MILLENNIUM

FALCON
Turn Of The Mill

The class of 1962 was the first class to graduate from Ft. Campbell High School.

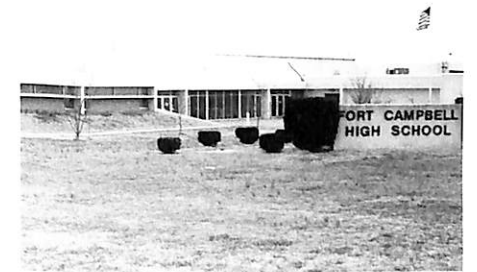

Fort Campbell High School
1101 Bastogne Ave.
Fort Campbell, KY 42223
vol. XXXVII

FCHS, From 1962-1968
presently Wassom Middle

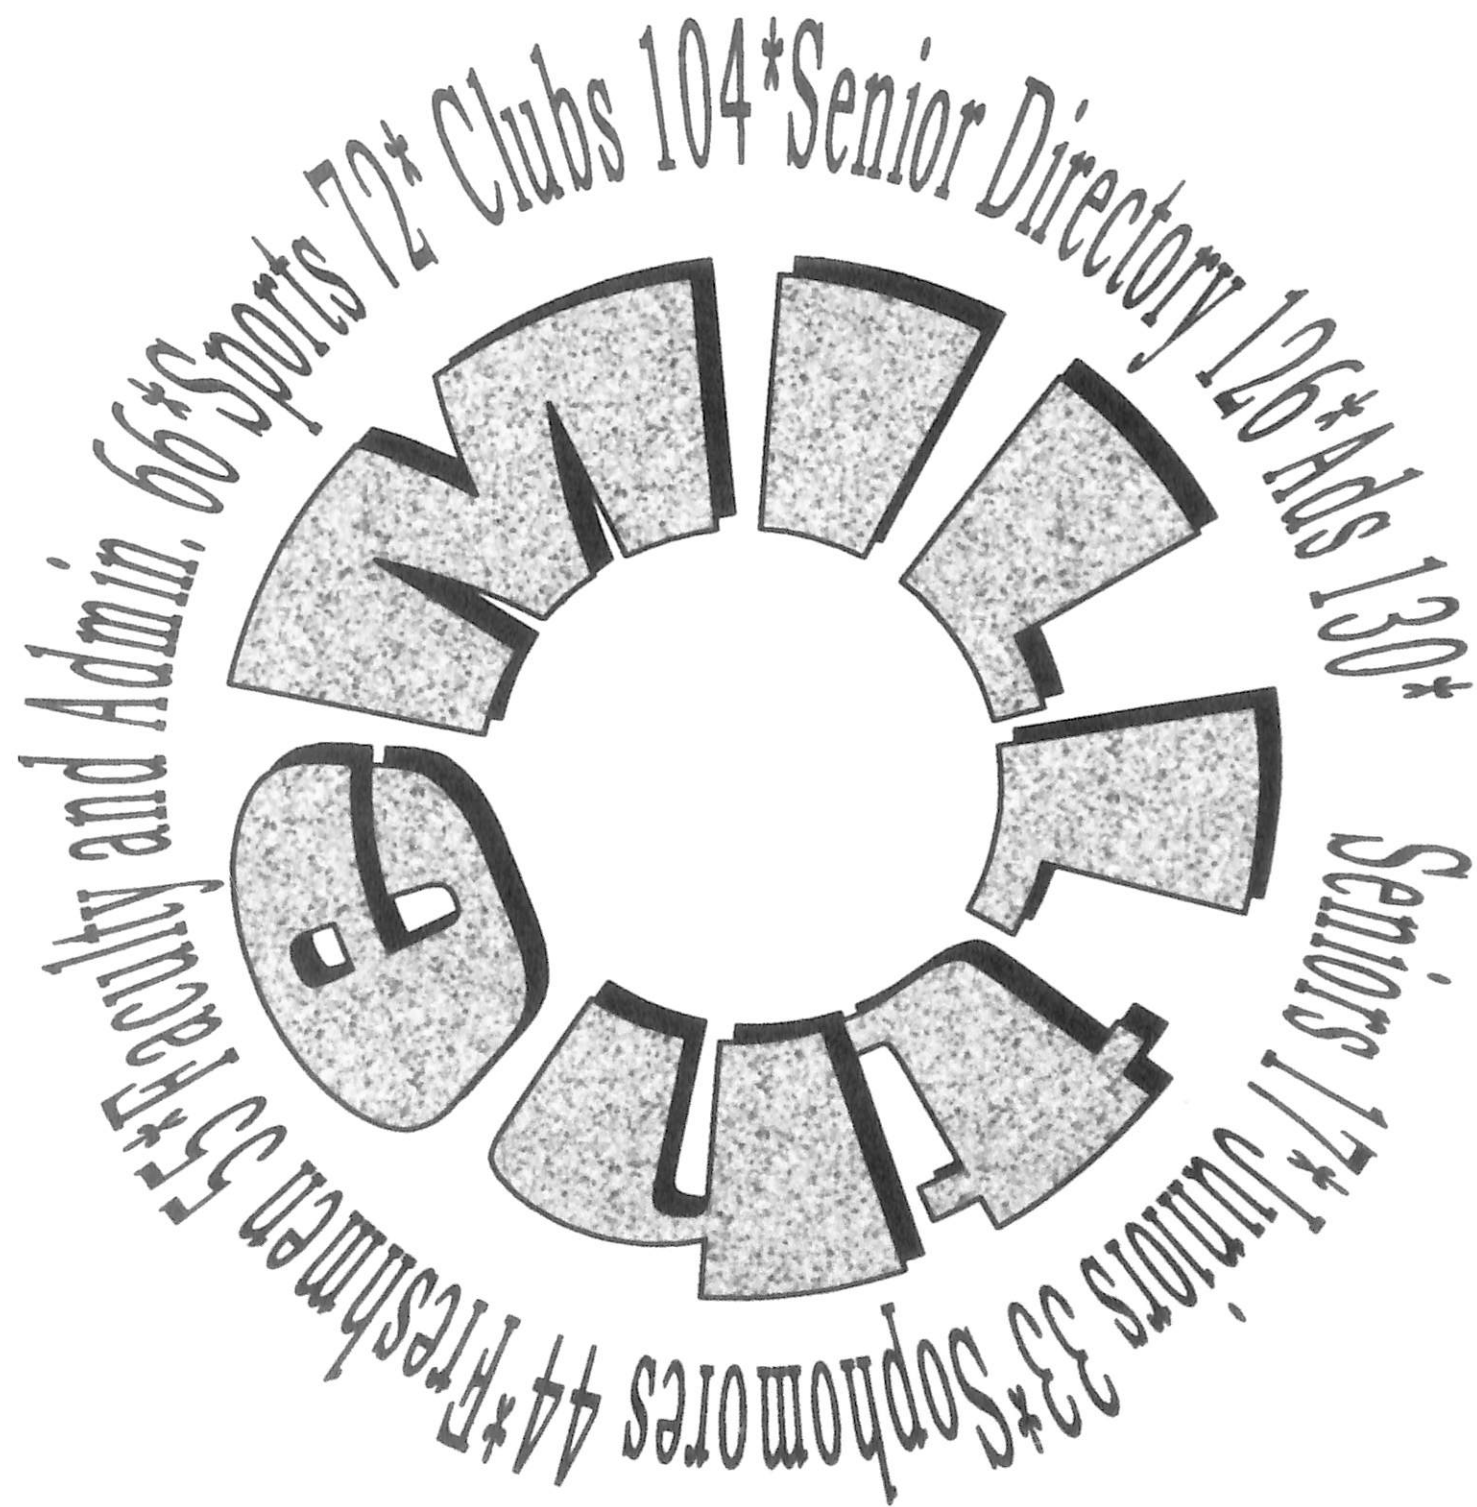

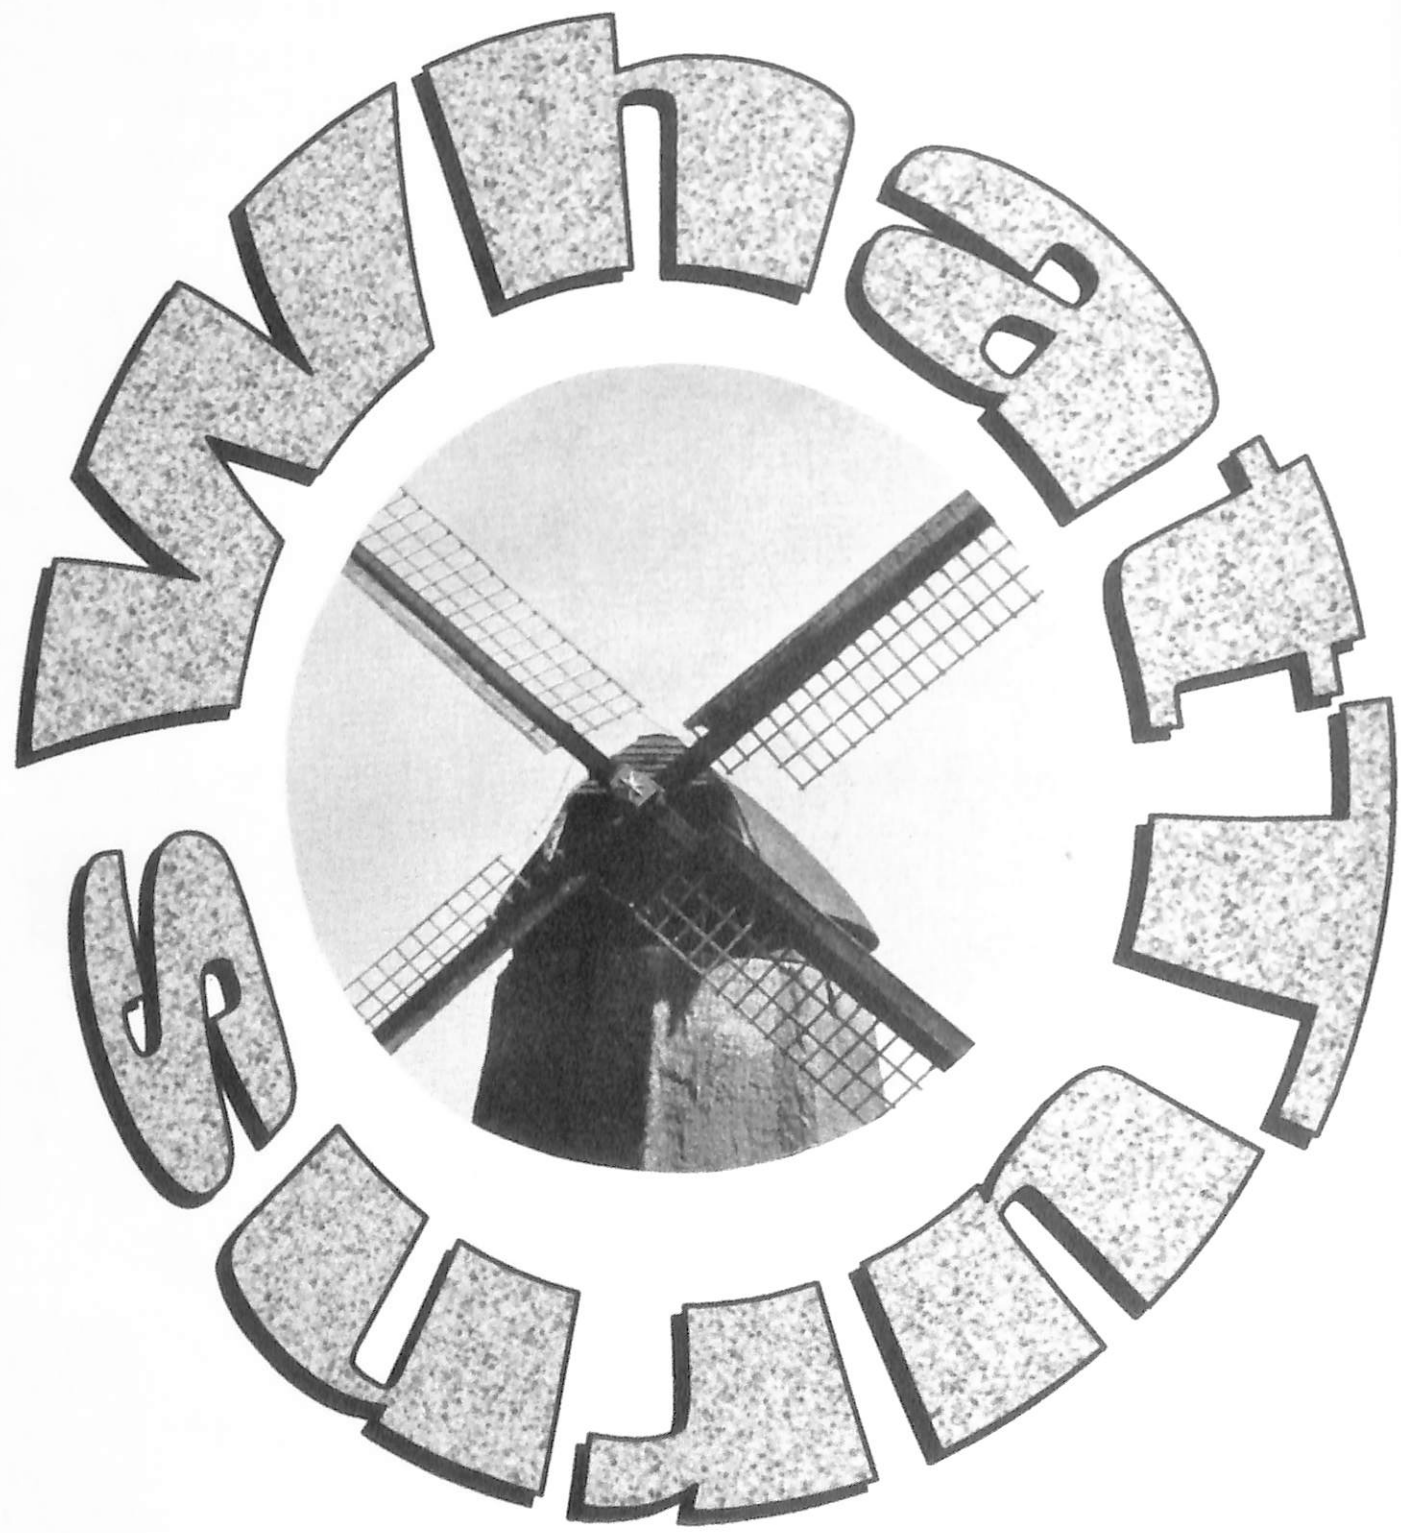

From 1969-1984
presently Mahaffey Middle

From 1985-present

The class of 2000
is the first class of
the 21st century!

Back In TIME...

As the mill has turned through...The 1999-2000 school year, we look back on where it all began...Just as any other but, yet, not quite. Students were greeted with many changes, some of which made everyone a little nuts. In August, when students received their schedules, they were introduced to the new dress code. An attempt to increase the security and the over all well being of over school had an attendance to drive students a little crazy as they struggled to get used to it. Many could agree that the dress code has been the main focus of the school year. Instead of concentrating on the education and the needs of the students, the school has put its focus on whether or not the students' shirt is tucked in.

Nearly one month after school started, the theme "Turn Back the Hands of Time," friends, family, first loves, and throughout their lives. It has been question," quoted by in the future instead of in the that life has to offer.

Athletic teams put 2000 season. Boy's soccer the Girl's kept their flame to and Girl's Soccer ended their Girls cross-country team 9th in the state, while the Boy's Regions. For two straight years upset of no wins until the last millennium with a bang with their FALCON!!!

Building on past years, clubs students with a new way to express themselves or students took on starting Ft. Campbell High School's very own magazine, which discussed the Arts of FCHS. In late January, early February, Mrs. DePriest and her art classes took on a challenging but rewarding project called Outside the Box, where students designed and built art projects for the visually impaired.

Sometimes it was something new and different, new and odd and sometimes it was something that just drove students crazy. The year began like any other, but it was the students that make it different. The ways in which they looked at and reacted to the world around them changed everything, proving that FCHS is anything but normal. Get over it. The turn of the mill has come and gone...Get over it. Instead of focussing on the past, focus on the future and where God is going to lead you. God bless and welcome to the year 2000!!!

As the Turn of the Mill has come and gone, friends, family, first loves, on the memories shared with people who have made an imprint in their hearts, students look back.

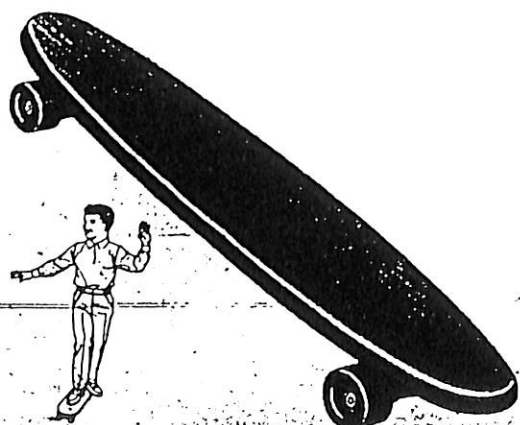

by Sara Verbel

the traditional Homecoming ceremonies took place. Time," made a lot of people think about their many more memories that have been created said, "To be or not to be, that is the Shakespeare. Many people live their lives moment, and they miss out on so much

up a hard fight throughout the 1999-made it all the way to Sectionals, while the 1st round of Regions. Both Boy's season as District Champions. School calendar highlight

By Mark Weston... Students will get their first holiday from school this Monday in observance of Labor Day. Their next holiday will be Oct. 31, Halloween. Students will be out of school during parent-teacher conferences to be held Oct. 31 and Nov. 1 for grades kindergarten through 12. Students will get out of classes that day for Veterans Day and will enjoy a two-day Thanksgiving holiday Nov. 22-23.

37 Years of YEARBOOKS

The Class of 1963 was the first class to graduate at Fort Campbell High School, and probably the smallest with only 30 in the class. Back then the high school had 7th and 8th grade as well.

FALCON 1963

In 1979 things were definitely different than the 60s. For one the school was now located at what is now Mahaffey Middle School. The graduating class was much larger compared to earlier years.

The class of 1986 was the first class to graduate at this present location. Of course, once again the obvious things changed: fashion, music, etc. School spirit seemed at high point as well.

The class of 1999 was the last class to graduate in the 20th Century. Many things changed with this class, including drastic dress code changes, classes lost, and a new principal gained!

This year's Dedication goes to...

As a token of our sincere appreciation for her great service for the past twenty years, we proudly dedicate the 1999-2000 yearbook to Ms. Mary Tutt, who has given her time and knowledge so generously to do what she does best...teach.

Through extensive research and secretly polling the school, we were able to narrow our choices down to one...Ms. Tutt. From the responses we were given, we decided that she was one of the most over-looked teachers and deserved to be recognized. With this information we went on to create a dedication that best showed her dedication to the school and her students.

By gathering pictures from old yearbooks and kind words from her peers and students we were able to show just how much Ms. Tutt means to this school. Here's to you for your wonderful work and we hope that you will be here to teach and inspire students at Fort Campbell High School for years to come.

Ms. Tutt

"She's an awesome teacher, I look forward to going to her class everyday. I wish I had her all my years of math."

-Kelly Patrick

"She really cares about the students and their grades."

-Bear Smith

"She's down to earth. She always made sure you understood."

-Shawnte George

"Always in a good mood, trys hard so everyone can pass the class, and always wants the best for her students."

-Mandy Duncan

"I love her! She always had matching earrings, necklace, and pen. That's what I remember most."

-Racheal Bozeman

"She's the best teacher I've had."

-Pascal Johnson

"I have always respected Ms. Tutt as a teacher, as long as I have taught at Fort Campbell High. She always puts the student's education at the top of her priority list."

-Ray Gilbert

"She's a great teacher and I will always remember her."

-Stephanie Smith

"Wonderful person caring person, excellent teacher."

-Mrs. Briant

"Excellent math teacher good with students, and does a great job."

-Ms. Allensworth

"She's a dedicated professional who takes her job seriously and does and excellent job."

-Roy Medlock

"Dedicated, actively involved, and a good friend."

-Ms. Chaney

Number Ten
Stephanie Smith

There are so many people I would like to thank, but the most important people I want to thank are my mom and dad and God. Without them, my life would be worthless. I hope I can make them proud of me. Thank you for everything and I love you all. To my sister, Amanda, I know we don't always see eye to eye, but I still love ya kid. To all my friends, being with you everyday has brightened my days. Without you all there, I could not have made it. To my teachers, I would like to thank you all for teaching me so many valuable lessons. You didn't just teach me book knowledge, but knowledge I will use in my everyday life. I would like to leave everyone with a thought: *"Reach for the stars; but if you fall, you'll always land in the clouds."*

There is a quote "If I have seen further, it is by standing on the shoulder of giants." Many "giants" have contributed to my success these past four years. GOD has played a major role in giving me strength and keeping me focused on the 'right' path; without Him, I would have taken quite a few 'detours' and would not be where I am today. Mother and Father thanks for your unconditional love and the support that you have bestowed upon me. I know I have not been the easiest person to raise but I commend you for sticking by me no matter what. Ricky I respect you more than I do any other person that I have ever met. You are such a wonderful person. I envy your passion and strength. I used to hate living in your shadow because there was no competition, I could never win but now I realize that I wish I could be more like you. Ms. Ladd you have been more than just a teacher in a classroom, you have been an inspiration on life. You are truly the epitome of GOOD PEOPLE. Jennifer Mansito... I don't even know where to begin... Who would have ever thought that the two of us would become best friends? But we did and I thank God because you have helped me through a lot of things. We have made so many memories and entertained so many people... and isn't it scary how it has gotten to the point where we can finish each others sentences and read each others thoughts? What else can I say but...I love you...you...complete... me... Jason Smith you will never know how much I care about you or how much I am going to miss you when I leave. You are the nicest guy that I ever met and I am glad that we got the chance to really get to know one another. I hope that you will cherish all the memories we have made as much as I will. I love you. Lauren Ames, thank you so very much for my 'special' birthday cake. You have definitely made this school year more interesting for me... all the signs and gestures in calculus... I will never forget them. I would also like to say thank you to all the people that have helped to make this a great year.

Number Eight
Michelle Montcalm

Number Nine
Dennis Wallace

First, I would like to thank my mom and dad for keeping me on track. Without your support this wouldn't have been possible. Megan, I thank you for all your help and support. And Finally my teachers and coaches, you guys have given me so much knowledge and values; I will never forget you all.

In the future I plan to attend Michigan State University with a major in Computer Engineering.

I leave you with a little advise from the philosopher Ralph Waldo Emerson:

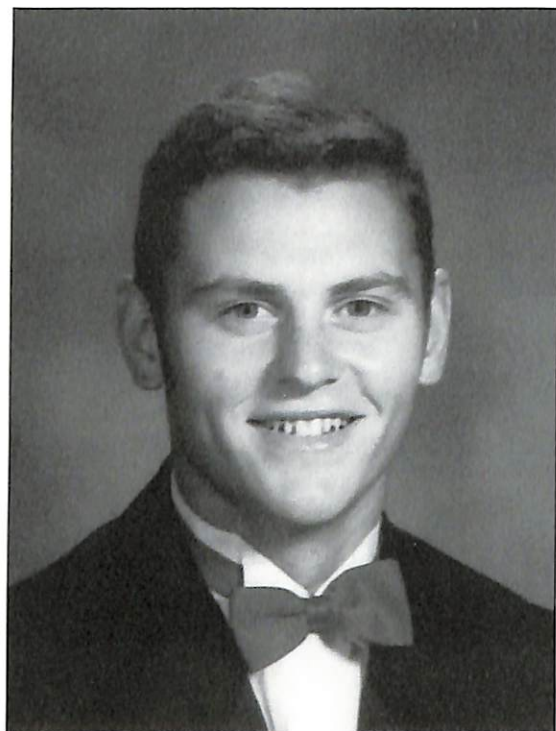

"To Laugh often and much; to win the respect of intelligent people and the affection of children; to earn appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded."

Number Seven
Selena Melendez

First and foremost, I would like to thank God for making me the person I am today. Without his help I would be nothing. Thanks to my mom and siblings for being the weird, yet loving family you are. Special thanks to Senora Carver and Ms. Ladd for always pushing me to be a better person. Thanks to all my friends past and present. To my special friends, Jarrett, Jesse, and Steve, thanks for making my high school years memorable. Last, but not least, much thanks to Jonathan for motivating me, giving me confidence, opening me up to new experiences, and always being there for me through thick and thin. I love you all.

After graduation I plan to enjoy my summer to the fullest. In the fall I'll continue on my education at the University of Kentucky to major in the field of Psychology. To the returning students of FCHS-you can have a good time and get good grades. I'm a living example.

Number Six
Pascal Johnson

First I'd like to thank my parents. They have definitely been the most influential people in my life. They have always been there helping me through what seems to be the most stressful times of my life. No doubt I could not have had this much fun without my friends. Special thanks to Matt Tripodi, Chris Dishong, Jason Wong, and all those who really got to know me. I'd also like to thank all the new people and friends I've met along the way. I'd like to thank all the teachers that have gotten me here especially Frau Loucks. All my coaches that have taught me how to act on and off the playing field. To those not mentioned and you know who you are. Thanks!!!

After high school I plan to attend the United State Military Academy in West Point, New York. There I plan to continue my success and major in mechanical engineering.

Remember this: *The things you will regret most in life are the things you did not do.*

Number Five
April Wells

First and foremost I would like to thank God for richly blessing and guiding me throughout these years. He has given me so much to be thankful for and without him I would have never made it this far. He blessed me with an extraordinary mom. Mom, thank you for never ceasing to believe in me and for always making your job as a mom first priority. I love you more than words can tell. I thank my parents for motivating me to try my hardest, which is an essential key to success in life. Many times you will feel like quitting when all it takes is one more go at it. My younger siblings, Adam and Aimee, I love you two. Your unfailing confidence in me has been an encouragement many times.

For the past four years, my days have been spent in the halls of Ft. Campbell High. It is people inside who have made this place one of fond memories that will bring a smile to my face years from now. I must thank my teachers who have strove daily to make a difference in young people's lives. They certainly succeeded in mine. Thank you Dr. Stewart for always believing in me. I appreciate my friends' support, love and smiles... also their ability to make life so interesting and entertaining. To my best friend Willie, I thank you for always being there for me. I'll never forget you.

My college years will be spent at Methodist College or UNC at Chapel Hill. I hope to become a kindergarten teacher and spend my life encouraging, directing and enriching the minds of our future generations.

I find the greatest thing in the world not so much where we stand, as in what direction we are moving. To reach this port of heaven, we must sail sometimes with the winds, and sometimes against it but we sail, and not drift, not live at anchor.

-Oliver Wendell Holmes

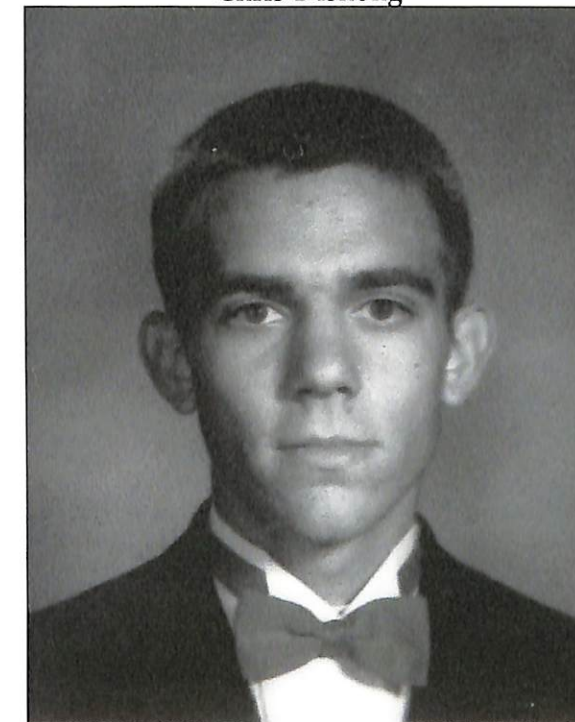

Number Four
Tressie Turner

The world would like to change you:
there are pressures all around,
You must decide just who you are,
the firmly hold you ground,
You have a image of yourself,
And ideal sense of you:
And this vision you must be true.
You know what you are good at,
And you know where talents lie;
But if you're ruled by others,
Your uniqueness could pass by.
Remember there is much to learn;
But all new things aren't good.
Wisdom lies in what you've learned
And what you have withstood.
So, be yourself and don't allow
The world to take control.
Preserving you identity
Is life's most precious goal.
-Bruce B. Wilmer

I would like to give appreciation to my family for believing in me, giving me the strength to exceed my goals, and teaching me to never settle for less. I would like to acknowledge my friends for being there in my times of need, and my teachers who helped me gain the knowledge to excel. With this wisdom and validity I've accumulated, I will be attending school to major in medicine and receive a minor in Spanish.

Tressie Shekinas Turner

Number Three
Chris Dishong

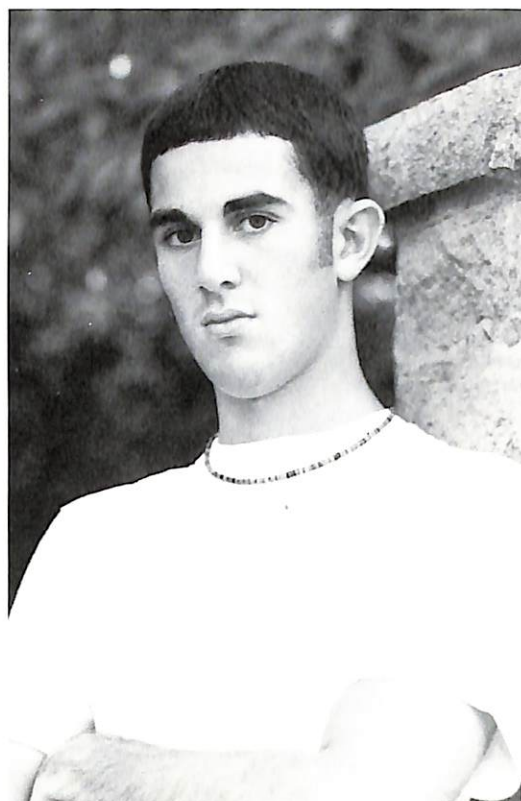

The last four years of my life have contained drastic changes in both my personality as well as my education. I have grown from young boy of 14 years to a young man of 18 and I owe appreciation to many people for making me the person I am today.

My family has most definitely, created the greatest impact on my life. My parents, with their undying love, have shown me the path to success and never let me stray far from it with their love and support, along with my sisters', I have been given the chance to rise to my greatest potential, in high school and in my future at West Point. I can only hope I make them a proud as I feel to be part of their family.

Next, I would have to speak of my friends. They have given me the chance to put trust into people and to receive true friendship in return. I thank you all for being you.

Last but not least, my teachers at Fort Campbell High deserve to be recognized. They have expanded my mind far beyond what I believed possible and they have given me the chance to mature into the man I am today. Some have been closer than others, but each has made an important impact on my life-- never to be forgotten.

Salutatorian
Matt Tripodi

High School--Four Years...it's over. I've done well in school and I thank everyone who contributed to that, but when I look back I won't remember what happened inside the classroom walls. I will remember the times I had out of school--I'd like to thank my friends for making it fun. We had a great time whether you know or not. I thank my brother for enduring 18 years of me--I don't know how you did it. Ms. Ladd you've been a great teacher and friend. Last but not least, Ma: You've been the best mom anyone could ask for--thank you, I appreciate everything you have done for me. To everyone else, thank you too. I've learned more about myself here than I will ever learn about math or science. Now it's on to college where we are free to...

Valedictorian
Megan Ryan

I've learned a lot about life during high school, and I've come up with a metaphor. Life is like watching the fishing channel. You don't really want to be watching it, but you can't stop until you see him catch a fish. But after he catches one, you keep waiting for a bigger one...and a bigger one...what a vicious cycle.

Well anyway, between Catholic school and Ft. Campbell, I've met some diverse folks in MI: MC, Sarah, Dominic, and Kane (yes, even Kane). You've all had a big part in who I am today. (Not to mention everyone else from CAZ.) At FC: Of course Dennis, (I love you, Ticonderoga) April, and Jennie. You guys were always there when I needed you! I love you all. Two words: Matt and GSP. Jennifer, thanks for listening. S.H.A.R.E. Eric, I love you too. I'm sorry we had differences. Nick, never forget "car rides" or that "I feed him cat food and MEAT." You have always made me laugh.. Heather, Ma vie serait tres ennuyeuse sans toi! Tu es mon vrai chien. Everyone has become a part of me and I'll never forget you guys.

After high school, I'm going to be a Spartan at Michigan State University, and I'm majoring in telecommunications. Someday, I hope to be a television director/ producer.... or something else EXTREME. Que sera sera.

This page is dedicated to the seniors who have been here since the beginning of their freshman year. The friends we've made have come and gone, but through it all we've managed to find our sense of identity. We've spent our worst and best times here. We will cherish the memories of FCHS. Congratulations to the class of 2000!!!

Anything worth doing is worth doing well. (Live life to its fullest !) -
Sarah Fuchs

Party like there is no tomorrow.
Vanessa Bennett

Everyone dies, not everyone really lives.
Mike Y.

Mondays are an awful way to waste one-sevenths of your life.- Matt Tripodi

We Came, We Saw, Some of us graduated!
Star S.

Anything worth having is worth waiting for.
April Wells

First impressions are a shallow man's compass.
Jennifer T.

Always get the job done.
Shariff L.

The true treasures in life are your family and friends seek them and enjoy their riches.-
Shawnte' George

Only a great passion can elevate the human soul to achieve great things.
Denise Burnham

Bad company corrupts good character.
Alysha Zinser

Don't take it as a loss take it as a lesson
Krystal F.

It's better to live a thousand times than to die once. Eric I

I will never change I will still be the man.
Roosevelt R.

The things you regret most in life are the things you didn't try. P.J. Johnson

This year's cheerleaders returned to FCHS determined to make it an action-pack, spirit filled year. The girls attended Western Kentucky University's cheerleader camp where they achieved many goals. They were awarded The Most Improved and Most Superior squad awards. Xzavia Spivey and Jessica Wiedemann also made the All-Star Team at camp. This year's squad was also invited to cheer at the Citrus Bowl.

"We didn't have any superstars, just a bunch of good players."

-Coach Bill Boyd

The 1999-2000 boys soccer team started their season in the hot summer during the month of July. The team was expected to overcome the reputation and success of last years team. They came back with twelve seniors, and eight returning starters. The team also had some fresh, new talent that came along to join the team. The beginning of the season was a little bumpy but after everyone learned their roles the season began to run smoothly. The team suffered two loses in the middle of the season, but they kept their heads up and finished the regular season with out any loses.

The post season of the boys soccer team was phenomenal. They swept by Christian Co. 9-0 in first round play of districts. The district championship was a close one, but the Falcons came out victorious against the Hopkinsville Tigers in overtime. The Falcons beat the Caldwell Co. Tigers 4-0 in first round Region playoffs. The Falcons defeated the Lyon Co. Lions 3-0 in the Regional Championship. Next on the list was Calloway Co. Despite their defeat in the regular season, the Falcons squeezed by a penalty kick in the last two minutes of overtime. Unfortunately, the State run came to a halt. The Falcons lost at home to Owensboro (5-1). The last two years have a combined record of 41-4-1 which is outstanding.

COUNTRY

Front Left: Jason Gosz, Tony Perez, John Langley, Chris Verbel

Back Left: Matthew Palendech, Nathaniel Williams, Daniel Keefe, Lucas Ortiz, David Moxley

Front Left: Rebecca Shultz, Jennapher Lingo, Rebecca Hoogland

Top Left: Sarah Palendech, Denise Burnham

This year's girl's Cross Country Team was very successful. They are the regional champions, and at the state competitions in Lexington they recieved 9th out of 20 teams in Class AA! Showing Fort Campbell proud, the accomplished girls have brought home countless medals. Next year's cross country team is expected to be as competitive as this year's. Congratulations girls!

This year's boy's Cross Country Team was very successful. Out of their many accomplishments the boy's Varsity team was named "Best of The West" (where they placed 2nd): Tony Perez, Nathaniel Williams, Dan Keefe (19th place), Jon Langley (22nd place), Jason Gosz (25th place), Matthew Palendech (39th place). In regionals, the boy's team placed 7th overall. (Jason Gosz, 50th; Daniel Keefe, 42nd; Jonathan Langley, 40th; Tony Perez, 29th; Nathaniel Williams, 25th)

Superlatives:

Most Dedicated: Jason Gosz

Most Focused: Nathaniel Williams

Most Improved: Matthew Palendech

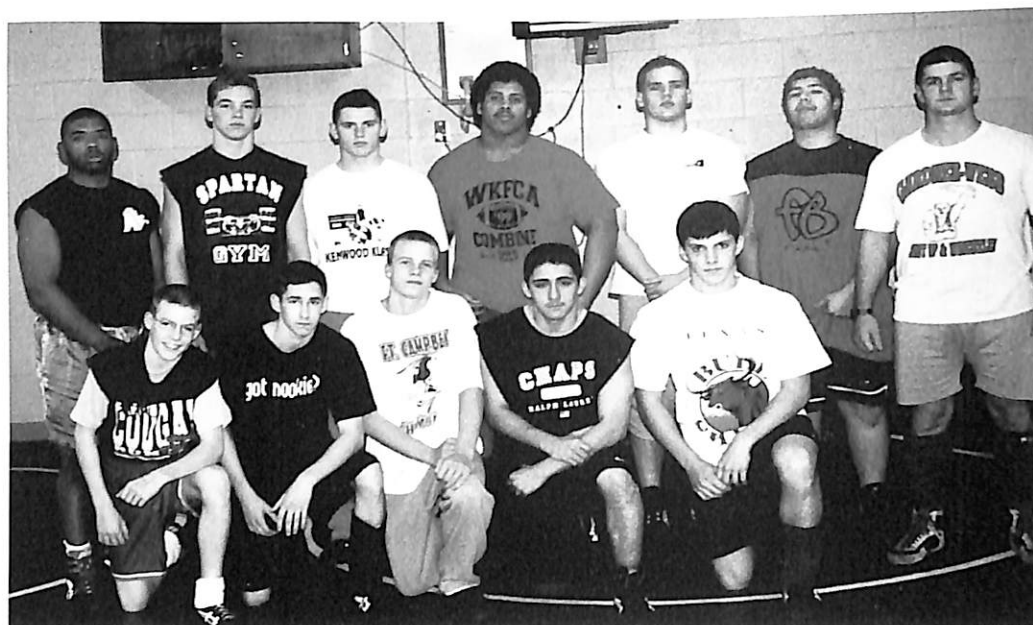

Motivator: Jon Langley

Most Valuable Runner: Tony Perez

Mrs. Lydia Schoonover

The FCHS Honor Choir is open to students by audition only. The students who are selected for the Choir rehearse every day during 4th period. The Choir performs several Christmas concerts, a Spring Concert, and at the FCHS Graduation ceremony, in addition to other "by invitation" concerts that people or organizations invite them to. Several students also are selected to the Tennessee All-State and All-Mid-State Choirs, and spend time rehearsing and performing with those ensembles.

Concert Band

Back row: Stephanie Smith, Chris Elliott, Zack Bowling, Bryan Young, Josh Loomis. Second row: Adam Garcia, Aaron Hedges, Kenneth Puryear, Raul Camacho, Jenna Joyce, Miriam Torres, Rebekah Carmichael, Ryan Barnes, Steven Young. Looking a little sea sick huh?

The Drama Club in action.

So far Ft. Campbell High School's Drama club has performed The Tempest written by William Shakespeare. They also have improv and movie nights. This year's Drama club is a creative and dedicated group.

4-H CLUB

L to R: Front Row- Meg Ryan, Rachel Gouge, Heather Nutter w/ Nabu the 4-H Mascot, Lauren Ames. Second Row- Christine Langston, Nikki Doran, Forrest Briggs, Norgie Rivera, Eric Ives, Melissa Russell, J.J Jackson, Matt Tripodi. Third Row- Dwight Williams.

The mission of 4-H is to help young people become self-directing, productive, and contributing members of society. Our chapter participates in various community service activities such as: working with the patients at Vanderbilt's Children Hospital, participating in the "On Wings of Love" ceremony and the Big Brother and Big Sister Program. The members of 4-H also assist in the organization of Farm Day, which helps to expose people to the rural living and the various aspects of farm life.

Key Club

(Standing) Yolanda Torres, Sarah Verbel, Matt Tripodi, Jason Wong, Melissa Hermoso
(Kneeling) Crystal Sifers, Rebekah Carmichael

Key Club is an international high school organization with more than 125,000 members dedicated to service and sponsored around the world by Kiwanis International, a community service organization for business and professional adults. Because of the close relationship between the two organizations, Key Clubbers and the members enjoy close cooperation that benefits their well as themselves.

"Through our ability to contribute to the development of our community and at the same time, we learn about our community and how we can improve it together."

Above all else, Key Club is a service organization whose members are dedicated worldwide to improving their communities. The variety of Key Club service work is as broad as the needs it fills. The elderly, the disabled, and the underprivileged are all benefited by Key Club-sponsored projects.

Key Club, we're able to develop communities, time, develop ships," ex-Club member. portant, we ourselves, and how we can accomplish when together." else, Key Club is a service organization whose members are dedicated

Top Left: Jenny Taylor, Bear Smith, Erin Vozar, Bekah Carmichael, Michele Jackson, Cassandra Bolton, Denise Gonzalez
Middle Left: Christine Langston, Lauren Ames, Chris Palaylay
Bottom Left: Nikki Doran, Liz Paxton, Rachael Gouge, Chelsea Stafford, Sara Verbel

The Art Honor Society/Art Club is a group of students who all share an art connection.

To be in the Art Honor Society students must either currently be taking art classes at FCHS, or have taken art the year before. Grades in art are also a part of the consideration. To be in Art Club, you just have to have an interest in art!

This year's group seems to be growing at every meeting, and the participation is outstanding. They have some real talent!

President: Bear Smith

Vice-President: Sara Verbel

Secretary: Erin Vozar

Treasurer: Jackie Rowlands

Historian: Nikki Doran

Sponsor: Kathy DePriest

Sponsor: Mr. Terry

The Black History Academic Team gives all students the opportunity to learn about African American History and use the information in a competitive manner. The team has their work cut out for them. They must know over 1,000 questions and answers from a specially prepared manual. This year's Black History team competed in the Murray State Black History Scholar's Bowl.

ACADEMIC TEAM

Postponing Sexual Involvement P.S.I.

To become a Peer Educator, a person must go through a week long training. During this training the students must participate in many activities, one of those activities is role playing.

Left to Right: Stephanie Smith, Jason Poor and Toccoarra Quarles

Postponing Sexual Involvement (P.S.I.) is an abstinence based program sponsored by the Christian County Health Department. This program uses high school students as peer educators to teach 7th graders about the consequences of sexual involvement, and how to resist social and peer pressure. The Peer Educators also teach 7th graders how to say "no" and be assertive through role playing.

Your class ring A GREAT FEELING

Pride is the catalyst for human achievement...the mover of minds, of muscles and most of all hearts. Your class ring is more than a mere piece of jewelry. A class ring shows Pride.

Your class ring identifies you with your school and your class for all to see. It carries with it much sentimental value and will help you preserve special memories forever.

Congratulations!!! We're so proud of our little girl! The future belongs to those who believe in the beauty of their dreams.

Love,
Daddy, Mom & Ryan too

Lauren,

This school year is over, where do I begin to capture the feelings you gave me. In the beginning of the year you were the "New Girl," with your water bottle and your fancy yearbook from Lee High School. You would walk by me as if I was a ghost, but what can I say if I was calling you Lori. I swear that's what you answered to. Then in the copy office, you gave up your time to help me with the Freshman pictures. In that office I made a friend forever. We have had "bickerments" in the past but we always realize what we have and that is LOVE. The feeling of love is a feeling I have and always will have for you. You are the greatest gift God has blessed me with. There are no words that can explain the love I have for you. I want you to know you will always be in my heart.

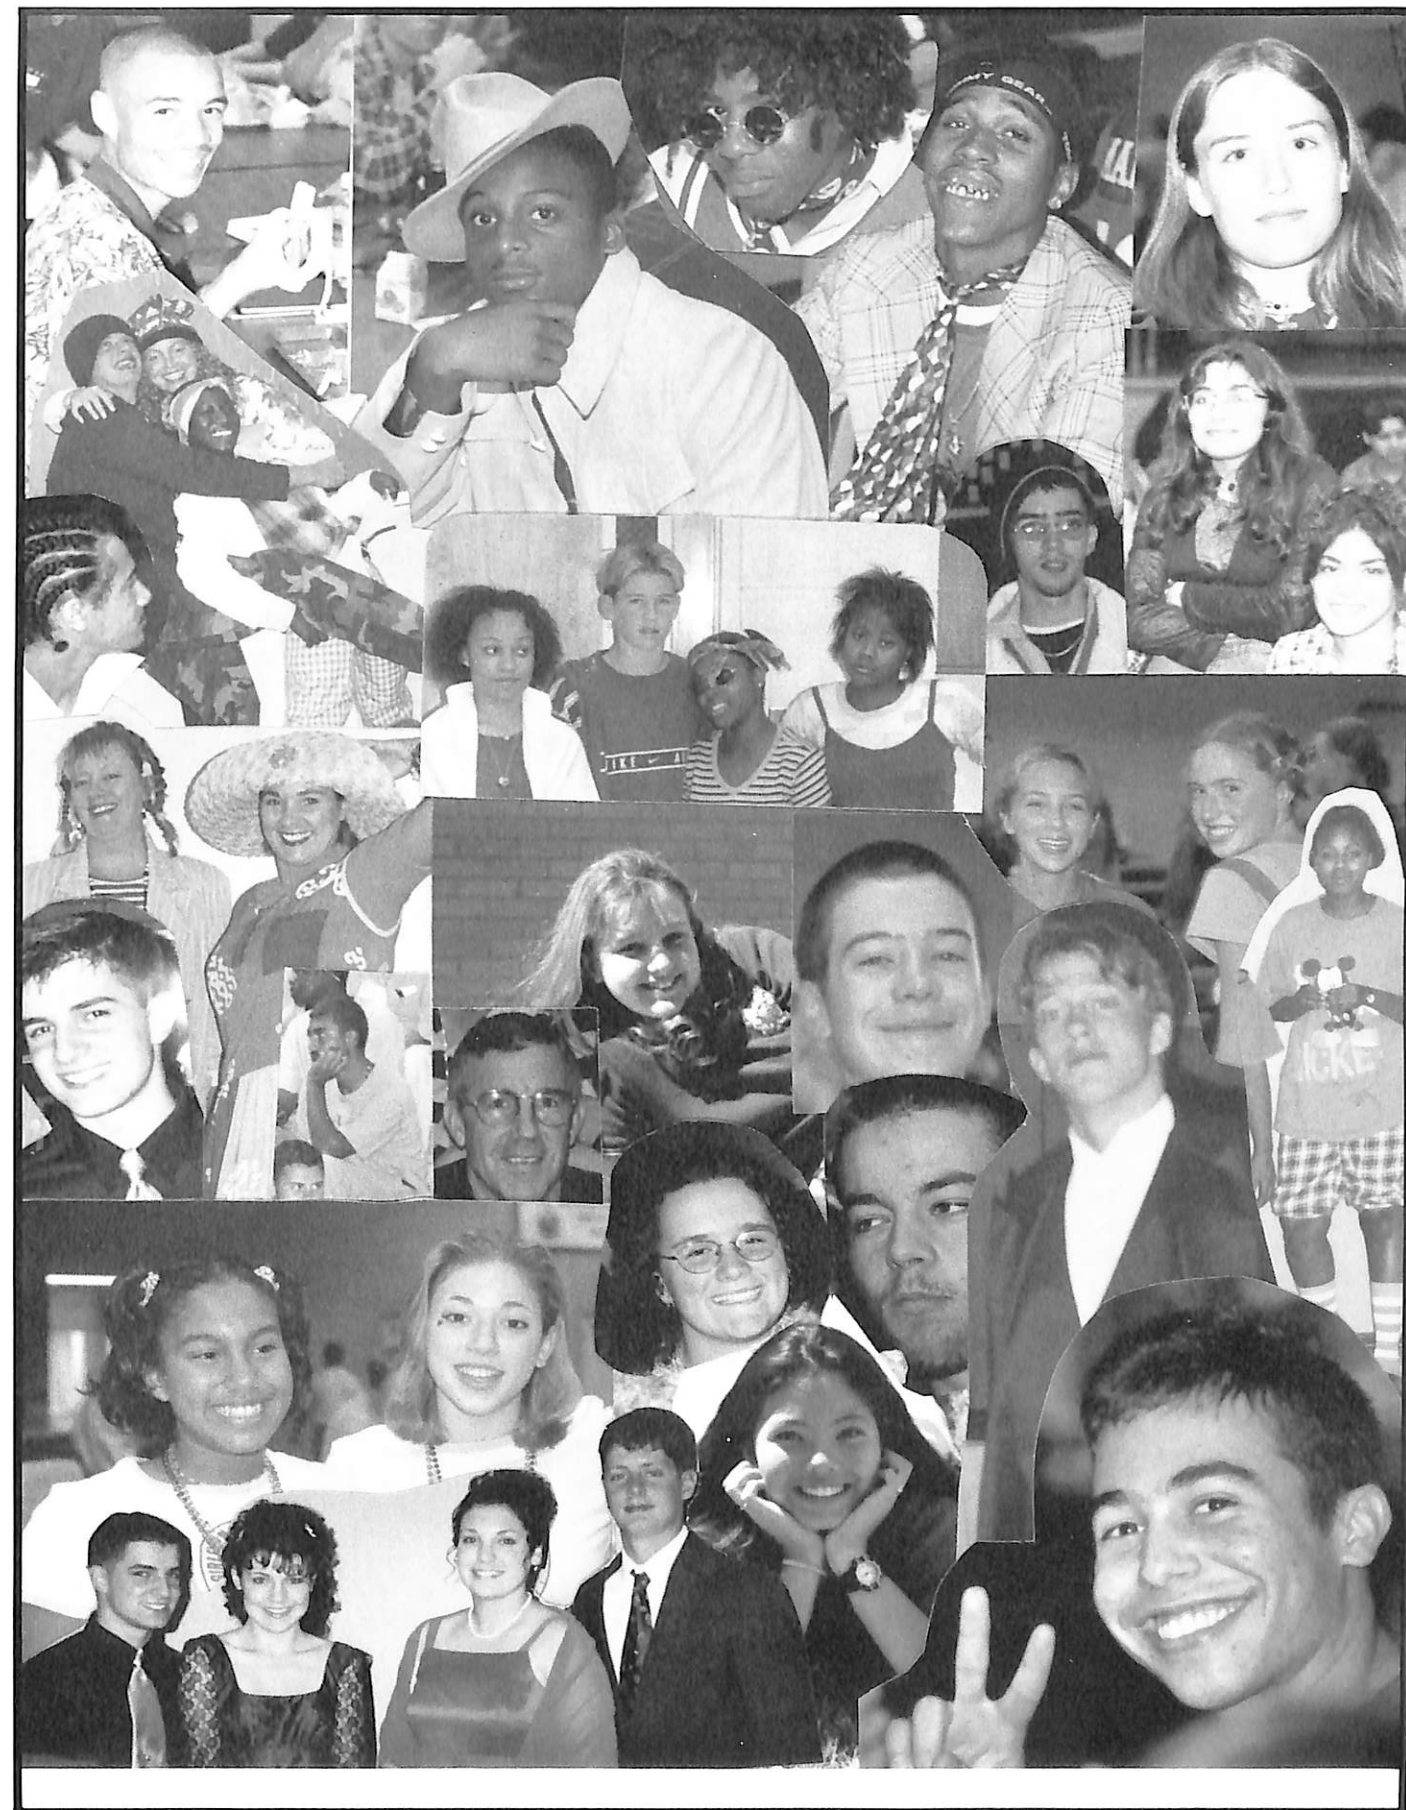

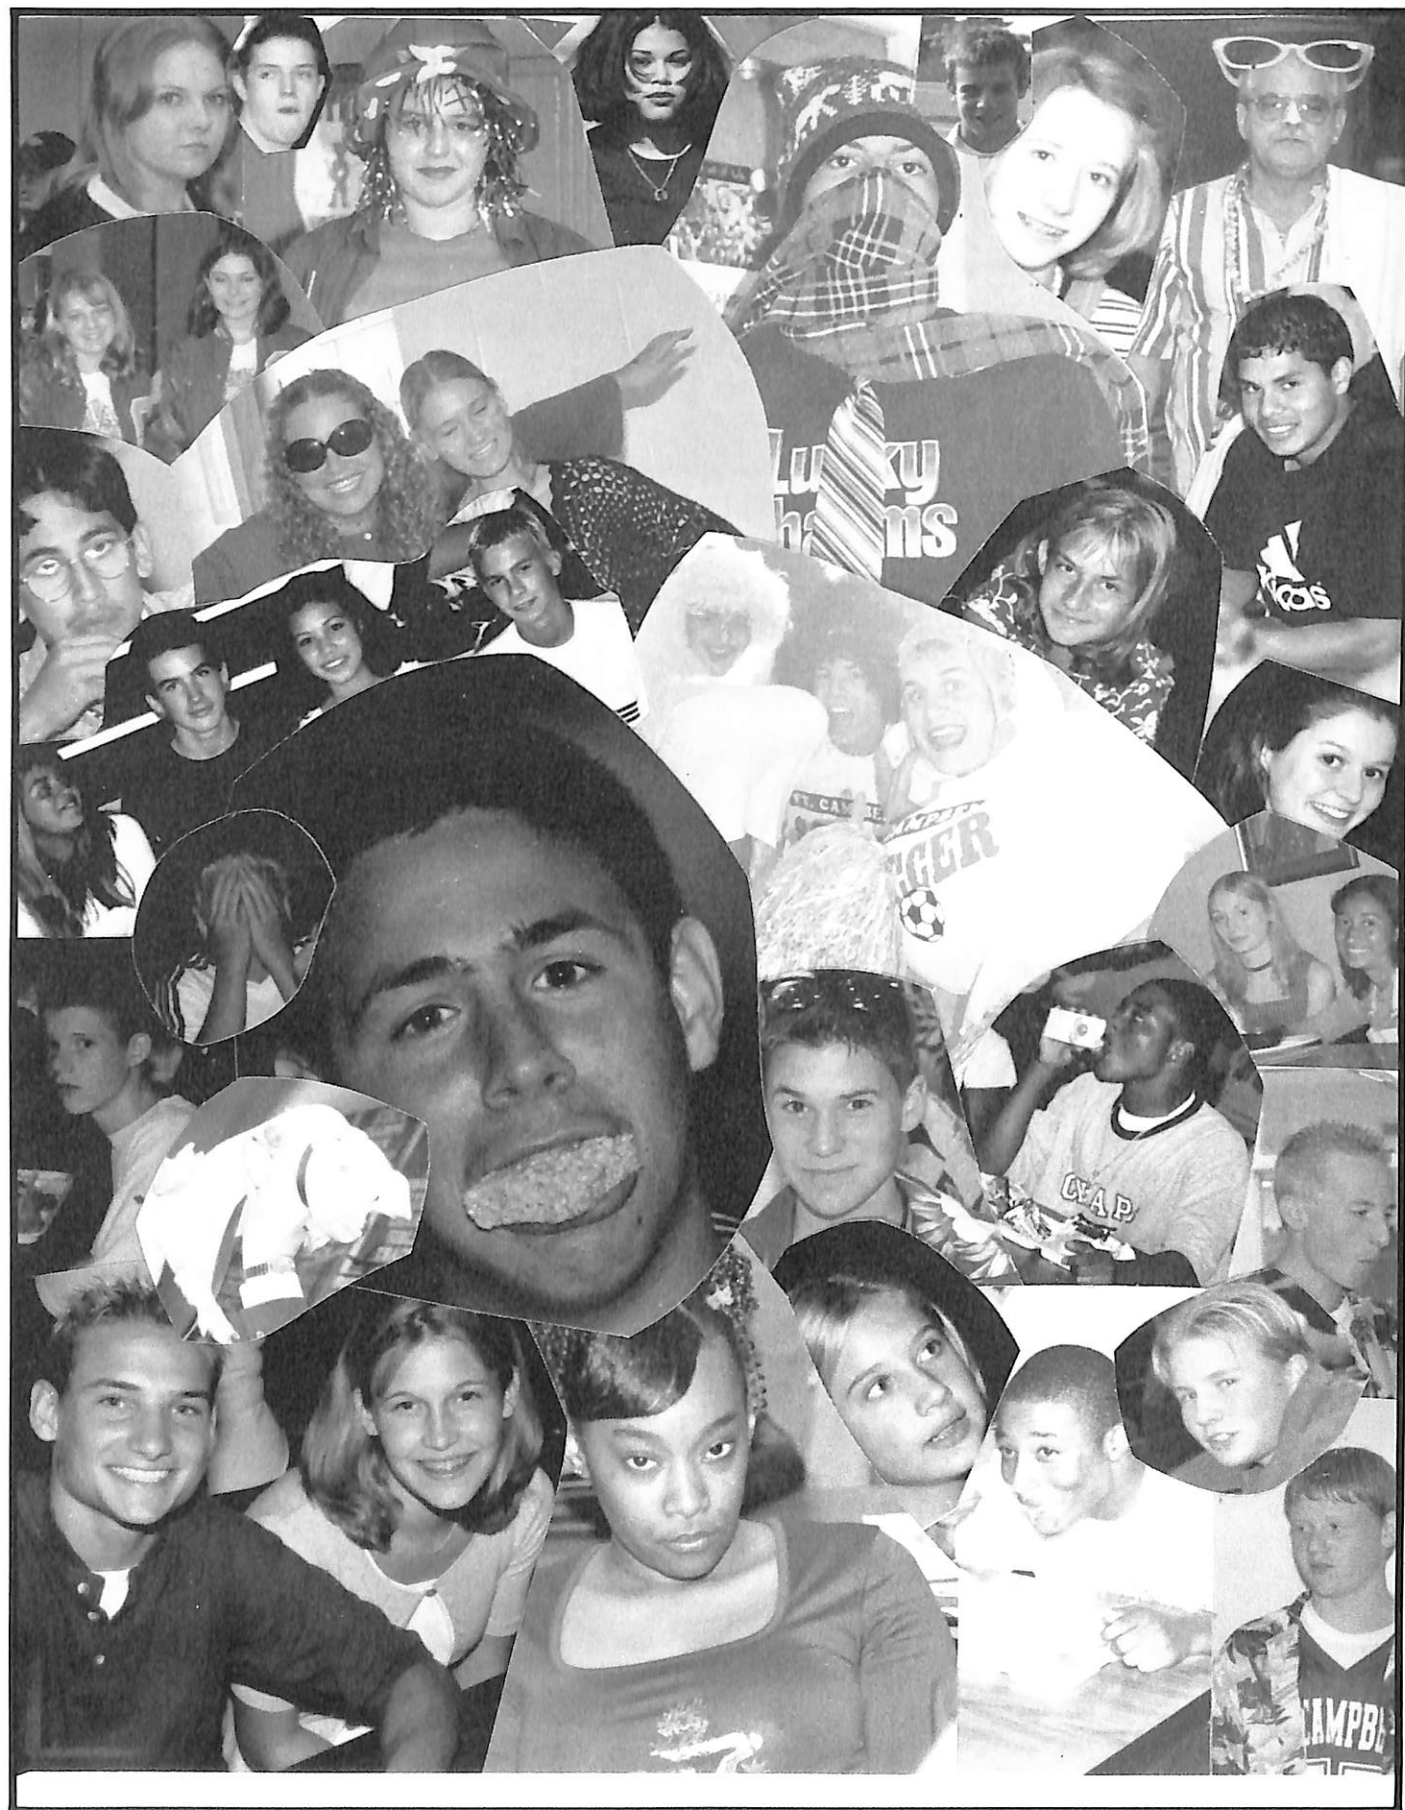

I Love you...more.
Jason M. Wong

To: Jason Wong
Son,

With your great attitude you can achieve anything. We are proud of you accomplishments. Thank you for staying out of trouble all those years.

Love always,
Mom and Dad

Congratulations SENIORS!!

From ~ The '99-'00 Yearbook Staff

The Excelling in Education program is a project sponsored by the Clarksville Area Chamber of Commerce designed to support academic achievement and provide membership benefit to Chamber member businesses. The program was initiated in 1990 by the Chamber's Small Business Committee, and is currently managed by the Education Committee.

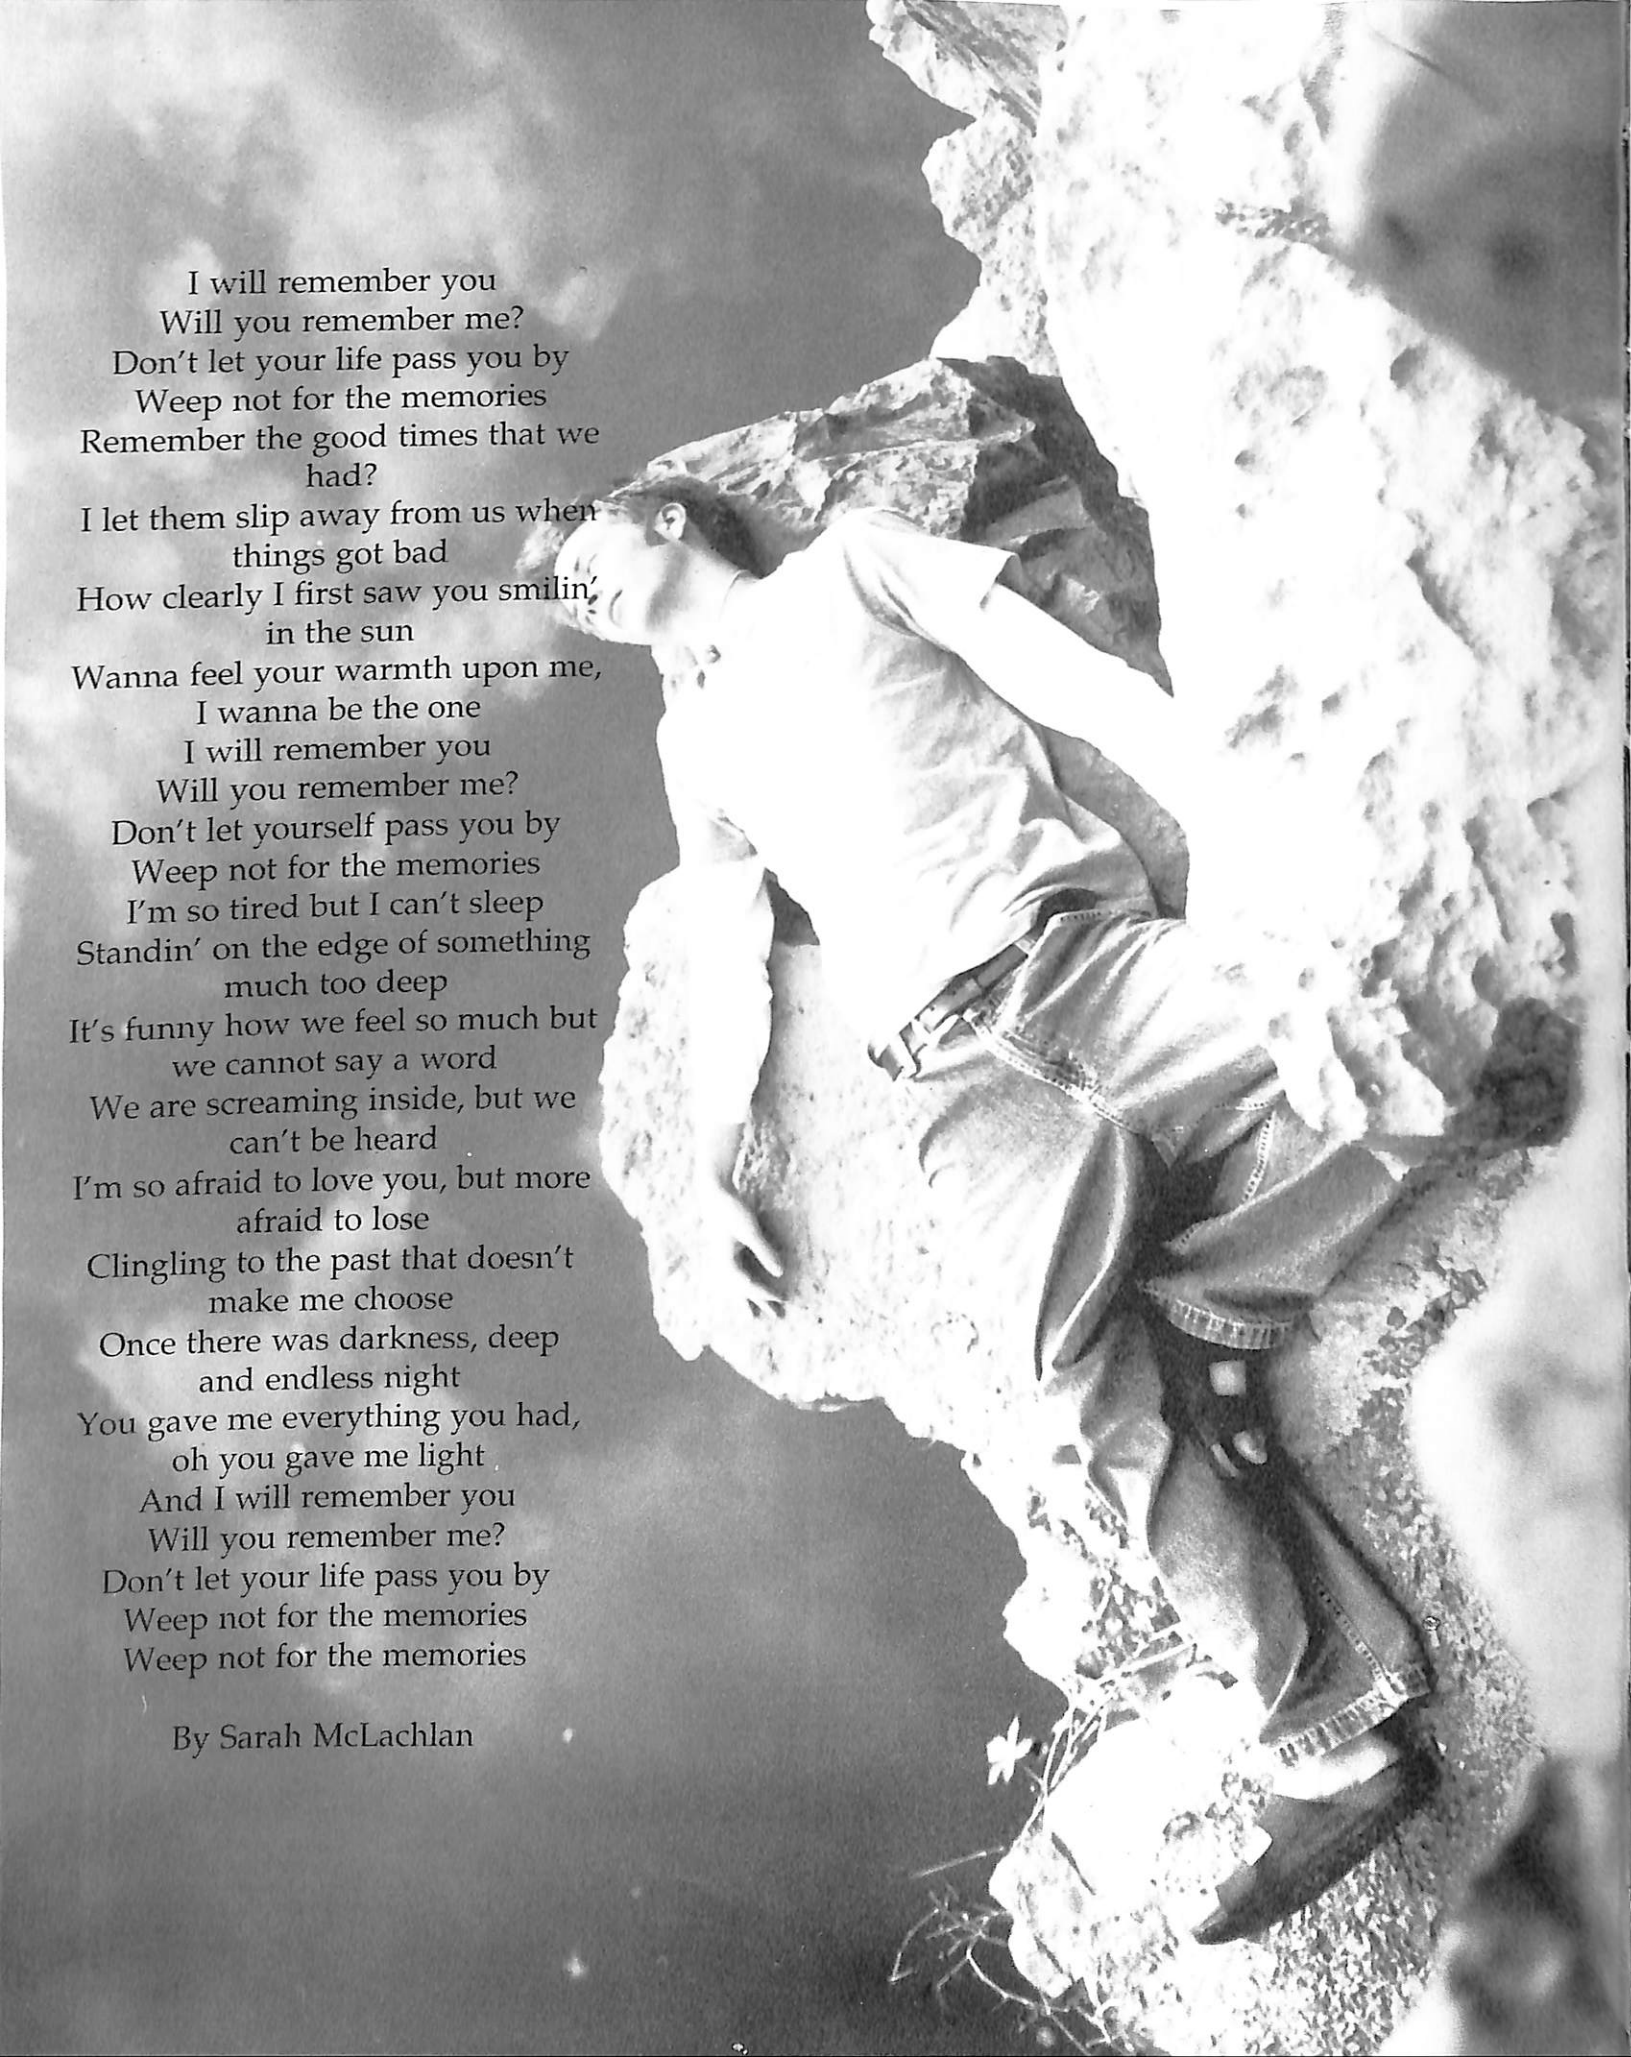

The Excell program recognizes and rewards area high school students who have realized specific academic achievement during the preceding school semester. Recognition efforts are in the form of identification at an Excell presentation at the student's school among peer students, parents, and program sponsors. Rewards are in the form of discounts on merchandise or services offered by Chamber member businesses that provide product of interest to teenagers.

Students earning no semester grade less than an "A" for the previous semester receive Gold Excell Cards. Students earning no semester grade less than a "B" for the previous semester receive Silver Excell Cards. Students nominated by the school's Excell Coordinator and selected by school administration for significant improvement in attendance, attitude, grades, and/or extra-curricular activities receive Blue Excell Cards.

Chamber member businesses listed in this Excell brochure have agreed to provide each cardholder a minimum 15% or equivalent value discount on student purchases upon presentation of their Excell card and appropriate identification. Some restrictions may apply and are listed under each specific offer in this brochure.

Each card is valid for a period of 8 months. Cards are presented shortly after grades have been tabulated for the prior semester. Fall semester cards are normally presented in mid-March and normally expire in November, spring semester cards are normally presented in mid-September and normally expire in May.

Cards are not transferable; discounts will be extended ONLY to those students whose names appear on each card. Card privileges will be terminated for anyone abusing this restriction.

I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories
Remember the good times that we
had?
I let them slip away from us when
things got bad
How clearly I first saw you smilin'
in the sun
Wanna feel your warmth upon me,
I wanna be the one
I will remember you
Will you remember me?
Don't let yourself pass you by
Weep not for the memories
I'm so tired but I can't sleep
Standin' on the edge of something
much too deep
It's funny how we feel so much but
we cannot say a word
We are screaming inside, but we
can't be heard
I'm so afraid to love you, but more
afraid to lose
Clingling to the past that doesn't
make me choose
Once there was darkness, deep
and endless night
You gave me everything you had,
oh you gave me light
And I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories
Weep not for the memories
