The background of the right page is a sepia-toned photograph of the Fulda American School building. The building is a long, two-story structure with a series of large, multi-paned windows on the left side. To the right of the windows is a section with vertical slats or shutters. A paved area and a fence are visible in the foreground.

DEDICATION

CLAIRE FLOTO

ENG. DEPAT. CHAIR

SENIOR SPONSOR

The Senior Class dedicates this, our first high school yearbook, to a wonderful lady whom we respect.

She has plodded along with us when the going was rough, never seeming to tire of it all. We were amazed at her capacity to be patient when all others had lost theirs. She helped us to mold ourselves into a shape we could really call "Senior" when, before, we were somewhat shapeless and lacked organization. We admire her knowledge and love for current events, her ability to be "with" us rather than "above" us; her boundless energy: Girls' Basketball, Girls' Tennis, bake sales, Masquerade '83, Junior-Senior Prom, Graduation . . . everything that meant something to us.

To Ms. Claire Floto we leave behind our best memories, as we search out our new HORIZONS.

SENIOR CLASS WILLS

I, Sonya Reaves, hereby leave my everlasting friendship to the class of "'84". To my best friend Chris Smith, I will leave all my artistic abilities (since she needs it.) To Claudia I will leave my Red Books, since she begged me for them the whole year. I will leave Lexi, Kim, and Nancy all the good times at the Hard Rock, OB and NCO Club. I will leave all my appreciation to the teachers of Fulda High School, since they helped me a great deal through my 4 senior years. Especially to Miss Floto since she is a great teacher and Senior Sponsor. And, last but not least, I will leave all my good luck to the class of "'85".

I, John Rall, hereby will: My good times (and bad) to the JUNIORS and SOPHOMORES of Fulda High. I hope you all take your Senior Year as gracefully as I did.

The following people deserve special wills: To my sister I will my intelligence toward a scholarship. I give all my good looks, class, and help to Gary Maxwell; he really needs it. To Mike Robichaux and Gary I leave all my good times at the schwimmbad, and especially — HARD ROCK CAFE — and the good times to come. I leave the memories of Spain to Mike Robichaux and two of my best friends, Kenny and Maurice Madison. To Maurice I will the memories of all the t*pless women — and the LAST night there!! (Sorry about that.) To Kenny I also leave all the good times at Frankfurt High, especially Track.

To Revel & Steve I leave all the Rock-N-Roll future that they want, and need, for their band St. An!! To Tracey Passut I leave all the good times we had together, I'm sorry "it" had to end the way it did.

To all the Wildflecken "newbies," I wish you all the luck and fun at the one and only Fulda High. I leave all my everlasting friendship and good times to Shannon, Caroline, Lisa, Pam, Antie, and all the other Wildg-lecken girls. You all up there in Wildflecken — Party Hearty!!

I give all the memories of Downtown Fulda and the Discoes to those who live in Fulda. Remember those nights at Sound 2000, Maurice? I leave all the memories of Frankfurt to the "Dormies" — '83.

Last but not least, I give my Love and my Heart to Christine Smith, for whom I care very much. I wish us all the luck in the future and all the memories of the past. — I'll NEVER forget you, Chriss!! — '84 LIVES FOREVER.

I, Christine Smith (Chris), do hereby leave to Fulda High School the memory of Fulda's First & Finest — the Class of "'84"! To my brother, Mike Smith, I leave all my classwork and all the fun times I've had in high school. (I hope your years in high school will be as fun as mine were.) To Kathy Fanua, I leave my fabulous volleyball skills. To Amy and Mindy Carmichael I leave all the sweet wine there is. To my best friend Sonya Reaves I leave my intelligence and an everlasting friendship (Reaves the 2nd!!!) To Doug Deitch I leave the memory of the Ger. Am. Fest during the Summer Vacation of 1983. To the "Free Birds" I leave an everlasting friendship (thanks for all the memories.) To Liz Morris I leave the memory of the day at the Bimbach Park. To John Rall, I leave all the good times we had since 1982. Last but not least, I leave the class of "'84" the memories of our Senior Year — Good Luck to all of you!

I, Lexi Dahl, being of not-so-sound mind and terribly depressing body hereby bequest the following: To my brother Aaron I will my ability to complete ALL four years of high school — WITHOUT FLUBBING UP!! Hopefully, you can stop at four yrs. instead of eight! Maybe one of these days, the teachers will quit giving YOU such a hard time.

To my younger brother Alan I leave our kitchen sink full of dishes. Better get on it, Kid!!

To my good friend Kim I leave "Natter", all the great-looking gorp she can handle, and a nice, spacious livingroom!! You can have my sweatshirt too! Thanks for turning my weekends and Sr. year into something special. I have thoroughly enjoyed every minute of our friendship.

To Dena I leave the best of luck!! May you succeed in everything you do.

To Sonya I leave Bill!! Please take him . . . I don't want him.

To John Rall I leave this promise: I will get you back for all the mean things you did to me in the dorm last year — shaving cream on my birthday, etc.

To the first and finest Sr. class — CLASS of '84!! — I just want ya'll to know I've really enjoyed this year. I never thought that anyone could ever mean as much as Gatesville, Texas. Thanks for being such great friends!!

To the class of "'85" I leave the challenge to TRY to measure up to the class of "'84"!

Last but not least to Darlena and Janet — I bless you with my presence!! I love ya'll and miss ya bunches!! Au Revoir!

I, Kim 'Scooter' Whittington, being of somewhat sound mind and terribly depressing body will to the seniors of '85 all the excitement and glory of finally reaching the top. May you enjoy your senior year as much as I did and I hope you are as fortunate as the class of '84 by having The Greatest Lady, Ms. Floto, as a senior sponsor. To "Rebel" I leave my love and friendship as a sister and many thanks for just being you. To Sue "Pretty Boy" Merritt I leave a little black book filled with 10's only. And my friendship always. To Peanut I leave all the alcohol you can possibly consume and my grades so you will make it out of high school in less than five years. I want to thank Lexi Dahl for being the Greatest Friend; thanks for the memories. At the "club," the beer tents and of course the O.B. Ha. Ha. May you never be embarrassed again by dancing with some crazy guy when all eyes are on you. Hopefully someday you will learn to put your rollers in after removing the sweatshirt, but in case you do not, I leave you 10 EXTRA-LARGE sweatshirts. To Mam Seeley I wish happiness and a life-long marriage. To one of my most favorite people, Doug Deitch, even if you weren't in school often enough for me to know you as well as I had wanted, I leave you my attendance in school, the prettiest ladies, and a very enjoyable life. Take care of yourself for me. Maybe I'll get lucky and we'll meet again. To the remaining students of Fulda American School may you always be proud to say you're from Fulda, and I leave many Kick-A-Parties. Keep the traditions going!!!

I, Steve Mitchell, donate my body to the Admiration of Advancement of Hair Lice, and the situation that prevails the characterization of the Lunar Modual Zombies located somewhere in Los Angelos; and to the ritual of eating mutilated bounced checks with the contribution of broken floor tiles, and a partridge in a pear tree . . . E, I, E, I, O

I, Amy Carmichael, will some of my stubbornness to my sister Mindy: Believe it or not, it may help you in the future. Also, I give you my thanks for studying by my side when I needed it most. If ever you need anything, you know who to come to. I love you, Baby!

I, Claudia Bauhoffer, being of sound mind wish the class of '84 all the luck in the world. I leave Sonya Reaves my blue boots to match her sweater, so she can stop begging me for them every day in Government. I leave Angie Kelley my friendship and all of the good times we had partying in "Downtown Wildflecken." I leave my brother Raymond Lopez a lot of love and hope that he makes it through the coming years. And I want him to know that I'll really miss him when I go to college.

I, Aaron Wilson, leave my common sense to Gary Maxwell/Because he has a brain like an empty Duracell. I leave my tender heart to all the ladies/That I drow around in my Mercedes. I leave my cleanliness to Aaron Dahl/You can tell him when he comes; you don't have to call. I leave my playboy skills to Earl Small/So he'll have all my old ladies at his call. I leave a piece of advice to Caroline/not to ruin your life by stealing Earl's wine. I leave a bit of sympathy for John Marsh./From what I see he treats ladies harsh. I leave my everlasting loyalty to the Fulda Five/'cause while we lasted I know we were live.

I, Tracie Burkins, being of sound mind and body, do hereby bequeath to Miss Floto another class as great as ours was, To my sister Trena I leave all my love and hope your high school years are just as great as mine were. I wish you and Hotrod all the luck with one another. I leave all my homework to Hotrod hoping he will pass Gov't. To Tigger, another great Sagitarrius, I leave all my hugs and kisses and best wishes with you and Robyn. I leave Tracey Passut all the kittens he can handle, along with David. To Sylvie Hennig I leave our everlasting friendship and all our memories of the great times we had together, as well as best wishes and the true meaning of trust in a friendship. To the rest of the underclassmen this thought: take life each day to the fullest extent, for time is what you have the most of and, if you want it, a day can last forever. Good luck at Fulda High School. To my mom and dad, I leave all the thanks for when they helped me through all my years. To Matt I leave all my love and the memories we've shared together.

To all the Seniors who are leaving, "I wish ya luck."

I, Kenneth Madison, being of sound mind and body, "Ha, Ha!" hereby leave my everlasting Love to anyone who had anything to do with me. To Someone Special, and to all you heartbreakers, "I don't care what the other people say, (Smurf) I'm going to love you anyway, "Smurf it up! all you playboys. It will soon get better. Memories of "83" are mine to keep.

I, Dena Ramey, do hereby leave: To my brothers, Morgan and David, all the fun and happy times I had at Annistor High School. I wish you good luck and hope you get as much enjoyment out of high school as I did.

To Janine, Liz, and Amy I leave all that is involved in having a terrific senior year next year. To Amy Curran and Jennifer Grady I leave the memories of our "Wonderfully played" volleyball games. To Ms McIntyre I leave the hope of having a better volleyball record next year! Good luck! To Ms Floto I leave the hope of having a senior class as enjoyable and unique as the class of '84! To the first graduating class of Fulda High School I leave all the memories of the fun we had. Good luck in the future to each of you.

I, Roman Melzer, leave behind the good sense to take things slow.

I, Ron Dennis, wish to leave behind all of my literary essays to any junior who will take them.

I, Nancy Jennette Seeley, being of sound mind and unmentionable body will my German notes and tests to Tim Madrigal (Rebel.) All the good times the class of '84 has had to the class of '85. I will to Lexi Dahl my trash bags and hairspray. To Steve Mitchell I will my ability to keep quiet when it is needed and to stay out of trouble. To Mr. Mattingly I will a bottle of Extra-Strength Excedrin to put up with us. To Kim Whittington I will a lifetime friendship for all the support she has given me. To Mrs. Pastore I will a tape recorder so she doesn't have to repeat her instructions to her class. To my husband and friends I thank you for the good times and support you gave me so I could finish what I started. And last, I will all the success in the world to the class of 1984.

I, Sylvie Hennig, will my position as Editor-in-chief of the yearbook to any poor, unsuspecting person (who probably deserves it). I will the class of '85 all of the good times and crazy fun that the class of '84 has had this year. They could only hope to be so lucky. To Mr. LeMire I leave what little peace of mind I still own, only because his was lost many "signatures" back. To Ron Dennis and Claudia Bauhoffer I leave my essays from English for them to use as examples when they get into college. To my brother John (Old Fart), I leave ALL of my school spirit which he will desperately need to survive three more years of high school. To Miss Floto I leave any topic sentence that is supposed to be a thesis statement so that she can use them as bad examples for her students next year. To Amy Gitchell I will my skateboard to save her the pain of riding the activity bus home alone with all of those crazy people. To Sue Smith I leave a diary so that she can write down all of the things we used to talk about first hour. To Mr. O'Connor I leave my insanity only because he was the cause of it. To Roman, Kenny, Aaron, Dena, and Lexi I leave much good luck and a reminder that I missed you in 2nd semester. To every 7th and 8th grader I will my patience. Don't try to grow up too fast; high school will be over before you know it (take it from someone who knows.) To Tracie Burkins I will my everlasting friendship which I hope grows stronger instead of fading away.

SPIRIT WEEK

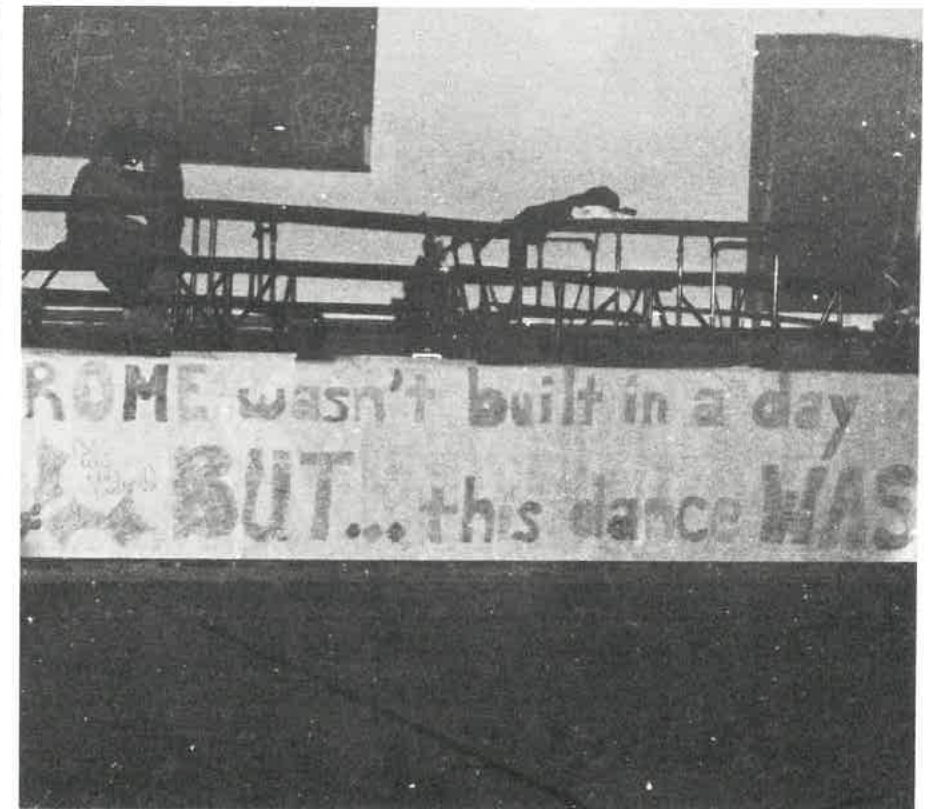

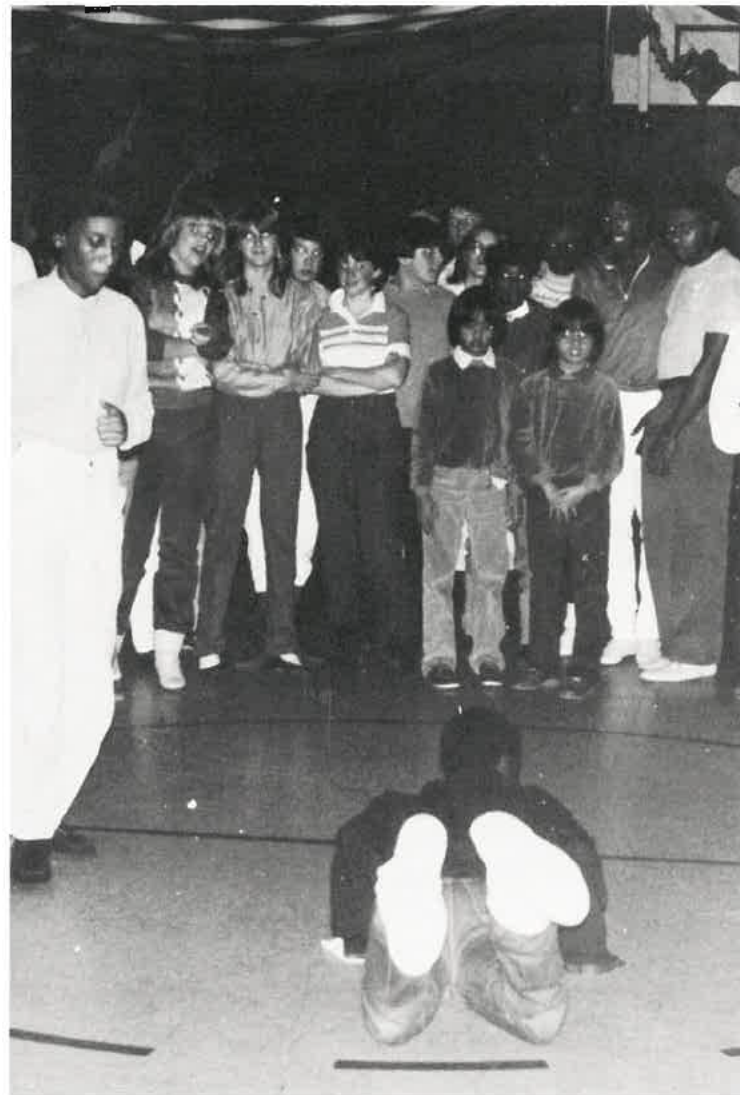

Post Band Tunes In Christmas . . .

It was a swinging Santa who would have bopped in to the Christmas concert given by the U.S. Army Band/Europe. Songs ranged from traditional to modern, but the Yuletide feelings remained the same: brassy and smooth!

GOTTA BE DANCIN'!

CHORUS

This year the Fulda High Chorus and band was sponsored by Mr. Kevin McGillivray, a credit to FAS.

ADMINISTRATION

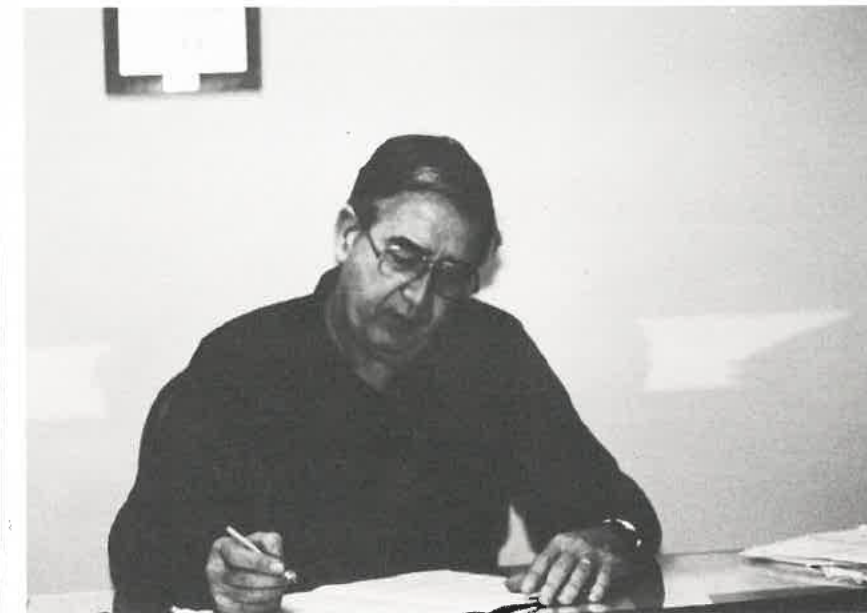

Mr. William Morris, Principal

To The Students

It is with some awe that I address this student population who have become the first real High School population in Fulda. The Regiment with its rich historical background provides a real challenge for the academic community to compete and establish on equally rich and illustrious history. The issue is not so much the number of activities and projects but the quality with which we attempt and achieve our aims and goals. It is a fact that our school age population is our most valuable resource.

I feel that we at Fulda American School must let it be known that we are responsible for being a helpful part of the Border Community. There is everything right with doing our best.

ATHLETICS

Row 1: Paul West, Dana Mason, John Barnett, Michael DeRamus, Brady Haston, Ron Lairamore.
Row 2: Bryan Cherrie, John Skinner, David Worley, Andre Ennis, Terry Brown, Cleveland Green, Walter Bowden, and Coach Himango.

Fulda High School began its first year of football with a 1-6 record. The Falcons started the year with eighteen players but were unable to play their final contest against league champion Bamberg because of injuries.

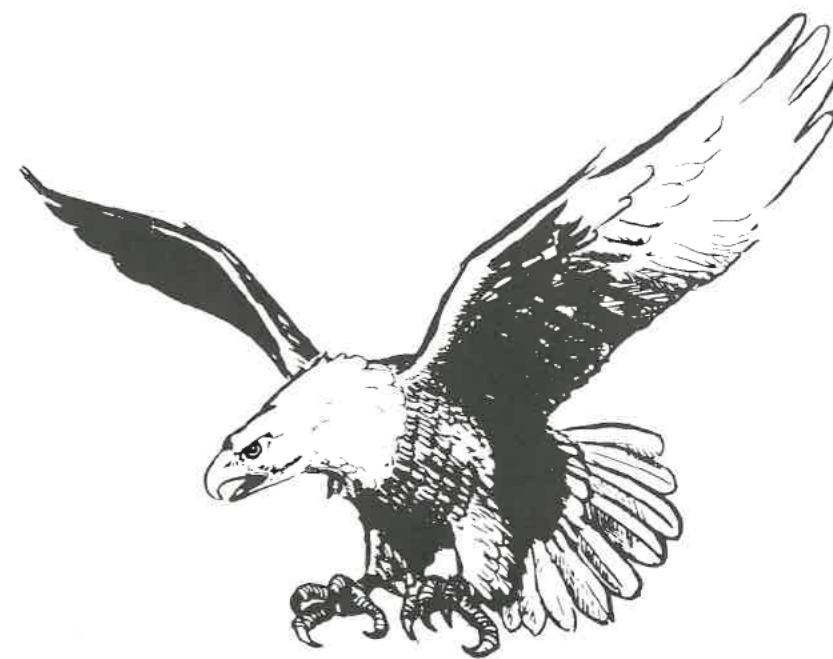

The season was highlighted by the Falcons' first-ever win against the Vilseck Falcons on their home field. Score in that contest was 6-2. Other highlights included the naming of Bryan Cherrie and Walter Bowden to the "A" All-confer-

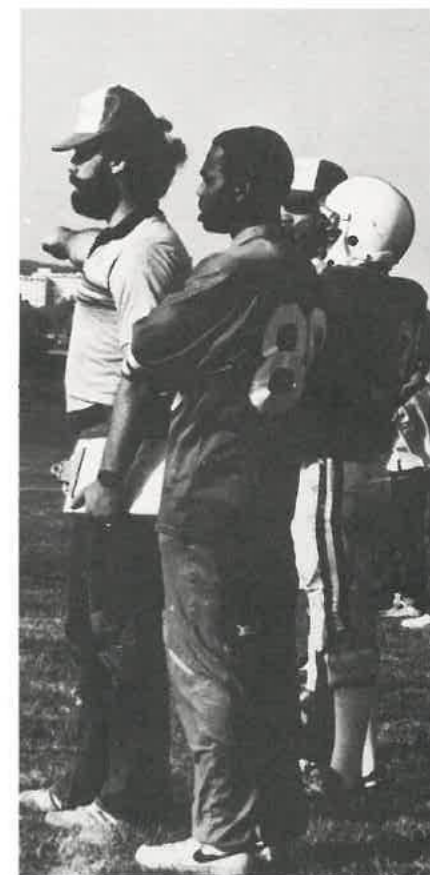

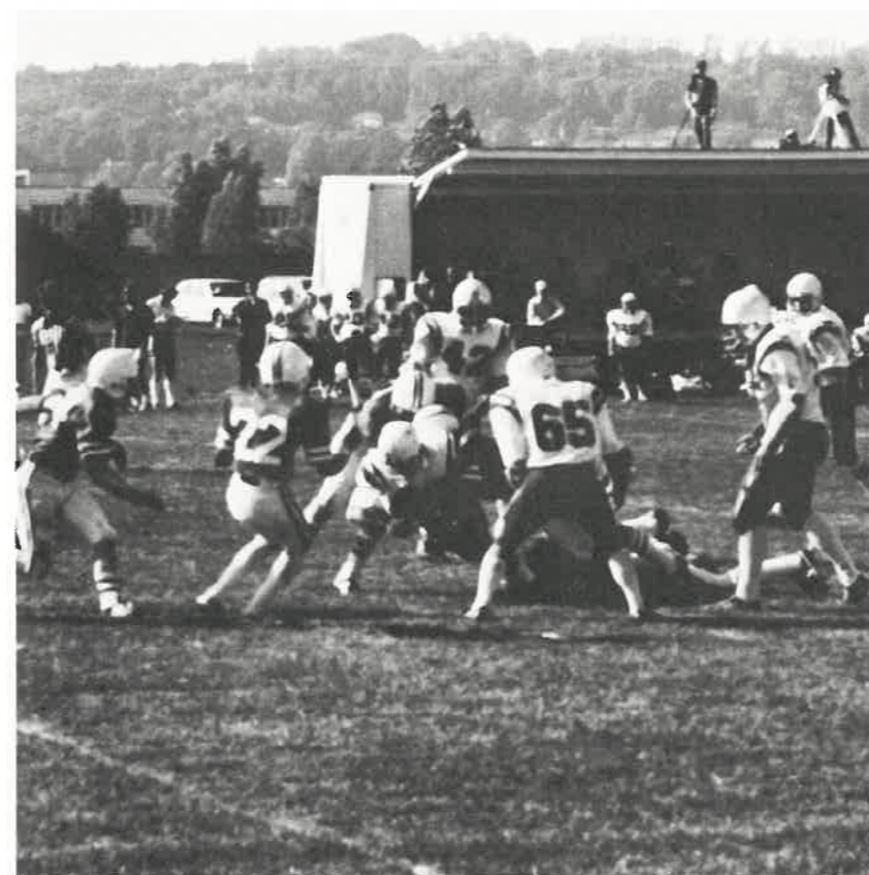

ence team, and Dana Mason's electrifying 87-yard touchdown run on the opening kickoff of the Augsburg game. All home contests were played in Bad Hersfeld as the Fulda athletic field track was not complete for the start of the year.

Scores for the year were as follows: Ansbach 26/Fulda 6; Munich 44/Fulda 6; Augsburg 14/Fulda 6; Ulm 26/Fulda 0; Vilseck 2/Fulda 6; Karlsruhe 44/Fulda 0; Bamberg 2/Fulda 0

One of those great feelings of life: getting the ball and running to heaven!

Sometimes we took a tumble or two and ate our peck of dirt.

Was the look of disbelief for our touchdown or for theirs?

Listen, guys. If you move real fast, maybe it'll help the team score a few more. Wadda ya think?

With such formidable opponents, it was even difficult to get the pigskin out of our hands!

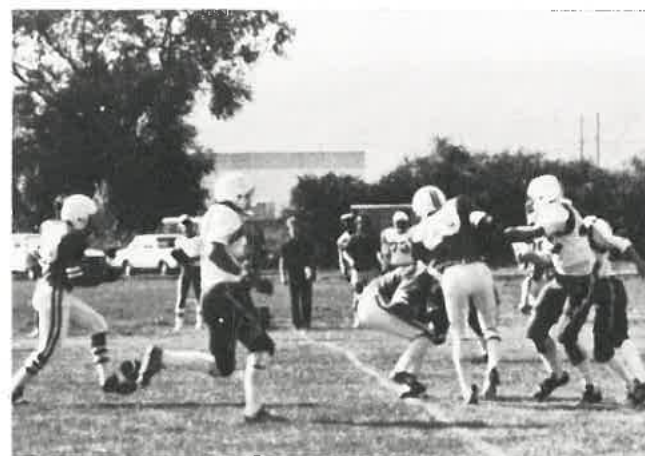

We went out there with -- at least -- determination.

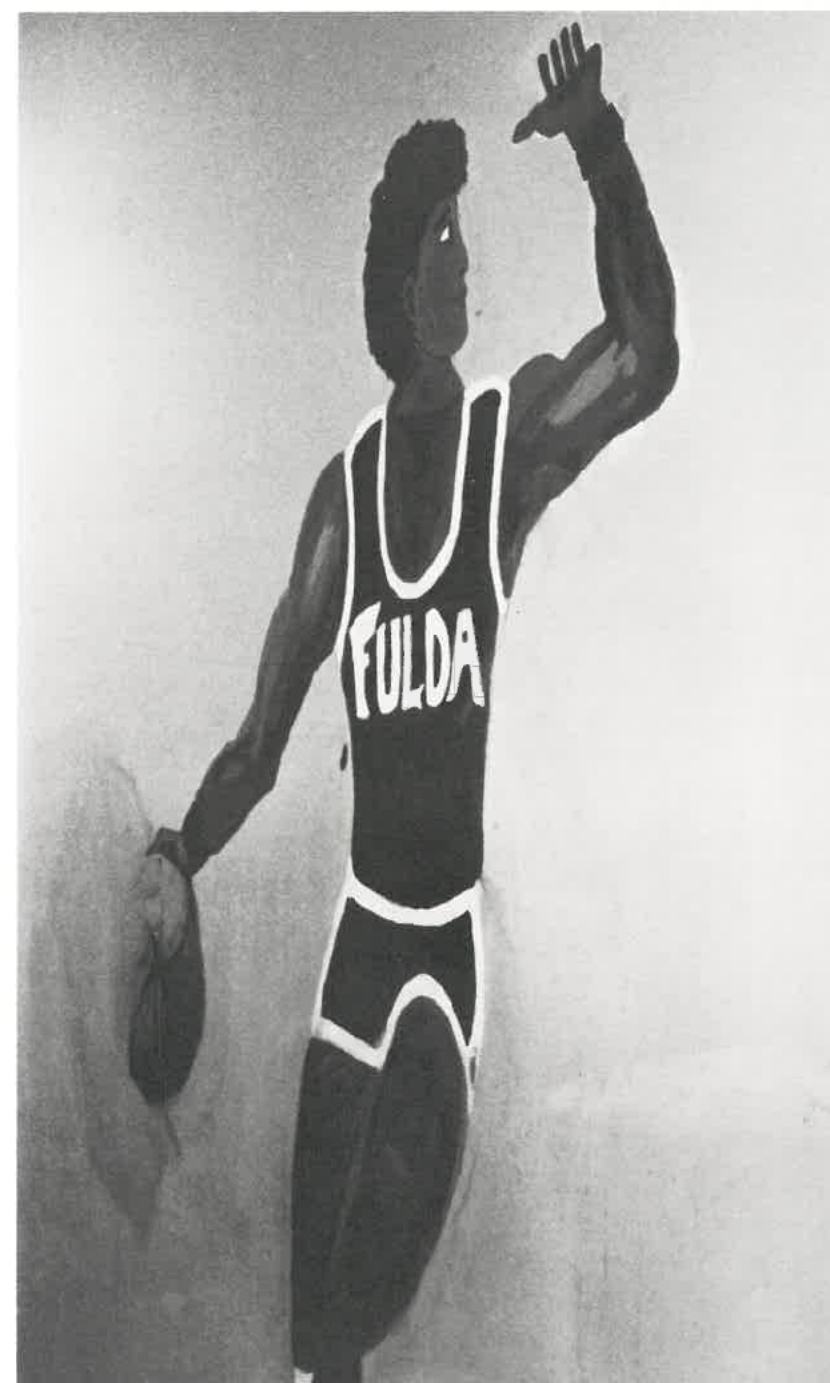

BLOCK — TACKLE — BLOCK — TACKLE

We tried to recover the ball and the year. Well, maybe next season.

BASKETBALL

Notice the jaw — set determinedly to face any team in the league. There was hope in the eyes, but a hidden, squeaking fear that bites all members on a newly-formed team. Somehow we quashed those butterflies . . . or maybe just ignored 'em.

At times it seemed as though we were rushing the wall. There were a thousand errors that we made and a million attempts to just survive out there. Our skills were short of naive, our talents sparse. But we were long on ardor.

Bamburg was the one we probably enjoyed the most. At least they were not the monster Munich was. The coach here was trying to keep our confidence up. We were nothing if not resilient. She kept our spark lit; we did it for her, for FHS, but mainly for ourselves.

Don't know how many times we waited, nearly without hope as the visitors made that extra point. It wasn't so much the standing there that took its toll . . . it was more the dread of having to do it over and over as the score board racked up their points.

AMY VACARO! The very name inspired awe, rivalry, a type of fear so real and so deep that stomachs were quickly upset. Here Lexi Dahl tries to keep the inevitable Arms of Vacaro away from the spheroid. While on some occasions we bounced with glee over a hard-won point, we often bounced off the walls, against each other, or on the floor with Amy. It was a time for praying for a sudden flu to strike her.

The disasters on the court were only accentuated by those off the court. Somehow, amidst the mass of numbers, arms, and legs, we were able to see the basket and the net and concentrate on shooting for it. Those moments were sometimes, sadly, too few.

The really neat thing about basketball is that you can do all kinds of magic tricks, like twirling the sphere around the tips of your fingers. It doesn't help you score, but it sure gets the visiting team interested!

MISCELLANEOUS

CALENDAR of EVENTS

Although our calendar was not always full — this was, after all, the very first year of the high school as such — we did have fun attending dances, playing music, dressing up, having our locks sawed off our lockers, decorating doorways for Christmas, not going to student council meetings, not showing up for wrestling, not showing up for class (?), working labs outside, gossiping to each other about hall fights, carping about teachers, seeing Mrs. Jennings for everything from split lips to lost books. Some of the best times were not to be found here at all.

SOMETIMES WE WENT OUT FOR MUSIC ...

... SOMETIMES
WE
STAYED
IN!

MUSIC ...

IF IT BE
THE FOOD
OF LOVE,
PLAY
ON!

This was the first time Fulda American School had a large chorus and a band to boot. Not quite near perfection yet, the two arms of the Music Department reached out to grab us with its charms. A very large number of students joined either of the classes.

There were also some opportunities to hear the real professionals at work.
