FALCON
FORT CAMPBELL HIGH SCHOOL
FORT CAMPBELL, KENTUCKY
VOLUME 10
1972

DEDICATION

Each year the FALCON is dedicated to an individual who has made an important contribution to the field of education. This year the journalism class has selected Dr. Clinton O. McKee to receive this honor. During his long career in education, Dr. McKee has amassed experience that encompasses the gamut of education. He has served as classroom teacher, elementary principal, junior high principal, secondary high principal, professor of education, and superintendent.

For the past thirteen years, the leadership role of the Dependent School System has been invested in Dr. McKee as Superintendent of Schools. During his tenure as chief administrator, he has demonstrated his leadership, ability, and dedication to the educational processes by forging the basic objectives of the school system into a fully operational and efficiently functioning enterprise.

Dr. McKee has been imbued with an insight that has encouraged experimentation and innovation in the teaching-learning process and has directed his efforts toward having education meet the needs of youth in a dynamic and ever-changing world.

Dr. McKee has those attributes which are admired and respected by his colleagues and co-workers: leader, facilitator, educator, gentleman, friend . . .

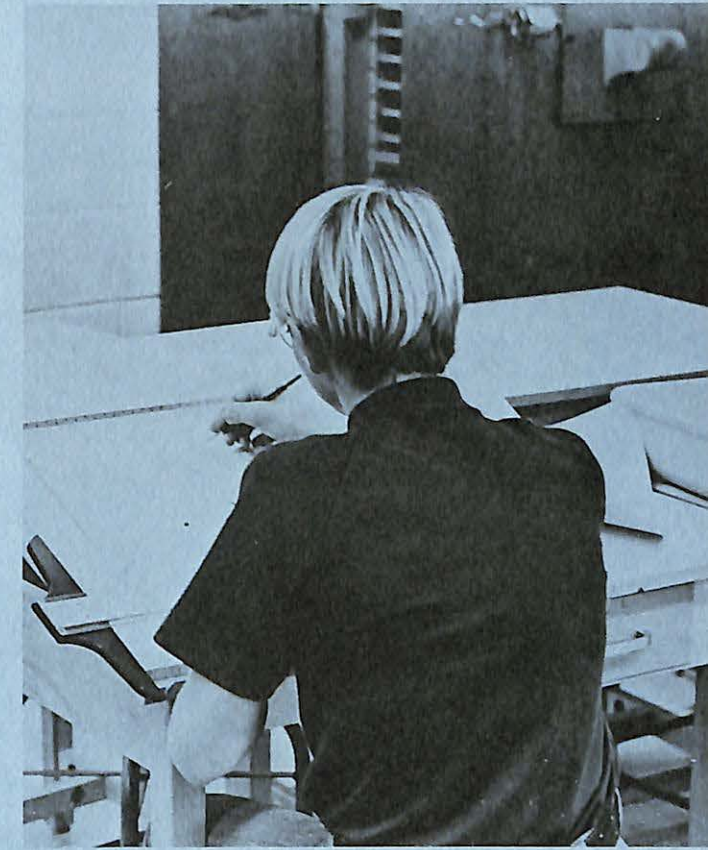

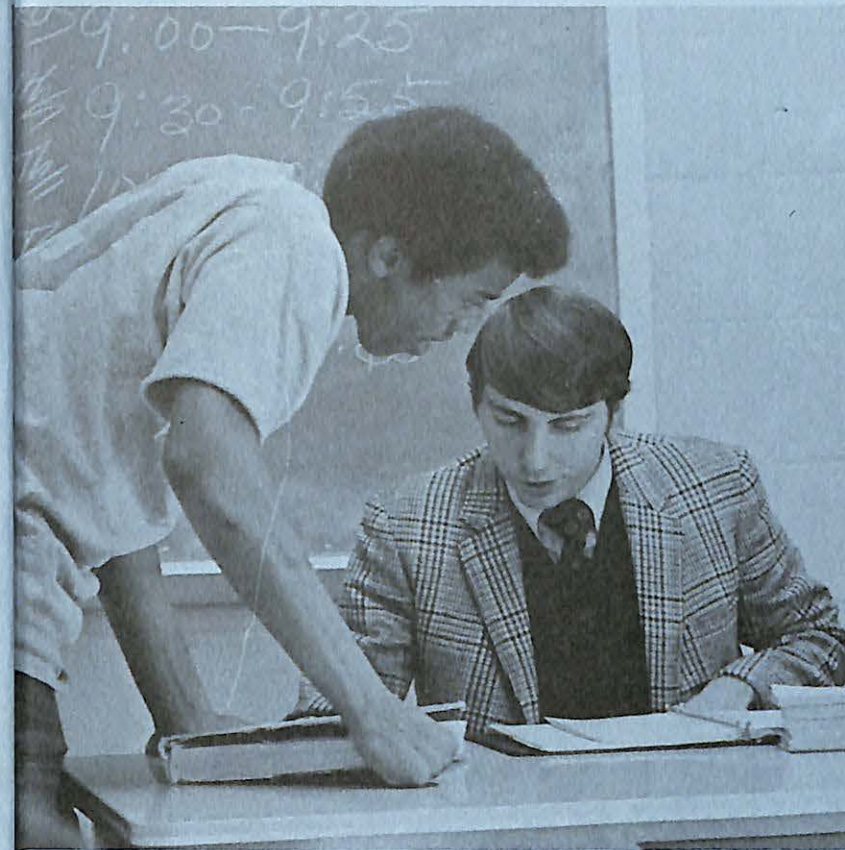

Dr. C.O. McKee

ACTIVITIES

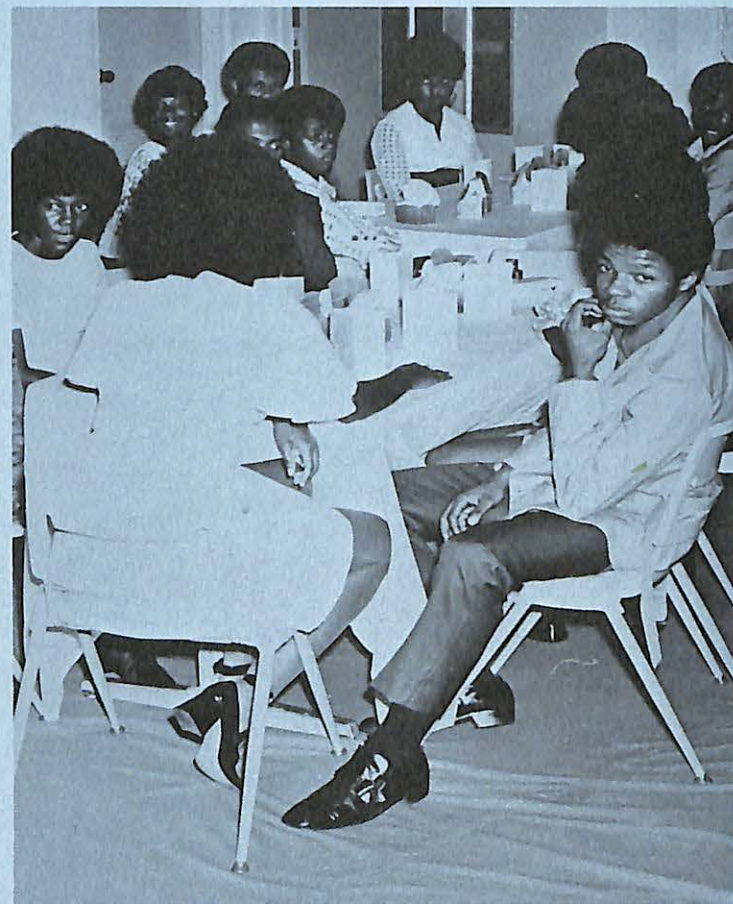

HOMECOMING 1971

When we think of Fall 1971, we'll remember Falcon football, and football leads to Homecoming. When we think of Homecoming, a jumble of pep rallies, decorating the school, cars, parades, queens, old graduates who watch with envious eyes, the game, and the dance (swinging fish, seaweek, and all) will go through our minds. Homecoming probably generates more excitement and school spirit than any other activity.

HOMEcoming

MR AND MISS FHA 1971

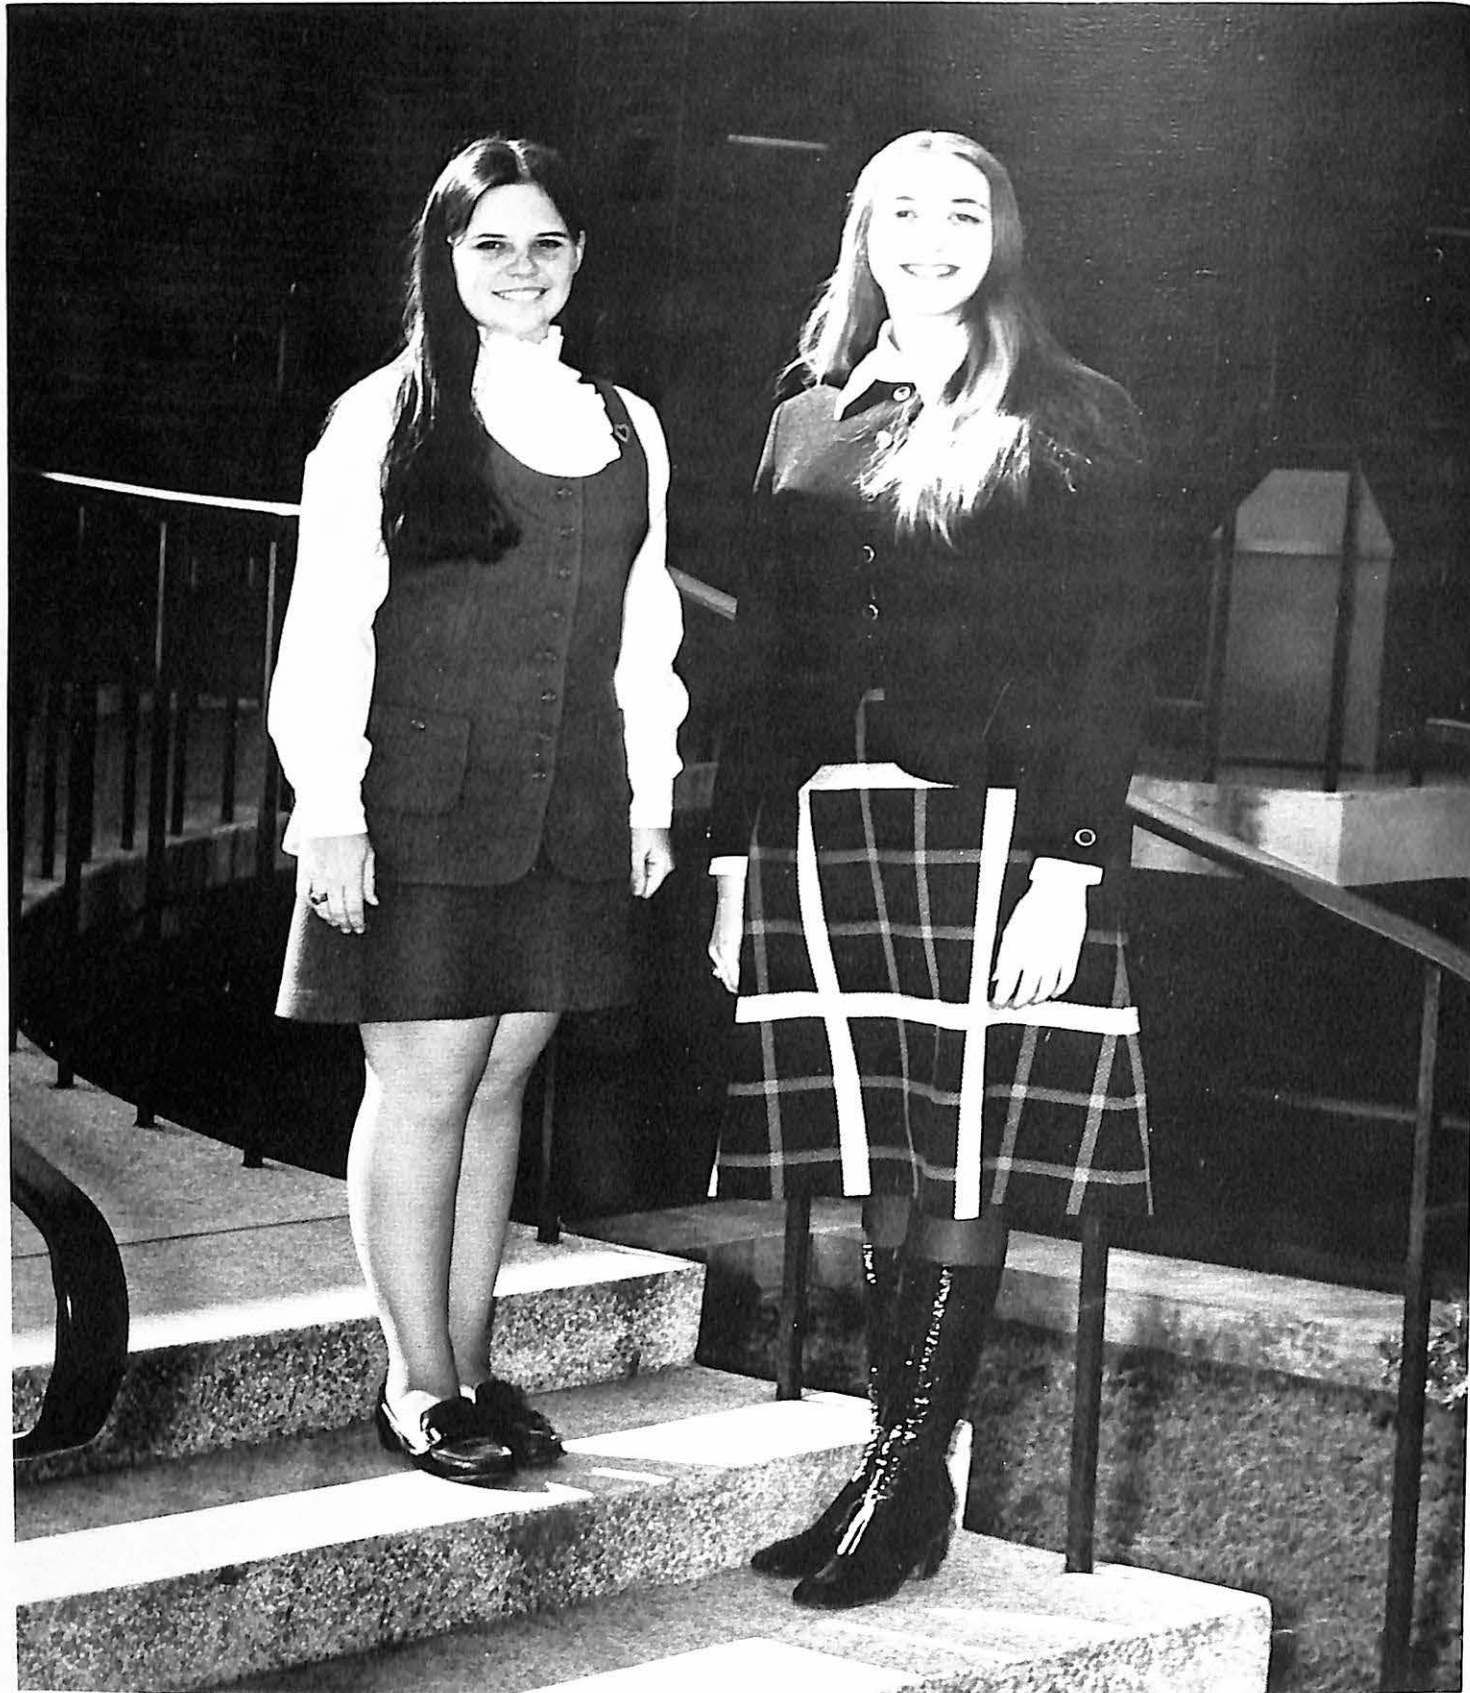

Sharon Waters was crowned Miss F.H.A. at the annual F.H.A. Dance. This year, a new innovation was added as Kenny Shuttlesworth became the first Mr. F.H.A. at Fort Campbell. Crowning the royalty were Mr. Perry and Dr. McKee. First runners up were Pat Hoyem and Barbara Arntz. Terry Scott and MaryAnn Syzek were second runners up. There was a tie for third runner up for Miss F.H.A. They were Joy Johnson and Lequita Harrison.

TOP TEN SENIORS

These ten people are the members of the class of 1972 who have received the highest grade averages over the past four years. Their pictures here are in recognition of that accomplishment. However, in the weeks ahead, they must continue to work since the averages used include only the first semester of their senior year. The last semester will determine which of them will receive the honors of valedictorian and salutatorian.

The top ten seniors in the order of their scholastic standing are Sharon Waters, Liese Lillard, Roger Facklam, Genie Bowker, Tina Barnett, Cheryl Cartwright, (not pictured), Lester Wahner, Bruce Bradley, Brenda Kinsler, and Beth Brady.

After losing most of last year's varsity players, Head Coach Marshall Patterson had to rebuild the team, and he certainly did a good job of it.

The Falcons got off to a good start with a victory over North Marshall. The team lost the next two games, but the Falcons never gave up. In the fourth game, the Falcons came stampeding back with an 8-0 shutout over Charlotte. In a game against arch rival Russelville, the Panthers outlasted Fort Campbell. After losing a tough game to Todd County, the Falcons came back with a victory over heavily favored Houston County. This victory led the way for a three game winning streak. In the last game of the season, the Falcons were downed by Murray.

Defensive tackle Steve Scott and halfback William Cummings check out the opposing team.

Jim Thomas kicks off to the Stewart County Rebels.

Gilbert Scott attempts to break through the Stewart County defense.

SPRING SPORTS 1971

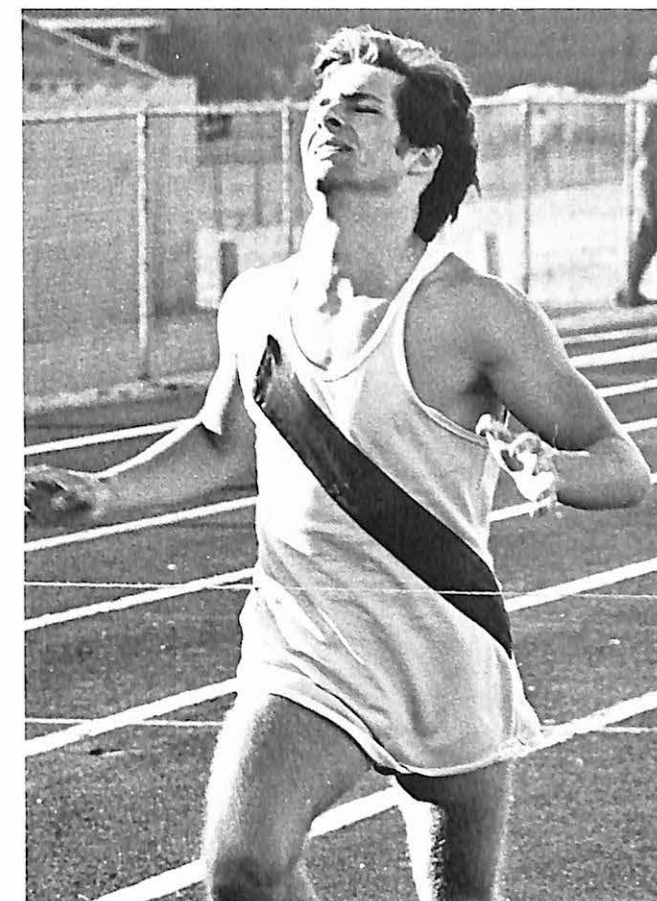

Where did it go?

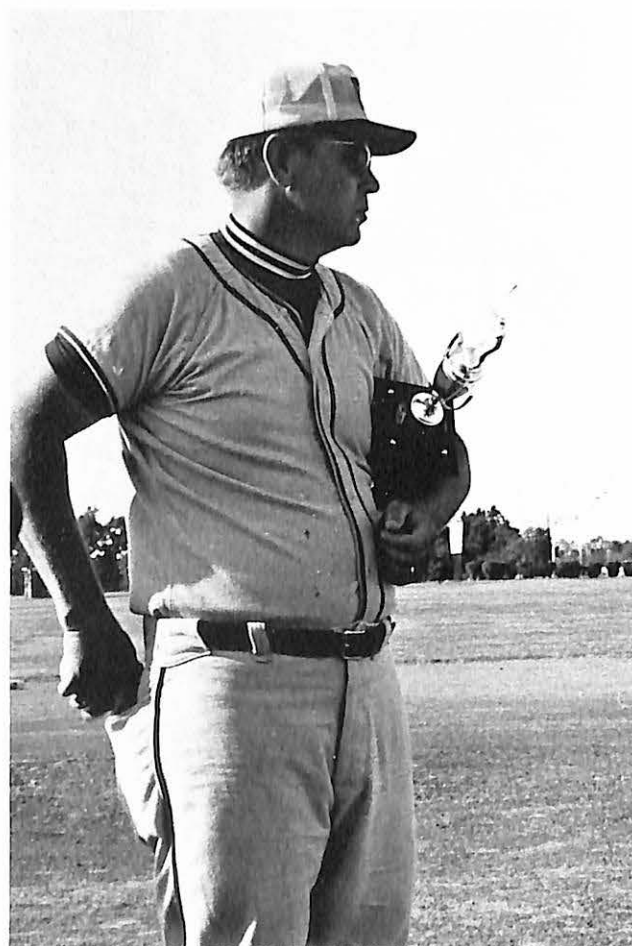

The FCHS baseball team, coached by Tom Morgan and David Kerr, had one of its best seasons last year. The Falcons finished the season with a 13-5 record and a second place in the District Tournament. A new FCHS pitching record was set by Jim Settle with a 6-0 record.

The Falcon golf team had its best season ever, posting a 17-0 record. Pacing the team was veteran John Ignacio whose brilliant play led to a second place finish in the Regional Tournament. The team placed a disappointing seventh in the State Tournament; but overall, the linksmen had a very successful season.

The track team also had a winning season in '71" with a record of 6-2. During the season, they captured a first place at both WKC and Regionals for Class A competition. James West led the Falcons to fourth place in the State Tourney by collecting 16 of the 17 Falcon points. West placed first in the 18 low hurdles and second in the 120 high hurdles.

ADMINISTRATION

CENTRAL OFFICE ADMINISTRATION

A school can only be as good as its students and administrators make it, and the two of them must work together. The administration side of FCHS is composed of many people, with the Central Office staff at the top. The School Board, our superintendent — Dr. McKee — and his staff all work together to provide the best educational system possible at Fort Campbell. Their efforts make the Dependent School System, and FCHS, what it is.

Mr. Perry, our principal; Mr. Burnett, our assistant principal; and our guidance counselor, Mrs. White, all work together to make F.C.H.S. the great school it is. Without their help, and that of the rest of the staff, Fort Campbell High could not operate as well as it does.
