Feelings on the First Day of School

Percentages of Fifth Graders!

I felt nervous on the first day of school but if I knew anybody from last year I am going to be ok about school and I know it is going to be a good year with new and old friends.

Chris Ortiz Mrs. Crawford

My first day of school couldn't have been better. Almost all of my friends in 5th grade were in my class. Not just from my homeroom class, but also from my switch class, and don't forget my new teachers. They're awesome!

-Stephanie Crawford Mrs. Sanchez

On the first day of school I was a little scared to meet my teacher and be in a new school, but once I met my teacher and saw that so many people I knew were there, I was happy. My teacher was also very nice.

-Blake Dononue Mrs. Williams

I felt scared and happy at the same time. I thought I wasn't going to have any friends. But I have four friends. They are Zachary, Drew, Duncan, and Roberto. This year's going to be good.

Alexander Crosbie Mr. Stewart.

On the first day of school I felt good. I was a little nervous though. I was happy that I was going to a new school, and I was going to meet a bunch of new people. I was really glad on the first day of school.

I didn't know everyone in my class last from last year would be in my class again.

-Carltez Briggs Mrs. Warren

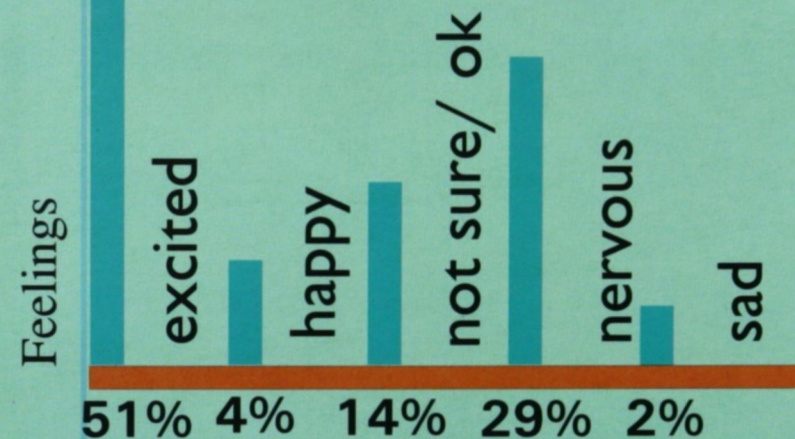

The first day of school I was anxious to get the year started with and over. The first day went by really fast and I made new friends.

-Bryce Reed Mrs. Popour

Feelings on the First Day of School

Percentages of Sixth Graders!

On the first day of school I was very nervous, but when I got in there, I was glad because I was sitting by someone I knew! As the day went on I got less nervous and once the day was over I wasn't nervous at all.

-Keilin Rodriguez Mrs. Bronzo

I did not feel scared at all. I knew my teacher was good because my sister had her as a switch teacher last year.

-Margaret G. Mrs. McConaha

On the first day of school I felt excited and scared at the same time. I was excited because i couldn't wait till the new school year. I was scared and excited to make new friends.

-Anthony Lopiccio Mr. Luckey

On the first day of school I felt shy because I didn't know anyone in my class. But yet I also felt excited to meet new people. I also didn't think that many people would like me. I thought my teacher was going to be a really fun teacher.

-Jashel Negron Mrs. Goss

My first feeling I had on the first day of school was nervous. I was nervous on the first day of school because I didn't know how it was going to be in a new school. I also didn't know if Mr. Kelley was nice or not, but I love my class.

-Alyson Gaylord Mr. Kelley

On the first day of school we felt excited. We were excited to meet new people in our class. so far we met some pretty insane people in this class, but we love it.
