I remember when the 82nd
Airborne All American
Chorus came to our school.
They sang many songs. "My
Girl" was my favorite. April
4, 2011 was a great day!
Kristin Johnson

I remember the
trip to see the
North Carolina
Symphony, and
the day Michael
Jordan came to
school to talk to
us.

Bryson Gordon

I remember when I sang
in front of the whole
school and did great.
Olivia Owens

I remember when I got up
during the TNT Prep Rally and
shouted the Terra Nova letters
in order. I felt I was inspiring
the students.

Aiden Thyer

REMEMBER

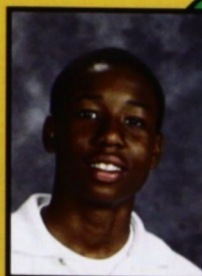

Last year when I was in
the fifth grade a group
called FMA Live came
here. Everyone was
singing to their songs. It
was a lot of fun. Some
students went up for
examples of gravity and
other stuff dealing with
Science. It turned out to
be a lot of fun and I
learned a lot.

Keilin Rodriguez

I remember when
Isaiah, Brennen and I
did that game board
project. We were
working very hard. We
all took turns taking it
home. It turned out
OK.

Matthew Fitch

I remember when the sixth
grade band played for the
fourth graders, 2009-2010.
They played Snake Charms
and some teachers played
with the band.

Javarrai English

I remember the first time I sat at lunch with my two best friends. (Kieran and Maddie) We were all so nervous on that first day. It makes me laugh every time I think of it.

Samantha Dacruz

I remember the fund raiser assembly when a man had a spinner with the letters of the alphabet. If he spun the letter of your first name you got to go up and get a chocolate.

Jesus Gutierrez

I remember how I felt on the first day of school. I was so excited because I couldn't wait to make new friends. I walked into my classroom and I knew that this year was going to be great.

Shania Hickey

I remember when we had performed on our instruments in the Christmas Concert in front of the whole school. I heard the kids clapping to the beat and that made me realize that this year is going to be the best year ever.

Jacob Scales

I remember the winter concert when Ally Jones danced while the chorus and the band performed.

Jasmine Tabler

THE TIME

I remember how I felt on the first day of school. I felt nervous, but at other times I felt excited. It was weird being around so many new people but I ended up making a lot of great friends throughout the year.

Laura Ramirez

I remember when we were making doughnuts for fun Friday. The fire alarm went off and we thought it was because of the grease. It was just a fire drill after all.

A 4x3 grid of 12 photographs of students posing in front of a chalkboard. The chalkboard is decorated with the text 'B.F.F.' in large, colorful letters, 'Kool Kidz' at the top, and 'Irwin Rocks' on the sides. There are also drawings of a sun with glasses, stars, and hearts. The students are of various ethnicities and are dressed in casual clothing, including red and white shirts. Some students are sitting on a bench, while others are standing. The photos are arranged in four rows and three columns, showing different groups of students posing together.

A group photo of four young women and one adult woman standing in front of a chalkboard. The chalkboard has drawings and text including "Kool Kidz", "Irwin", "B.F.F.", and a sun with glasses.
