THE CORE OF FAITH MIDDLE SCHOOL

Mrs. Angelique Cotton, Principal

Dear Faith Middle School Family:

It has been an honor to serve as your principal during the 2011-2012 school year. As you get older, you will reflect on your middle school years. They are a time of growth—mentally, physically and emotionally.

I hope that when you look back, you will realize the many positive lessons you learned at Faith Middle School on how to approach life. We care about you and your future.

To you and your parents, we thank you for your service to our country. What a great nation we live in! You and your family are why we have a great school and a great country. Best wishes in all of your future endeavors.

With love and respect,

Mrs. Angie Cotton

Developing 21st Century Leaders!
Moving Forward ...

Mr. Dan Perkins **Assistant Principal**

I am happy to be here at Faith Middle School! This is an excellent community of parents, teachers, and staff dedicated to doing what is best for students.

I am originally from Washington State, but have lived all over the country. I served in the U.S. Navy for almost 16 years and have cross-country ski raced all over North America and Europe.

I came to Faith from Breckenridge, Colorado, high in the ski country of the Rocky Mountains. Last year I was the principal of Summit Alternative High School after having spent 16 years teaching regular and special education.

"I am excited to be a part of the changes going on at Faith Middle School as we continuously look to improve as a school."

Mr. Jeffrey Herron **Assistant Principal**

I bring to the table five years of administrative experience with my most recent employment being at Cordova High School in Memphis, Tennessee.

I am excited to be here at Faith Middle School where the expectations for rigor encourage teachers and students alike to excel. Encouraging students to become 21st Century Leaders makes Faith Middle School ahead of the curve as it relates to educating today's youth and I am happy to be involved in that mission.

As an administrator at Faith Middle School, I want to support the faculty as they continue to use research-based teaching strategies, implement technology in the classroom, and construct respectful/challenging tasks.

"I am looking forward to many successful years at Faith Middle School as we continue to learn and grow."

Caring staff and teachers: PRICELESS!

<<< It takes a village to make a difference in education!

<<< OCS Cadets

Officer Candidate School cadets are a welcome addition to the school! They assist students and teachers in so many ways--from hanging artwork, to tutoring, to making copies and laminating. Wherever there is a need..they are ready to lend a hand!

Partners In Education "PIE" >>>

Partners In Education for Faith Middle School are the Directorate of Emergency Services (DES) represented by Chief Hoy and Mrs. Sherena Wilkins and the Muscogee County Career Academy (MCCA) represented by Col. (Ret.) Randy Buck. Some of the PIE activities for this year included helping to raise awareness of nutrition and fire safety. "Pi Day," held March 14 ($\pi = 3.14$), was a day of many activities to celebrate our partnerships.

PTO President Mrs. Janet Kennedy and many other PTO members are frequently found in the school working on fund-raising activities. Proceeds are used for purchases to enhance teaching and learning.

As a high tech company specializing in defense and aerospace systems, Raytheon presented a check to provide additional support to Faith Middle School's mathematics curriculum.

Faith Middle School students created hundreds of greeting cards, which the Red Cross collected to send to military and family members all over the world for the holidays.

From parent volunteers to our many other benefactors that were not mentioned, your generosity and willingness to share and serve is very much appreciated by everyone at Faith Middle School.

THREE YEARS, MANY MEMORIES

We will always remember our best (hopefully many) and worst (hopefully few) moments in middle school. Throughout the years we have met many new students and stayed with several of the same students and missed quite a few others who moved away. Middle school is also where we met our true, best friends. Remember when you were laughing with your best friend for no reason at all? Or remember when the substitute teacher was talking the whole class period and you did not complete your work? Or remember when you finally understood that difficult subject you struggled with for so long? Sometimes it is hard to say goodbye as we move on to high school. Never forget the days you had in the 8th grade hallway because it will affect you throughout your whole life. You may not realize what you had until it is over—you were once a part of **SOMETHING BLACK AND GOLD!**

SPECIAL TIMES AT FMS

Professional rap artist Lil' Rodi (left) visited our school to talk about his personal experiences with drugs and how he decided to make good choices even though bad things happened in his life. His message to students was that you have the power to make good choices, too.

Visitors are always welcome--including former Faith Middle School student Cody Anderson, who also happens to be the son of Mrs. Cotton.

During the Pep Rally all FMS sports team members were introduced and wished good luck for their upcoming games.

FMS fans cheered loudly at the Pep Rally:
"Go Faith Warrior Bears!!"

Everyone loved the Holiday Concert with wonderful music, singing, and dancing performances!

SCHOOL-AND IT
SHOWS! WE ARE
DRUG FREE,
HAVE LOTS OF
PEP, LOVE OUR
VISITORS, AND
ENJOY
"HELPING THE
HOOCH!"**

Open House -- students and their families had an opportunity to get acquainted with the school layout and meet the teachers and staff.

NJHS students participated in "Help the Hooch," an annual community service project, by picking up trash and debris around the Chattahoochee River. A little work goes a long way to make things better!

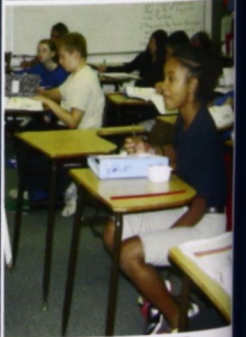

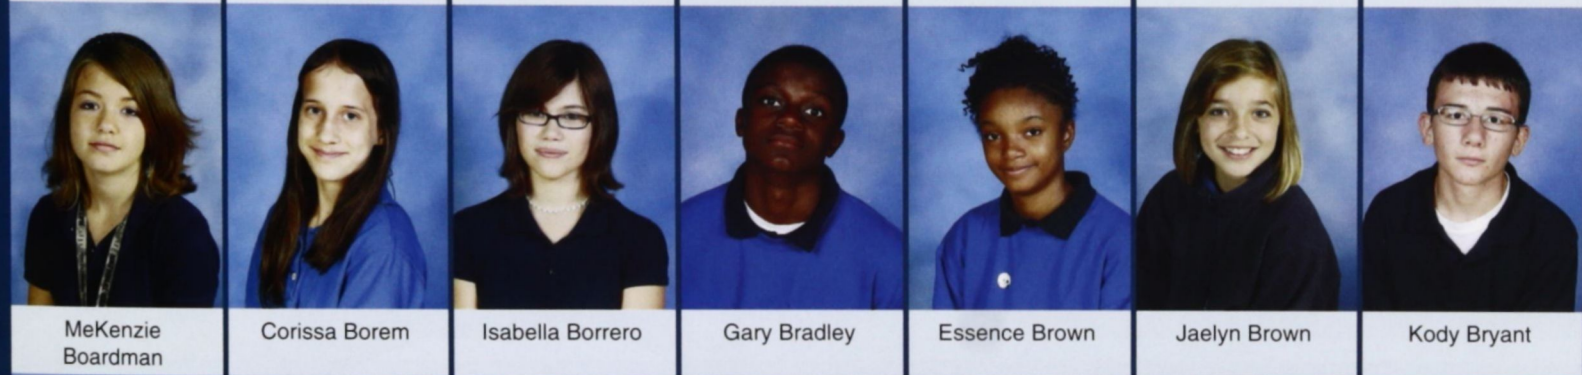

"Two years, more memories..."

We are the middle grade in middle school. We have moved beyond being the youngest in the school, but we are not the oldest, either. We enjoyed that "middle child" attitude of having fun with learning, activities, and friends without all the pressures that 6th and 8th graders often have. Remember when we used to be called leprechauns in 6th grade because we wore green? Remember that funny teacher who once stood on the desk to make a point? We may not have to concentrate on high school quite yet, but we still must look to the future. We will return to new classrooms in a different color hallway wearing new colored shirts, and see many of the same students from the previous year along with some new faces to meet. We will carry on being a part of **SOMETHING BLACK AND GOLD!**

F A V O R I T E S

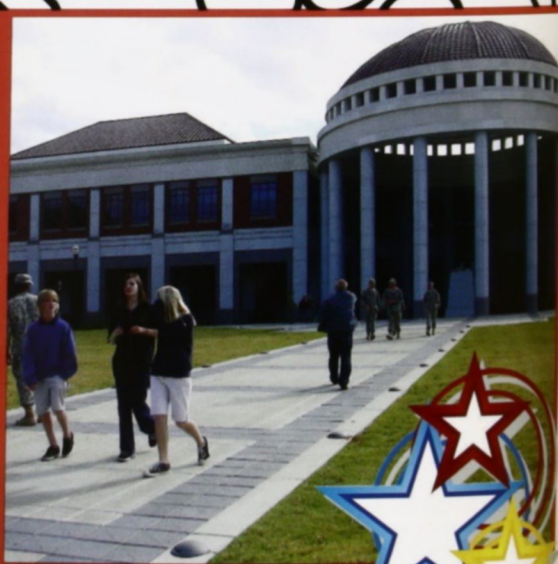

Taking a Break from Classroom Learning

As a PIE partnership initiative, 8th graders had the opportunity to preview automotive, business, construction, culinary arts, family and consumer science, education and teaching, healthcare science, JROTC, and metals career courses during a tour of the Muscogee County Career Academy. The tour ended with customized sandwich wraps prepared by the students under the guidance of MCCA culinary arts students.

As a follow up to reading *The Red Badge of Courage* and *All Quiet on the Western Front*, 7th graders toured the National Infantry Museum. Organized by Lt. Col. Zollinger, the students found the museum breathtaking because the various displays looked so realistic. Many students felt that the NIM helped them to visualize some aspects of the books they had read, while other students enjoyed the Lewis and Clark movie at the IMAX.

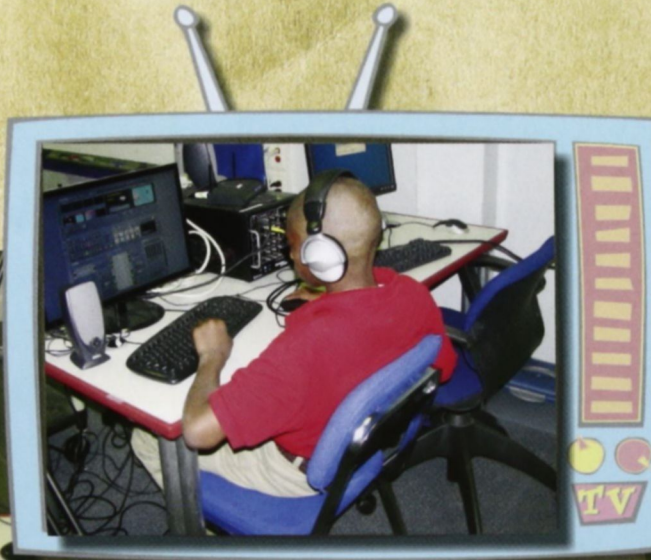

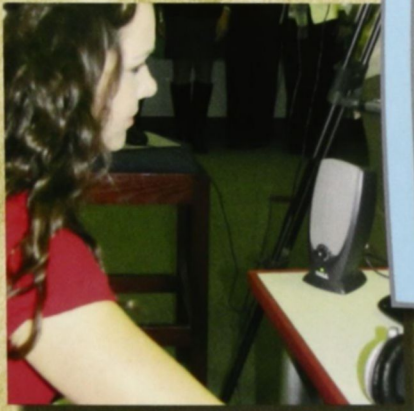

Several students had the opportunity to visit Macon State College in Macon, Georgia, as well as other colleges, throughout the year. It's never too early to find out what colleges have to offer and plan your educational goals based on your interests. The saying goes, "If you love what you do, then you'll never 'work' a day in your life!"

This Year!

Video Productions

*“Words are
not enough.”*

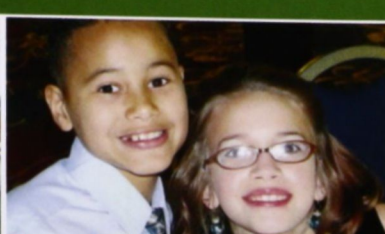

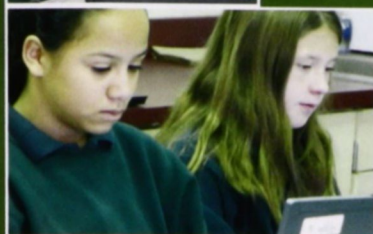

The Video Productions group of students works hard to gather, format, record, and broadcast up-to-date information to our school each morning.

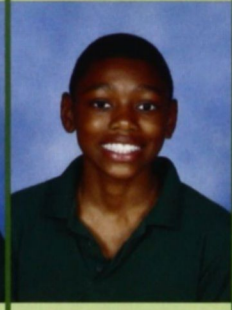

“One year, new memories...”

Remember the first time we climbed on the bus with a large crowd trying to find an empty spot to sit where several students were already shoved together with large backpacks, the bus driver was yelling at some kids in the back seat to stop throwing paper wads, and other students were talking loudly to those across the aisle? Can you recall how nervous you were when you met unfamiliar teachers, new students, and a whole new school? I bet we will never forget tightly gripping our schedules while navigating to our classes through the twisted hallways. Going through our first year of middle school was not really as tough as we thought it would be and we made a lot of new friends and learned a lot of new things, too. We joined the ranks of **SOMETHING BLACK AND GOLD!**

GOING BY THE BEAT OF THEIR OWN DRUMS

Band Classes of 2011-2012

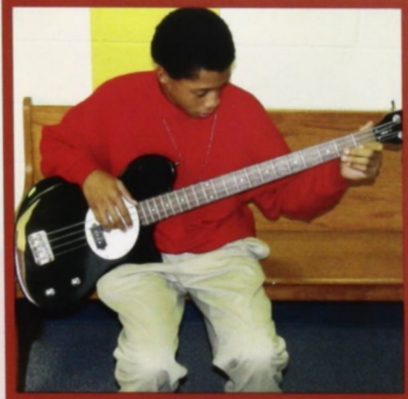

◀ "Mr. Miller is an amazing teacher."
-Misty

◀ Tanelisña has been playing the clarinet for a year now and describes the class as "FLY."

Money says he's "just alright," but working to be a "beast."

Rebecca can usually be seen jammin' out on her flute.

LIFE IS SHORT, PLAY IT LOUD

Mr. Miller would like band students to learn. . .

6th grade

- winds - how to hold fingers to play certain notes on recorders
- how to breathe and have correct posture
- more notes throughout the year
- percussion - how to count the beat and hold the drum sticks

7th grade

- to increase awareness of music
- to expand use of instruments such as alto sax, bass clarinet and alto clarinet

8th grade

- to widen the range of music
- to play more technically challenging music
- to improve rhythm, melody, form, expression, style and elements of music

Sixth graders in concert.

"I've been playing the baritone for three years, and it's cool."
-Parker

"As a three-year band student, I'd say that the class is a great experience."
-Molly

"To play well, listen to each other," instructs Mr. Miller.

Take a Picture! It Lasts Longer!

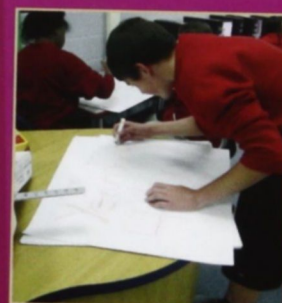

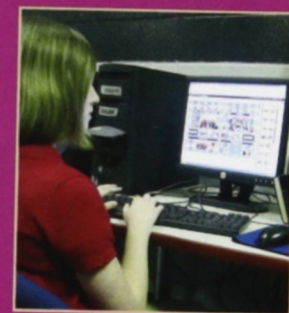

The yearbook staff discovered that it takes determination, dedication, creativity, and focus to create a successful yearbook. We worked very hard as a team to get the yearbook completed while meeting deadlines.

The yearbook staff performed a variety of tasks under the direction of the Yearbook Advisor Ms. LaPierre, which ultimately made the yearbook possible. Starting from the day we attended the yearbook workshop, we accomplished so many things! We stayed after hours to photograph sporting events, dances, and other student activities. We learned how to take good pictures, edit pictures, upload pictures, and place pictures on yearbook pages. We designed page layouts, interviewed people, and distributed and counted surveys. We made posters to promote sales.

Creating this yearbook was a wonderful learning experience that allowed us to become a family and showcase Faith Middle School. We are proud of our efforts and hope that this yearbook will bring good memories for a lifetime!

Front Row, L-R: Cierra Hawk, Deangelena Terrell, Morgan Hill, Jasmine Davison, Eryka Johnson. **Middle Row, L-R:** Aracely Guerrero (Asst. Designer), Rachel Clark, Madelynn Kraft, Maribel Cazares, Zeena Escobedo, Caitlin Anders (Asst. Editor). **Top Row, L-R:** Jonny Bruss (Asst. Designer), Austin Cook, Roderick Neal. **Not pictured:** Josiah Chambers, Austin Screeton, and Breanna Valenzuela.

FMS . . .

Faith Middle Students do not stop their learning after the dismissal bell rings. Many students participate in one or more of the many after-school activities offered: Student Council, Robotics, NJHS, Chess Club, Science Club, Multicultural Club, Band, Homework Help, Math Help, Algebra Help, and Drama Club. Students take advantage of the extra hour of hanging out with their friends while enjoying their passion or getting extra help with their assignments.

Coach Obie gives some advice to the players.

Faith Warrior Bears games are full of action.

Go Team!

This year marked the first football team in Faith Middle School's History! A total number of 111 sixth, seventh, and eighth graders showed up on the first day of conditioning in preparation for football tryouts. Following the rigorous conditioning during the hot, after-school hours, only 48 students made the team.

Under the direction of Coach Obie and Coach Keith, the FMS football team played against several school teams in the Muscogee County league. Quarterback Austin Screeton scored a total of four touchdowns! Elliot Burbelo, Christian Cortazar, Terrell "TJ" Jones, and Xi'an Williams each scored touchdowns as well. We are very proud of the whole team!

Running with the Pack!

Our Faith Cross Country team had an awesome season! They ran on every kind of terrain imaginable: from a grassy field on Fort Benning to a wooded trail at Brookstone and even a bumpy and wooded area of Lake Bottom Park. The average run was two miles! Someone who had not run before could be turned into a running machine by Coach Gilpatrick, Coach Hernandez, Coach Hord, and Coach Trick. The practices were exhausting but always fun. The runners supported each other and treated each other like they would treat their own family members.

As a result of their hard work and team work, Faith's 2011 Cross Country team received 2nd place at the last meet of their season. Next fall, there will be a new FMS team ready to run, but 2011's team will never be forgotten!

After a few races, running became as natural as walking to our Faith runners.

BASKETBALL TEAMS

Boy's Team:

Boys:

Bottom Row, L-R:

Dinero McDaniel
Marquel Fordham
Kade Hughes
Josiah Chambers
Terrell "TJ" Jones
Elija Pleasants
Tavius Hill
Top Row, L-R:
Eli Davis
Devante Hall
Alejandro Ismajovich
Zachary Rodriguez
Tyrique Williams
Carlos Taylor

Girls:

Bottom Row, L-R:

Kelsey Jones
Taneisha Johnson
Taylor Harris
Maurecia Hudson
Ciara Alston
Middle Row, L-R:
Danasia Williams
Melanie Santoro
Bobbie Jo Muzquiz
Barbara Walsh
Maya Caraballo
Top Row, L-R:
Morgan Lee
Jazmine Davison
Hannah Rauhut
Kaitlynn Williams

Boy's Team Coaches: Ivey, Smith, & Hughes
Girl's Team Coaches: Raines, Angie, & T.R.

Girl's Team:

SOCCER TEAMS

Perfection in homework

Dianne Wold and Taven Schmitz-
Cleaning up after class project

**These are just some of the many
Warrior Bear Heroes:**

Essence Brown
Jaelyn Brown
Jacobi McMillan
Taysa Maka
Cody Deckard
Charisma Griffin
Barbara Walsh
Ian Grant
Caleb Youngblood
Bailey Pippin
Tyler Beal
Sofia Fernandez
Erika Jackson
Roderick Neal
Jacob Pentz

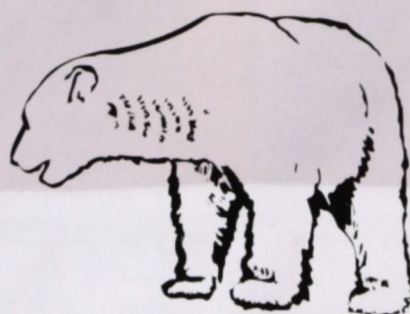

Lori Ann Piestawa
was the first Native American
and the first woman to die in
the Iraqi War. Her family
came by to visit FMS following
the dedication ceremony of a
Fort Benning headquarters
building named in her honor
because of her dedication
and courage.

Don C. Faith Jr.
was a Lieutenant Colonel who
courageously fought in World
War II and the Korean War. He
won many awards in his
lifetime such as the Medal of
Honor. Faith tragically died in
the Korean War. His courage
and outstanding performances
are the reasons our school was
named in his honor.

**American
troops
are our
heroes.**

& Fond Farewells & Warm Welcomes

Mrs. Delisa Brown (*left*), former Counselor, and Ms. Cheryl Lusane, former Assistant Principal, are pictured together during a staff going-away party held November 2011. Mrs. Brown will accompany her husband to Italy while Ms. Lusane will remain at Fort Benning in her new position as Instructional Systems Specialist (ISS) for the DoDEA Georgia/Alabama District. We wish them both well in their new endeavors!
