In Loving Memory of Steven Robertson

Don't think of him as gone away-
his journey's just begun
life holds so many facets,
this earth is only one.

Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.

Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.

And think of him as living
in the hearts of those he touched,
for nothing loved is ever lost-
and he was loved so much.

Charlotte,

You are a wonderful and beautiful little girl whom I love very much. I am blessed each day knowing that you are a part of my life. As you grow I look forward to being there, as I was when you learned to ride your bike. This year is special, because you will be moving from Kindergarten to the First Grade, growing up to be the wonderful young lady I know you will become. Please stay the sweet and the precious gift that God gave me.

With all of my heart and soul.....

Love,
Daddy

May your
enthusiasm for
learning
continue to
wash over you
like the water
that forever
polishes the
creekbed stone.

Love always,
