# END OF AN ERA

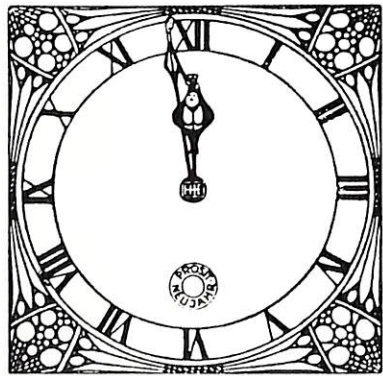

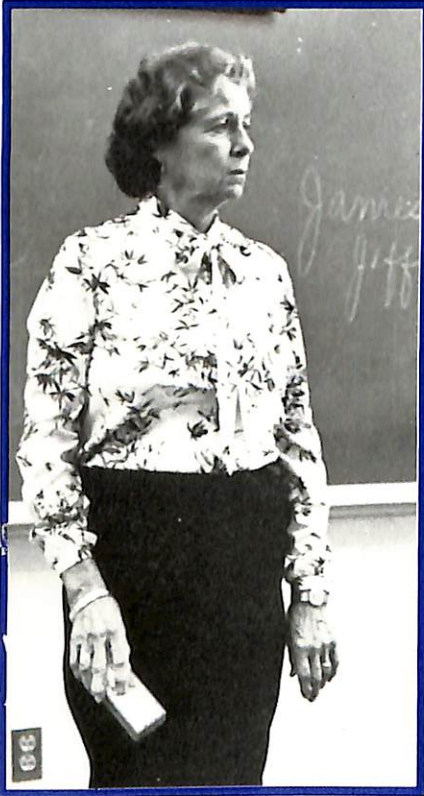

Mrs. Elinor Martin is retiring after 28 years of dedication and service to the Fort Campbell School System and its students.

Mrs. Martin began her career in 1958 and has earned the name "Mama John" because of her devotion to her eight children, 22 grandchildren, and to the many students of past and present years.

Besides having taught German, French, Latin, speech and drama, she was advisor to Student Council for many years. Mrs. Martin has been active in educational organizations and has held the office of President in the Kentucky Classroom Teachers Association, the Kentucky Second District Education Association, and the Fort Campbell Education Association.

Mrs. Martin enjoys collecting frog figurines, which can be seen decorating everything upon entering her room.

This year the dedication is given to Mrs. Martin because of the valuable experience, her patience and willingness to help students learn. Thanks, Mrs. Martin and good luck in your future endeavors.

1) ENJOYING OUR HOMECOMING FOOTBALL GAME. 2) SPIRIT IN OUR HALLWAYS. 3) JEFF AND ROB KICKING BACK. 4) OUT OF CONTROL!!! 5) WILLY HODGETT!! 6) WE WANT YOU!!

## FALCON FEVER AT ITS HEIGHT DURING SPIRIT WEEK

*This year's Homecoming was more unique than any of the previous as "Spirit Week" was added to enhance the Homecoming. This wasn't any ordinary week because as the week progressed, we all noticed changes in our classmates dressing style.*

*On Monday, students turned out backwards and inside out. On Tuesday, it was hat and tie day; followed by Wednesday that took us back in time to the fifties.*

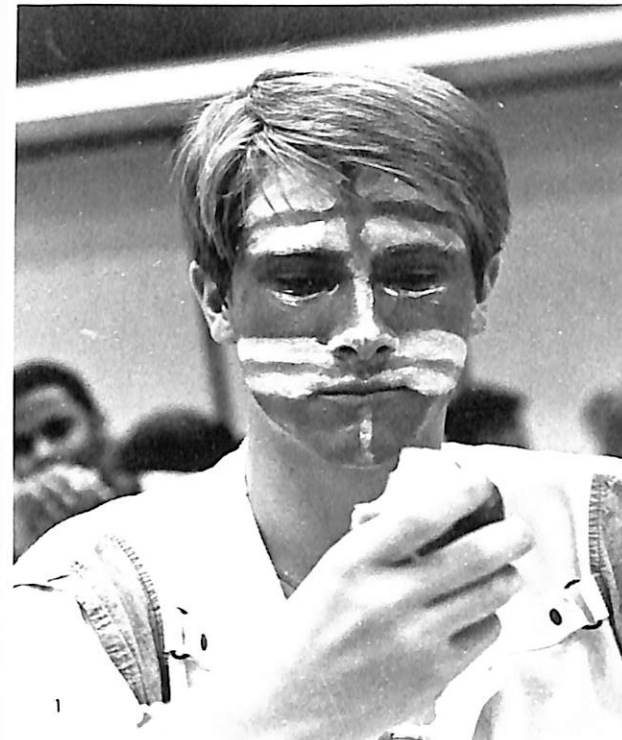

*The fifties were over by the time the bonfire took place that night. Something new was added to the bonfire as well. To give more excitement to the night's activities, students participated in class olympics. The two events won by the seniors were the egg and the balloon toss. The juniors tied the seniors with wins in the change up and apple bobbing. The wrapup and tricycle race, won by the sophomores, tied the top three classes at two apiece. This left the spirit link competition to decide the winners.*

*Spirit week continued as Thursday brought on more nerds than*

*any school could handle, and the week ended on Friday with blue and grey day as well as pep assembly.*

*At the pep rally the winners of the week-long race were announced. The juniors won by ten links followed by the seniors, freshmen, and finally, the sophomores. Our Homecoming week was concluded with our parade, game, and then the Homecoming Dance.*

*This year we were able to see our spirit projected in a wide variety of ways. Each individual's participation, whatever it may have been, adds and makes up a spirited school with the primary intention of having a fun and exciting Homecoming!*

1). ON THE WARPATH? 2) HAT AND TIE DAY GIVES US A WIDE VARIETY OF LOOKS. 3) THE JUNIORS PARADE THEIR SPIRIT BY SHOWING THEIR HOMECOMING FLOAT. 4) AN AMERICAN LEONARDO DA VINCI? 5) SENIORS \$15,000 FLOAT 6) WHAT HAPPENED TO MARCHING IN PARADES INSTEAD OF RIDING? 7) HAT AND TIE DAY! 8) THE "FIFTIES LOOK" BACK IN STYLE.

# Homecoming 85

Due to the hard work of the Student Council and Key Club, Homecoming 1985 turned out to be a big success. Although our football team lost to Franklin-Simpson, 26-19, everyone who attended the dance appeared to have a great time — that's the Falcon Spirit for ya!

Before the game a float procession took place in which each class participated. The Freshman class float, "Cage the Cats," was awarded \$25 for best float presentation. A \$15 and \$10 prize was awarded to the South Middle School and to the Sophomore class, respectively.

The pre-game festivities were highlighted by the crowning of the new Queen Melisse Johnson by her predecessor Wanda Webster. Derrick Peoples was crowned Homecoming King at the dance. This was the first time in the history of FCHS that a "King" has been selected. The King and Queens court consisted of Kristal Coleman, Patty Hood, Lisa Meredith, and Aimee Benedict. The music, which was provided by WABD radio station, helped to make Homecoming '85 a big success.

"Mr. Dickson conducts to the new music."

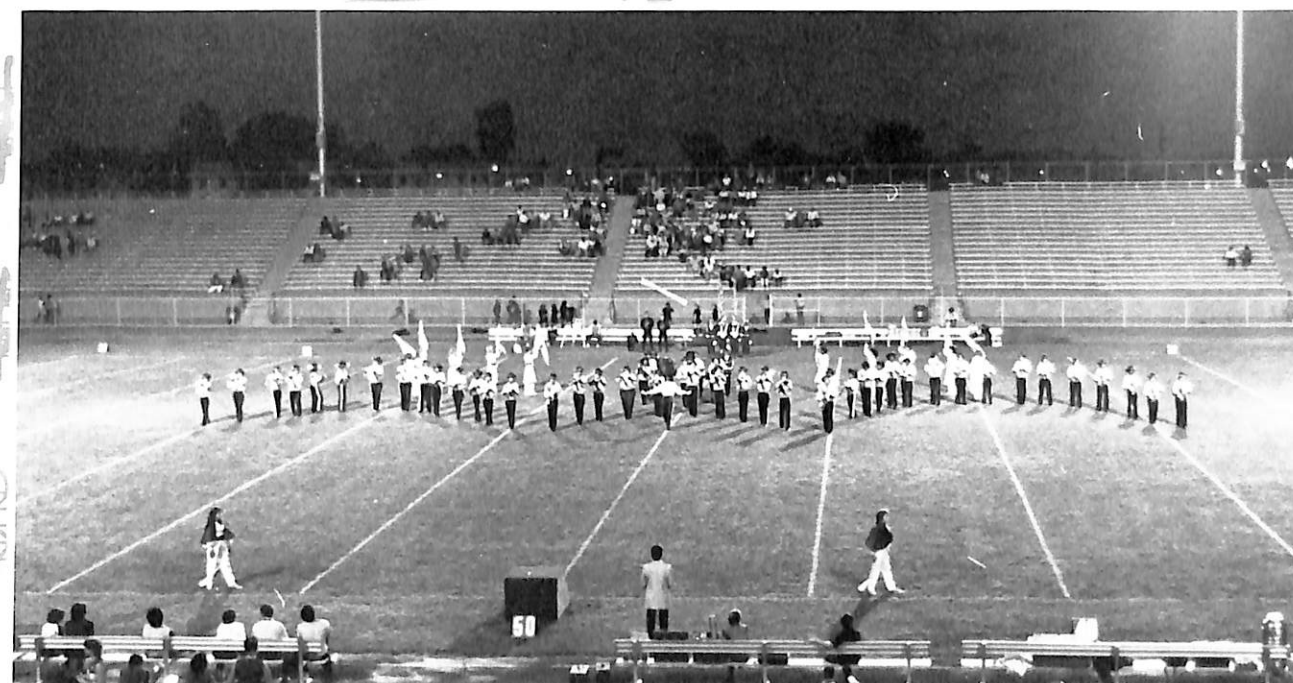

## "Time for the music to come alive."

The Fort Campbell Marching Band under the direction of Mr. Tim Dickson and Mr. Don Hoeff, caught everyone's attention this year with their striking new uniforms, new style of music and most of all their spirit.

The seventy member band consisting mostly on underclassmen proved to everyone at FCHS that they count too. Beginning in July with a two week summer camp and continuing through the entire football season the band prepared for half-time shows, parades, and contests.

The band successfully performed three half-time shows and a Patriotic show that is always a crowd pleaser. They participated in several parades such as Austin Peay homecoming, Nashville's Veterans Day Parade and Clarksville's Christmas Parade.

This years FALCON BAND INCORPORATED's season proved to be one of the best as the band received numerous awards and ratings and continued to shine with that Falcon Pride!!!

"The band show's their excellence by motion not words."

Full speed ahead guy's.

"J. C.", Berry, and "T. K.", jam as the percussion makes way.

Joy moves to the sound of Can-Can.

"All Falcons Can Rock"!

## LET'S MAKE MUSIC

The band and chorus of FCHS are responsible for bringing the dimension of fine arts into the school. Through the talent of many students, creativity and excellence are projected. Both have annual Christmas and Spring performances to show what they've worked so hard to accomplish. The band selected an honors band in which the more advanced players were chosen. These chosen were: Roxsy Castillo, Celeste Cyr, Carmen Figs, Cynthia Michaels, and Trish Schlict. The band and chorus perform together as well as have many students who are eligible to enter the Fine Arts Festival held annually.

## THERE IS NO BUSINESS LIKE SHOW BUSINESS!!!

## MAN HOURS FOR MANKIND

(First row) Kristen Perzysk, Michelle Northamer, Kerri Otis, Miki, Katie Ward, Lovina Sawyer, Alicia Wise, JoAnn Laben (Second row) Heather Halloran, Rick Burroughs, Laura Murdoch, Melissa Johnson, Kristy Sweeny, Holly Meyer, Tiffany Lovelace, Kathy Dunn, Denise Royal, Cynthia Biamon, Darsi Sanders (Third row) Marina Nakatsu, Lisa Ogle, Rick Lutz, Anne Samuels, Sherri Otis, Tammy Gilley.

The Ft. Campbell High School Key Club participated in many activities this year. They raised money for charity through many different ventures such as: a car wash for muscular dystrophy — which raised \$180, together with the Kiwanis raised \$600 to \$700 for the Ft. Campbell food baskets and toy drive, as well as soliciting to the merchants outside Ft. Campbell for the chaplains fund which went to nearly 300 needy families.

The Key Club also is involved in many efforts within the school. Avid fans of our teams, the Key Club supported the Cross Country Invitational as well as the wrestling team. They sponsored other activities also, such as the Homecoming bonfire and a Valentine's Dance. They also sold carnations and candygrams for a scholarship fund for Key Club members.

A special privilege of being a Key Club member is accompanying Mr. Wright to Kiwanis meetings at the Officers Club each week. This opportunity gives students a chance to learn parliamentary procedure, become community oriented, and prepare them upon entering college where they can be a

member of the Circle K — a college level branch of the Kiwanis Club. If a student donates 50 hours to mankind he or she is eligible for a Key Club jacket with a letter.

The Key Club adds respect and dignity to FCHS.

OUR PRES. SHERRI OTIS

# STARS AND STRIPES FOREVER

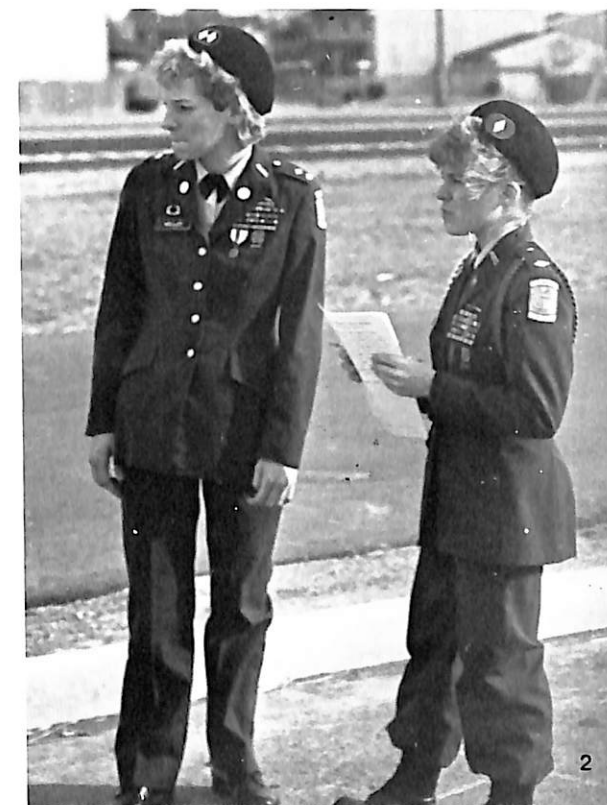

The purpose of the JROTC program is to provide instructions which will benefit the cadet, the community, and the nation. Citizenship and leadership are emphasized in each level of the program which is designed to develop self-confidence, the ability to act independently, and a competitive spirit.

The Military Ball which was held on February 22 highlighted the year's activities. Other activities available to the cadets are the Rifle Team, Drill Team, Color Guard, Rangers and the Battalion staff.

This year's commanding officers were:

Battalion Commander — Tina Kelley  
Executive Officer — Berry Wilfork  
Headquarters Commander — Craig Moss  
Command Sergeant Major — Pam Johnson  
Company A Commander — Gary Burton  
Company B Commander — Robert Hoppes  
Company C Commander — Robbie Ayers

# PUBLICATIONS

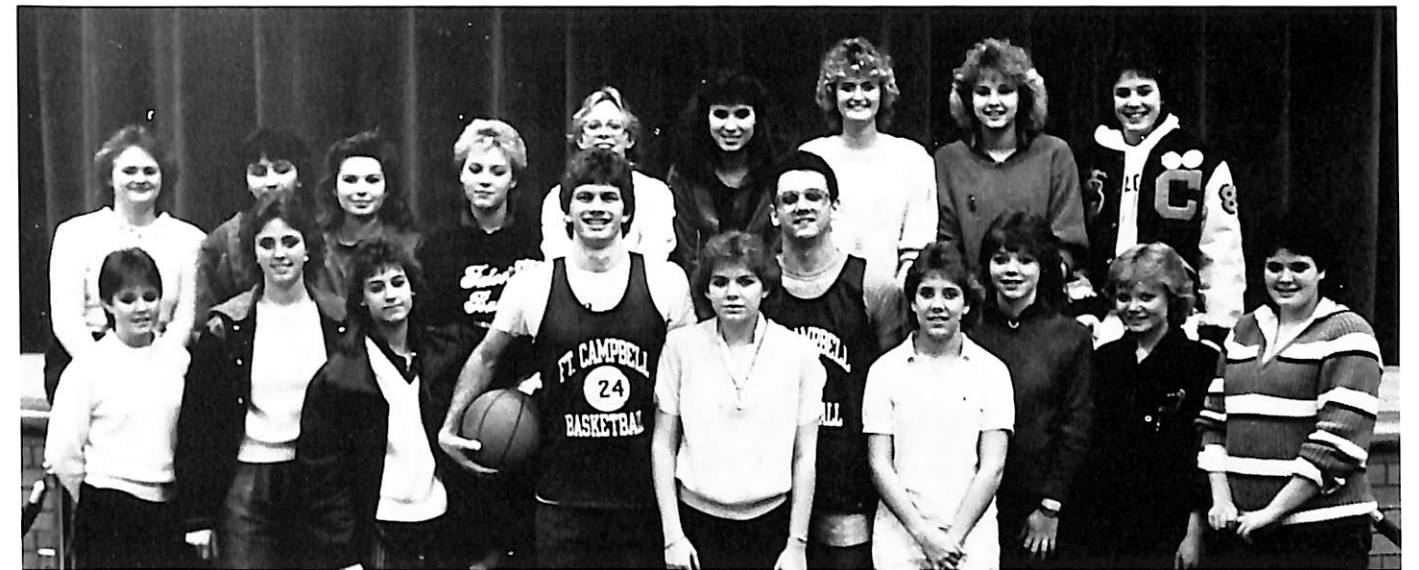

People never see beyond pictures of friends and the words written on the pages of the yearbook. They do not realize the tremendous amount of hard work and dedication needed to produce an annual. People do not always cooperate, pictures sometimes fail to turn out as expected or arrive on time, and mistakes are costly. But as there are frustrating times, there are also good times and laughs that are shared together as one. The finished product is a source of pride for the entire yearbook staff.

This year's members include: Joseph Baskett, Cynthia Biamon, Jorge Cabrera, Leslie Cruz, James Delosh, Scott Faust, Robert Goins, Jeff Hillard, Sherri Otis, Pat Robertson, Denise Royal, Sharron Searcy, Christy Vargas, Sean Ward, and Miki Wolf.

## Organization guided with Christian Influence

Fellowship of Christian Athletes is a national organization of young men and women involved in athletics. The attitude is that the person can better perform with a Christian influence. Weekly meetings are held each Wednesday evening and are led by Coach Marshall Patterson. They discuss all aspects of physical, mental, and spiritual growth.

## Falcons Against Drunk Driving

FADD was formed with the idea that when young people drive while under the influence of alcohol they are endangering not only themselves but innocent victims as well. Being behind the wheel of a vehicle is a tremendous responsibility and teenagers need to know that when they drink and drive the consequence could be their life.

One of the highest academic honors at FCHS is to be inducted into the National Honor Society. The Honor Society is based upon service, leadership, character, and scholarship; and is designed to recognize students who are superior achievers. These students are required to have a set grade point average and possess the above qualities. This year's sponsors were Mrs. Allensworth and Miss Bittel.

## THE Gifted . . . THE Talented . . . THE Creative

This is the first year FCHS has had a successful Gifted, Talented, and Creative program for students. This program gives students the opportunity to enhance their knowledge in subject areas not offered in the classroom. They are required to give a video-taped presentation on subjects of special interest which may be used as future reference for teachers and their students. G.T.C. is an interesting way for students to find out more about themselves and their potentials.

## THE A-TEAM

# Teacher's Aides

Brian Duplessis and Henry Allen are two of the many teacher's aides in school.

This year and always teacher's aides play an important and essential part in day-to-day work. They are very helpful to teachers as well as to students in the sense that they help the teachers with many time consuming jobs which leave the teachers with more time to plan classes and grade papers.

Laura Schlicht has earned the title of Valedictorian, the highest academic honor. With a 4.0 G.P.A., Laura's hard work and motivation have really paid off.

During her high school years Laura has participated in Chorus, JROTC, National Junior Honor Society, National Honor Society, Key Club, FCA, and the Gifted/Talented/Creative program. She also served on the PX Youth Advisory Council.

Laura plans to go to college at either Murray State or Eastern Kentucky University and go into the field of Special Education. She would like to get a double major in learning and behavioral disorders, and in trainable mentally handicapped.

Ten years from now, Laura sees herself teaching exceptional children with a Master's or Doctorate in Special Education.

With a 3.9 G.P.A. Denise Royal proudly holds the honor of Salutatorian. Her academic achievements have earned her the respect of her classmates and the faculty, as well.

Denise has often been described as a leader. Her many activities at school prove this to be true. She served as Secretary/Treasurer and Vice-President of the National Honor Society, was an active member of the Key Club, Student Council, Gifted/Talented/Creative program, band and was Editor-in-Chief of the yearbook for two years. Denise's honors include being chosen to play in the WKU Honors Band, Who's Who Among American High School Students, Kentucky Girls' State Representative, American Newspaper Publishing Association Award, and she was voted Most Likely to Succeed by the Senior Class.

Denise plans to attend Georgia Southern College and major in Elementary Education with a minor in Computer Science. Ten years from now Denise says she would like to be "Just plain happy and having fun with life."

"I began school for the first time here at Ft. Campbell. It must be fate that brought me back here to graduate," said Stacy Matthews, a native of Frankfurt, Germany. Stacy finishes her high school career in the number 3 position.

According to Stacy, the highlights of her high school years have been her ability to succeed academically and to "make the grade." Her last four years have been a preparation for the future.

Stacy will attend either Georgia Institute of Technology or Florida State University and enroll in the Air Force ROTC program. Upon receipt of her Bachelor's Degree in Computer Science, she plans to enter into the Air Force.

"To be successful it takes hard work, diligence, patience, and devotion; I'm ready for SUCCESS!"

Ending her high school career in the fourth position is Leigh Ramos, a transfer from Hopkinsville High School.

Leigh's extra-curricular activities and awards result in a lengthy list. She has been a member in the Key Club and German Club, as well as the National Honor Society and Choral Club. Leigh's interest is in music. She has participated in various choirs, including California All-State Choir, Central Coast Section Choir, and Kentucky All-State Choir. In Texas, she participated in all district, all region, and all area choirs, as well as solo and ensemble.

Leigh hopes to attend either Weber State University or Murray State University. She is unsure of her major, but she wants to minor in music.

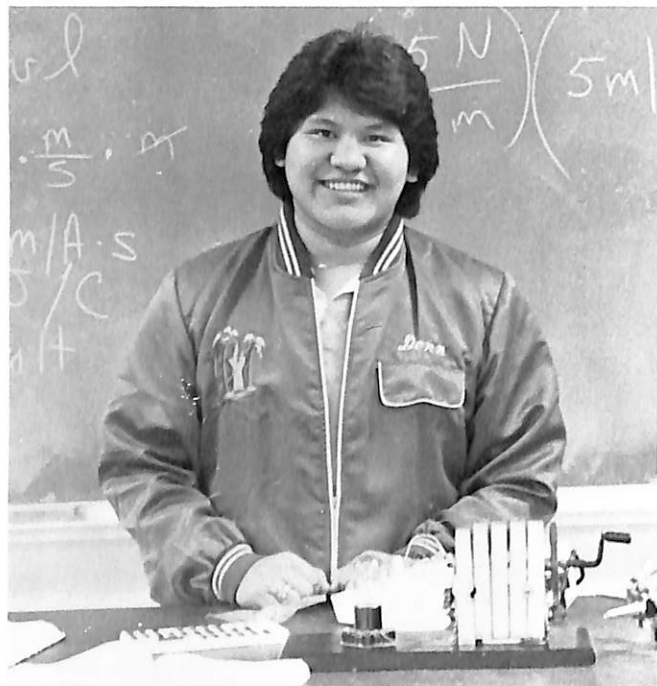

Finishing in the number 5 position is Laura Murdoch, a native of Alexandria, Virginia. Laura's positive attitude and her involvement in school activities has resulted in the making of several future plans.

Laura has been a member of the National Honor Society, Key Club, Student Council, and the Gifted/Talented/Creative program. Laura also served as Senior Class Treasurer and was involved in her Church's Youth Group.

Laura hopes to attend either Georgetown or Princeton University and major in International Relations, with a minor in foreign languages. Upon receipt of her degree, she hopes to attend law school and continue on with plans of a career in the CIA.

Politics is Laura's long term goal. She has a positive outlook on marriage and hopes to have a family of her own someday.

Dennis Cruz, a native of the island of Guam, finishes his high school career ranked number 6 in the Senior class. Soft-spoken and laid back, Dennis displays a friendly nature and is easy to get along with.

Dennis has served in the National Honor Society for the past two years and was President of the Science Club as a Senior. He also participated in Varsity football for the past two seasons.

Dennis plans to pursue a Bachelor of Science degree in Electronics Engineering at Devry Institute of Technology in Columbus, Ohio. Asked what he sees himself doing ten years from now, Dennis replied, "I hope to be financially sound with a good life. Anything in between will hopefully be something for the better."

Ranked 7th in the Senior class is Barbara Barrows, a native of Kansas. Barbara is a quiet but hard-working individual. She has been involved in the German Club, the Business Club, and the National Honor Society.

After graduation Barbara plans to attend a nearby college and major in Business management. Her long-range goals are to go into the Secretarial career field and to make the best of her life.

Ranked eighth in the senior class is Jena Davis, born in Dallas, Texas.

Combined with a busy class schedule, Jena has found time to participate in various school activities. She has been a member of the National Honor Society and Falcons Against Drunk Driving, as well as Fort Campbell High School's recently organized academic team. Jena has also been involved in the science club. She also received the honor of being a part of Who's Who Among American High School Students.

Jena plans to return home to Dallas and attend Southern Methodist University, where she will major in computer engineering. After earning her degree, she hopes to pursue a career at Electrospace Corporation as an engineer. After establishing her career, Jena hopes to marry and start a family.

Not Pictured  
Barbara Barrows

Holding the number 9 position is Sherri Otis with a GPA of 3.65. Sherri's hard work and determination have helped her earn this honor.

Sherri has contributed immensely to both academic and extra-curricular activities. She was involved in the Student Council, Gifted/Talented/Creative program, and was a member of the Yearbook staff. Sherri also held the position of President of both the Key Club and the National Honor Society. She was voted Most Congenial and Best Dressed by the Senior Class.

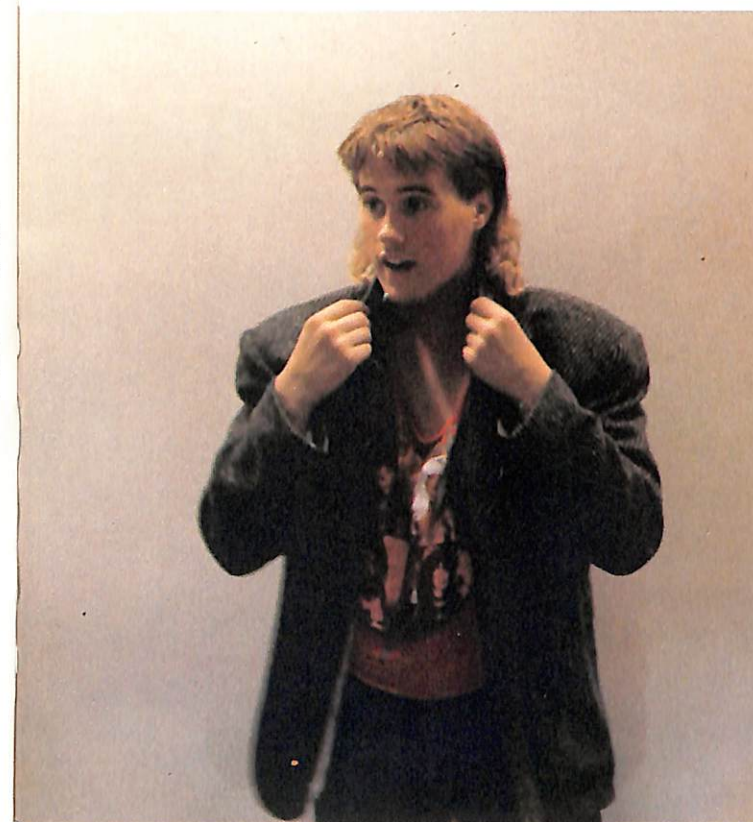

Sherri plans to attend the University of Florida and major in Business, specifically accounting. Ten years from now she hopes to be a Certified Public Accountant. Some time after she has established herself, she hopes to be married and have a family of her own.

Rounding out the top ten is Jeff Hillard, a native of Winchester, Kentucky. Jeff proves that participating in various extra-curricular activities balanced with maintaining high grades is possible.

Jeff's involvement at FCHS are in the athletic program and in organizations. Jeff has played on the varsity basketball and baseball teams. He has been a member of the National Honor Society, as well as copy editor of the yearbook staff and newspaper staff. Jeff was also recognized in Who's Who Among American High School Students.

In the fall, Jeff plans to attend the University of Kentucky and major in business administration and management. After earning his degree, he hopes to find employment in a company in which he can build a solid foundation in his business career. Jeff's long-term career goal is to own and operate a sporting goods store. "My goal for life is to be successful and to achieve what I set out to do. There is a bright future ahead for me, but I have to work hard to get what I want out of it."

## SENIORS CLASS OF 86

## JUNIORS

### WAIT TILL NEXT YEAR

The juniors, CLASS OF 87, hit FCHS with a bit of enthusiasm and spirit nobody could take away. Pep rallies . . . JUNIORS! Spirit stick . . . JUNIORS!

The junior class won the second spirit stick of the '85-'86 year. This seemed to inspire the upper classmen quite a bit, for they came on stronger later. Still, deep in the heart nobody was good unless he was a junior. The CLASS OF '87 say thanks for letting us "soar" like you other Falcons.

— Patty Hood  
President

Junior Officers: Patty Hood, president; Valarie Thomasson, vice-president; Stephanie Lehmann, treasurer; Cindy Sweeney, secretary.

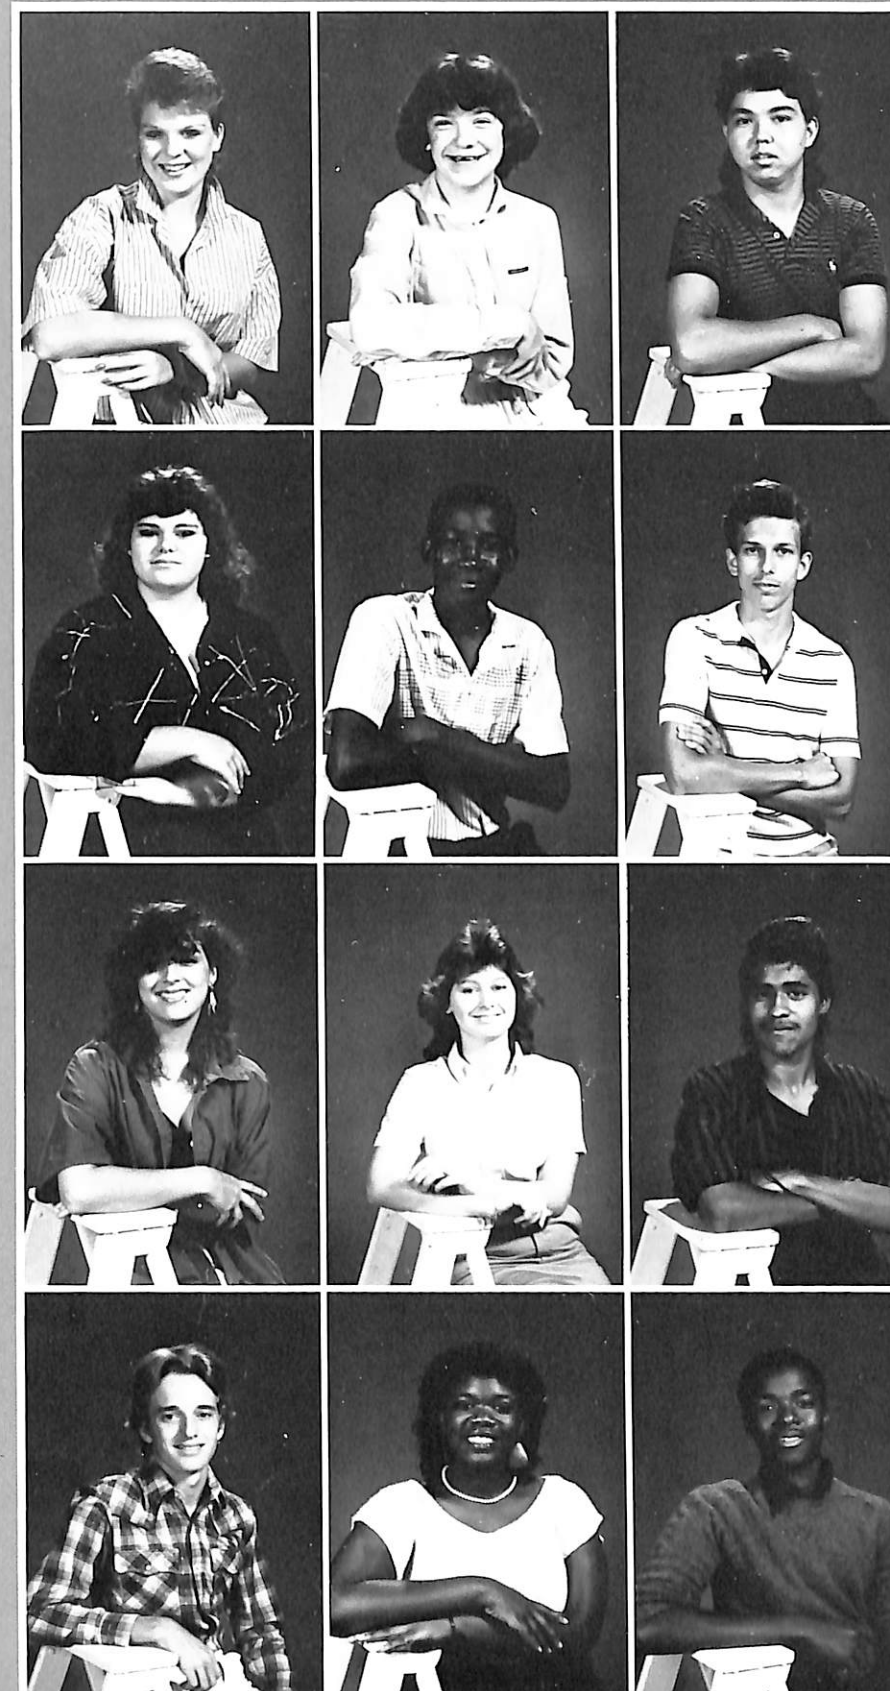

MiOk Kang, a native of Seoul, Korea came to Ft. Campbell three years ago. Since then, she has proven to be a great asset to FCHS. Her two years in the Fort Campbell School system have been spent in depth study of art, mathematics, and computers. Subjects of which she has received numerous recognition for. In the art department, MiOk was last year's newspaper contest poster winner for a Coca-Cola advertisement. She was also among the sixty out of one hundred and ten entries who qualified and passed the professional rigid judging process during the 20th Annual Pennyrile Art Exhibit. It seems the eight years of classroom study has certainly been paying off! Math has also been a strong point for MiOk. In 9th grade she placed third in a math contest at Murray State University, only to come back next year in second place. Upon graduation, MiOk plans to pursue a career in Art.

## Candy Reid

Candy Reid. Will she be the next Joan Benoit or Grete Waitz? As it goes, she is not far off and is on her way to what could be a successful running career. She enjoys the sport of running very much and hopes that this will be her life's goal. As she competed on the women's cross-country team, she built her techniques and running skills to a great extent. Her performance on the course was remarkable. She broke Kitty Davidson's course record on the Trigg County course. Kitty was the 1982 state champ! Candy continues to train by lifting weights and running daily. Who knows, one day we may see her competing in the women's New York marathon.

## Junior Favorites

Patty Hood and Mike Young were chosen junior class favorites. Patty contributed much to Fort Campbell High. She was president of the junior class, a member of the National Honor Society, and a member of the Student Council. Her hobbies include dating, playing softball, and traveling. Mike was a very active man on campus. He was a member of the varsity football squad, and track team (400M, Long Jump and Triple Jump). When asked his favorite hobbies, he replied "Music, football, and karate."

## Just friends

Jealousy sometimes can tear apart romantic relationships between couples, but it is very difficult to ruin boy/girl friendships that are purely platonic. These boy/girl relationships are very similar to friendships shared between people of the same sex. During these special times that are spent with the friend of the opposite sex, secrets and thoughts can be shared, as well as the good and bad times. "There are times when I rather talk to a guy because sometimes I can exchange thoughts and feelings," said freshman Cheri Vargas.

When guys want to talk about emotional subjects and not about Friday night's game, they tend to turn to girls. They have found out that girls can be more trustworthy and fun to talk to. "You can go to girls and they can help you, girls have better understanding about certain problems," said SENIOR, Joe Baskett.

One of the biggest problems that burdens teens are difficulties dealing with their boyfriend or girlfriend. Many of us, at one time or another, have gone to a friend for advice. The advantages of having a best friend of the opposite sex is getting an opinion from their side. "I can always turn to him with a problem I'm having with another guy and he gives me his point of view," said sophomore, Mayra Cruz about SENIOR, Walter Gary. "It's always nice going to Mike whenever I had a problem with a certain guy. He would always explain why guys act the way they do and just say, 'Hang in there kid,'" said one Fort Campbell SENIOR about her guy friend from Northwest.

Most students asked about boy/girl friendships were for it. They have enjoyed these special relationships with their best friends. There is always that special feeling of knowing that you have an extra friend in this world.

## It's a Principal Matter

Mr. Stewart completed his eighth year as assistant principal last year. This year he's back and in more control than ever as FCHS' new principal. He's proud to hold this position and finds that although his responsibilities at the new high school are so great and often times demanding, he wouldn't trade it for the world. Mr. Stewart stated that he has reached the level of education that he has always wanted, but is seeking to learn and to achieve more as the years pass. The new high school offers a great deal to the students and administration but it has run into its share of complications. A major problem which Stewart sought to solve was the poor heat circulation throughout the school. But Stewart coolly remarked that problems of this type could only be expected and managed as best as possible. When asked what he enjoyed most about FCHS, Stewart stated that it is the students and the community at Fort Campbell. Mr. Stewart earned his M.A. and his EDS from Austin Peay State University and received his undergraduate degree in 1970. He is currently completing his doctorate in Educational Administration from Peabody College at Vanderbilt University.

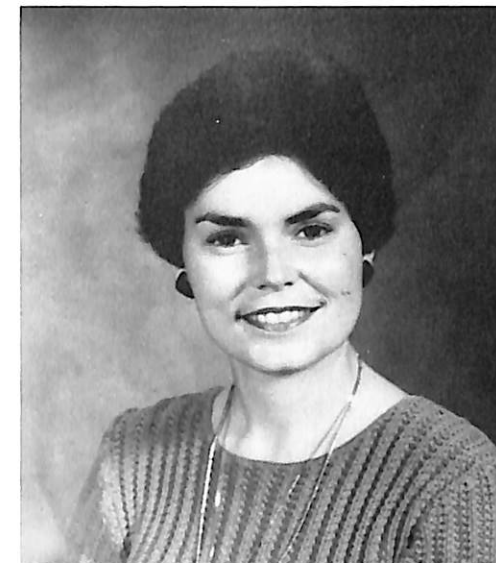

Principal, Gary Stewart

Vice-Principal, John Therrell

The new high school brought along many changes. One of the greatest was the addition of our new vice-principal, Mr. John Therrell. Mr. Therrell taught many subjects such as World Cultures, U.S. History, Russian Government, and U.S. Government at Highpoint Andrews in North Carolina. Later on he transferred to Alexander Central in Taylorsville, North Carolina and served as assistant principal for five years.

Mr. Therrell finds FCHS to be quite different from civilian schools. He feels that the military community has a stronger parental involvement in its schools. Mr. Therrell is also very pleased with the staff of FCHS. "The staff is very committed from the principal on down," he stated. He got his EDS from Appalachian State University in Boone, North Carolina and received his Master's at the University of North Carolina at Greensboro.

# ALL IN A DAY'S WORK

Velma Moody, secretary to the principal

Susan Gilkey, clerk typist

Often arriving before 7:30 a.m. and not leaving until 4:00 p.m., FCHS secretaries really had their work cut out for them. What does a secretary do all day, wondered some students? They are responsible for typing records and answering phones as well as delivering messages to teachers and students, but most of all, just making sure the office is operating smoothly. Along with this laborious task, being a secretary takes good disposition, good judgment, intelligence and concern for the welfare of those they come in contact with. The secretaries at FCHS have proven this to be true time and time again. The hard work and dedication Velma Moody and Shelia Gilkey put into our school is recognized and greatly appreciated.

## GUIDANCE

Without the help of our guidance counselors Stan Lane and Martha Allensworth, life at FCHS would be quite difficult for students. From helping with schedule changes at the beginning of the year to answering the many questions on future job and college career plans throughout the year, these counselors always find the time to help students to the best of their ability. They are always willing to use their experiences and qualifications to answer any questions regarding a student's school or home life. FCHS certainly does benefit greatly from their guidance.

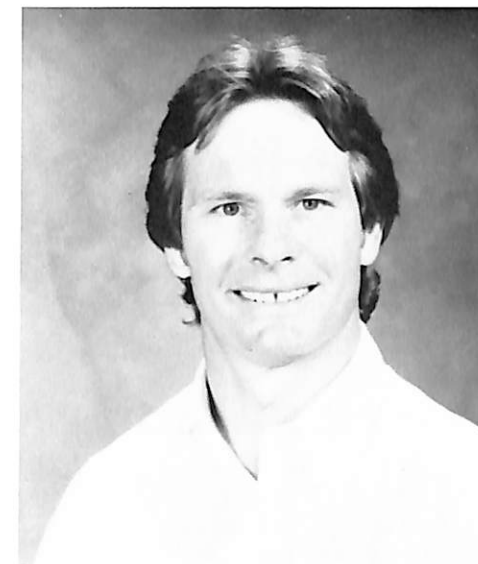

## Jazz Band Attends Festival

The Jazz Band attended a Jazz Festival at Woodland Park School in Myrtle Beach, South Carolina in February, where they performed as a feature group. The trip proved to be very enjoyable with the twelve members of the band going to the beach as well as enjoying an all-you-can-eat seafood buffet.

# We Salute Our Fallen Eagles

Holiday spirits were dampened on December 12, 1985 by the tragic plane crash in Gander, Newfoundland, which claimed the lives of 248 Fort Campbell soldiers. The soldiers, members of the MFO (Multinational Force and Observers) Task Force were returning from a 6 month peace keeping duty in the Sinai to join families and friends for the holidays. The soldiers were primarily assigned to the 3/502 Infantry Battalion but almost all other units on post shared in the loss of fellow comrades.

With Fort Campbell and surrounding communities feeling the full impact of the loss the rest of the world expressed their sympathy by flying flags at half mast, starting relief funds for the families, and marquee everywhere read, "We Salute Our Fallen Eagles."

Numerous memorial services were held. The 101st Airborne Division Air Assault and Fort Campbell was visited by President and Mrs. Reagan at a memorial service for the families of the victims. At the service President Reagan said the soldiers had a rendezvous with destiny. Both he and Mrs. Reagan offered condolences to each family member. Major General Burton D. Patrick also expressed his sorrow for the fallen eagles.

In years to come this tragedy will be forgotten but the courage and pride of the 248 American soldiers will live forever.

The 1985 Falcon football season held many exciting moments despite the 2-8 record. The Falcons, who began practicing in June, opened the season on Aug. 30 with a devastating win over South Hopkins 47-6. Although this win was the last the team would experience for a while the confidence and pride at FCHS was always high. Even though the team played hard and extremely well, the Falcons were handed their first loss Sept. 6 by Fulton Co. 17-14.

The competition didn't let up and this heart-breaking defeat became the beginning of eight disappointing losses in a row, the last to Crittenden Co. disabling the Falcons to compete in District Playoffs. But the Falcon team didn't give up and Nov. 1 the patience and continuous practice paid off. The Falcons defeated Russelville 18-8. The 1985 football season may not show a winning record but as usual the Falcons came in and went out winners!

## Visions of Lexington

In the state of Kentucky, a trip to Lexington in March to play in Rupp Arena, site of the state high school basketball tournament, is every prep team's dream. For the 1985-86 Falcon men's basketball team, it was more than a dream; it was a realistic team goal.

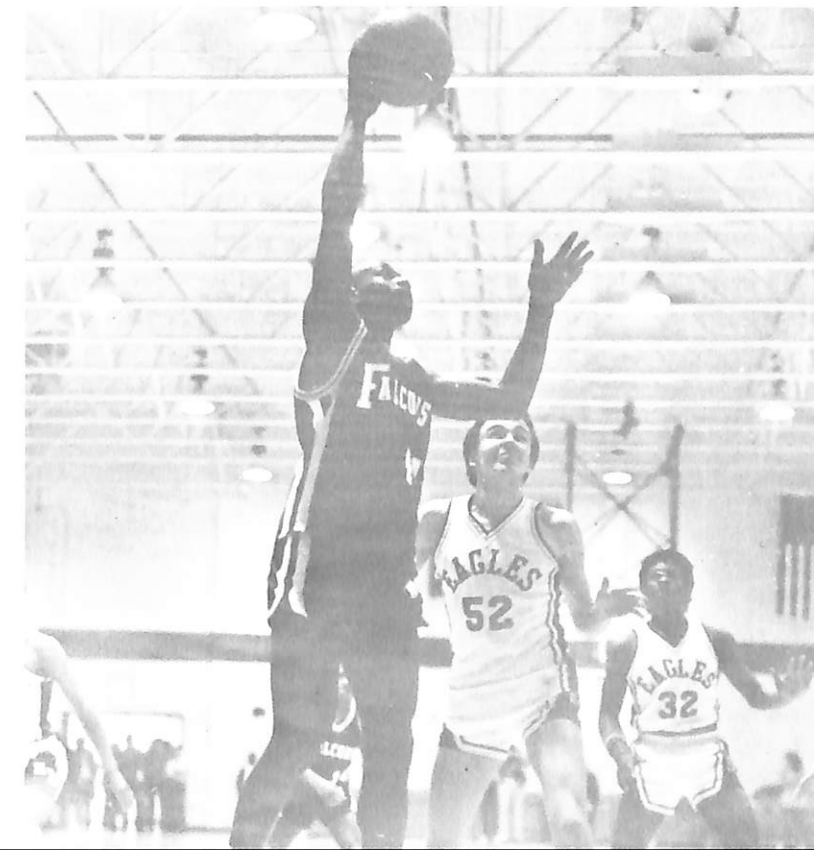

Expecting to return all five starters from the previous season's 12-5 squad, the Falcons were recognized as a region powerhouse. However, military transfers claimed two of those starters, leaving Coach Tim McDougle and assistant Mickey Fisher with the task of finding replacements to support the nucleus of seniors Reggie Odom, Jeff Welch, and Andre Witherspoon. The players decided on were seniors Jeff Hillard and Hayward Davis, along with junior Andre Williams. Senior Jimmy Hill, junior John Crawford, sophomore Troy Lance, and freshman Scott Kurtz provided depth by contributing when coming off the bench. Junior Jimmy Doyle and freshman Randy Green were added to the varsity roster later in the season.

The Falcons finished the season with a record of 13-10, with seven of those losses coming by five points or less. Fort Campbell competed in the tough second region, eighth district, playing against two top ten teams, third ranked defending state champs Hopkinsville and tenth ranked Christian County.

Leading the Falcons in scoring was Jeff Welch, who averaged 19.2 points per game. Next was Reggie Odom, who poured in 18 points per contest. In the rebounding department, it was Odom leading the way, hauling down 17 boards a game. Next was Welch, who averaged 7.1 rebounds an outing. The defensive leader was 5'5" point guard Andre Witherspoon, who hawked opposing ballhandlers all season. He averaged 9.1 points per game and led the Falcons in assists.

# TOUGH TIMES

Hitting a shooting slump in December is credited with crippling the Lady Falcons. Finishing with a 6-16 season record, Coach Ken Killebrew examined his program to find the weaknesses. "We need height and rebounding power, along with more aggressive, dedicated players." Whether these problems can be solved is unsure, but two things are certain. The Lady Falcons finished the season strong defeating Hopkinsville 43-39. This assured them of district runner-up and a bid to play in regionals. Additionally, only two team members were Seniors, so those returning should have plenty of game experience. Providing the leadership will be hopeful returnees Kelly Price, Kelsie Hill, Lesley Smith, Tiffini Lovelace, and Jennifer Cox. They are confident they can reverse the numerals in the won-lost columns.

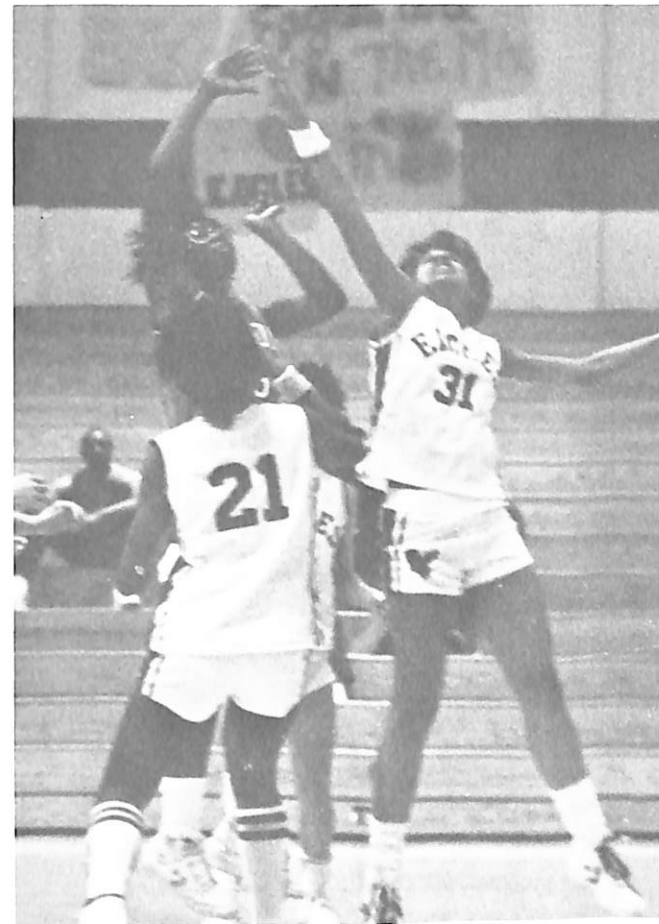

Top Seniors shown here in action are, Shon Isom, Regina Odom, and Yvette Trice.

Junior, Lesley Smith puts it up for two.

Leading the way in rebounds was Regina Odom who battles for position of the ball.

Seniors Regina Odom and Shon Isom have many fond memories of the years.

## Leading Lady Falcon

Leading the way for the Lady Falcons this year was captain Shon Isom. Shon, a senior, played basketball for four years at FCHS. Finishing the year with 196 points, Shon averaged 9.3 points per game. Shon's greatest attributes were good outside shooting and her good inside aggressive play. She has received numerous awards as All-County team, All-District team as well as All-Tournament team for the past two years. In this year's district tournament, Shon assisted the team in coming in second place in the District 8 at Hopkinsville High School. Shon is looking forward to perhaps a possible college basketball career and pursue her favorite sport for four more years.

# TOUGH AND TALENTED

## JV'ers Compile Striking Statistics

If team statistics reflect anything about potential, the Junior Varsity basketball team may be headed for superstardom! With a 7-4 season record, this group of young Lady Falcons laid a solid foundation for next year. Study these figures: average points per game — 33; leading scorer's points per game — 8; best free throw shooter's percentage — 55%! Remarkable! Kelsie Hill led the team in points, followed closely by Leporsha Nichols and Tiffini Lovelace. The high spirited Marilyn Johnson showed a lot of enthusiasm and also knew how to handle the ball.

Leporsha Nichols led the team in free throws. Coach Connie Jackson was a good strategist. She always remained calm during all games, but always studied the situation closely. In the game against Caldwell County High School, the Junior Lady Falcons pulled away with one of their best victories in a 34-33 against their opponent. Coach Jackson felt that this was one of their best games, because everyone contributed to another win. This year's team will be remembered for its sportsmanship and a touch of real class.

Anxiously waiting for the ball are varsity players: Leporsha Nichols and Regina Odom.

## CROSS COUNTRY COMES ALIVE IN 85

It was 8:00 in the morning on the 16th of July, the beginning of the season for the 1985 Cross Country Team. Not one person from the men's squad and only one person from the women's squad had had any previous experience running distance. No one but Coach Lange knew the potential of this young and inexperienced team. Only he knew how far they could go and when he told them this early in the season, they looked at him in disbelief.

This year's men's and women's squad was consistently led by senior Jeff Welch and junior Candy Reid.

Marshall County Invitational, the first of the year, showed that the Cross Country teams had come alive with a second place showing by both squads. This proved that the Falcons were a team to be reckoned with and earned them respect.

The men's squad finished the year with an 11-4 mark, with the losses coming to teams of higher class rankings. They were Calloway County, last year's Class AA State Champs, Madisonville, Dickson County, and Montgomery Bell Academy.

The women's squad finished the year with a perfect 13-0 mark as they soundly defeated their opponents during the regular season. They also ended up taking first twice at Invitationals during the year.

On October 26 one of the most important races of the year took place; the Regional Championship, which decides whether or not the squads earn a place at the State meet. The men's squad brought home the first Championship since 1982 while the women finished behind the eventual State Champs, Providence. Both teams had earned the right to compete in the State meet.

The State meet on November 2, at the beautiful Kentucky Horse Park, had two teams about to run the race of their life. The men finished 4th behind Dayton, Bishop Brossert and Trigg County. Finishing 11th, the women's squad was marred by the loss of their #1 runner, Candy Reid, a favorite to win the individual title.

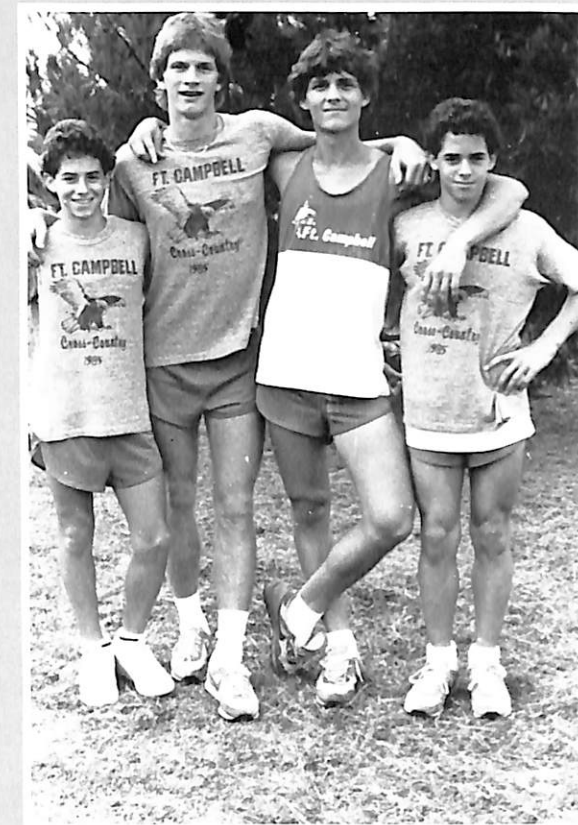

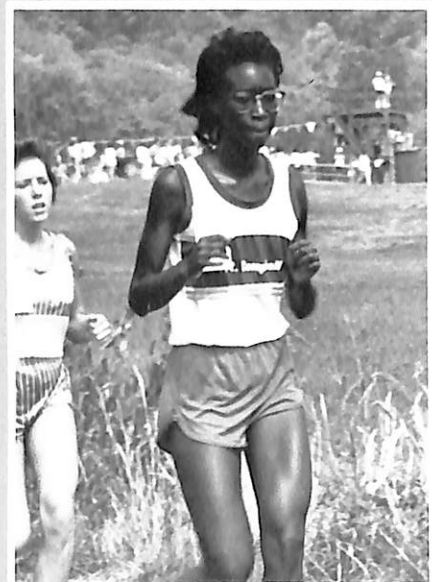

Coach Lange is proud of the way his team performed this year and is looking forward to next year. With the likes of Candy Reid, Jef and James Scott, you can consider the Falcons a team to be reckoned with again next year.

This year's superlatives for Cross Country were: Mr. and Miss Cross Country — Candy Reid and James DeLosh; Most Improved — Tiffany Welcome and James Scott.

## WRESTLING TO STATE

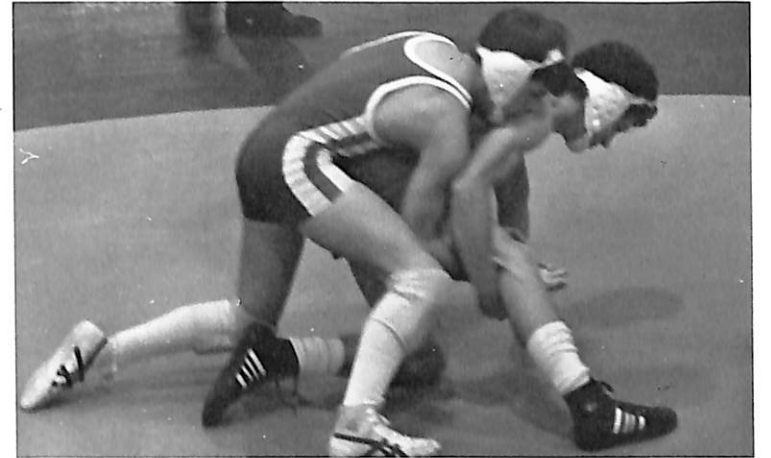

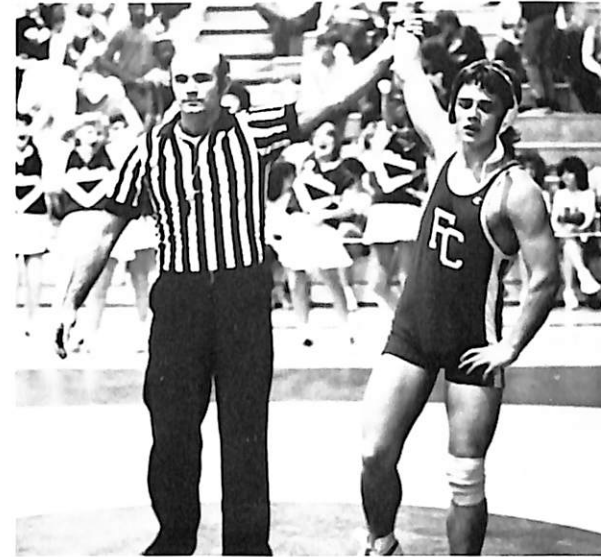

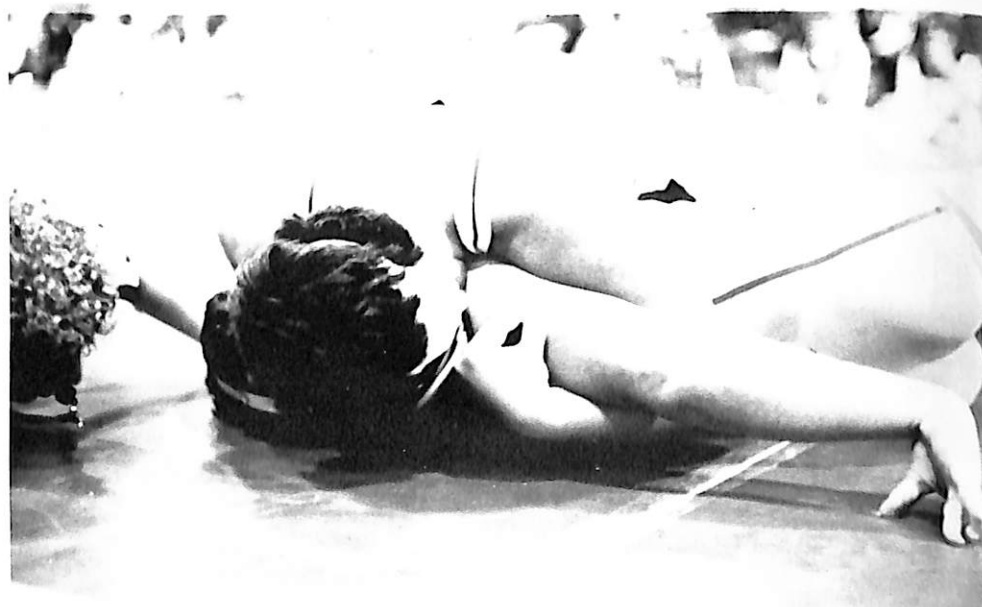

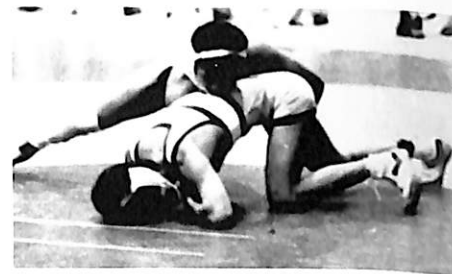

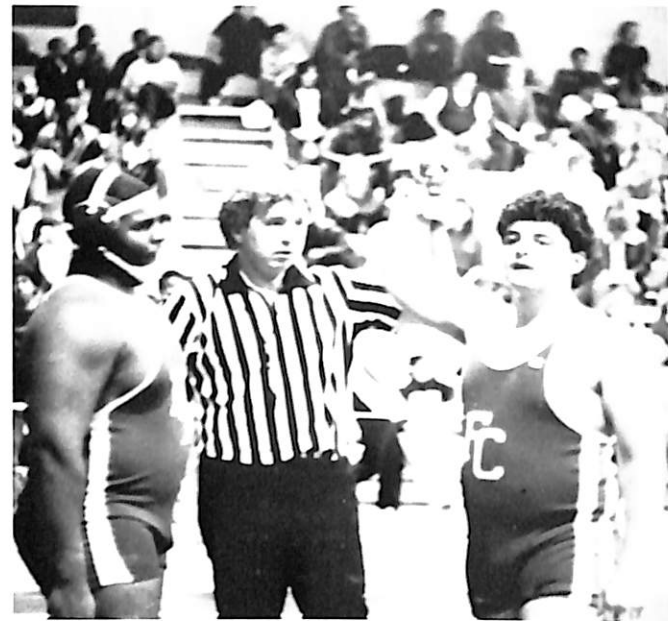

This year's Falcon wrestlers were faced with having only three returning lettermen and sixteen first year wrestlers. Showing unbelievable abilities by the end of the year, everyone had earned a medal in tournament competition.

After the District Tournament, there were six Falcon wrestlers who had advanced on to the Regional Tourney. They were: John Rowan (112), Ricky Thomas (126), Scott Foust (132), Thomas Elliott (138), Jim Bailie (145), and Rod Hardister (185).

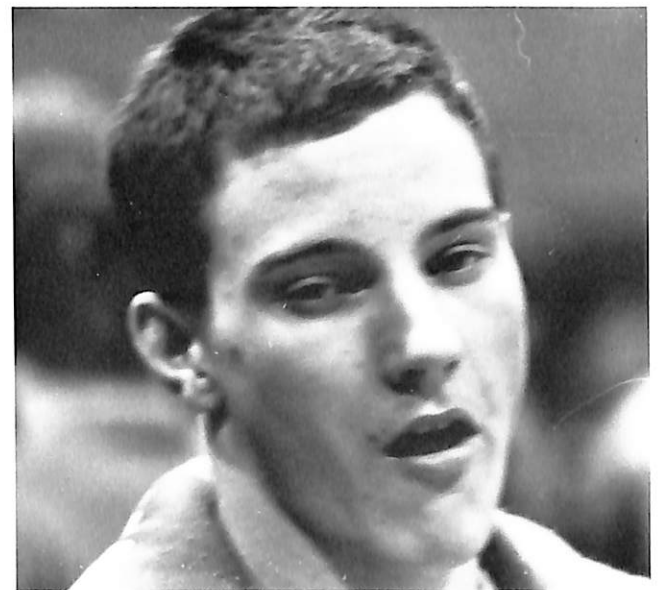

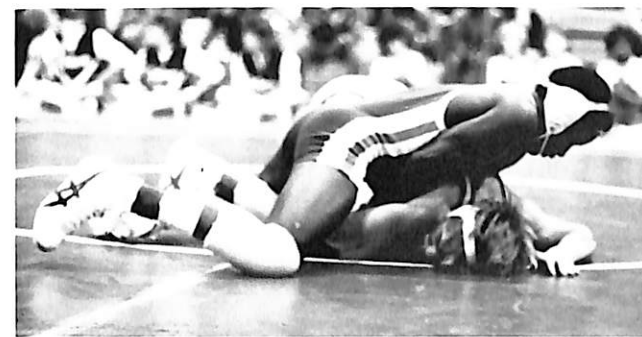

Advancing to the Semi-State Tourney were Tom-Tom, Ricky, Jim, and Scott. At the Semi-State Tourney, Ricky and Jim placed fourth while Scott placed third. At State Jim Bailie placed third at 145.

Falcon VS. Falcon?

Control yourself Jim!!

## CHEERLEADING 85-86

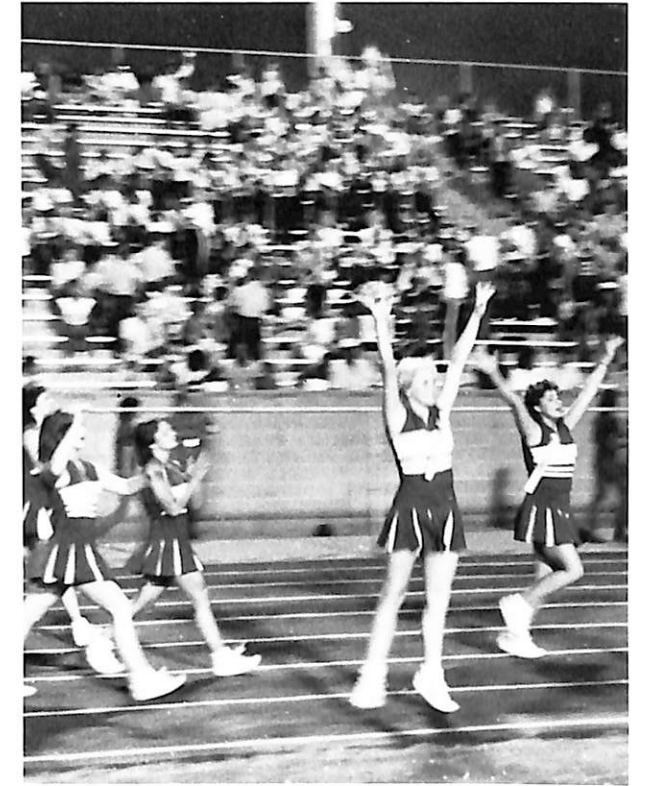

This year's FCHS cheerleaders showed great spirit and enthusiasm as they cheered on the Falcon athletes. The fall football cheerleaders gave up half of their summer to cheerleading camp and endless hours of practice, performing routines for the football players during day-camp and being able to cope with the pressures that come with a 2-8 record. The basketball cheerleaders were in front as they led the falcon basketball spirit and pride in some thriller victories and heartbreaking defeats. The Falcon matmaids devoted their Saturdays to all-day wrestling tournaments and did their best to encourage our spectators and our wrestling team.

# FALCONS FLY TO REGIONALS

After a mediocre 9-10 record in 1984, the 1985 Falcon baseball team did not foresee a birth in a regional tournament. However, their visions quickly changed.

With the motivation of a 4-0 record the first week of the season, Fort Campbell went from an average team to a respectable contender for the district championship. The Falcons finished the remainder of the regular season, including the Northwest Tournament during spring break, with a mark of 7-8-1, with four of those losses coming only by two runs or less.

The first game of the district tournament pitted the Falcons against host school Christian County. Newcomer pitcher Joe Dalessio shut out the Colonels on twelve strikeouts as Fort Campbell breezed to a 3-0 victory. This qualified them for at least a district runner-up honor and a spot in the first round of the regional baseball tournament. Game two was a different story. With ace Dalessio throwing for the second straight day, the quiet Falcon bats could produce no offense to support him, managing only one hit in a 4-2 loss to the Hopkinsville Tigers.

The next stop for the Falcons was Murray State University, site of the regional baseball tournament. They faced Calloway County in the opening game. Nothing seemed to go Fort Campbell's way as the hot hitting Lakers forced the Falcons to use four different pitchers and commit multiple errors. When the final out was made, the scoreboard read Calloway County 20, Fort Campbell 7. The Falcons exited the tournament and ended the season with a 12-10-1 record.

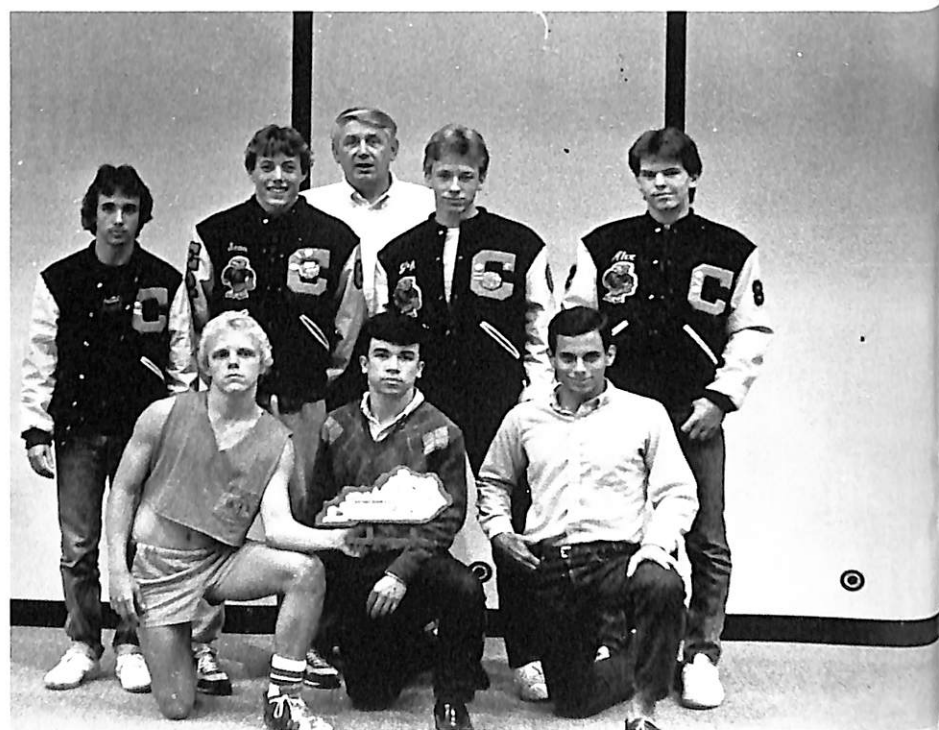

The leading hitter for the Falcons was third baseman Mike Caver, who hit .328, slammed 7 homers, and drove in 21 runs, all team highs. John Dalessio and Mike Suddoth followed with a .279 average, with Dalessio stealing a team high 13 bases.

Leading the Falcons on the mound was southpaw Joe Dalessio. He had a 5-4 record with an ERA of 2.11. He also fanned a staff high 66 opposing batters. Jeff Hillard followed with a 4-2 record and an ERA of 5.62.

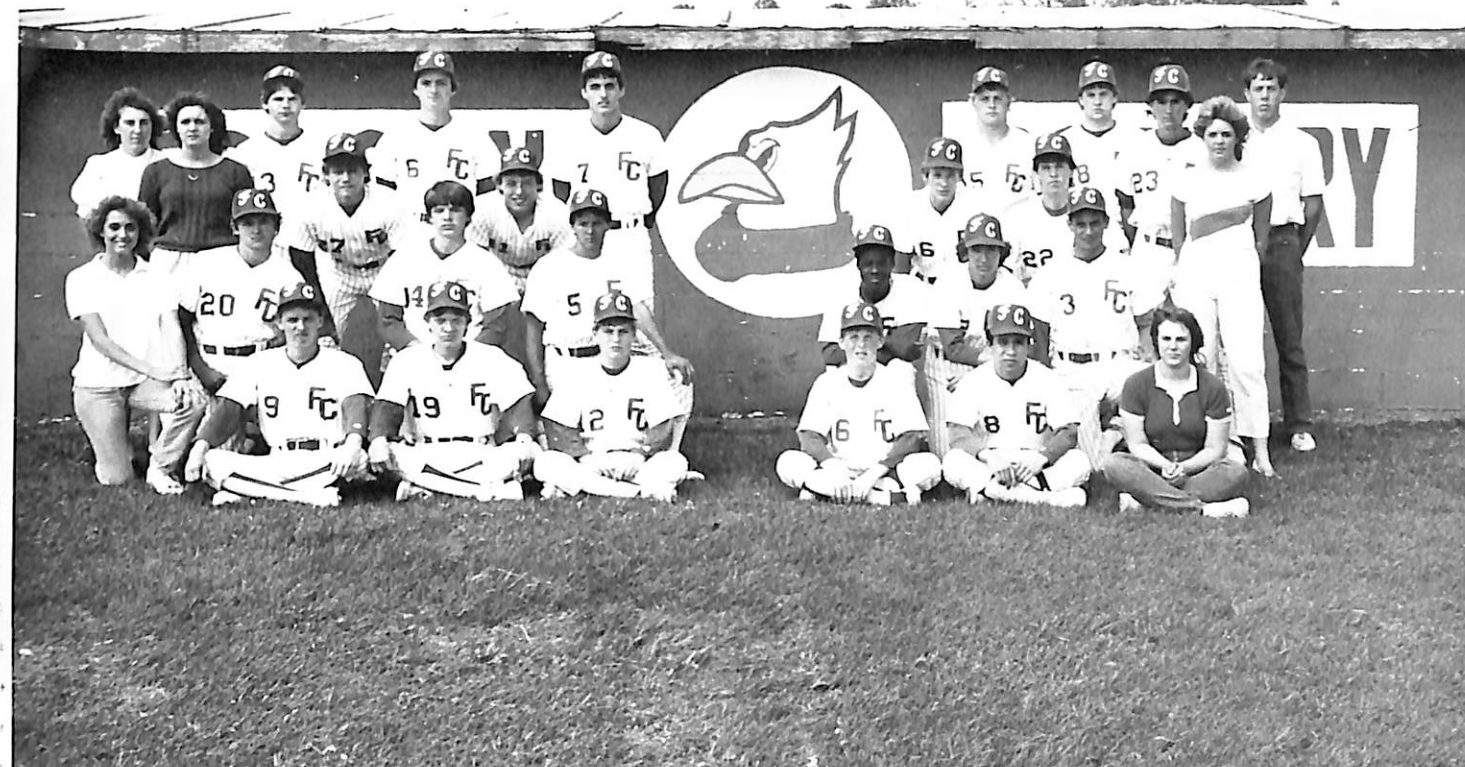

Coach Morgan visits the mound.

The 1985 Track team had a good season and they were undefeated in their dual meets (11-0). Both 400 meter relay teams took state. The men's relay team were as follows: Henry Allen, Harold Washington, Terry Moss, and Carnell Walker. Henry Allen set two new school records in the long jump and the 100 meter dash. The women's 400 relay team was Yvette Trice, Gail Daniels, Stephanie Gatewood, and Marlo McLemore.

TRACKSTERS

# FAULTS AND VOLLEYS

Inexperience has been the major factor as a result of the boys tennis record. The boys were winless after thirteen matches.

The major factor due to the Falcon boys record was to #1 seed John Fleckenstein. With an injury to his hand, John missed some critical regular season matches. Nevertheless, other results plagued the team due to the losses as well. Inexperience in competition was the main cause of the boys winless season.

The Lady Falcons tennis team dominated in tennis this season. With an 11-2 record heading toward Regional competition, the girls felt optimistic in taking the Regional title.

The girls had four returnees on their team: #1 Susan Sanders, #2 Lorri Wilson, #3 Leigh Clark, and #6 Katie Bolt. The other three members were: #4 Laura Murdoch, #5 Jennifer Cox, and #7 Lisa Ogle. By looking at their individual season records, you can understand why they were the best at their game.

Upper Left — Coach McDougle stands proud with winning girls team. Middle left — Lori Wilson with a smashing volley. Lower left — Lori Wilson and Susan Sanders relax after a hard practice. Above — The team looks down as Coach McDougle says "Back to practice, folks." Next page — Bobby looking confused after a tough break. Upper Right — Pat looks enthused about his up coming match.

# FALCONS TEE-OFF

The boys and girls golf teams were plagued with tough competition throughout the season. Coach Davis felt that this was a promising benefit to the team, not only then, but in the future as well.

The big awesome foursome of the boys team was led by: Captain Jim Crysel, Eric Leonetti, William Norris, and Scott

Foust. The boys team standing resulted in a 3-9 slate. The girls team somewhat lacked in girls on the team the past few years. Consequently, this was the result of the girls standing as they finished their season with a 4-10 record. The girls team consisted of: Kim Thompson, Jackie Neslage, and Lara Kutter.
