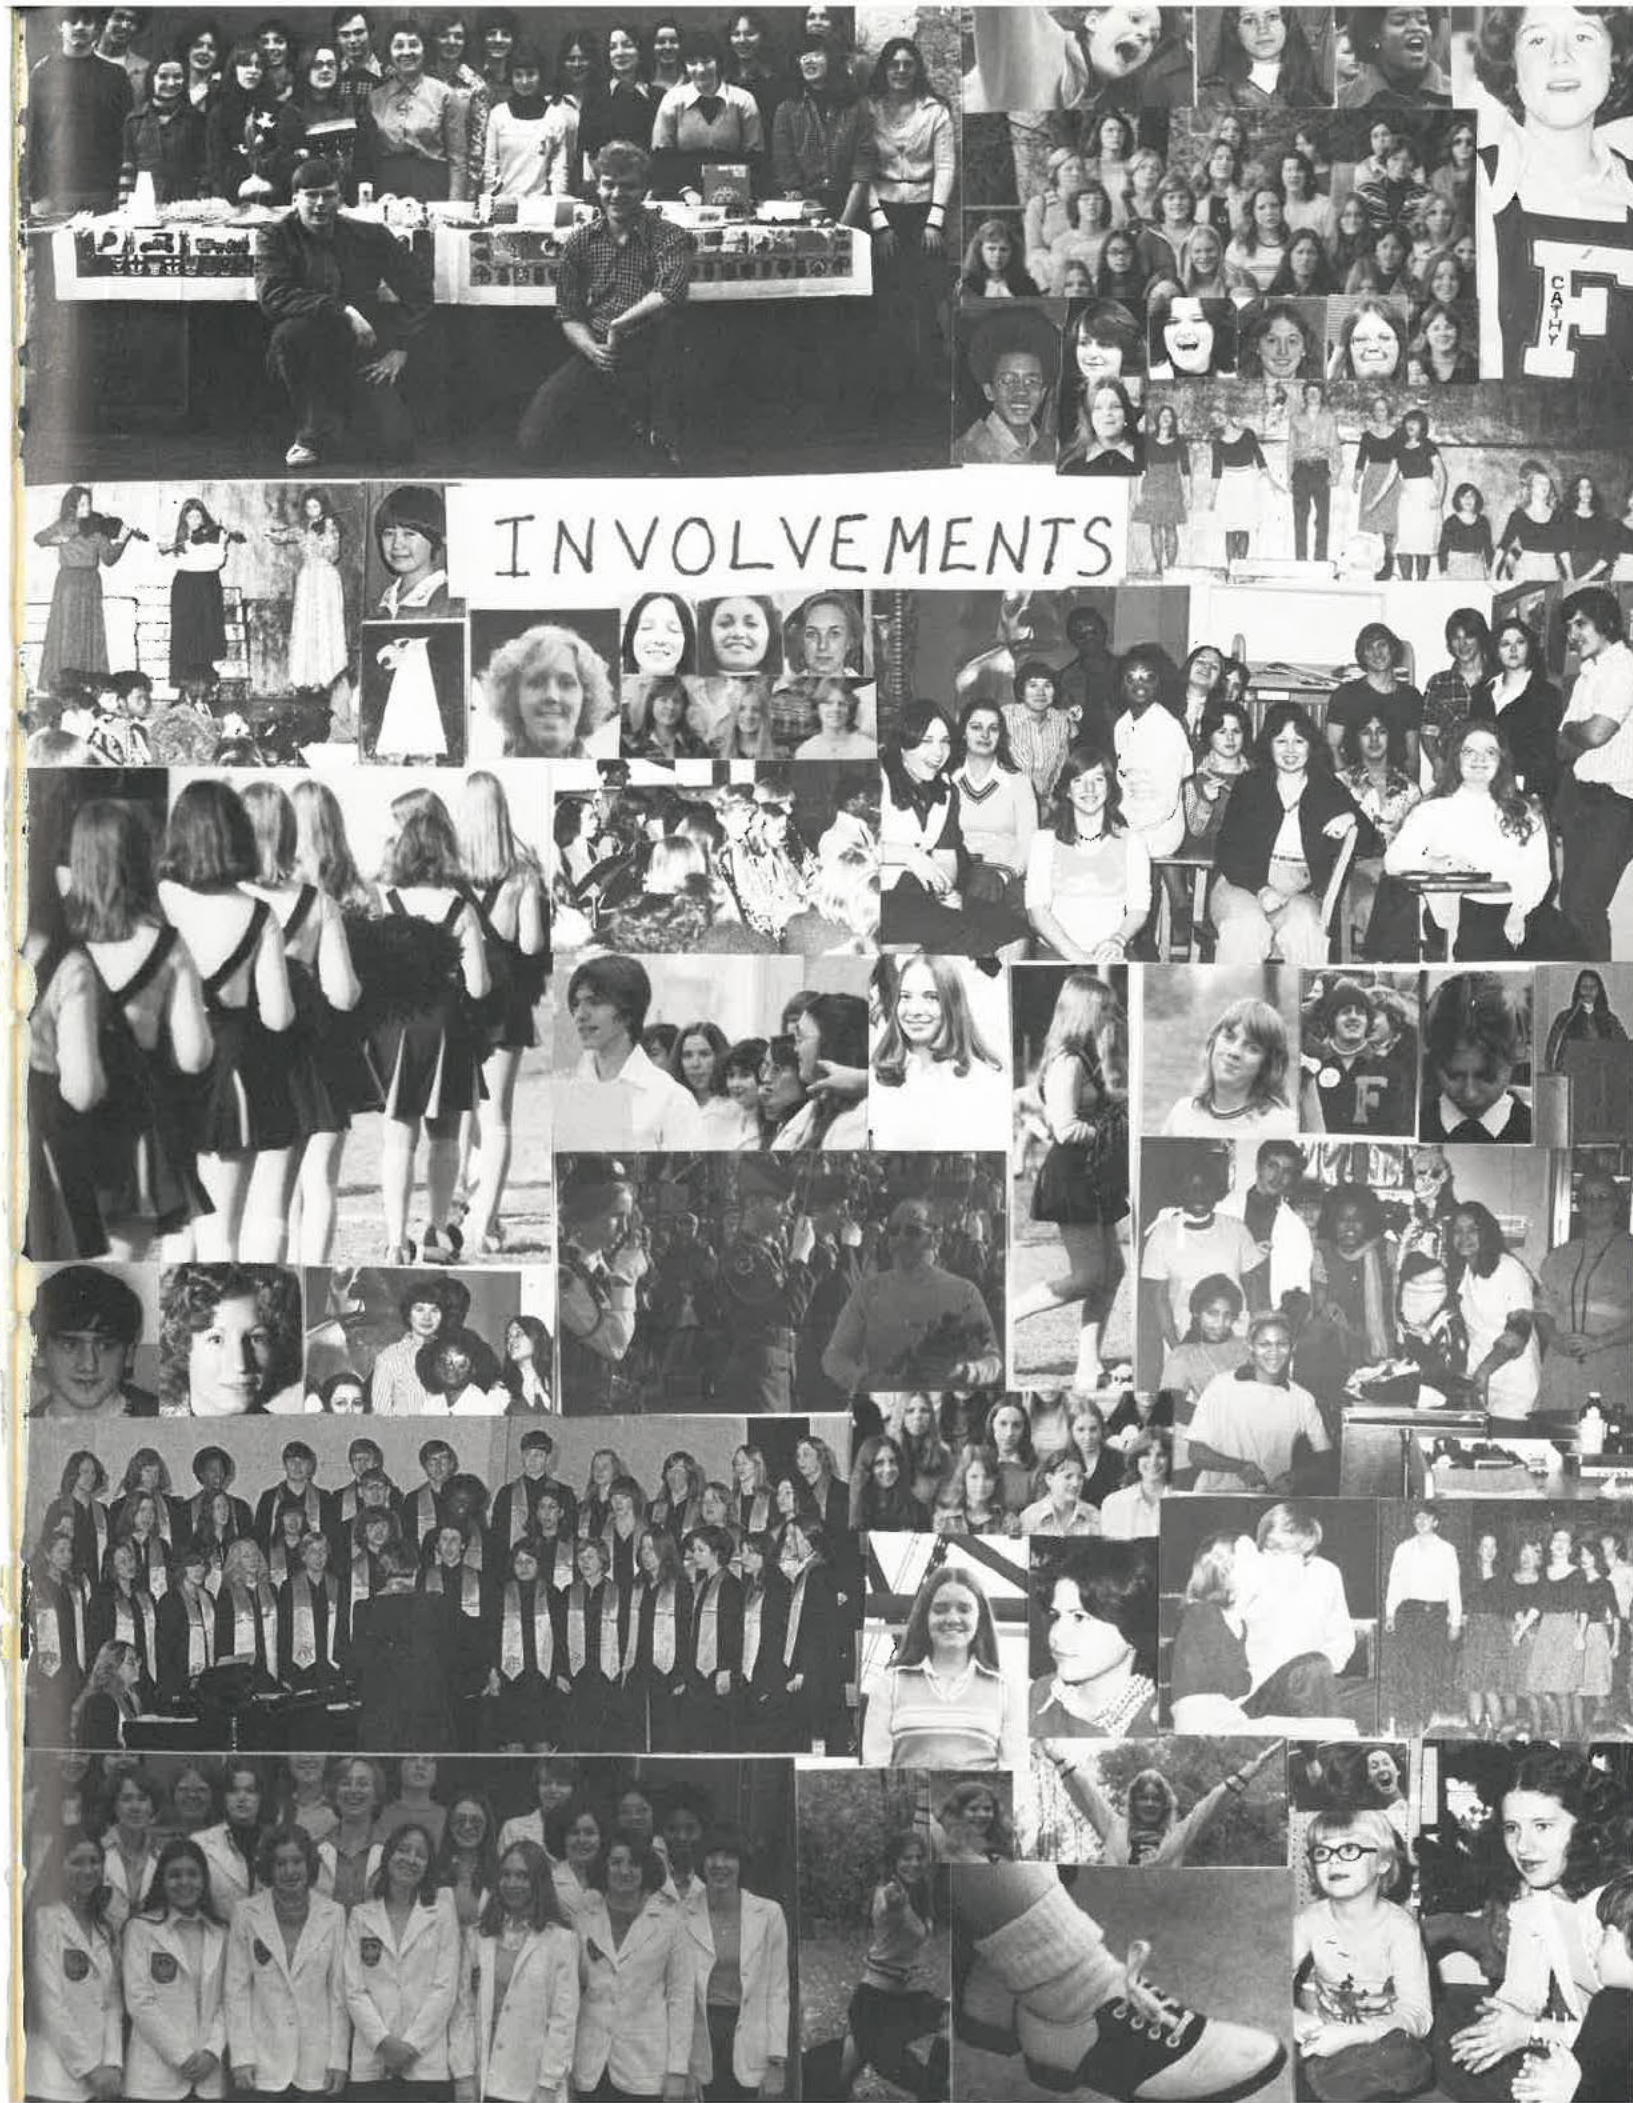

Hey! Cut it out with the stink bombs.

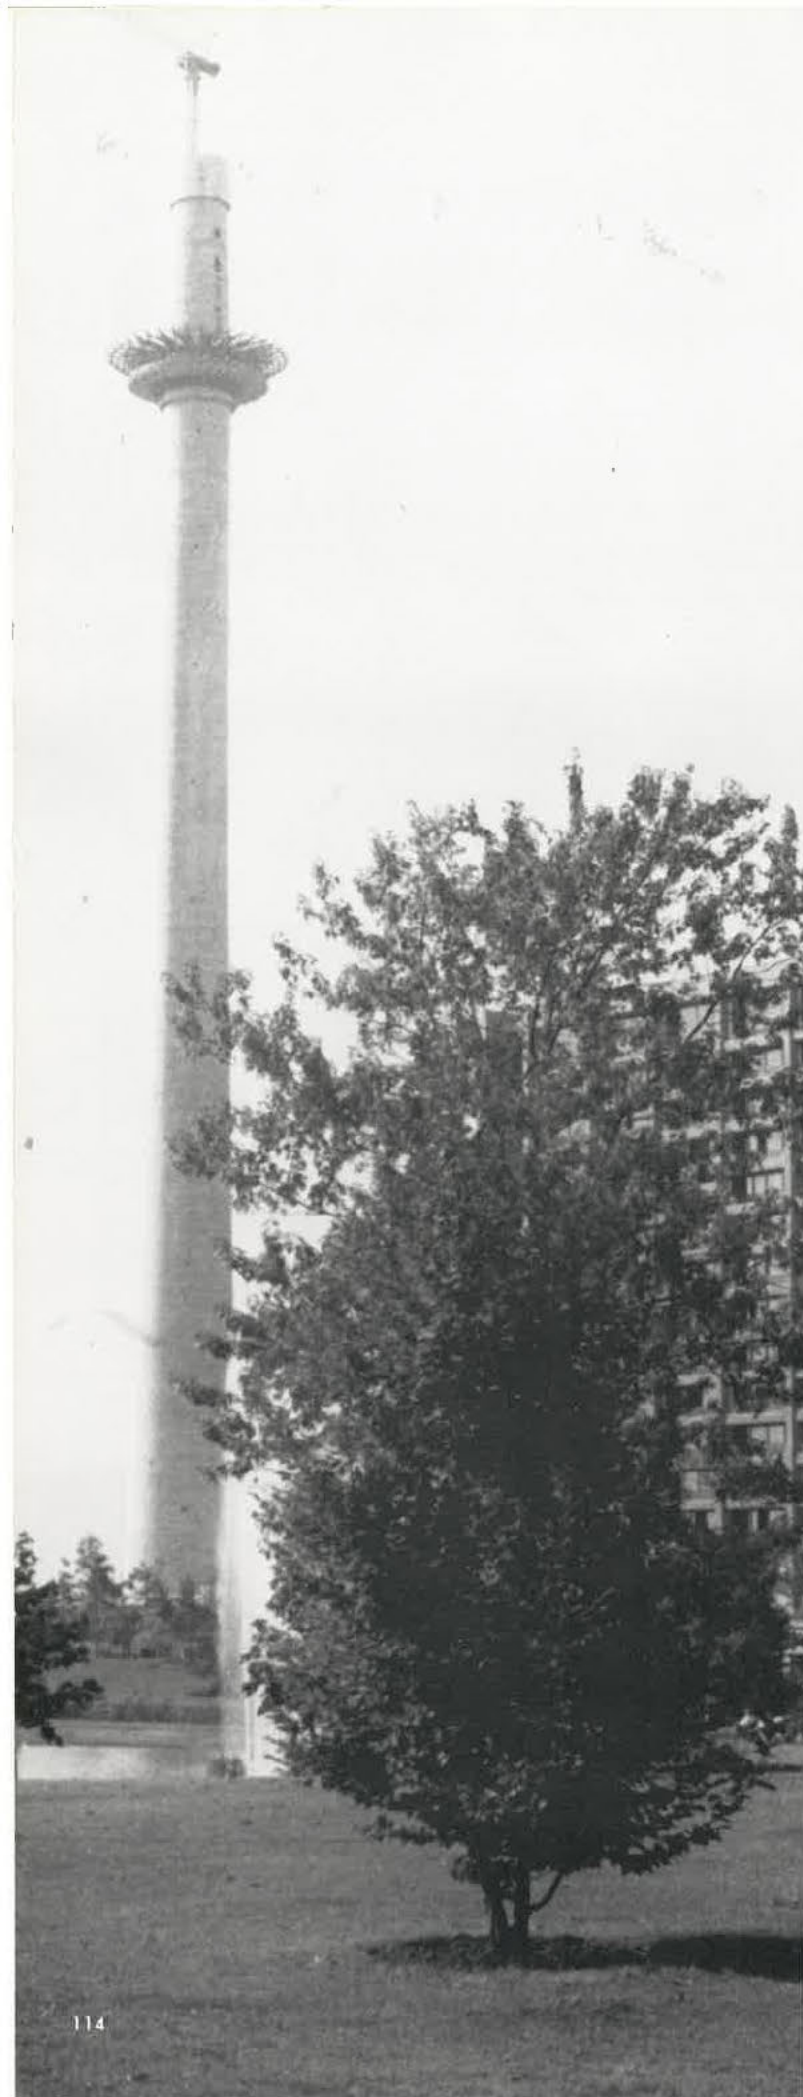

I've just about had it with this X!%#@\* typewriter.

Would you lend me a hand?

*I would like to thank all the people whose ideas, energies and care created a 1977 yearbook that we can all be proud of.*

*It would be impossible by name to list by name all of the students and staff who made the yearbook possible; the teachers who withstood class interruptions, the students who cooperated in answering questionnaires, and the administrators who made it possible to get things done. Still, I want to give special thanks to Mitch Bainwall for helping with football, wrestling, and Toy Drive pictures, and Herb Roberts and Cal Buxton for Darmstadt Career Center and Dorm pictures. I am especially grateful to Mr. Sande and Mr. Martin for helping with finances, and Mark Mooney and Trey Guyman whose artwork completed the yearbook.*

*Finally, I would like to give special recognition to Patrice Feggans and Patty Pangelinan who joined the staff late in the year but whose dedication and hard work were a valuable contribution to the 1977 yearbook.*

The International Club has been a very busy club this school year. Amidst the presentations every meeting, encompassing countries such as Germany, Spain, France, and Greece, among others, the club has visited an Old-Folk home, bringing gifts and warm wishes, and gone to Nurnberg to visit the Kristkindels market. We are planning to go on another trip at the end of the year. We expect to enjoy an end of the year feast, consisting of foods from many lands. Perhaps one of the most important accomplishments is the new friendships which have been made with the German students, who are active in the club.

Students have an opportunity to learn the basic fundamentals about rope climbing, repelling and ballaying and the basics of safety and survival in the outdoors. The Mountaineering Club has taken trips to the neighboring Taunus Mountains.

This year's Student Council has been very active regarding school policies. We covered such issues as: the five-point "A", selection of teachers by students, and more passing time for the students. The Student Council, however, has not been as active as we would like. This reflects directly upon the students and a sickness we are dealing with now called "apathy." There are those, though, who will work in any condition. With such people we have covered many topics. Hopefully, there will be those in following years, who will work just as hard as the members of the Student Council did this year.

Randy Brown,  
Student Council President

# Junior Reserve Officers Training Corps

During the first semester of the 1976-77 school year at Frankfurt, the JROTC class was one of the most active. During this brief span of time, the JROTC cadets participated in five Saber Guard performances. These performances included the homecoming ceremonies, the opening of the Women's Club Bazaar, the opening of the Harmony House, and two cadet inductions into the Armed Forces. Another group of cadets, the Color Guard, performed in all home football games, National Honor Society inductions, and PTSA meetings.

The ROTC department has greeted ROTC department from Mannheim and Heidelberg. Field trips were also conducted, which included a tour of the East German border in Fulda for the first year cadets, and a helicopter ride in Hanau for the second year cadets.

A new edition to the ROTC program, the rifle range, was inaugurated by General Don Stary on October 1, 1976.

The National Honor Society is an organization traditionally based upon four ideals — scholarship, leadership, character, and service. All members of NHS have successfully demonstrated these characteristics throughout their high school years.

The Honor Society is primarily a service organization. Its members provide a tutoring service for students in need of assistance and are the "welcoming committee" for new students by familiarizing them with the school. NHS also sponsors a foster child, holds bake sales, and plans dances.

## Drama

During the 1976-77 school year, many acting performances were given by students in Mr. Hall Meacham's classes. Various plays and scenes from plays were open for the student body to see, among them being these Duet Acting scenes. The young people worked diligently for long hours to make each scene a success. Many aspiring young actors and actresses have been the product of Mr. Meacham's drama classes. Every performance seen by fellow FAHS students was enjoyed thoroughly.

## Toy Drive

MEMBERS: Mitch Bainwol, Mike Balog, Cathy Copp, Linda Gesner, Victoria Schmitz, Doug Smith.

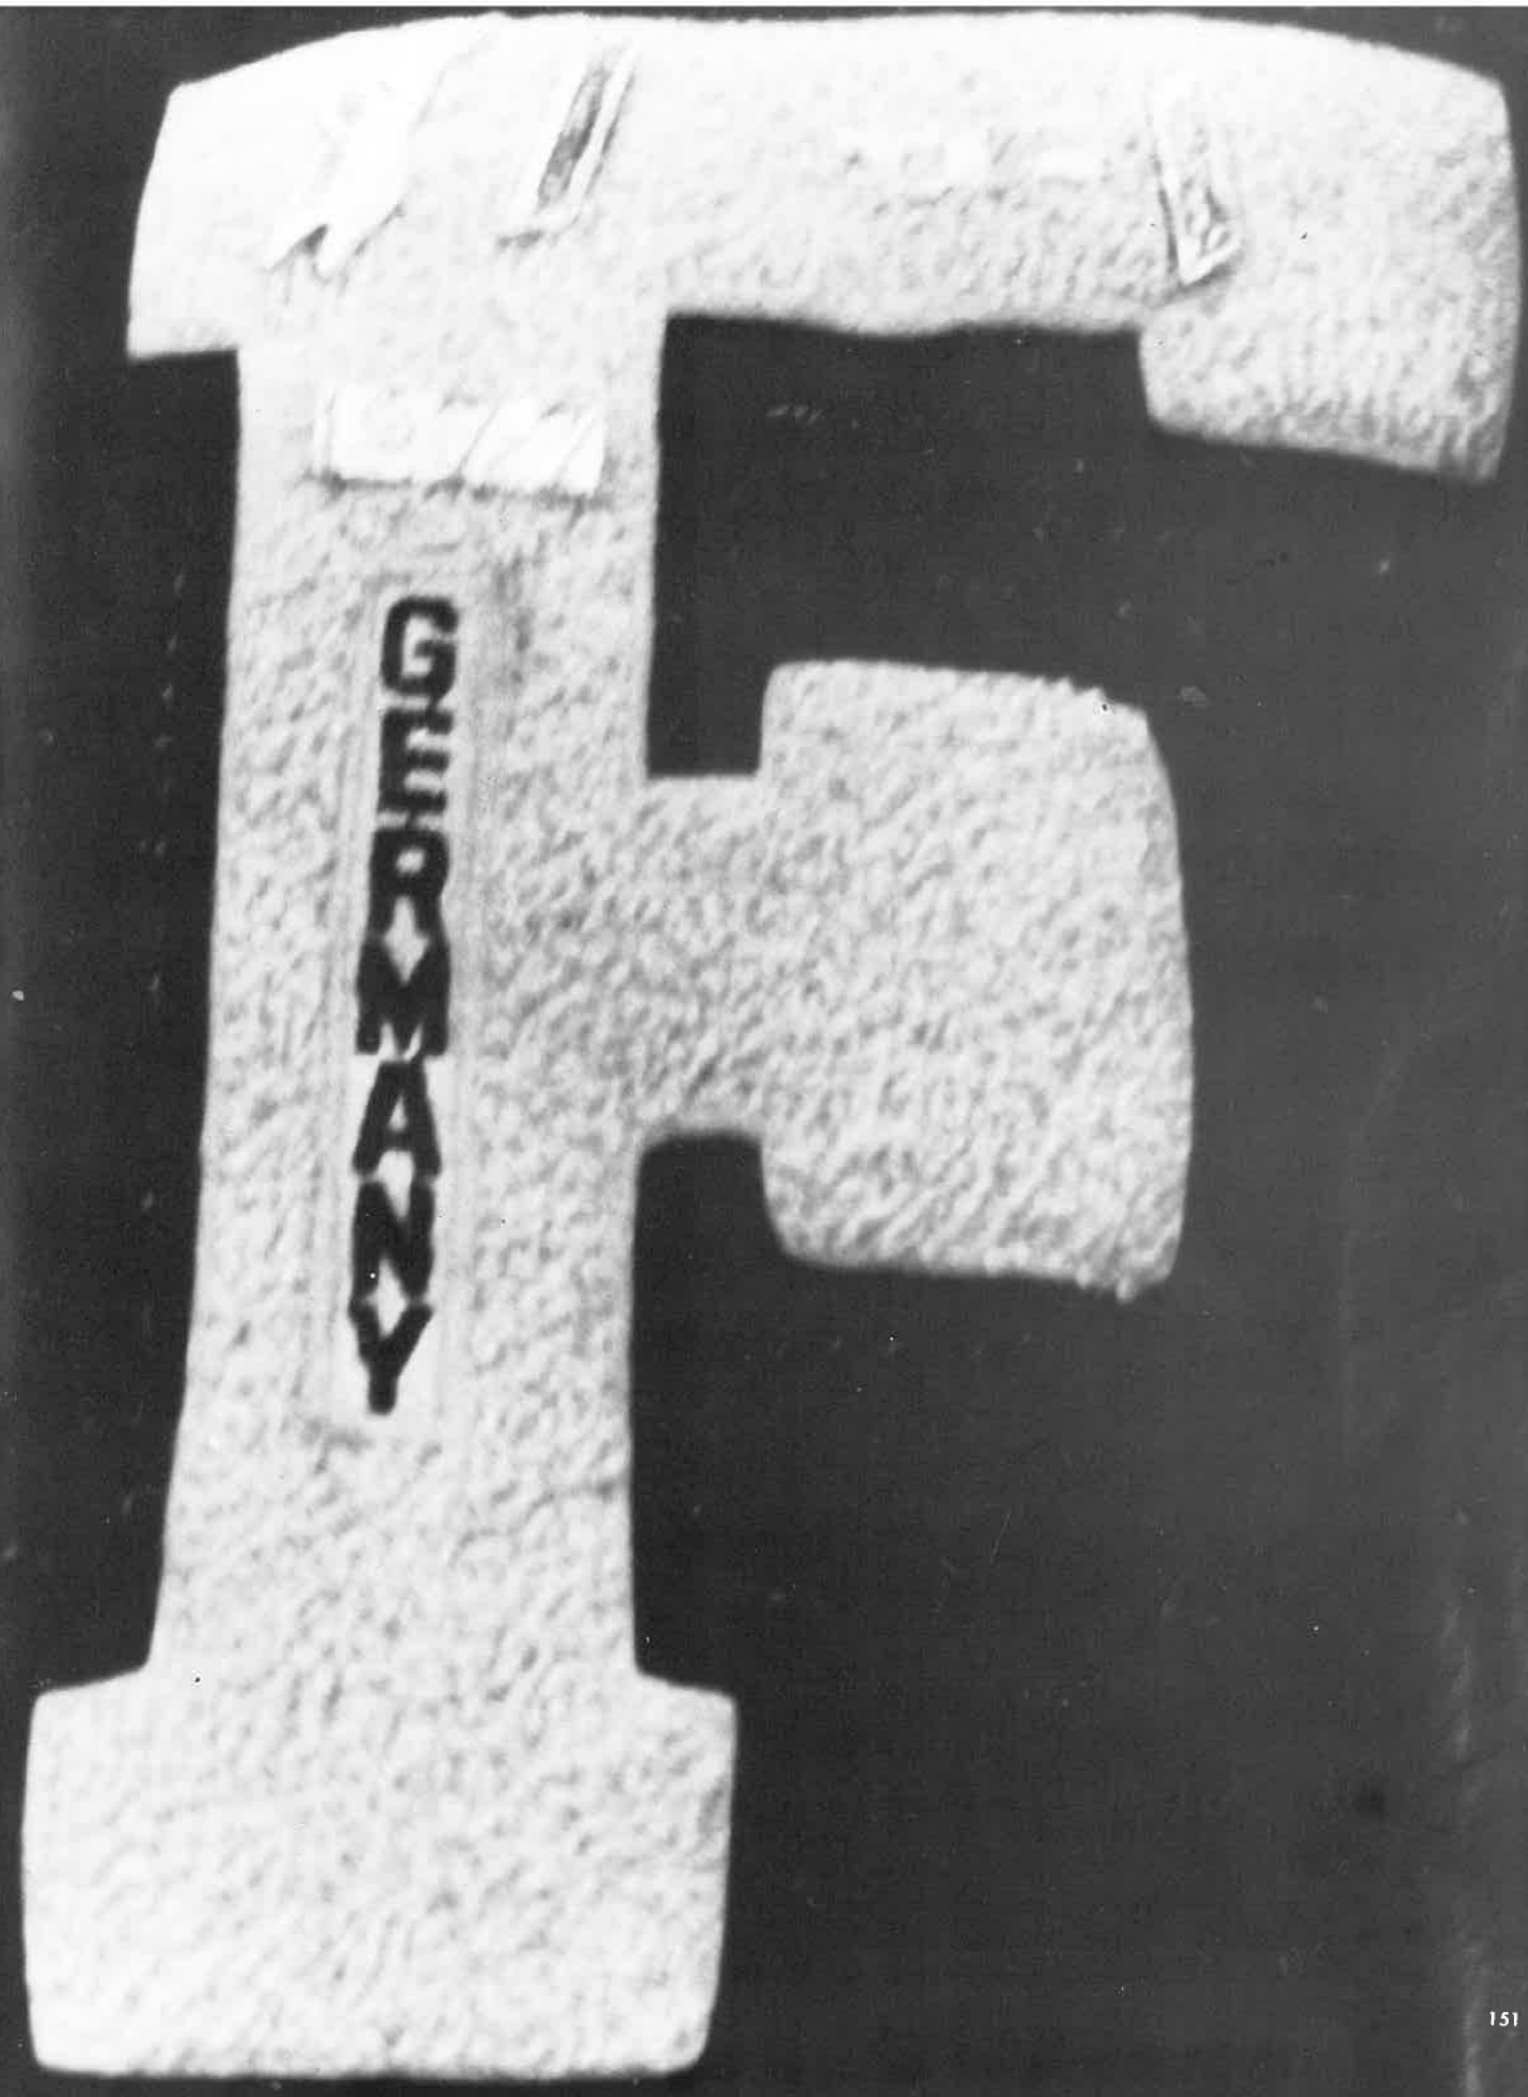

Several students from Mr. Metzger's Psychology classes decided that they would collect broken or unwanted toys, repair and otherwise refurbish them, and donate them to charity at Christmastime. The call for toys was an overwhelming success. Many hours were spent in A-I painting, washing, and gluing toys. It was the dedication of a small group of students which carried this phase of the project to a successful conclusion.

The toys were then distributed to American and German needy families, handicapped, nursery schools and kindergartens. Especially satisfying was giving toys to special education students at the 10th dispensary and to a kindergarten for gastarbiets children in Oberursel.

The project was a heartwarming experience.

Volleyball as a varsity sport received much more support this year. Newspaper and radio coverage were better than in years past. Volleyball also received a boost from the past summer Olympics in Montreal, creating awareness and interest.

Volleyball at Frankfurt was much improved, as it was at other schools which was reflected by our scores. We had a long way to go and were getting better at the season's end. There was tremendous spirit and team effort and each player worked hard all season.

Back, left to right: Sue Kuntz, Michelle Benecke, Missy Krings, Diann McNeill, Leslie Whiting, Nancy Fix. Bottom row: Vicki Randolph, Capatoria Bailey (Captain), Alma Bonano, Marie Burt. Front: Cari Gear. Missing: Manager Debbie Dobbs.

Back row, left to right: Virginia Smith, Faith Smith, Mary Rockey, Lourdes Alicea, Kathy VanRiper (Captain), Coach Ellen Shively. Middle row: Nikki Leventis, Karen Demers, Joan Bossert, Patricia Hancock. Front row: Missy Peate, Natalie Gray (Co-Captain).

J.V. Volleyball is a "basic training" time for interested players. Basic skills in setting, spiking, rolling and serving are developed, as well as game strategy and teamwork. The J.V.'s had a 4 win — 5 loss season after splitting wins and losses at round robin tournaments. Teamwork and the ability to control the ball improved greatly throughout the season, and Frankfurt should be a strong rival next year if the veterans return to competition.

VARSITY MEN: Standing, left to right: Seraphim Giannakis, Dan Perez, Mitch Rodehaver, Ed Fox. Kneeling: Mike Mooney, Bryan Henderson, Cal Buxton. Missing: James Lowen.

The Frankfurt Eagle cross country varsities enjoyed the most successful season of any Germany high school since the women's program was introduced. Both the men's and women's teams were undefeated in a schedule against ten other high schools. Dan Perez, Tammy Otto, and Kristan Dinges all had first place finishes during the regular season. Highlights included giving the Heidelberg women their first regular season defeat since they began cross country in 1974, spoiling Baumholder's men's bid for an undefeated season on the last Saturday of competition, and ending the Bitburg High men's 10-year winning streak at home.

JV MEN: Left to right: Jim Botkin, Arnold Ashland, Manager Jeff Nesmith, Chuck Briggs, Jim Colson. Missing: Bryan Foy, John McGuire, Peter Shinn, Neal Dominick, Gary Yawn, Paul Gross.

At the October 23rd Germany Championship Meet at Nurnberg, both varsities proved that the schedule had been no fluke as they each won Class A championship trophies. Each of the first five runners did his or her job that day. For the men it was second straight title, while the women made it the first championship women's team in cross country. Perez won the Class A individual men's medal, while Dinges and Otto finished 1-2 in the women's race.

The JV men's team lost only twice in the regular season and finished ahead of most of the 17 schools represented at the championships.

FRANKFURT V. K-TOWN

K-Town was caught unprepared by the Eagles and the pinpoint passing of Bruce Fye. Bruce tied a school record, when he hit four different receivers for TDs.

FRANKFURT V. STUTTGART

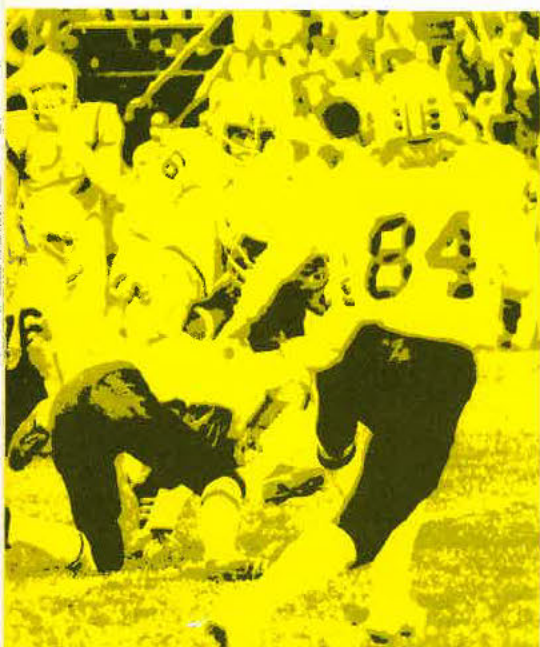

The Eagles lost five fumbles and the Stallions lost three. Still, with the running of Melvin Merrit, the Eagles scored twice. The Defense recovered a Stuttgart fumble in the end zone for the other tally.

#### FRANKFURT V. WIESBADEN

Wiesbaden hands Frankfurt its only seasonal loss. Pete Deitrick took over as quarterback after Bruce Fye's injury in the Stuttgart game. The only touchdown was made by John Van Sickle. Fumbles, dropped passes, and penalty flags caused the Eagles to lose this game.

#### FRANKFURT V. HEIDELBERG

With two minutes to go and the score tied, Pete Deitrick throws a 75-yard touchdown pass to John Van Sickle. Frankfurt's defense, led by Bill Simons, Bob Miller and Scott Rarig on the line, and Bill Brunet, Jay Carpenter, and Mike Fioritto handling linebacker chores, had the Lions in check.

#### FRANKFURT V. K-TOWN

Frankfurt and K-Town were both tied for 1st place in the Blue Division. Fye's pass to Van Sickle in the closing minutes brought the Eagles from behind, giving Frankfurt sole ownership of first place in the Blue Division.

#### FRANKFURT V. STUTTGART

Three completions to Bill McCarty, the final touchdown, followed by Earl Huff's second field goal, gave the Eagles an 11-0 lead and proved to be the only scoring of the day.

## FRANKFURT V. MANNHEIM

## Usdesea Class A Tournaments

Frankfurt started out the tournament upsetting the Stuttgart Stallions with a 44-42 win. They went on to place 4th in tournament standing, which was better than their season placing. Outstanding players were Rogerie Turner, who consistently played well throughout the tournaments, and James Frazier. There was a great disappointment in that Rogerie was not nominated to the all tournament team. The team as a whole did very well.

Coach Buz Farrell evaluating try outs.

This spring the defending Germany Regional Champion Eagles began practice on February 28. Returning stars expected to do well this year included Brenda Givens, Bob Stenson, Keith Pierce, Bryan Henderson, Lizanne Gauer, Cheryl Lofton, and cross-country champ Kristan Dinges who ran for Hanau last spring. There were some new potential stars, too. Early season work included flexibility and strength exercises, aerobic running and instruction in specific events. A five-meet season stretching from March 26 to May 7 was to be culminated at the 18-school Regional Meet in mid-May. Coaches Davis, Shopbell, Rehm and Farrell hoped for a good season for the Eagles in 1977.

The varsity soccer team is expecting another competitive season this year. The season-opener is a non-conference match with defending division champion Mannheim. Thereafter, the conference action begins with Kaiserslautern, Wiesbaden and Stuttgart. Returning to the varsity team this year are Larry Weekly, Carl Cubbedge, Freddy Rome, and Mehmet Aksu. With some help from returning junior varsity players, we expect to be a contender.

### TENNIS 1977

The tennis season looks bright for the men, but a bit dismal for the women. Returning to the men's teams are William Epstein (from last year's first doubles team which did very well in season play, dropping only one match to K-Town's very strong team) and Mark Garcia, who played 2nd singles last year. It appears William will play singles at the Germany Regionals in May, and he should place among the top 4 finishers. Mark will most likely play doubles at Regionals with newcomer Paul Miller, a sophomore who plays well. They should make a good doubles combination. With these three we have a chance to make a strong showing at the regionals for the men's division.

On the women's scene are all new faces and it remains to be seen how they'll fare in competition. Our best hopes will be sophomore Bridget Gauer, who has a nice game, and junior Linda Whitney. Cari Gear may complete the list of our top three. As a group the women look weak. I expect the K-Town women to be very strong in our league, and the Berlin women to dominate at Regionals.

## Golf Team

Back row, left to right: Bob Sisson, David Blanks, Trey Guymon, Vinny Chiricosta. Front row: Bob Wheeler, Lt Col. Nollner (Sponsor), Henry Gill. Missing: Tony Corso, Jeff McNeill.

The close of our Bicentennial year proved to be a successful one for the FAHS athletic teams, including the golf team, a sport overlooked by many.

After an encouraging season on various courses throughout Germany, LtCol. Nollner took his team to Ramstein for the Regional matches where the Eagles took second place. At Regionals, Trey Guymon, David Blanks, Bob Sisson, and Vinny Chiricosta qualified to compete in Berlin for the final matches. With Trey's finish at third, and David's sixth place finish, the team took low total, thus winning their divisional championship.

"Hmmm, what can we do next?"

The attractive and imaginative run-throughs at the football games, the Pep Pals, the extra-loud cheering at sporting events, the Back-to-School dance, the colorful buttons boasting of "Eagle Power" . . . who was responsible for them? The Frankfurt American High School Pep Club, under the leadership of ReeAnn Warvi as President, provided these and many other "spirit" activities designed to encourage and boost our athletes and performers. But more importantly, the Pep Club set as its goal the creation and maintenance of a "school spirit" among all the students. In addition they also posted signs throughout the community to publicize our school activity program and invite members of the Military and civilian community to attend our home events.

All of the activities of the Pep Club this year were designed to contribute to the major goal of being of service to the school as "boosters." The members voted to establish a project whose goal would be a monetary contribution to the athletic department and the wrestling team to provide much needed equipment.
