*SCHOOLS FOR THE SOLDIER'S CHILD*

FORT BENNING, GEORGIA

Dear Parents:

Welcome to the Fort Benning Schools!

This letter constitutes our promise to provide Fort Benning students a top quality education that will prepare them to thrive in a competitive, global world.

As members of the Army Family Covenant, our schools are committed to providing your child an educational program that delivers a quality of life commensurate with your service and sacrifice to the Nation.

We have all the ingredients needed to provide a world class education for students: strong teachers and staff focused on research-based instruction, supportive parents who have high expectations for their children's learning, and students who are willing to work hard to improve their achievement. Working together, we will continue to see higher levels of achievement among our students.

I invite you to join hands with us as we commit to a great future for all Fort Benning children.

Sincerely,  
Dell McMullen  
Superintendent

## DoDEA Mission

*The Department of Defense Education Activity provides, in military communities worldwide, an exemplary education that inspires and prepares all DoDEA students for success in a dynamic, global environment.*

The Fort Benning Schools belong to the Georgia/Alabama District and are part of the Department of Defense Education Activity (DoDEA). DoDEA provides education to eligible Department of Defense military and civilian dependents from preschool through grade 12 at sites both in the United States and overseas. Courses of study in DoDEA schools parallel those found in public schools in the United States.

The military command, school board and parents of Fort Benning provide wonderful community support to the schools and Ft. Benning Schools are fortunate to serve the families of military sponsors.

There are a total of seven schools (six elementary and one middle) which serve the families living on the Fort Benning installation. Children attend the Ft. Benning Schools from grades PK through eight. High school students residing on the installation (grades 9-12) attend local high schools.

**Accreditation...the Hallmark of Quality with AdvancED.  
Advancing Excellence in Education Worldwide.**

The Fort Benning Schools are committed to the Continuous School Improvement (CSI) initiative, a robust program designed to help schools continuously improve through clear, data-driven approaches that involve students, educators, parents and members of the community. DODEA's CSI program supports schools throughout a five-year improvement cycle in preparation

# AUGUST 2010

for accreditation through AdvancED—the world's largest education community, representing 27,000 public and private schools and districts across the United States and in 65 countries worldwide, educating 15 million students. AdvancED is the unified organization of the North Central Association Commission on Accreditation and School Improvement (NCA CASI) and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI). The NCA CASI and SACS CASI accreditation seals are recognized across the United States and around the world and serve as the seals used by AdvancED to bestow accreditation.

Accredited schools must demonstrate quality assurance through internal and external Quality Assurance Reviews (QAR). QAR Teams evaluate adherence to the AdvancED standards, examine the efficacy of the school's improvement efforts, and review the effectiveness of the school's methods for quality assurance. The QAR Team identifies commendations and recommendations for improvement and recommends the school for accreditation by AdvancED. Accredited schools demonstrate compelling evidence in meeting the AdvancED Standards. All Fort Benning Schools successfully hosted reviews and earned AdvancED accreditation during SY 2010.

We look forward to continued improvement in SY 2011 as we work together to accomplish DODEA's mission: To provide an exemplary education that inspires and prepares all DODEA students for success in a dynamic, global environment.
