FULDA AMERICAN HIGH SCHOOL

1987-88

Kettlerstrasse, Geb. 7315
Downs Barracks
D-6400 FULDA
Federal Republic of Germany

As I complete my first year as principal of Fulda American High School, several of my first impressions in September have been validated throughout the school year. Two of those first impressions involve the most important feature in any school, the students and the faculty.

The decorum and spirit of our student body has impressed me since my first meeting with you the first day of school. This positive decorum is reflected in the interaction between the students and the faculty and administration. We have been able to communicate with you and provide your education in a positive ambience. You have enabled us to avoid a confrontational atmosphere. The spirit of the student body is also a significant factor in making our school a good place to be. I am sure this spirit will continue to grow as the school matures into a place we can all be proud to be a part.

Briefly, I would mention the quality and cooperation of the faculty and staff. It is their integral and genuine concern for students that has enabled all of us to accomplish the goal we have set for ourselves. The faculty and staff is a part of the school I appreciate very much now and you, the students, will appreciate more as the years separate us.

It is my privilege to administer our school. I look forward to working with each of you next year. To the graduating seniors, departing faculty members, and transferring students, I wish you good fortune. I trust the time you have spent within the walls of our school will have contributed positively to your future.

Doug Kelsey
Principal

First, let me congratulate the Yearbook Staff and Sponsor for having shown great enthusiasm and dedication in making this year's school annual available in early spring. Their hard work as manifested in its final product deserves to be recognized and commended.

As you leaf through the pages of your Yearbook now and in the years to come, I hope that the memories that you will reflect on about your high school years at Fulda will be one of pride in our pursuit for academic excellence, self-discipline, and critical thinking. The social interactions that we will all remember are your display of good sportsmanship in times of win or loss in extra-curricular activities, the lasting friendship that you have developed in school, and the spirit of goodwill that we have shown our host nation, Germany.

The years ahead may be rough and thorny, but with our country's commitment to world peace and economic prosperity, the contribution that each one of you will make, be it in education, the military, or other personal endeavors, will all make that difference to make your future bright and rosy. You are the masters of your fate, the captains of your soul.

Fly, Falcons, fly!

I, STEPHANIE BURGESS, being of sound mind and body, do declare this my last will and testament. To Michelle Haston, I leave Sundays in long underwear, ethnic jokes, beef tallow frosting, lemons and salt boxes, Bob, Sesame Street Margarita glasses, and as much symbolism as you can swallow. To my three sons, Brad Bates, Brandon Henry, and Todd McGillivray, I leave Ouija boards, candles and football fields, and an endless supply of gas to visit all the haunted churches you want; especially for Todd, plastic ducks and Aeiskaffee, lessons in unselfishness, and your undying patience and respect. To Ian Duncan, I know you couldn't, neither could I, therefore I leave you snow days, Land's End pinstriped boxers, broken arms, Government test neck strains, as well as flat Lambrusco, barbecuing at lunch, satisfaction, and my dozen roses from a certain CW2. Leigh Bonds, "Conventionality is not morality," babe, and you know what I mean. To Geoff Cavalier, many thanks for peanut butter and jelly sandwiches and making me laugh at myself. To Christina Hawk, almost anything I leave you is a part of yourself that you gave to me. I can't begin to count all the times we laughed, nor the times we ditched school, only to come back. I won't fall out of cars if you don't drive the wrong way down streets. Lastly, (leastly??), to Ms. Wetzel, I leave you a bowl of black cherries, and a video to "The Witches of Eastwick". That's so negative; loosen up babe!

The 1987 season began on a down note with a 14-0 loss to Vilseck. Not long after that it was apparent that this team could possibly be the best ever at Fulda High. Five victories were to follow! The highlight of the season was the comeback victory at Karlsruhe and the blow-out of the German National team in the Nordheim Bowl in Recklinghausen. This team set about 15 new records and became the first winning team at Fulda at 5-3. The 1988 team will feature many of the same players — with dedication, maybe 1988 will be the year of the Falcon! 1987 season record (5-3):
 Fulda 0 — Vilseck 14; Fulda 51 — Soesterberg 0; Fulda 12 — Osterholz 8; Fulda 7 — Berlin 36; Fulda 14 — Bad Kreuznach 7; Fulda 0 — Giessen 34; Fulda 20 — Karlsruhe 14; Nordheim Bowl — Fulda 52 — German All- Stars 19.

Rhayda Barnes, Michelle Grzebski, Aimee Watts, Natoshia Lott, Renee Hagins, Shannon Markvicka, Christy Eller, Denise Lehrman, Mildred Cawthon, Kelly Cavalier, Shari Benedict, Balinda Hagins, Shandy Kelsey.

The Junior Varsity team had spirit. No matter which direction the game was going the girls stuck together 100%. The team spirit the team exhibited allowed them to become friends with all of their rivals, which brought on large cheering sections for most games. Markie Troutman, the team captain, was chosen as the JV teams most valuable player. Whitney Torpey, the teams co-captain, continually pulled the team along, boosting spirit and morale. Maria Contreras was chosen the most improved JV player.

Grace Nishikawa, Nikki Caloway, Markie Troutman, Whitney Torpey, Mandy Hauser, Kate Bolen, Jennifer Baer, Michel Muller, Kim Schantz, Taresa Lavulo, Chantal Henry, Maria Contreras, Denis Lehrman, Kelly Cavalier, Andrea Walton, Stephenie Turner, Christy Eller.

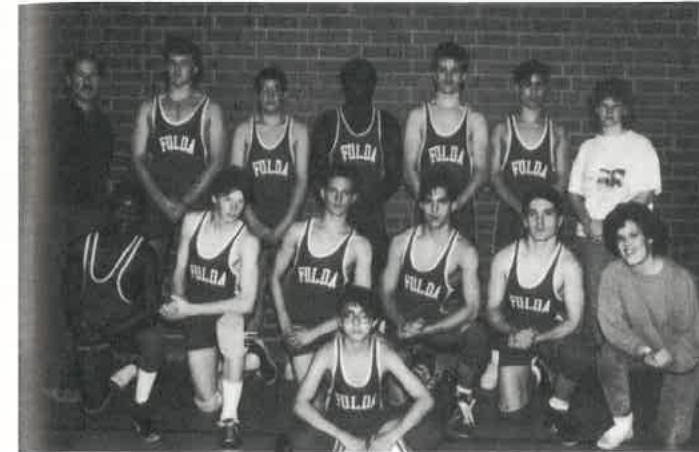

Although the 1987 season was not the best as far as wins for the Varsity volleyball team they should be very proud. The team played very well, taking most games to three matches. Michelle Grzebski, the teams' captain, received two important tournament awards. Michelle was also chosen as the most valuable varsity player. Rhayda Barnes, the teams' co-captain was awarded honorable mention at the Giessen tournament.

TENNIS

The Fulda High School had a very successful tennis season as the girls team won their first ever league championship. Led by No. 1 seed Heidi Detamore the girls won all 5 of their league matches members of the girls team include Jenny Rupp, Leanne Mangan, Margo Miller, Katie Morris, and Kim Sampson. The boys team didn't fare as well, but they did a great job! The boys led by Senior Jerad Jennings and also consisted of Corey Markvicka, Chad Hutcheson, Eric Strabala, Martin Buzak, and Mark Miller.

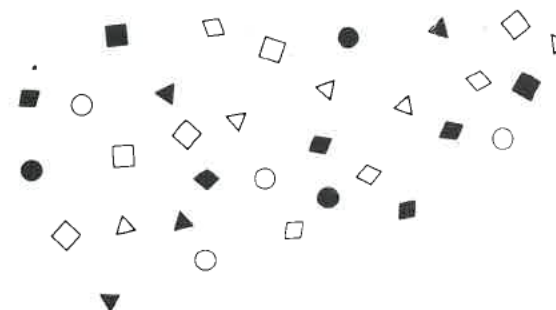

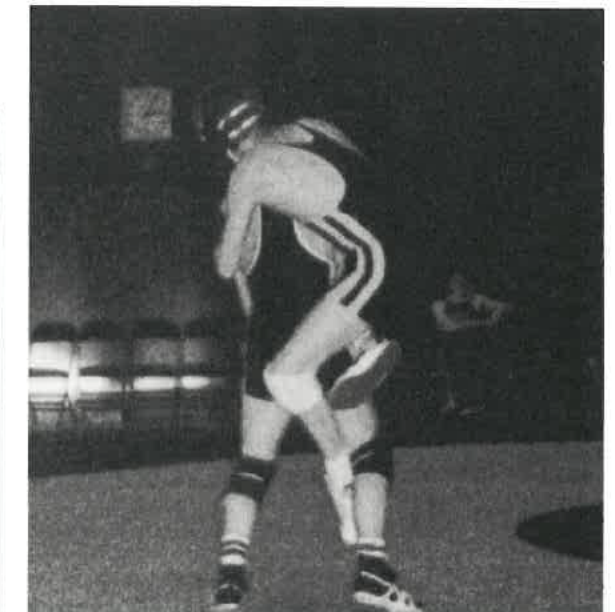

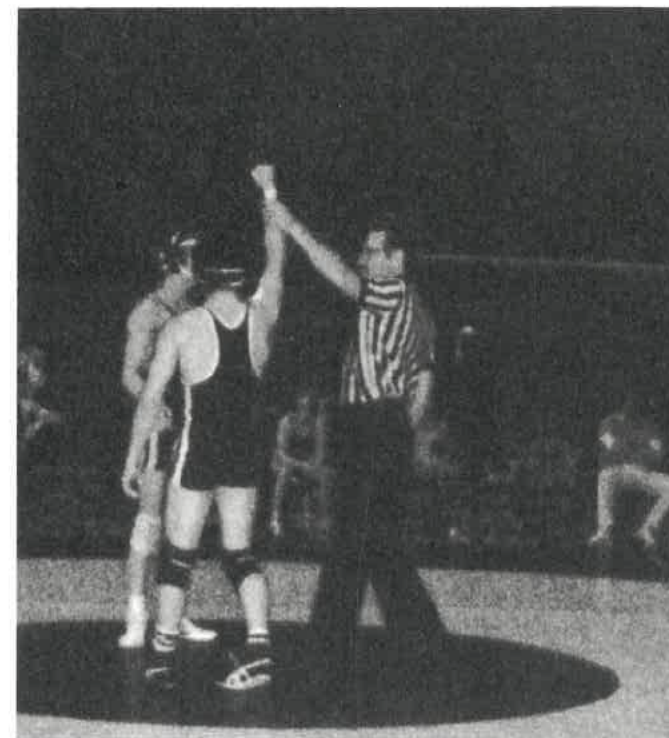

WRESTLING 1987-88

Front row: Fred Gauna
Second Row: Jamie Barnes, Mike Brisko, Tony Gillott, Tom Whitley, Jason Maples, Teresa Lavulo.
Third Row: Coach George, Rob Neufeld, Mike Libby, Clifton Cunningham, Jay Harris, Tito Cruz, Stacy Bryer.

The 1987-88 Wrestling season saw a new wrestling program on the rise at Fulda High School. Previous years had seen a relatively small group of young men participating in the sport. This was the year of the GREAT turn around. Led by European champion Jason Maples the wrestling team compiled a dual record of 7-6 and finished out of 1st place in the conference by only 12 points. All but 2 of the dual meet losses were to much larger AA and AAA schools.

At Regionals Jamie Barnes, Toney Gilliott, Jay Harris and Jason Maples led the team to a 2nd place finish among A schools. Barnes, Gilliott and Maples continued on to finals at Ramstein with Maples capturing the championship. Returning wrestlers for 1988- 89 include Fred Gauna, Mike Brisko, Jeff Nishikawas, Tony Gilliott, Tito Cruz, Jay Harris and Robert Neufeld.

JV AND VARSITY BOYS BASKETBALL

The Fulda Men's basketball team ended non-Conference Play with a 4-0 record. After conference splits with Osterholz and B.K. and a sweep of Berlin. The Falcons entered the hardest part of the season at 4-2. Two hard fought losses to Giessen and two losses at Karlsruhe left the Falcons with a 4-6 record and tied with B.K. for 3rd place in the Conference. However, a play-off loss to B.K. at Hahn dropped Fulda to 4th place. Overall it was a good season despite some dissappointments in individual and team play along the way.

Scores by Team:

The JV basketball team finished with a record of 4 wins and 8 losses. Although this record was not what would be considered successful it was not a true picture of the team's performance. Four of the losses were by 3 pts. or less with one loss going in overtime. The team was in every game but inexperience was often quite evident as leads disappeared. The team displayed a great attitude, learned a lot about the game of basketball and also contributed to the Varsity program by helping them in practice.

The girls junior varsity basketball team had a great deal to be proud of this past season. With several inexperienced players on the squad, no one would have predicted a winning seson of six wins and three losses. Here's a look at the season's schedule:

Fulda	14	—	Vilseck	10
Fulda	14	—	Vilseck	9
Fulda	14	—	Soesterberg	20
Fulda	35	—	Osterholz	20
Fulda	26	—	Osterholz	18
Fulda	18	—	Berlin	14
Fulda	14	—	Giessen	26
Fulda	10	—	Giessen	24

One game was cancelled against Soesterberg because of the late arrival time of our bus. We also did not play against Bad Kreuznach and Karlsruhe because they did not have Junior Varsity Teams. Mayi and Jenny were co-captains of the squad. Grace, Gina, Mayi, and Nikki will all receive JV letters.

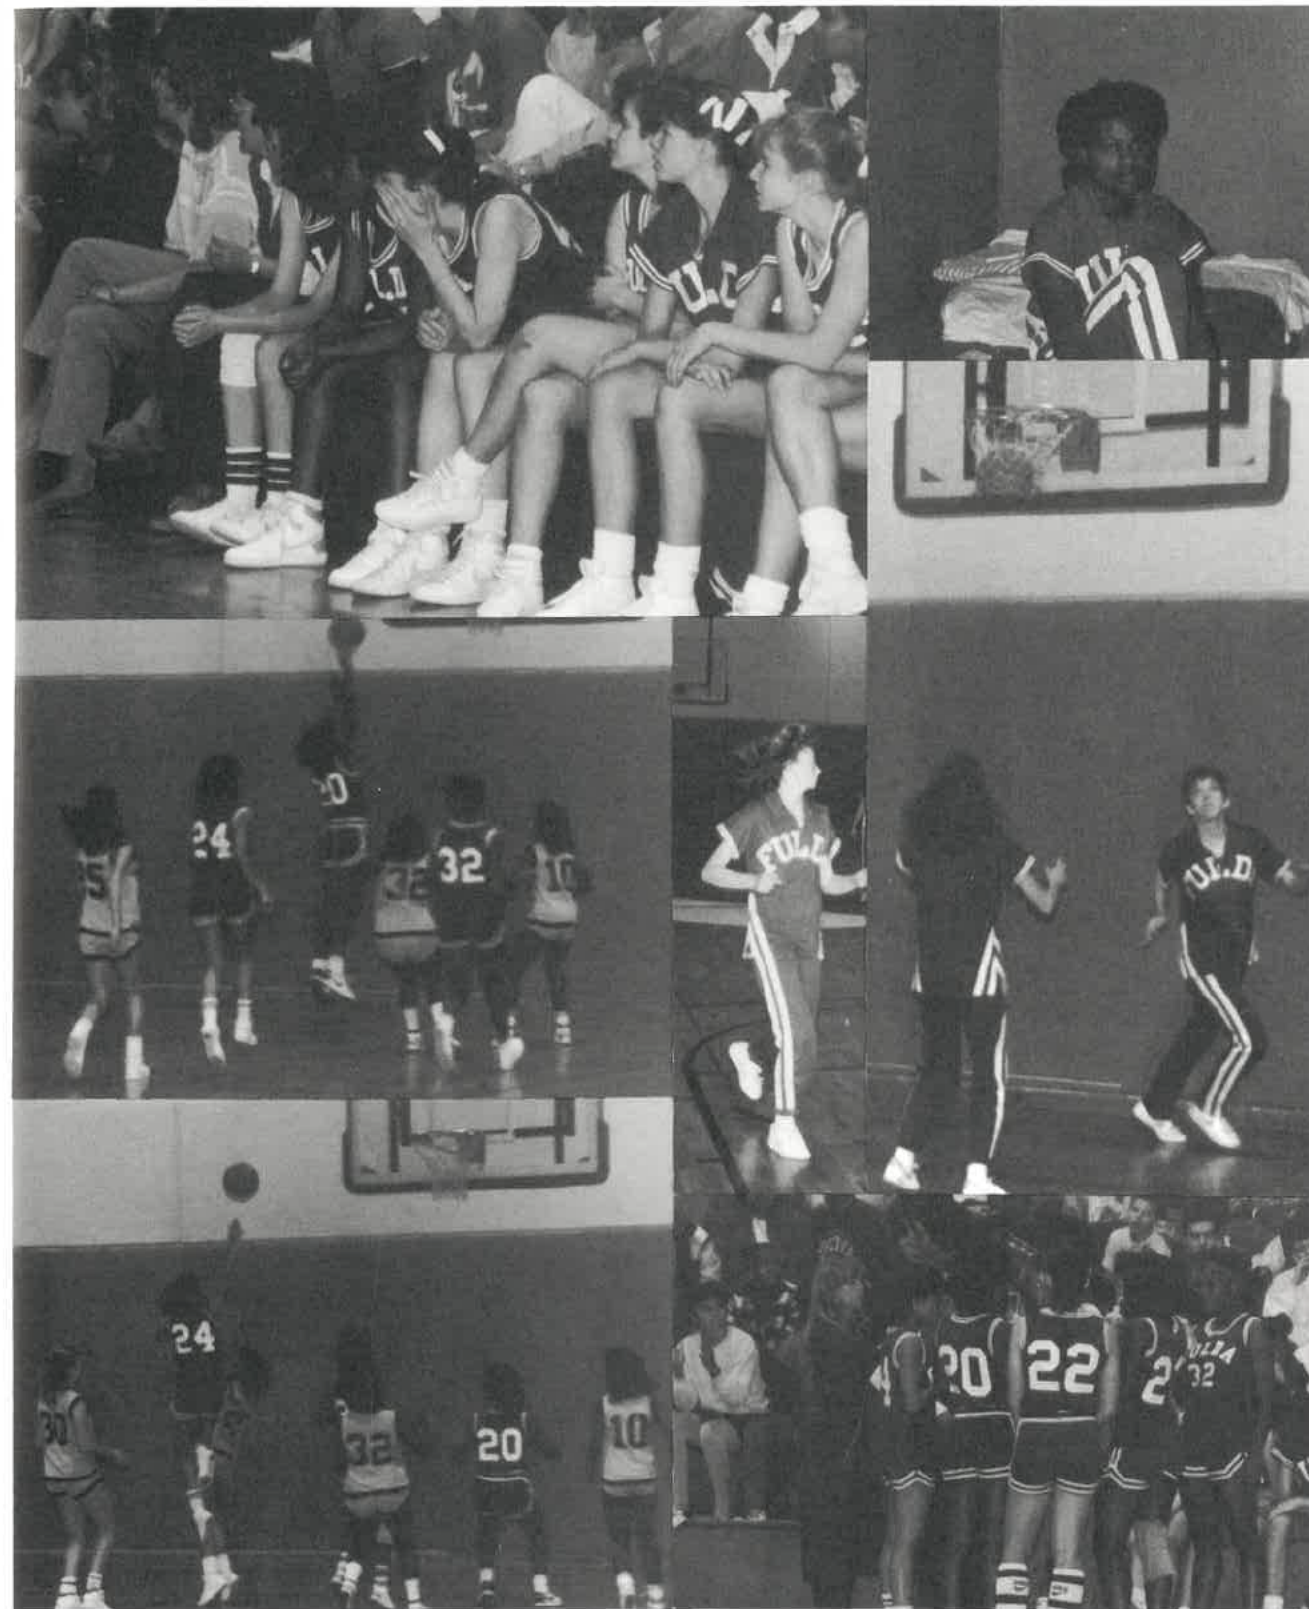

Front Row: Markie Troutman, Shari Benedict, Heidie Detamore, Margo Miller, Rhayda Barnes. Second Row: Lisa Skillum, Michelle Grzebski, Jenny Rupp, Kell Bowers, Sue Rupp, Mildred Cawthon, Manager — Kelly Cavalier.

Lisa Skillum led all scores with an average of 18 points and 9 rebounds per game. Lisa was also named most valuable player of the tournament in Hahn. Sue Rupp and Markie Troutman both averaged 10 pts. per game and the three were named to the All Conference Team for 1987-88. Mildred Cawthon was second high in rebounding — averaging 8 per game and 7 pts per game. The Starting team was rounded out by Rhayda Barnes and Heidi Detamore. The girls did a super job and we are all VERY proud of them!

F. H. S. VARSITY AND JUNIOR VARSITY CHEERLEADERS 1987-1988

Our season began in April, 1987 with the selection of our squad. Members chosen were: Shetonjela Barber, Doreen Yon, Julie Diamond, Jovanna Lopez, Becky Sutton, Leigh Bonds and Chris Curry as "Falcon". Practice began the first part of May and continued throughout the summer. Practices were held three evenings a week. In Sept. we attended, along with 500 other cheerleaders from all over Europe the NCAA Cheerleading Camp. Our squad achievements at camp consisted of capturing 2 superior and 1 excellent ribbon for our performances during the three days. A trophy for the most improved squad, and most importantly one of the eleven spirit sticks awarded at the end of the camp. Our highlight of the football season was to participate in the German-American football game held in Recklinghausen. After football season we lost Leigh Bonds from the squad, and gained Shandy Kelsey. Our highlight of the basketball season was to place third in the Central European Cheerleading Competition. A first ever for a cheerleading squad from Fulda.

Kenitha Gilland, Melanie Engler, Cheryl LeBlanc, Rene Ballaert, Temekia Sanders, Claudia Kramer.

Tryouts for the junior-varsity basketball cheerleaders were held the beginning of November, 1987. Members selected to this squad are Melanie Engler (Captain), Rene Ballaert, Kenitha Guillard, Temekia Sanders, Cheryl LeBlanc and Claudia Kramer. These six girls need to be congratulated for their hard work and for making history at Fulda High School as being the first junior-varsity cheerleading squad! Great job girls!

We are looking forward to a challenging season. We have 35 interested student-athletes; with being one week away from the first day of practice. Our schedule has us meeting Munich, Osterholz and Bad Kreuznach on the road and hosting Karlsruhe, Berlin and Giessen at home.

1988 marks the first time that Fulda High School will have a gymnastic team competing under the Falcon Banner. The team and I have high expectations and I am sure that by the end of our first season that our competition will see us as a force to be reckoned with.
