# Memories Of Years Gone By . . .

## Twenty-Eight Years Of Dedicated Service

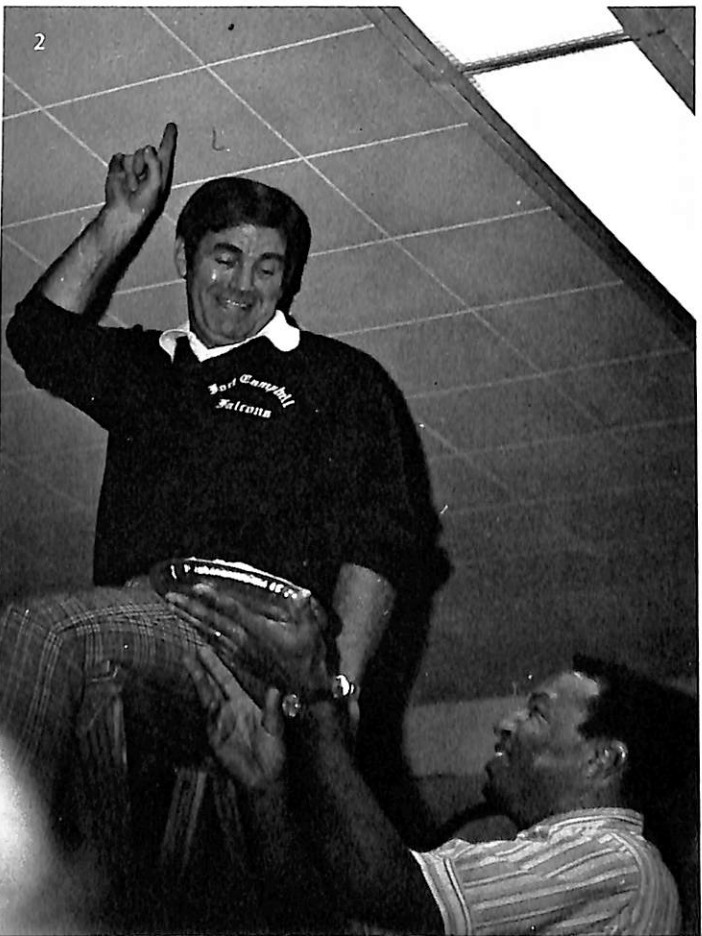

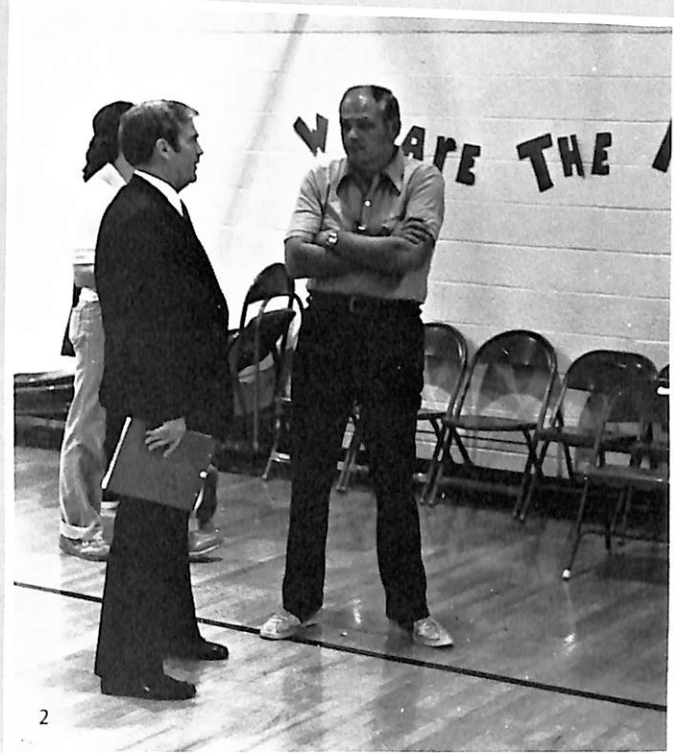

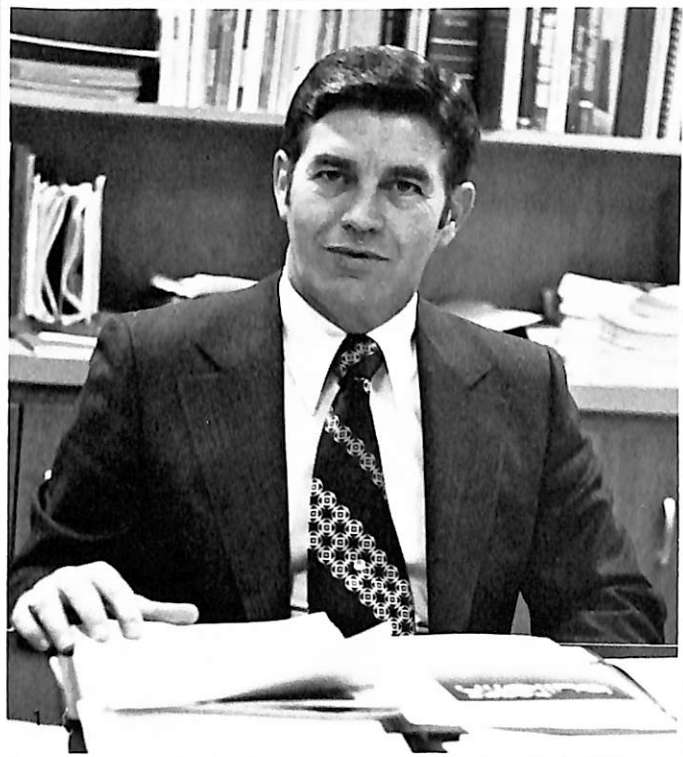

**T**his marks the 28th year of service and dedication to education by Mr. Bill Perry, Principal of Fort Campbell High School. Mr. Perry has provided the direction and leadership necessary to transform three schools into superb learning institutions.

Mr. Perry came to Fort Campbell in 1957 and has served in several capacities to include: (1) 1957-58, PE teacher at Lincoln Elementary; (2) 1958-59, teaching — principal at Lincoln Elementary and assistant football coach at the Junior High School; (3) 1959-60, health and PE teacher, head football coach and athletic director at the Junior High School; (4) 1960-62, principal of Fort Campbell Junior High School; (5) 1962-68, organized and served as principal of Fort Campbell Junior-Senior High School; (6) 1968, organized the Senior High School and has served as principal for the past 16 years.

Mr. Perry has organized three instructional programs in three buildings during his tenure at Fort Campbell. The curricular offerings have expanded from 55 in 1962 to over 115 at the present time. The extra-curricular and co-curricular programs have grown and flourished under his able leadership. Former students all over the world owe a great deal to the educational system here at Fort Campbell and especially to Mr. Perry for his care, concern, and dedicated efforts in the educational lives of young people.

1. Although the postponement of the opening of the new high school prevented Mr. Perry from enjoying the "fruits of his labor," he spent many hours planning the new school.
2. During a pep rally, Mr. Perry gets ready for a "pie in the face" by Mr. Burnette, a former FCHS assistant principal.
3. Mr. Perry and Mr. Stewart enjoy dip and chips at the 1983-84 Homecoming Dance.

# It Seems Like Only Yesterday

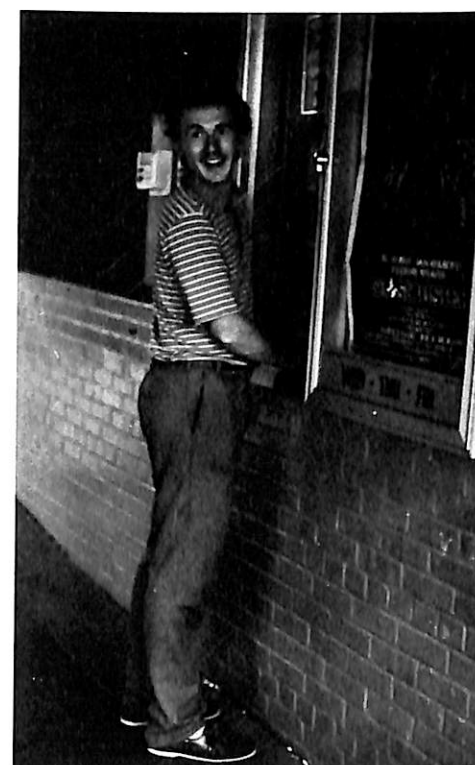

# Life After 2:30

What do students do after 2:30? Well, there are almost as many answers to that question as there are students at FCHS. In addition to meetings of clubs and organizations that are held after school, you might also find students practicing for anything from basketball to the academic team. Many students work after school. The most popular places to work are fast food restaurants, but there are also a number of students who work in places like the PX, the post library, and the movie theatres. Not everybody works though; some go home at the end of the day and do things like ... homework!

## Hey Dude — Let's Party!

John Goins stands in line to see Purple Rain.

It is a well-known fact that all students at FCHS enjoy a good party. Just name a time and a place and people are bound to show up. Many students see parties as a time to socialize, dance, and drink. In the past few years, drinking among high-school students has become not only socially acceptable, but also very popular. Many a Friday night has been spent getting "smashed" and having contests to see who can drink the most and it's easy to see that students enjoy drinking. So, good or bad, drinking has found a place in society and it is here to stay.

# Reflecting On Excellence

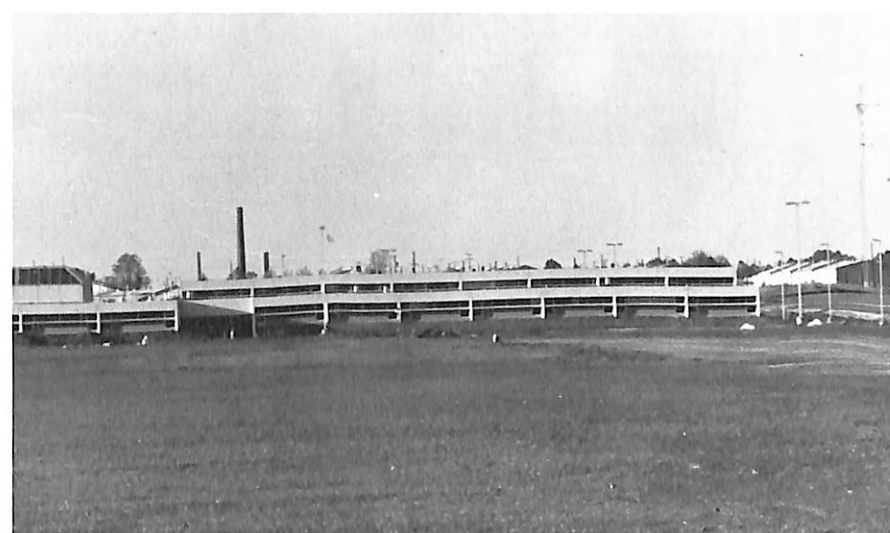

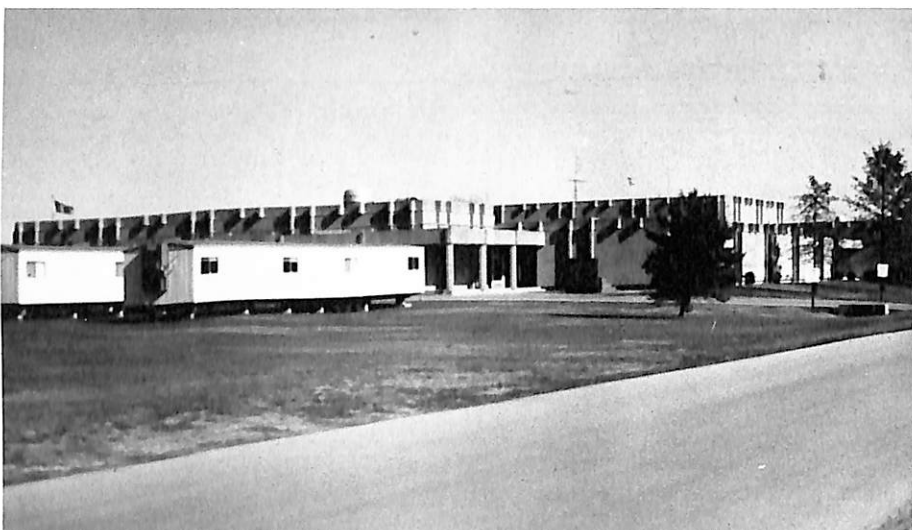

Serving our post dependents for twenty-three years, Fort Campbell Senior High School was established in 1962. Prior to that, a junior high school, which was in operation from 1956-1962, carried students from the seventh grade to the ninth grade. This meant that all students in grades 10-12 had to attend the Clarksville-Montgomery County school system.

In 1962, Fort Campbell High School opened at the location that is presently Fort Campbell North Middle School. This school served all students in grades 10-12 until 1968, at which time a new building equipped to hold 450 students was built on a twenty-two acre campus on Chaffee Road at South Carolina Avenue.

When plans were made to reinstall grade 9, the need for a larger and better facility became necessary. The opening of a new high school was set for August 1984 at the corner of Ohio Avenue and Seventh Street; however, construction delays along with inclement weather altered the deadline to early 1985. To accommodate the larger student body at the former high school, six trailers were brought in to be used as temporary classrooms. Even though the comfort of the new school will be enjoyed in the years to come, we will always reflect upon the old schools and the years in which we have had a reason to be proud of Fort Campbell High.

# Homecoming '84

## Almost Paradise

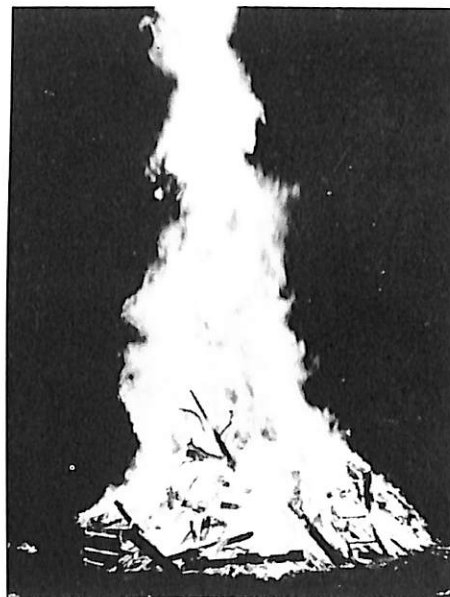

Beginning with the annual bonfire on Thursday and ending with the dance on Saturday, this year's homecoming celebration was a very enjoyable one. Many FCHS students came out to the bonfire on the day before the game. Sparky the dog came along with the fire department and the students were able to take free pictures with him.

Wendy Sampson, the 1983-'84 Homecoming Queen was present at the game on Friday to crown Wanda Webster the new queen. The seniors chose Shelby Alexander as their princess. The junior princess was Kim Olson, the sophomore princess was Jackie Neslage, and the freshman princess was Celeste Cyr. The parade at half-time was made up of the class floats, the Homecoming Queen and princesses, the marching band and others. The competition for best float was won by the sophomores. The theme of their float was "Raid the Rebels," and it showed a large can of Raid and little dead roaches wearing Rebel helmets. The Falcons were victorious over the Rebels 41-7.

The dance on Saturday, which was sponsored by the Student Council, was well attended. The theme was "Almost Paradise" and the gym was appropriately decorated with palm trees and stars. All in all, the homecoming festivities were a tremendous pleasure for all involved.

## Valedictorian

One of the few truly academic honors to be achieved by any student is to earn the title of Valedictorian. This year the distinguished title was earned by Kimberly Thompson. Kim completes her high school career with a perfect 4.0 G.P.A.

Born in Nashville, Tennessee, Kim will be attending Hollins College in Virginia next fall where she hopes to major in political science, international government, or communications.

Kim has not only excelled academically but has also involved herself in numerous school activities. She has held the President position in the Key Club, was elected President of the N.H.S., and was Vice-President in the Student Council. She has also been on the F.C.H.S. cheerleading squad for the past three years.

When asked what she thought she would be doing ten years from now, Kim replied, "I hope to be a United Nations Delegate or, perhaps, an American Ambassador ..."

# Salutatorian

Sandy Gautreaux's hard work has really paid off! This outgoing, fun loving girl holds down the number two spot among the top ten seniors with a 3.94 G.P.A.

Born in Baton Rouge, Louisiana, Sandy plans to attend either Louisiana State University or Parsons College of Design. Her artistic interests and abilities have inspired her to major in graphic design. Being a talented art student, Sandy takes her art very seriously. This dedication has won her much praise, recognition, and numerous awards.

Among her extracurricular activities, Sandy has stood out in the National Honor Society, Key Club, Art Club, Band and the Academic Team.

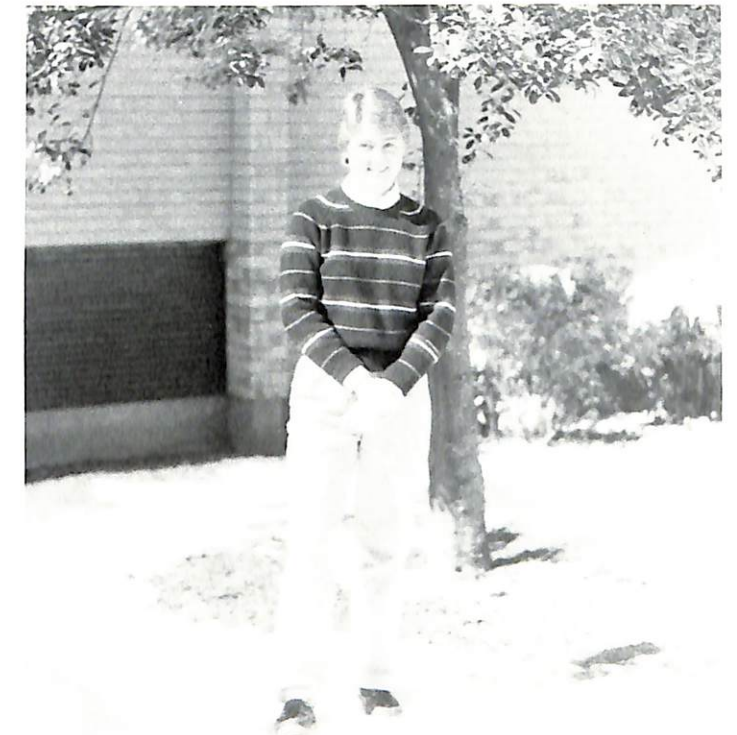

Betty Hatch finishes her high school career third in the class with a GPA of 3.86. She is described as a quiet, intellectual person, who works well under pressure. A native of Richmond, KY, Betty has involved herself with many school activities. She has stood out in FCHS's Marching Band, National Honor Society, Key Club, and Fellowship of Christian Athletes.

After graduation she plans to attend Eastern Kentucky University, where she will major in Medical Technology. Ten years from now, Betty sees herself happily married and working partime as a Medical Technologist.

When asked about her future, Betty responded, "As far as my future goes, whatever endeavor I choose to pursue, I'll first make sure that I will be happy and proud of my decisions."

Reserving the fifth position this year with a 3.76 GPA, is Lori Wilson. Lori stands above the crowd. She has not only succeeded in excelling academically, but has also involved herself in numerous extracurricular activities. Among the numerous roles she has held are Vice-President of the Student Council, President of the Fellowship of Christian Athletes for two successfive years, an avid member of the National Honor Society, Key Club, and she has athleticly proven herself on the tennis team. A "Golden 100" Scholarship winner, National English Merit Winner, and chosen to be a Governor's Scholar, further exemplifies her academic achievements.

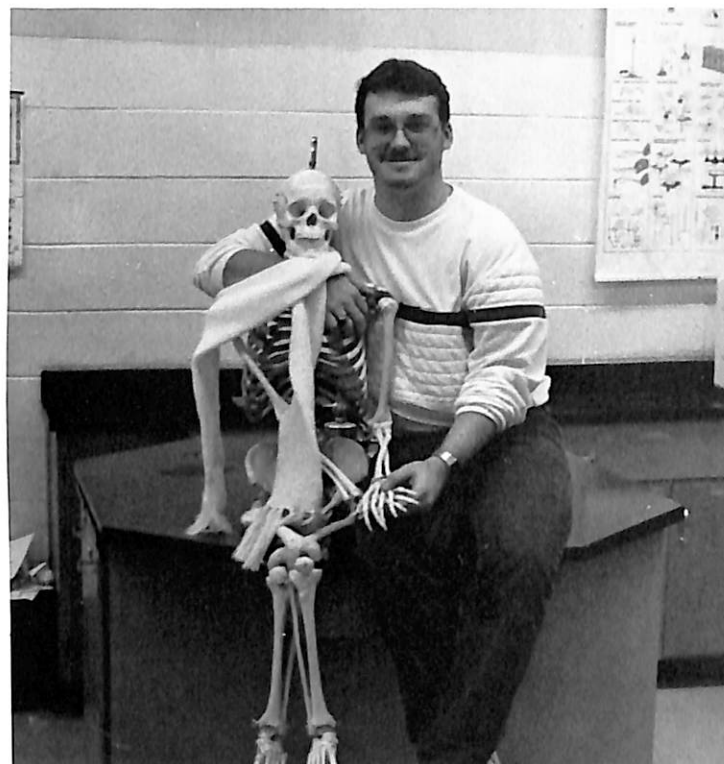

Lori hopes to attain a major in Bio-Medical Engineering, while attending Northwestern University or Vanderbilt next year. Chosen by her peers as "Most Likely to Succeed", Lori already has one step through the door!

Ranking six among the top 10 seniors, Chuck Fountain ardently portrays the leadership he possesses. He stands above the crowd through his superior accomplishments as the Battalion Commander of Fort Campbell's own JROTC Falcon Battalion. While in JROTC he has received much recognition and numerous awards. He has also devoted time to the National Honor Society, Key Club, Student Council, and the Marching Band. Academically, Chuck has shown the same diligence by upholding a 3.73 G.P.A. He has been preparing himself for his own future goals of becoming either a Biomedical Technician or a Cardiovascular Surgeon. A native of Ft. Benning, Ga., he plans on attending either Boston University or Murray State University with high expectations of majoring in Pre-Medicine with minors in Biology and Chemistry.

When asked what he will be doing ten years from now, Chuck answered with deep thought and determination, "I see myself working diligently in a U.S. Army Medical Center."

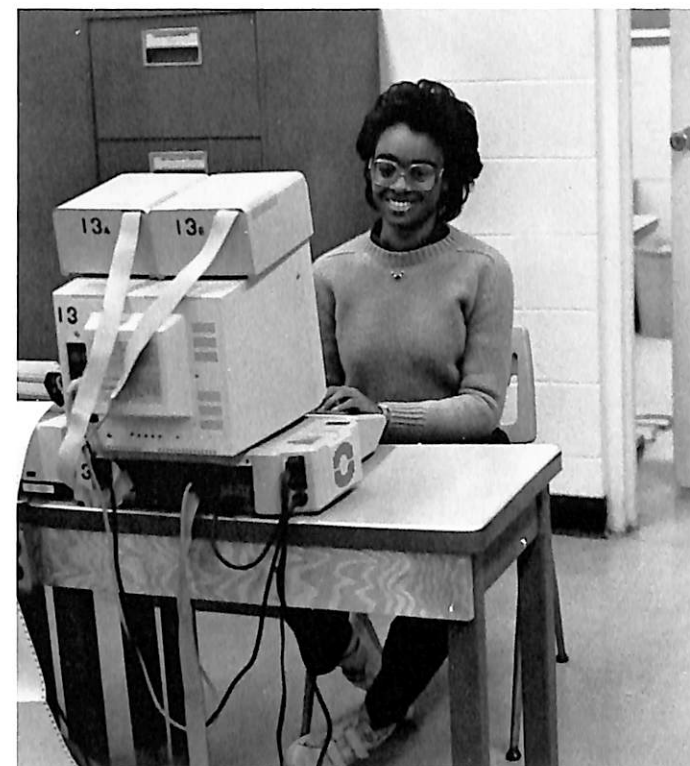

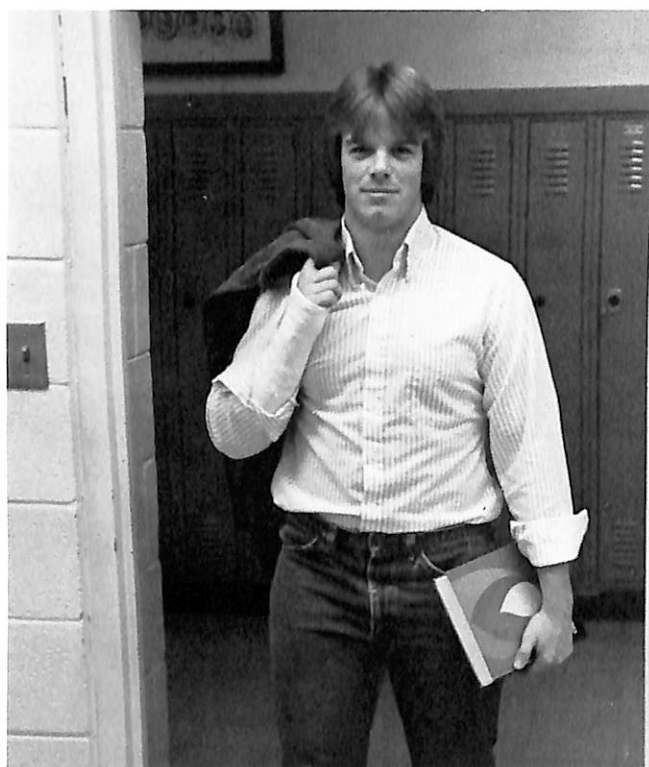

Tim Neville, a native of Princeton, Indiana, finishes his career seventh in his class.

Interested, not only in academics, Tim has participated on the Football, Wrestling, and Track teams. He has also been a member of the National Honor Society, Academic Team, and Student Council.

Voted Most Congenial and Most Dependable by his peers, Tim is reliable and lives up to his expectations.

After graduation, Tim wishes to attend either Eastern Kentucky University of Indiana University and study Pre-pharmacy or Biology.

Ranking at number eight is Michele Powell, a native of Columbus, Ohio. Although she appears quiet and shy, the influences and involvements she has at FCHS speak for her.

To go along with a busy class schedule, Michele was a member of both the National Honor Society and the Yearbook staff. She also served as senior class vice-president and as a full-time basketball manager. Those who know Michele also know the meaning of reliability.

Michele hopes to study business or Psychology — her favorite subject — either at Howard, Oberlin (Ohio), or Ohio University. When asked about her future, Michele said she hoped to be a school counselor. Watch out Mrs. Allensworth and Mr. Lane. A bright young competitor is on the way!

Holding to the ninth position with a 3.47 G.P.A., is Billy Pierce. A native of Ft. Campbell, Billy can be described as a fun loving and easy going guy. Among his extra-curricular activities, Billy has been active in the Key Club, Student Council and the National Honor Society. He has also been a photographer for the '83-'84 and the '84-'85 yearbook staff.

After graduation, Billy hopes to attend the University of Kentucky where he will possibly major in physical therapy or sports medicine. When asked what he will be doing ten years from now, laughing, Billy replied, "Hopefully I will have a college degree and be working somewhere!"

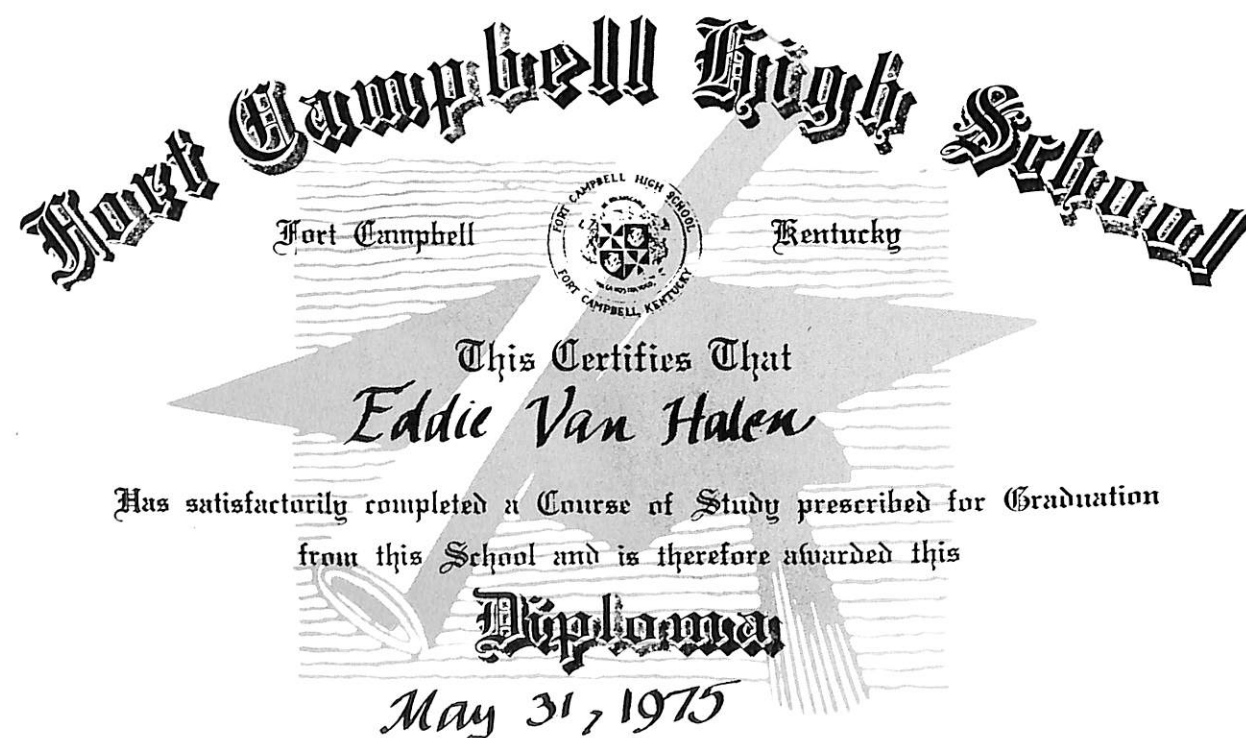

Rounding out the ten with a 3.43 average is Tammy Haerberle. Tammy, a native of Kansas City, Kansas plans to attend either Brenau — The Women's College — or Piedmont College both of which are located in Georgia. She wants to major in accounting or business administration.

Tammy has been at FCHS for five years and has participated in the Pep Club, Key Club and the National Junior Honor Society. Her favorite class is accounting, her intended major.

Ten years from now, Tammy sees herself happily married and in a successful career. When asked what she liked about FCHS she replied, "Fort Campbell High School has provided me with courses that will help me in future careers."

The NHS is a club that is offered to those students who excel in academics. To become a member, a student must maintain a set grade point average and be approved by the faculty. Membership is based upon the student's character, leadership ability, service to the community as well as the school, and their scholarship.

# Academic Team

This is the first year for the Fort Campbell High School Academic Team. The group is made up of twelve hardworking students. In competition two teams, from different schools, are pitted against each other. A total of fifteen toss-up questions are asked; for every correctly answered toss-up a bonus question is asked. Each correct response merits two points.

In practice, which occurs three days a week, each team member is expected to bring in twenty-five questions. These questions are asked to the other members and cover such topics as; the sciences, social studies, language arts, mathematics, and general knowledge.

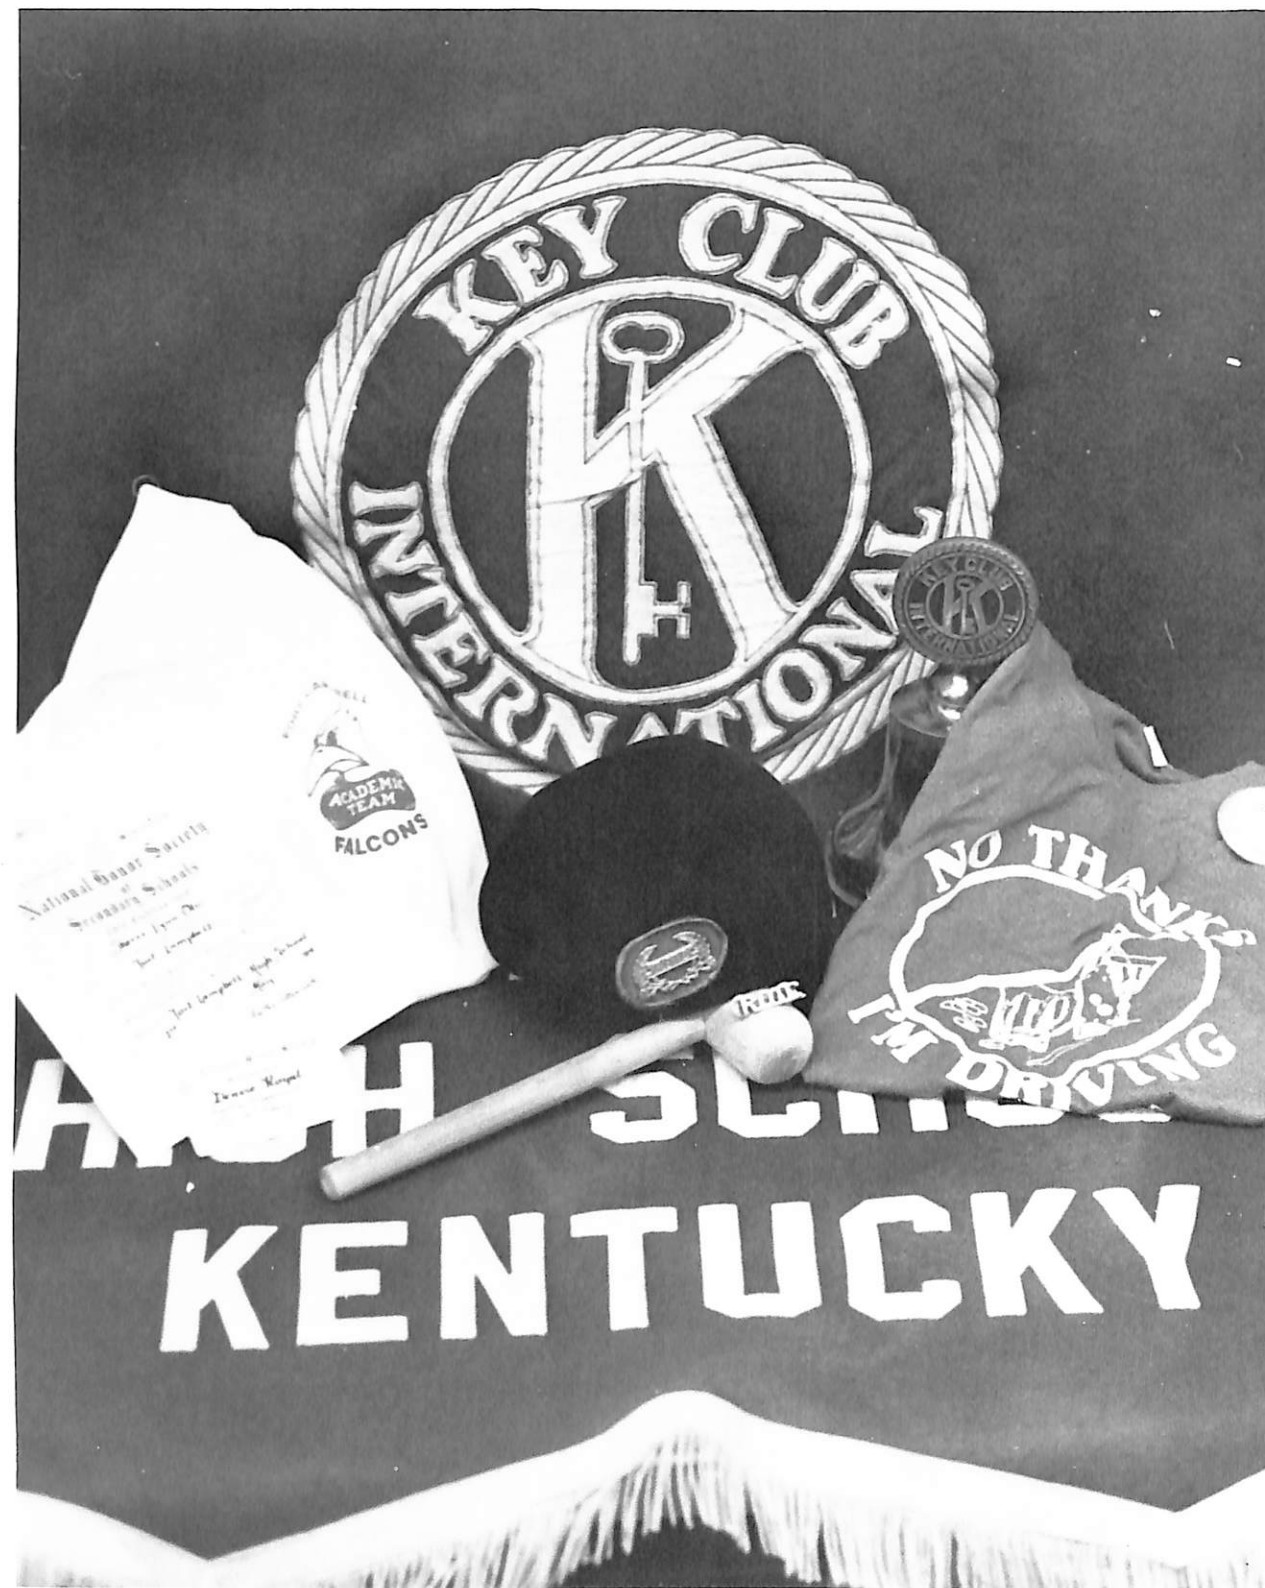

The 1984-85 advisors for the Academic Team are Coach John Jennings and Coach Lee Lange.

The Key Club is a youth project of the Kiwanis Club, and is a program which is unique among youth groups. The sole purpose of the Key Club is in serving the school and the community. While the Kiwanis concentrates on providing services beneficial to under privileged children, the Key Club provides an opportunity through which the leaders of all high school age groups are given a chance to develop their initiative and leadership by taking a program of service in the high school and the community, similar to that carried on by the Kiwanis Club. Members of the Key Club learn of their prospective adult roles in life and the meaning of serviceable citizenship by participating in this organization. Under the guidance of Mr. Bill Wright, the Key Club has made Fort Campbell High School and the Fort Campbell Community proud by providing food, toys, and money to families in need during the Holiday Season. On a rotating basis, selected members of the club met with the Kiwanis every Wednesday for lunch at the Officers Club.

While enjoying a leisurely lunch with the Kiwanis, the Key Club gets a chance to get involved with activities of the Kiwanis Club. Not only do the Kiwanis "pick up the tab" for these luncheons, they have also been known to provide refreshments (from their respective businesses) and assistance at many Falcon activities.

# Student Council

Fort Campbell Falcon's Student Council is an organization of student representation sponsoring activities and serving to better the school.

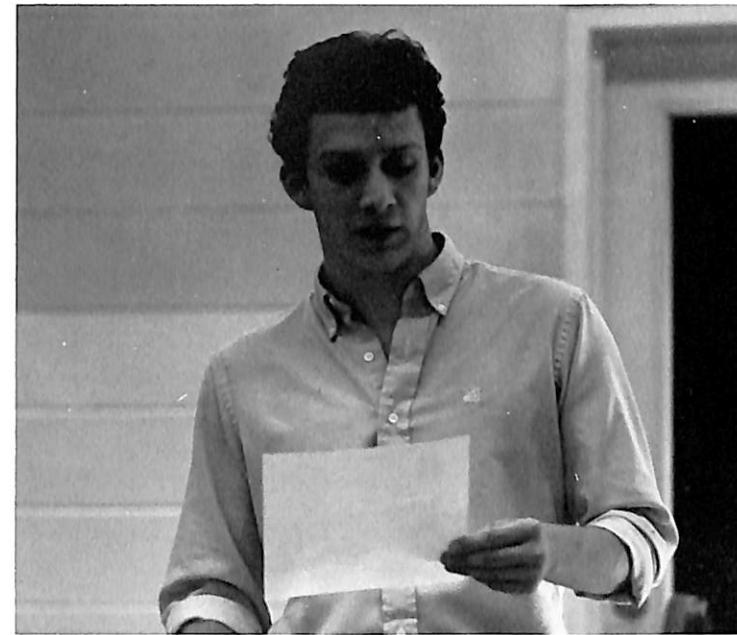

While sponsoring school activities, such as the 1984 Homecoming dance as "Almost Paradise" for the theme, the Council also found time for charity contributions. The annual Christmas basket food drive was a great success.

This year's officer's were:

# JROTC

Every Thursday, which is also known as "uniform day", something unusual to most civilian schools takes place at Fort Campbell. The JROTC cadets of the Falcon Battalion proudly display their uniforms for the rest of the school.

JROTC cadets learn many useful skills and facts that will help them if they decide to pursue a military career as well as help them in civilian life. Cadets learn map reading, oral communications, marksmanship, first aid, service and ROTC opportunities, and most of all, LEADERSHIP.

Leadership is very important in military life as well as it is in civilian life. The instructors try to show students how to apply what they learn to all aspects of life. One way they apply their leadership abilities is during the battalion assemblies. The Falcon Battalion has one assembly every month. Cadets are assigned to various leadership positions depending on their rank and leadership ability. Cadets earn rank in many different ways. One way is to attend leadership lab after school. This is mandatory for earning rank. Grades are also an important factor in earning rank as well as leadership ability and conduct, in and out of class. The JROTC instructors are: left to right, MSG. Kruck, SGM. Hatcher, and LTC. George.

During the summer, volunteers from the cadet corp try to earn money by having car washes. The money the cadets earn goes to the "cadet fund" which helps pay for the annual "Military Ball" or other activities that the cadets may decide to have.

The enrollment of JROTC puts no military obligation on the cadet. The purpose of JROTC is to teach good leadership and prepare the cadet in case he or she decides to enter the military.

Extra-curricular activities are important to the cadets. The Falcon Battalion has activities after school of their own. The cadets have the opportunity to participate in the Rifle Team, Drill Team, Color Guard, Rangers, Battalion staff, parades, hay rides, the Military Ball and in the summer they get the chance to go to the JROTC summer camp.

## Teacher/Library Aides

### What Would We Do Without Their Help?

The library aides at FCHS contribute to the continuity of the library through various activities. These activities include shelving books, assisting in inventory, and checking out books for students. Fort Campbell High School truly benefits from help given by the aides.

First row (Left to right): Chundra Daniels, Tina Mixon, Tranquessa White, Sherry Armour, Cindy Baker.  
Second row: (Left to right): Kathy Hunter, Allison Holmes, Janice Harring, Felicia Holmes, and Reggie Forest.

(Left to Right): Theresa Ghent, Debbie Clark, Verconta Crawford, Anne Rhone, Stephanie Lehmann, Cindy Sweeney, Olivia Cruz, Victoria Allred, Rodney Ellison, Tim Neville, and Pat McKane.

Fort Campbell High School is very lucky to have aides. These aides are students who perform tasks such as grading papers and other duties in which teachers are too busy to do. These aides sacrifice their study halls and personal time to constructively add to the education of their fellow students.

The 1984-85 yearbook staff approached this school year with one goal in mind — to produce the best yearbook this school has ever had. With seventeen new members and only one returnee, this staff, under the careful guidance of Ms. Sylawa, learned that it takes dedication, hard work, and innovative ideas to create a great book. The staff worked especially hard in creating a cover which is very different from what F.C.H.S. has ever had in the past. Although faced with pressures of many deadlines, they still found time to visit the Josten's yearbook publishing plant in Clarksville, to see how our books would be assembled.

The Falcon Staff hopes that you will enjoy this book, not only now, but in the years ahead, in which you can reflect upon the memories of this school year.

## Band Administration

The FBI administration consisted of directors, sponsors, and elected officers. The sponsors and directors were:

Mr. Tim "Slim" Dickson  
Mr. Don "Bald Eagle" Hofe  
Miss Donna "A.J. Foyt" Page

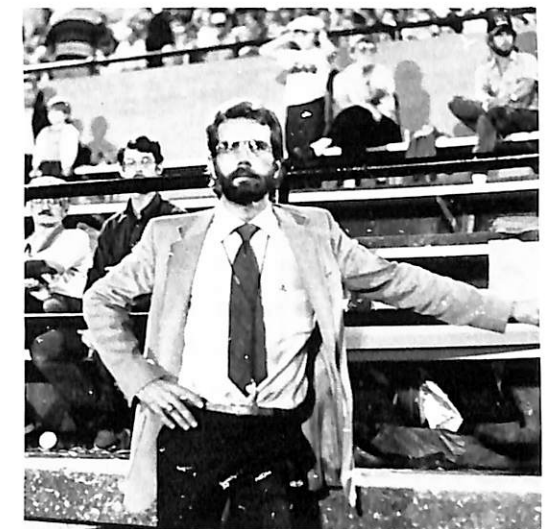

The officers were selected by the band members during summer camp. The 1984-85 officers were:

Kellie Davis: President  
Monrita Gildersleeve: Vice-president  
Carmen Figgs: Band Aide  
Carla Burt: Historian  
Celeste Cyr: Band Aide

# INCORPORATED

Field Commander Miss Carmen Figgs delights the crowd with her salute

Director Mr. Tim Dickson looks onward as the band takes the field

## Struggle to the top

As the members of the 1984 Marching Falcons — Falcon Band Incorporated took the field a hush came over the crowd. The announcer introduced the electrifying Miss Carmen Figgs as the Field Commander. The crowd started to roar as she did her "RAZZLE, DAZZLE 'EM" salute. By the end of the show people were on their feet cheering and screaming. The directors were beaming like parents of a new born child.

The path to the top hasn't been that easy for the FBI, in fact, at their first organizational meeting in 1980, less than twenty people showed. The 1984-85 FBI contained a total of fifty-two members. Four of which were seniors, four juniors, ten sophomores, and a surprising thirty-four freshmen. Due to the fact that there were so many freshmen, the directors felt that it would be a difficult season. On the contrary, the new members learned quickly and contributed a lot to the FBI.

Musically, the FBI consisted of twelve flutes, fourteen clarinets, five saxophones, eight trumpets, two french horns, one trombone, one baritone, three tubas and five percussionists.

When Mr. Dickson, the band director, was asked how he felt about the successes of the FBI this year, he replied that it was one of the best seasons he's had at Fort Campbell. He went on to say that he was extremely pleased with their performance this year.

# ... AND AUXILIARY

## A BRAND NEW BEGINNING

The auxiliary, members of the band, had a new beginning this year because they were all inexperienced members. And it was the debut for the Rifle and Winter Guards.

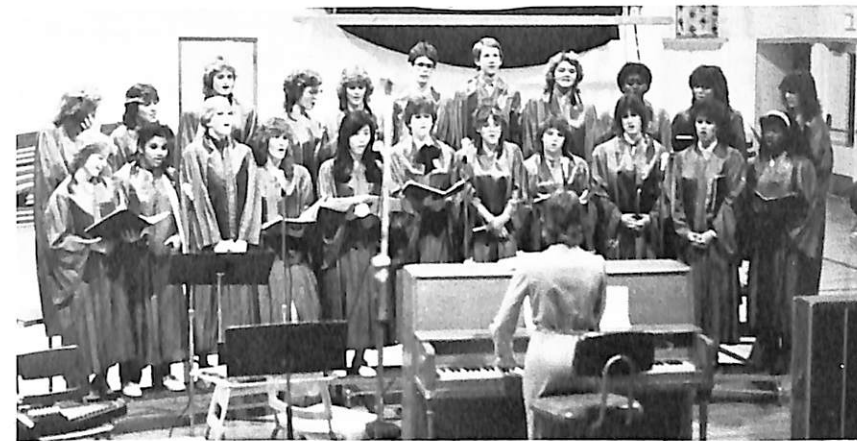

The Rifle Guard which consisted of five rifles marched at games and in parades with the Marching Band and flag girls. The Guard was led by Miss Page and Anne Rhine. Miss Rhine, an experienced rifler, added to the guard by making up routines and helping the other riflers.

The rifles and the flags made up the auxiliary groups. They marched and practiced in the summer months along with the Band, to produce a fine team.

This was the first year that the Winter Guard was open for auditions. The Guard which performed during half-time of the basketball games was chosen and started working out routines immediately after marching season.

Miss Page, the auxiliary sponsor, spent many hours helping the girls perfect their movements.

## The Music Department

The Music Department consisted of more than just marching band. The Chorus, Concert Band, and Jazz band contributed to the Department also.

The Chorus consisted of 21 members: (11 sopranos, 8 altos, and two baritones.) Whoever said, "Chorus is easy" was wrong! These 21 members definitely earned their grade by doing several performances in and out of FCHS.

The Concert Band consisted of about the same members as the Marching Band. The members changed instruments and musical style to make the switch from Marching Band to Concert Band.

The Jazz Band stayed together all year around performing at concerts and assemblies.

# SPORTS

Athletes participating in sports knew the exertion of heading for the top, chalking up victory after victory as a result of hard work, long practices, and sheer determination to win. We competed and often won or sometimes lost; yet, we could be proud that we had done our best. We could look back and treasure this in our lives.

Setting some outstanding teams and personal records in sports became a habit.

However, students on the sidelines who most often read in their newspapers about new successes in track, football, basketball, etc., could barely grasp the extent of hours of practice and drills, the aching muscle, and the social life sacrifices or the courage to push an already tired body even further. These never-say-die athletes did and in doing discovered within themselves the freedom of competition.

## Varsity Finishes 4-6

The 1984 Fort Campbell Falcons had an exciting season. They had a record of four wins and six losses. The teams had some close calls as well as some tight wins. Even though Fort Campbell did not go to the playoffs, all the fans were still proud of their favorite team.

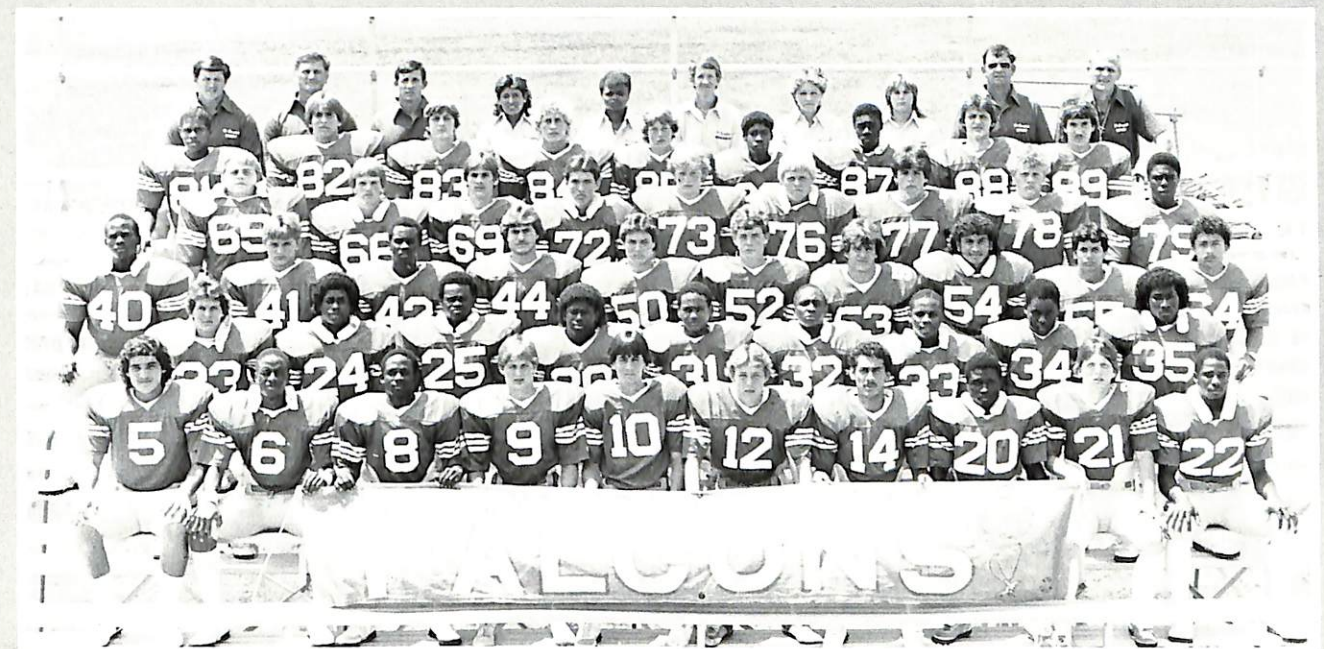

The Falcons opened their season with a win against Fulton County. In their next five games, the Falcons were to face five straight disappointing losses in a row. Despite city rankings which were against Fort Campbell, the Falcons did surprisingly well.

The Falcons were then to win two straight victories against the Todd County Rebels with an amazing blow out of 41-7 and a 25-0 shutout over Crittenden County. Hoping to go to the state playoffs, the Falcons then had to face the Russellville Panthers. Unfortunately, this year would not be the year for the Falcons, for they lost, 28-6. The Falcons then completed their season with a fourth win against the Northwest Vikings, 29-0.

# Freshmen Promise 'Great Things'

The 1984-85 Freshman football team finished their season with a surprising 6 and 2 record. This was quite unexpected considering that they were the first Freshman football team of FCHS. These young men were pitted against such worthy opponents as Dickson County, Hopkinsville, and Charlotte.

Terry Moss, an outstanding freshman running-back, broke the school record for most yards gained in a single season. Moss' record is 2,533 yards.

These young men are on their way to becoming outstanding FCHS varsity football athletes.

Along with the varsity squad, they brought the spirit stick home to F.C.H.S. The student body is very proud of the Freshmen Cheerleading squad and their accomplishments especially since they are the first Freshmen squad ever in the history of F.C.H.S.

# They're Playin' Basketball

Although six lettermen were lost to graduation from last year's squad, the 1984-85 Falcon men's varsity basketball team got off to a fast start and finished the season with a 12-5 record, including a triple overtime, 2 point win over eventual state champs Hopkinsville. The Falcons never had a problem when it came to lighting up the scoreboard, averaging 71 points per game. Reggie Odom, the only returning starter, led the Falcons in scoring, averaging 15.5 points per game. He also led the team in rebounding, averaging 10.1 per game. Ed Dawson followed by chipping in 13.1 points per game. Also pacing the Falcons were guards Jeff Welch, who averaged 15.1 points per game, and Andre Witherspoon, who poured in 11.2 points per game. Harold Washington, Lonzo Greer, Rick Lutz, and Walter Hollman came off the bench to make strong contributions, with Washington starting in place of Cordrey Robinson, who moved from Fort Campbell during Christmas break. Behind the leadership and guidance of Coach McDougle and Coach Fisher, the team's hard work in practices and their hustle and determination in games resulted in a very successful season.

The Falcon coaches and players thank those who supported the team all throughout the season. The squad is very optimistic about next year and hope that they can continue their success.

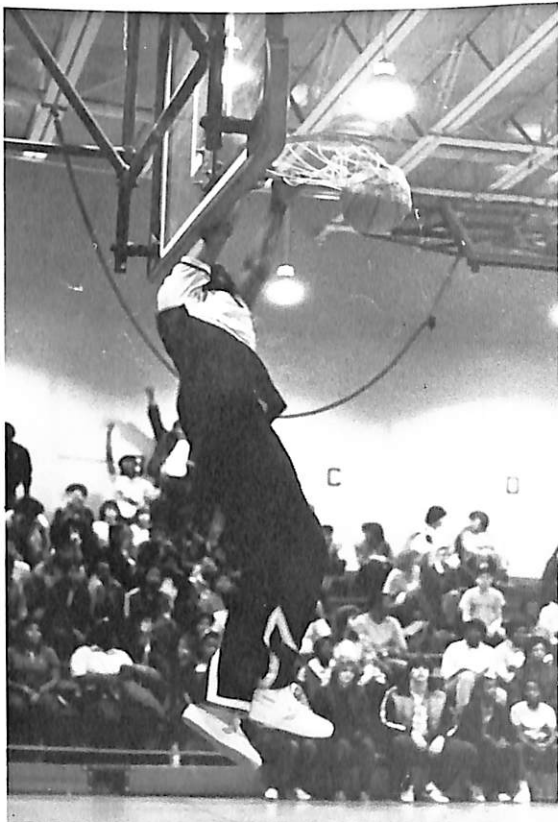

We would like to congratulate Coach McDougle and his wife on the birth of a son on December 7, 1984. The Falcons celebrated that night with a 72-60 win over Northwest.

## Junior Varsity

The Falcon junior varsity men's basketball team, coached by Mickey Fisher, put together a great season. The JV finished the year with a 6-6 record. Their victories came against Northwest, Trigg County, Clarksville Academy, Montgomery Central and Northeast twice.

The team was led in scoring by 6'4" center Walter Hollman, who averaged 12.0 points per game. Supporting Hollman in the starting line-up were Rick Lutz, Jeff Hillard, Kris Gustafson, and Rob Swords. Coming off the bench to make a needed contribution were Mike Young, John Crawford, Joe Williams, Nathaniel Murray, Jimmy Doyle, Henry McCloud, and David Trice. William Jenkins played for the JV, but he moved from Fort Campbell in early January.

Coach Fisher was optimistic toward the remainder of the season and was looking forward to another fine group of players next year.

Apart from the sprains, sore muscles and shin splints, the cross country squad had a successful season. More than just an athletic team, the members feel that the squad is a family. They consider Coach Lange and the team that he put together, a second family. In fact, they are known around various places as the "International Waltons".

If you were to ask one of the cross country what motivates them to run, you may receive such answers as: "It is the thought of competing against other teams and showing them that I am just as good, if not better than they are.", or "Believing in myself and in my abilities." When asking them what satisfaction they get from running, some replied: "It is knowing that we as a team are working towards a common goal . . . victory, and believing that it is within our reach." Another response was: "Knowing that I am able to run as far and as fast as I can."

The cross country superlatives were: *Most Improved* — Sharron Searcy and Kevin Monaghan; *Mr. and Miss Cross Country* — Gail Daniels and Kevin Terry.

# Let's Get Fired Up!

The Fort Campbell Varsity Cheerleaders won the trophy for all around competition at Murray State University's Cheerleader Camp. As a squad, they received blue ribbons in various competitions.

Though the football players receive the majority of the recognition, the cheerleaders put in their fair amount of demanding practice.

Throughout Fort Campbell's history, we have always been associated with our symbol, the falcon. This year however, we were fortunate enough to obtain a mascot, Big Blue. This years mascot was portrayed by a senior, Noel Gonzales.

The Senior Varsity Cheerleaders were: Standing L. to R. — Becky Landgraf, Jamye Reeves, Kim Thompson, Shelby Alexander, and Wanda Webster. Kneeling — our falcon mascot, Noel Gonzales.

The Juniors were: Kneeling — Kim Koenig, Standing L. to R. — Kristal Coleman, Lorri Keith, Kim Olson, Tammy Gilley, and Chrissy Cassell.

The 1984-85 Varsity Cheerleaders worked very hard in practices which paid off at Pep Assemblies, and also football games. On occasion however, they took a break from their normal seriousness and showed us that they too can have fun.

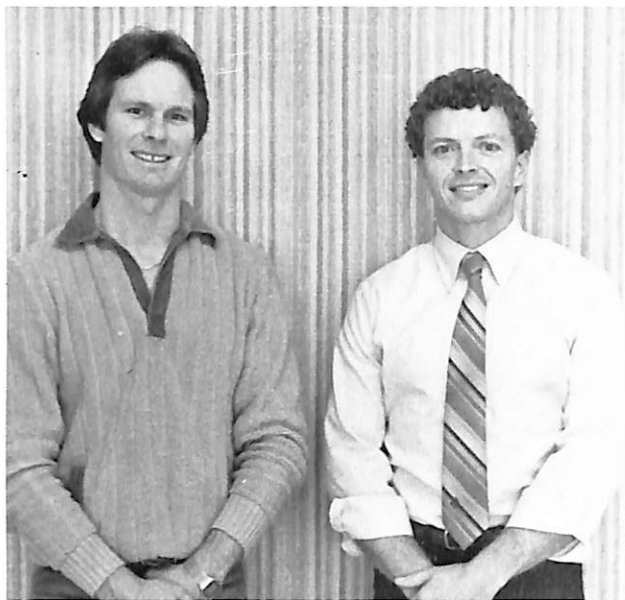

Top Row (L to R): Brunessa Beckles, Margo McLemore, Monrita Gildersleeve. Standing (L to R): Christine Cassell, Tammy Gilley, Shannon Stewart, Carmen Figgs, Theresa Ghent, Anne Rhine, Christine Jenkie. # Falcon Grapplers

The Ft. Campbell Wrestlers have shown tremendous effort throughout their 1984-1985 season. Though their record has not been as good as they had hoped it to be, they have gained valuable experience.

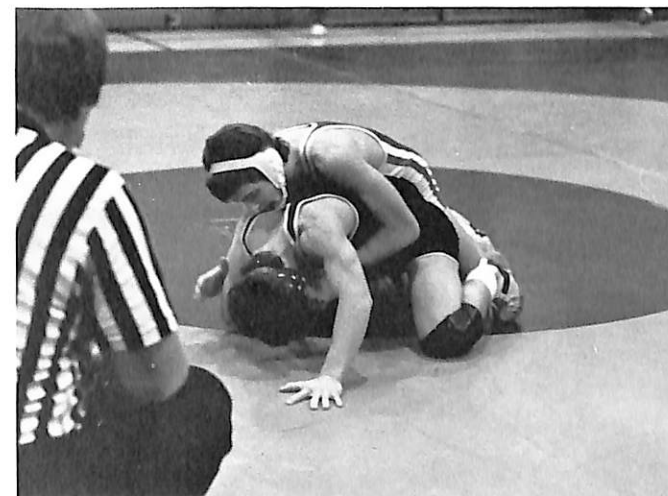

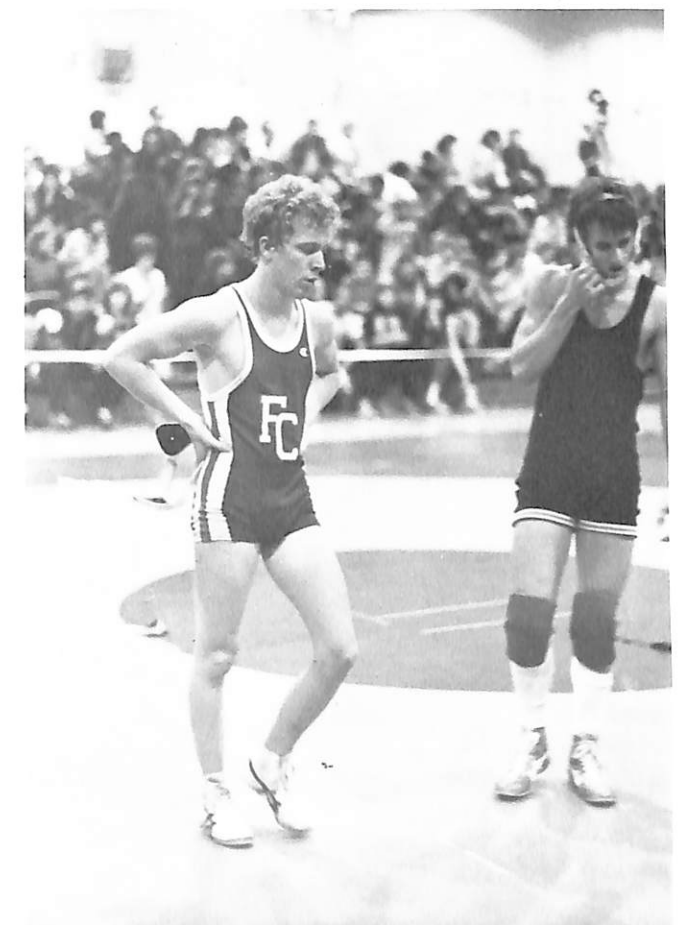

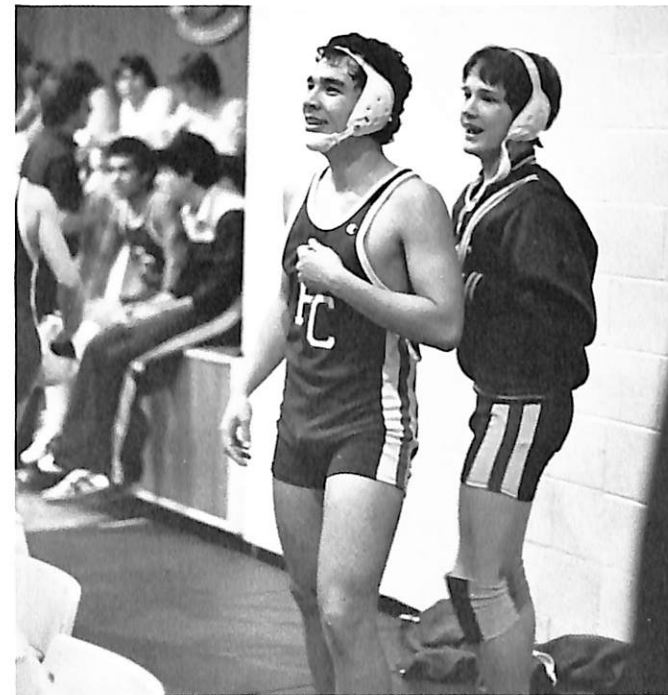

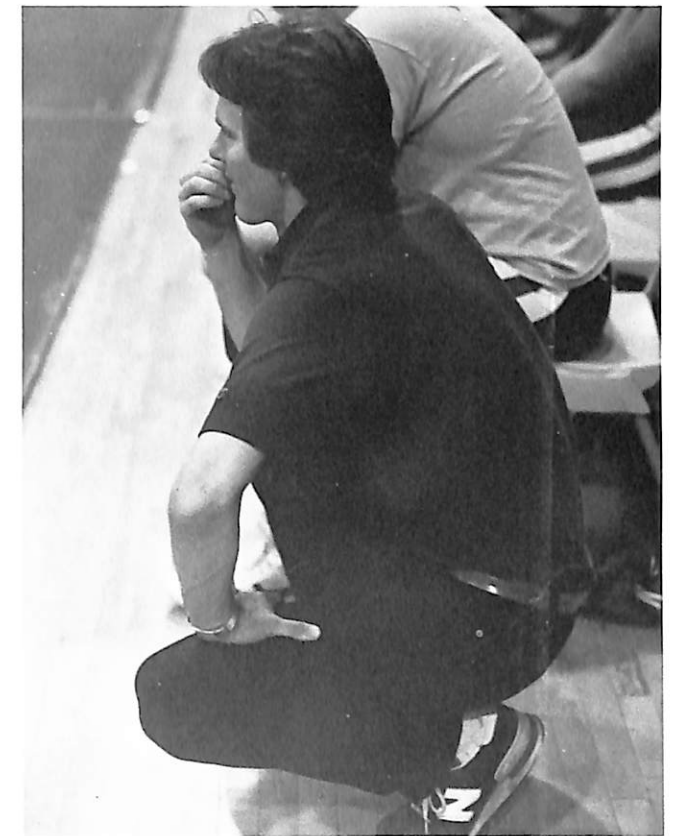

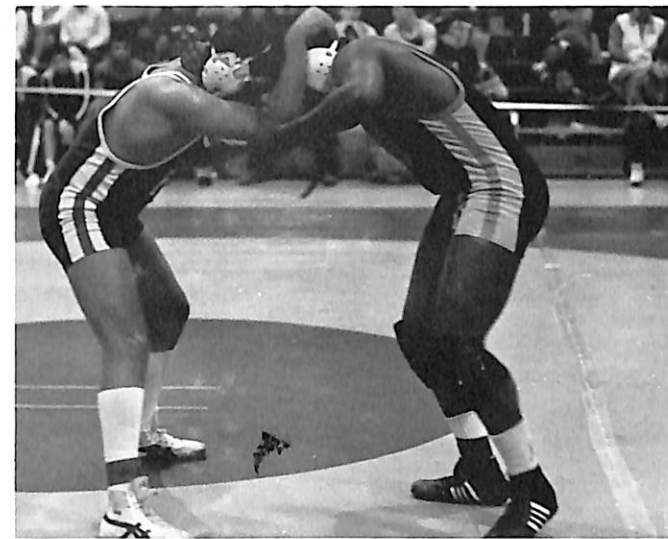

Among the grapplers who deserve special recognition are three seniors: Louis Spencer, Bobby Baugh, and Ruben Huitron.

One of the accomplishments of this year's squad is the honor of receiving third place in the Blue Grey Tournament. The final record of the Falcon Wrestlers is 3-0. Congratulations should go to the following Falcon Matmen for advancing to Regional. 98-Louis Spencer, 105-Jason Maples, 112 — Kevin Monaghan, 119 — Bobby Baugh, 126 — Scott Foust, 145 — Jim Bailie, and 155 — James Carter.

# Fantastic Finish

**F**fter losing their first four games, the 1984 Falcon baseball team finished the remainder of the season at a 9-6 mark, which included placing second at the Northwest Tournament last April.

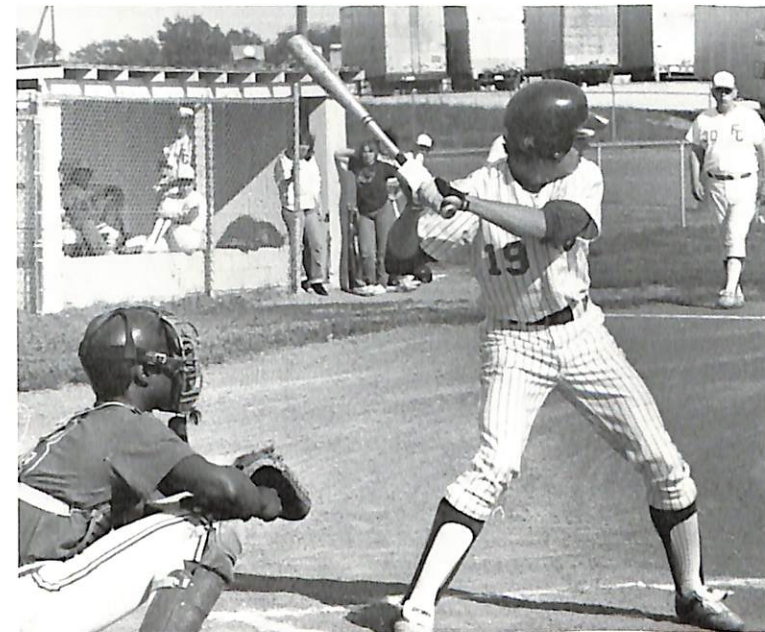

The team was led at the plate by Mike Caver, who hit .340 and slammed two home runs, which also led the Falcons. Appropriately, he was named Most Valuable Player.

Donny Caver led the defense with a fielding percentage of .993. Mike Suddoth, who had a record of 3-2 with an E.R.A. of 1.39, and Eddie Pickett, who was 3-2 with an E.R.A. of 3.11, were the best Falcon pitchers.

# Netters Rank High Time, Practice Pays Off

**A** lot of practice and time goes into preparing for a tournament. The tennis team knows this well. The team placed fairly well in several tournaments. In the team tournaments, played in the spring, the

Falcon boys and the Falcon girls finished the season with an even 7-7 record. The team captains as well as number one players, were Marchese Gildersleeve for the boys, and Lori Wilson for the girls.

Keeping his eye on the ball James Bradford returns a volley to his opponent.

# Golfers On The Green

**G**olf is a sport requiring coordination and intense concentration. Although the members for the golf team enjoy the feeling of victory, more emphasis is placed upon the enjoyment of the game and the sportsmanship of the team.

In the spring season, the golf team competed in city match competition. The boys golf team placed 7th in Regional and 10th in the Calvert City Invitational.

Despite the lack of girls on the golf team, both Jackie Neslage and Lara Kutter participated well in many tournaments and other various competitions.

The top golfers for both the boys and the girls golf team respectively, were Scott Brehm and Jackie Neslage.

# Administration

Mr. Perry is completing his 28th year with the Fort Campbell School System. Over the years, he has given many extra hours to the students and to the betterment of FCHS in all areas.

One of the reasons Fort Campbell High School runs smoothly is due to the expertise and know-how of Gary Stewart, the Assistant Principal for the past eight years; and he has no intentions of leaving because the students are special to him. When asked why he became the Assistant Principal, he jokingly replied, "Because I'm good!"

To left: Who are all these people and where did they all come from. Below: Mr. Stewart keeps the wheels of FCHS rolling.

LEFT TO RIGHT: Ms. Osterman, Teacher assistant; Ms. Moody, Secretary to the Principal; Ms. Gilkey, Clerk typist; Ms. Parks, Teacher's aide.

## PAPER PUSHERS ...?

Could FCHS survive without the dreadful paper work? The answer is NO; therefore, we, the students and faculty, appreciate the four irreplaceable secretaries that take care of all the "red tape". Ms. Moody, Ms. Osterman, Ms. Gilkey, and Ms. Parks contribute their time, effort, and experience to help better FCHS. The students and faculty are grateful and extend thousands of thanks to Ft. Campbell's "Paper Pushers"!

Where should I go to college? How do I get applications and financial-forms? Can you give me some advice? These are only some of the questions that our outstanding counselors here at FCHS can answer. Mr. Lane and Mrs. Allensworth are two prime examples of what good counselors should be. Both are ready on the spot to give advice to those who ask, show you how to fill out applications for entrance exams, explain test scores to you, and provide you with any other information you may need for college.

# Custodians

A short break during a busy lunch hour.

## George Sholar

One of the most familiar faces around FCHS is that of George Sholar. Mr. Sholar can always be seen around the school halls ready with a joke and a smile. He has been at Fort Campbell since 1967 and has no intention of retiring any time soon. He describes himself as a "Jack of All Trades", and can fix anything from furnances to lights. When he is asked about what he likes best about his job at FCHS, he replies, "The people — they are all nice."

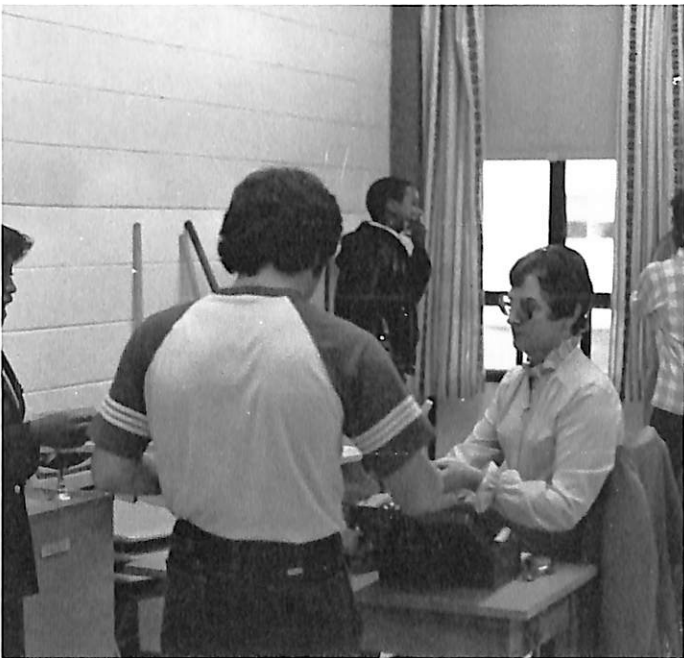

One of the first things that visitors notice about FCHS is it's cleanliness. This is due to the fact that the custodians do their jobs so well. They are (left to right): Ted Phillips, Carolyn Pass, and George Sholar.

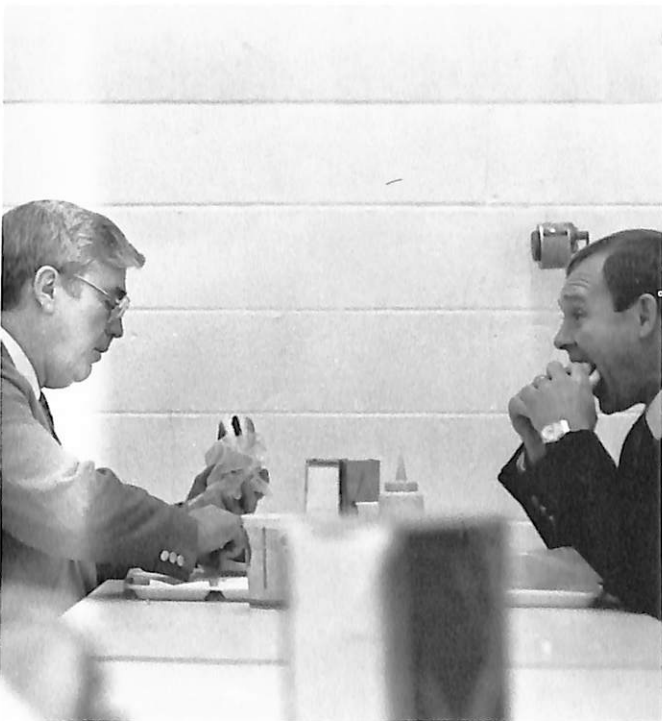

# Cafeteria Workers

## The Ladies Behind The Lunch

Another noticeable part of the school is the quality of it's lunches. The cafeteria workers do their best to supply the students with a nutritious meal every day. They are (left to right): Wanda Gibbs, Wanda Thompson, Hazel Strebe, Hannelore Peyton, Mary Myatt (manager). Not pictured: Marian Pratt.

Nancy Carter, the lunchroom cashier, has worked for several years trying to get people through the line as fast as possible.

The Sophomore Class Officers are (left to right) President — Eric Streeter, Secretary — Olivia Cruz, Treasurer — Chris Fulcher, Vice President — Patty Hood.

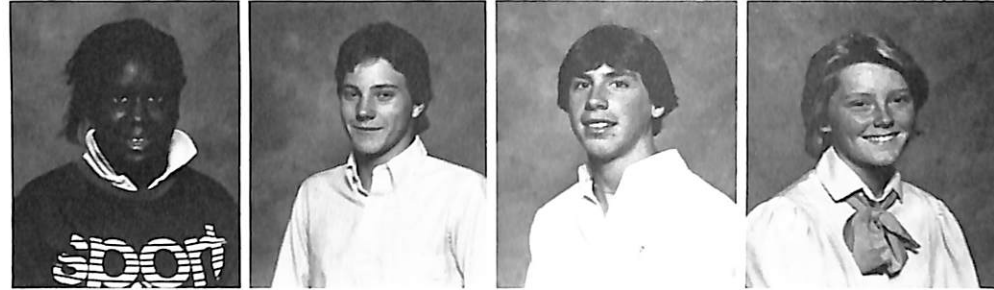

This year, along with the freshmen, FCHS acquired a great number of sophomores. Although they have a reputation for rowdiness, the class of '87 is stated as being the "most lovable" of the underclassmen. Among their accomplishments is the first place finish of their float in this year's homecoming parade. The sophomores have adjusted well to their first "official" year of high school and are on the way to two more equally successful years.

The sophomore advisors pictured left are: Ms. Page, Ms. Sheets, Ms. DePriest, and Ms. Pendelton. Not pictured: Ms. Cacal, Mr. Mills, Mr. Morgan, and Ms. Patrick.

This is the life!

The agony of de-FEET!

Close Encounters of the 4th Kind.

The men down under.

# Your class ring A GREAT FEELING

Pride is the catalyst for human achievement...the mover of minds, of muscles and most of all hearts. Your class ring is more than a mere piece of jewelry. A class ring shows Pride.

Your class ring identifies you with your school and your class for all to see. It carries with it much sentimental value and will help you preserve special memories forever.
