"How did it get so late so soon? It's night before it's afternoon. December is here before its June. My goodness how the time has flown. How did it get so late so soon?"

- Dr. Suess

Time this year has definitely flown by. What an exciting year my first year at Pinckney Elementary has been! I have enjoyed learning about life on Fort Jackson and meeting such wonderful service men and women. I cannot think of a higher calling then serving the children of such honorable individuals.

I know everyone is excited about the summer break. Remember to exercise your body and brain! Fill your summer with outdoor activities, reading great books and writing about all of your summer adventures.

I will miss the sixth graders as you move on to middle school. I am so proud of the progress you made this year. I know that you will do a great job next year. Remember to do your personal best and you will be successful!
