9. Thank you for shopping at AAFES.

In 1985 we started our walk through High School. Slowly but surely we made it through our freshman and sophomore years. As upperclassmen we really made our mark. During our Junior year we put on the best Prom Fulda High School has ever seen. It was June 4, 1988 at the Grillenberg Castle. As Juniors we raised more money than any other class in the history of Fulda High. As Seniors we have, most definitely engraved our name in the school. We co-sponsored another great Prom at Grillenberg Castle. We had great athletes, great scholars, and best of all great friendships. On June 4, 1989 we had our Baccalaureate at St. Michael's Cathedral in downtown Fulda. On June 9, 1989 we graduated at the Schloss theater in Fulda. We said goodbye to many important people in our lives and moved on to make our individual marks in the world.

IN MEMORY OF DERRICK KENNEDY

The Class of 1989 dedicates the senior section of the 1989 yearbook to our friend Derrick "Bubba" Kennedy. Although he is dearly missed by all of us the memory of his smile and his friendliness will remain with us throughout our lives.

Thanks

The Junior Class, or the class of 1990, made their mark by being part of the school and by showing their spirit.

In the halls of the Fulda High School the Junior spirit and character is hard to miss. What would Natoshia be like without her bluntness? What would Katie be like without her "Oh joys", Noel without her "A-Na-Na-Na-Nan", Angel without her accent, Tito without Benetton, David Smith without his wit and charm, and one question we leave you with: What would the Junior Class be without Elmo?

Using our character and spirit is how we accomplished our biggest feat: raising enough money to make the 1988-89 PROM the best at FHS. It was held in the Grillenburg castle, and was carefully decorated and put together by very supportive Juniors and Seniors.

The Seniors decided this year that since it was their PROM after-all, they would help us pay and decorate, that way they would have a say in what went on.

After many, many bakesales and other creative fundraisers that were held, the 1988-89 PROM was a great success.

In closing we would all like to give a big THANKS to Ms. Laakman and Ms. Hauser for everything!!!

THANKS!!!!

OFFICIAL JUNIOR STRESS MONITOR

Sure, you've seen other tests: the PSAT and maybe the SAT, Algebra II finals, English essay tests. But now, here is the Official Junior Stress Monitor. Are you stress free? Can you cope with the little struggles of the junior year? Answer the following questions and find out.

1. How many books do you carry home each night?

- A. 0-5
- B. 10
- C. 100
- D. more than 100

2. Along with homework, is your evening filled by a sport, a job, etc?

- A. yes
- B. no
- C. yes, once
- D. I can't remember, I'm

too busy

3. In how many subjects do you realize at 10:30 p.m. that you still have homework?

- A. one
- B. two
- C. three
- D. all of them

4. How many of the books needed above are locked safely in and guarded by chain link fences in your locker at school?

- A. one
- B. two
- C. three
- D. all of them

5. How often do you find yourself consuming Roloids and aspirin for ulcer-like stomach pains and migraine head-

aches?

- A. during finals
- B. when report cards come out
- C. whenever I open a school book
- D. all of the above

6. How much coca cola or coffee do you drink each night to enable your eyes to stay open for the hours of homework awaiting you?

- A. I share one cup with a friend
- B. one cup
- C. one quart
- D. between a liter and a gallon

7. How often do you have the feeling that people are out to get you?

- A. never

- B. about once a month
- C. at least once a week
- D. whenever I turn on Mr. Rogers Neighborhood

8. Have you ever mistakenly added water to the acid and found yourself having an intimate conversation with Mr. Smith?

- A. no
- B. I've never tried it
- C. almost
- D. no he wasn't at the emergency room when I got there.

9. What is the longest amount of time, you've ever spent on homework in a 24-hour period?

- A. none
- B. 15 minutes to two hours.
- C. one to two hours
- D. 23 hours with short

breaks for the telephone, bathroom, and food

10. How often do you, in the midst of a test, find your memory suddenly void of anything pertinent to the exam?

- A. Only in certain subjects
- B. whenever I didn't study
- C. one out of every three tests.
- D. every time I remember to write my name on the top

11. Did you feel stress while taking this test.

- A. no
- B. just a little
- C. yes
- D. no-do you have a Rolaid?

For every A-0, points; B-1

points; C-2 points; D-3 points.

0-8 Your stress level is low. Are you sure you're in high school?

9-17 Moderate stress level. You can safely finish your homework.

18-25 Higher level, be careful . . . any additional responsibility could push you over the edge.

26-33 Extreme stress. You qualify to be a typical junior.

SOPHOMORE SATURDAY NIGHT

A saturday night is a time for entertainment or just relaxation from school. This survey will give you a chance to rate yourself on what kind of Saturday night you preferred the most. Were you a party animal or an appreciator of quiet moments?

1. How much did you spend on a typical Saturday night?

- A. over \$10
- B. between \$1-10
- C. none, why should I waste my money going out?

2. What fast food restaurant did you go to?

- A. Burger Bar
- B. McDonalds
- C. Snack Jack

3. How many people did you go out with?

- A. a large group of people of five or more
- B. 1-4 people
- C. 0, I'm a loner

4. How much homework did you do on a Saturday night?

- A. none. Maybe Sunday night at 10 p.m. I'll start
- B. I'll read a chapter in a book
- C. all homework due Monday plus I get a head start on

next week's

5. If a friend called on the phone and invited you to go to a surprise party for an acquaintance, what did you do?

- A. ask when the party is and ask your friend if he would drive so you can party
- B. say you have already made plans to go to the movies with an out-of-town friend.
- C. tell your friend you have to wash your hair that night.

6. If a big dance was this Friday and it was traditionally the best of the year, what would you do?

- A. you and a group of friends will be partying before the dance and you will be the last to leave
- B. well, I guess I can go for about an hour to make an appearance
- C. I'd rather watch Dallas on television

7. What did you say most often on Sunday morning?

- A. "ohhhhh... I need an aspirin"
- B. "I'll sleep in just a little longer"
- C. "I'll get up and run a marathon"

Congratulations you have completed the big exam, and can award yourself 3 points for A, 2 points for B, and 1 point for C. If you scored between:

0-7, you enjoy a quiet evening at home sitting in front of the fire reading a good book or enjoying a good friends company. You are boring!

8-15, you enjoy a frequent get together with a few folks or catching up on some homework but really enjoy a family vacation.

16-21, you love having a great time out with a large group of friends and worry about your homework on Sunday night at 10 p.m. you are the ultimate party animal. Hopefully you'll graduate some day.

1

1. "We call them Dave and Tina but They're really Biff and Muffy!!"
2. Wait there is still one more act!"

2

1. "Aren't they quaint?"
2. Give Tiff a sucker and she'll finally quiet down.

The 8th grade has been very successful this year. We set some very high standards and we accomplished them all. We got together with the 7th graders and hosted a Homecoming. We also had bake sales and a car-wash. At the end of the year we went on a class trip to Holiday Park and had a dance.

We would like to say thanks to Mrs. Leisman for putting all her time and effort into the 8th grade.

The 7th graders had a very successful year this year. Being very strong and eager to make their stand in a High School, they worked hard and made it possible to have a 7th and 8th Homecoming.

Together with the 8th graders they sold tickets, held a bakesale and raised enough money to host their own Homecoming dance.

After reaching this goal they never gave up and hosted another dance at the closing of the year. Having their organizational class meetings on Wednesdays they were successful in getting their plans off the ground.

They leave a special thanks to their sponsor Ms. Liesman and to all their classmates who helped to make this a great year.

Students at Fulda American High School enjoy a wide variety of activities both internally and Germany-wide. Because of our talented students, we often have a disproportionate (on the positive side) number of students participating in DODDS - Germany events.

Internally, the Student Council provides positive leadership in the school along with the class officers. National Honor Society, FBLA, the drama club, the computer club, the science club all are active groups at our school. The instrumental and choral groups continue to impress their audience with the quality of their performances.

Fulda American High School is always more than represented at the Science Symposium, at the Jazz Festival, in the Honor Choir and Honor Band selections, and the Creative Connections Workshops.

Whenever we travel to various events, throughout Europe, the quality and maturity of our students is always noted by those hosting those events. Our students continue to uphold the proud and emerging traditions of Fulda American High School.

CWE: THE PLACE TO BE

CWE is the Cooperative Work Experience program at Fulda High School. It is a super program for students who have adequate graduating credits, need vocational educational credits, and want on-the-job training in fields of their interest. This program is open to all 10th, 11th, and 12th graders and also offers them opportunities to research different careers, learn how to apply for jobs, conduct a job interview and other work related activities through reading assignments and individual projects in the CWE class.

CAREER DAY

Fulda High School held its 3rd annual "Career Day" on Wednesday, May 4, 1988. Thirty speakers from the Fulda Community came to share their professional expertise with our students. Examples of topics covered were Computers; Accounting; Dental Assistant; Cosmetology; Careers in Early Childhood Care; Musical Opportunities after High School; Physician; Attorney at Law; Engineering; Secretary; Nursing; and Marketing. We thank everyone who participated to make this an extremely successful and informative day.

YEARBOOK

The 1988-89 Yearbook Staff has done a great job. The staff included students from all grade levels. After the initial workshop the members set off in the directions best suited for them. Some collected ads to help finance the book, some arranged to take pictures of various organizations and teams, others took on the tedious yet rewarding job of putting the book together. A lot of long hours were spent by these hard working students. The entire staff came together periodically to do community fund raisers. Financially this year was good. With our profits we were able to buy 2 yearbook cameras and plan to improve next year's book with the additional profits.

SCIENCE CLUB AND SCIENCE RESEARCH SEMINAR

The science club and the research participants were off to a rather slow start this school year (1988-89) being our first year of organization and operation.

The club meets each Tuesday during lunch hour (11:50-12:25) in room 11. Our officers for this school year are as follows: President - Michelle LaLonde, Secretary - Erika Mauser, Treasurer - Erika Mauser, Sponsor - Michael J. Harris. The science club members have sponsored guest speakers for our classes. The first speaker was M/SGT LaLonde - Meteorologist for Sickles Army Airfield. Our future plans include field trips of inter-

est in the central Germany area, adoption of recuperating wildlife from a rehabilitation center, and others. The Science Research Seminar Participants selected for the first meeting in Frankfurt were;

RESEARCH TOPICS Aaron Dale & Fred Guana - The Effects of Caffeine on Beans Richard Hendricks - Crystal Structure and Hardness Angela Williams - Racial Differences in Short Sprints Dates were: 11-13 Oct. '88 Held at Youth Hostel. The Science Research Seminar Participants selected for the second meeting in Stuttgart were: RESEARCH TOPICS Richard Hendricks - Crystal structure & Hardness Michel Mueller -

Crime Rate and Full Moon Tanya Riddle - Carnivores Chris Rogers - The Mystery of Stonehenge Larissa Slauson - Alcohol Intake Among High School Students Evan Uchiyama - Astronomy Dates were: 13-16 Dec. '88 Held at Youth Hostel. Hopefully, most of us will attend the final DODDS - Germany presentations of research results at the Junior Science and Humanities Symposium held the end of March and 1st of April 1989 in Heidelberg. The laureates of Europe will then be selected to present their results at West Point, N.Y. in May 1989. Good Luck to all!!!

NHS

The Fulda Chapter of the National Honor Society was very active during 1988-89. The NHS sponsored the Brain Bowl, the Student/Faculty Basketball game, the regular induction ceremony for new NHS members, and the Academic Awards Assembly. Outstanding participation in NHS this year was contributed by Chris Rogers, (Brain Bowl and Student/Faculty game chairperson), Shandy Kelsey, (induction ceremony chairperson). The NHS goal for this year was to contribute a \$500 scholarship to the Fulda High Scholarship program. Working with the Booster Club to sell at the food booth at home basketball games, bake sales, and the student/faculty game made this goal a reality.

MEDIEVAL DINNER

On December the 14th 1988 Mrs. Wadworth's World History Classes held a feast as part of their studies on the Middle Ages.

A Medieval feast for lunch was quite a treat. There was beef, turkey meat, potatoes, wassail, and other delicious foods. We toasted to our guests of honor, "Wassail!", and then toasted to each other, "Drinktail!". Afterward we were treated to the carol "God Rest Ye Merry Gentlemen" by our excellent chefs.

ATHLETICS

After struggling through the infancy of a new high school's athletic program the past few years, Fulda American High School's teams have matured and have now become a force to be reckoned with throughout Europe. Teams no longer look forward to competing against Fulda to improve their records, but now dread the thought of competing against the Falcons. During the past twelve months the athletes of Fulda American High School have put Fulda on the map. Conference championships have been won in Football, Basketball, Tennis, and Soccer. European Small Schools Champions have been won by the girl's Basketball team and the Football team. The "FALCON FEVER" generated by these successes is contagious and will certainly have a positive effect on the athletic legacy at Fulda American High School for years to come.

The 1988 Football season began amid great hope for a championship season. The Falcons featured a return of 17 lettermen and 11 seniors, the most ever. In the pre-season Jamboree against Bonn, Bamberg, and Zweibrucken, the Falcon offense sputtered at times, but was strong enough to dominate even "A" Zweibrucken. The defense on the other hand showed early that it was going to be a force to be reckoned with. The regular season began at Soesterberg - or should we say, exploded. The Falcons led 31-0 at the end of the first quarter and coasted to a 66-0 route. Bad Kreuznach went down in flames a week later 26-6 followed by

Ansbach 18-4. The team had a week off to reload and the conference play against the "Big Boys" began.

Baunholder came to town with lofty ideas having played "AA" the year before, they left belly up or "the Falcons pounded them 44-13." Next for Homecoming old arch-rival Osterholz came to visit and bit the bullet to the tune of 38-0. Then came ... Berlin. The Falcons had never beaten the bear and a late kickoff return kept the Bears record perfect as they upset the Falcons 32-28. Not to worry, the Falcons went back to work, destroyed Giesen 38-6 and then prepared to enter the playoffs in hopes of getting another shot at Berlin.

Augsburg, the "A" South Champion was the first road-block. The Falcons didn't even breathe hard, Fulda 42 Augsburg 8. Then finally it was rematch time - for all the marbles - the national Class "A" Championship. The game began as a defensive battle, with the teams exchanging TD's in the first half. The second half was different. The Falcon show was on - the final was total destruction - payback time was oh-so-sweet. Fulda 40 Berlin 6. After much hard work and dedication the smallest school in class "A" had done it ... Fulda Falcons the Class "A" National Champs!! THE WAR BIRDS!!!

VOLLEYBALL

FALCON VOLLEYBALL 1988 The Fulda women's Volleyball Team opened their 1988 season with little experience but much enthusiasm on Sept. 17 at Bonn. Although the lady Falcons lost their three matches, they gained valuable game experience which enabled them to win their first conference match the following week against Osterholz 2-0. This conference lead was shortlived, however, as the Falcons were only able to win one more match (against Bamberg 2-0) the rest of the season.

The Conference Tournament in Giessen brought a rematch with Osterholz, which Fulda lost in three close games. A loss to Berlin in the second match ended the Lady Falcons Tournament hopes and their season. Fulda finished the season with an overall record of 2-13 and a conference record of 1-5. Amiee Watts led the Falcons in spikes and kills and received honorable mention All-Conference honors, while Shari Benedict lead the team in serving.

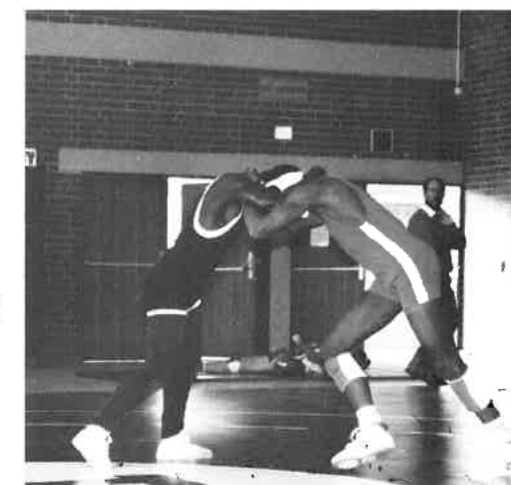

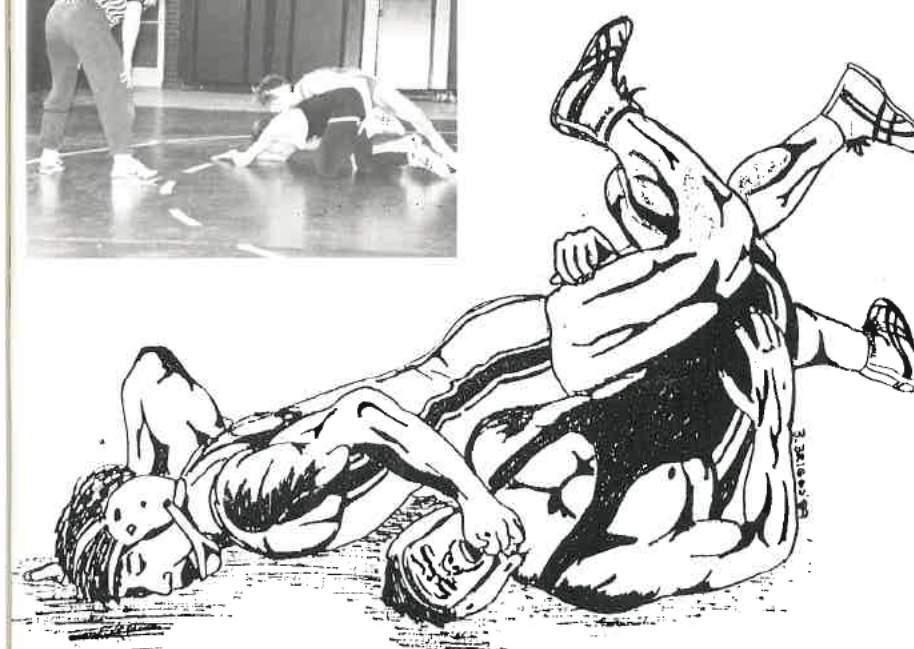

Although unable to win a match, the junior Falcons finished their season successfully from the standpoint of experience and fundamental improvement. The JV team played over half of their matches to three games that could have gone either way.

CENTER RIGHT: Maria Contreras instructs those interested in the finer points of the game. BOTTOM: The ladies wait for the usual mess hall breakfast. A favorite of one and all.

WRESTLING REPORT 1988-89

The 1988-89 Wrestling Team was a young one. Not a senior graces it's ranks. After losing all but 2 out of 13 wrestlers from the year before everything was pointing to a long season. The long season was not to be, this year's team was very successful! 6 dual match victories and 2 Central European wrestlers exceeded expectations. Led by Regional runner-up Luis Ares and returning letterman Jay Harris this year's team had much to be proud of and expectations for next year are high!! Other outstanding wrestlers were Jeff Nishikawa, Fred Guana, Haron Townsend, Mike Brisko, Jamie McDonald, William Kennedy, Buddy Briggs, John Schwind and Denny Doctor.

GIRLS BASKETBALL

The Girls Varsity BB Team after having lost most of last year's squad was in a "re-building" year which saw many personal successes and growth. While the girls only won one game, the season was one of learning both skills and how to work with other team members. The squad was led by Jenny Rupp and Kelly Bowers in scoring and rebounding with Carmen Ares a sophomore, also adding points and rebounds. Trina Gonsalves was named MOST IMPROVED.

If a win-loss record was the only criteria to judge the success of the 1988-89 Girls Junior Varsity Basketball Season, it might be easy to say that we were not very successful. However, if effort, determination, and improvement are to be considered, the JV Girls did indeed have a good year.

Fulda's JV squad was young and inexperienced so we spent a great deal of time on basics. All the hard work paid off when we were able to defeat Berlin for only one win of the season. Nevertheless, the progress we did make should give us something to look forward to and something to build on for next year.

The 1988-89 Team consisted of Cami Addison, Mashanda Clark, Tracy Hackworth, Natalie Heinzl, Jessica Orebaugh, Becky Rangal, and Leslie Seymore. Our manager was Dana Queen.

BOYS BASKETBALL

The Falcons started the season strong, splitting with Karlsruhe and Augsburg. Then injury, grades and the loss of players took its toll. The team finished with a 2-10 record overall and a 1-9 record in the Conference. At the Southern Small Schools Tournament the Falcons fared a little better. In the first game Fulda defeated Bamberg in overtime and then lost to eventual Tournament Champion Munich. With a large number of this years players returning, things are looking better for next years Falcon Team.

The Fulda High School Junior Varsity Basketball Team was a group of hard working young men. Composed of mainly Freshmen, they faced mainly teams made up of upper classmen with Varsity experience. They fought hard and played to win, regardless of the make-up or record of their opposing team.

GYMNASTICS

The Fulda High School Gymnastics team had a great year in '88. They proved that numbers were not everything. In their first year they finished fourth in their league even though they were missing four spots in the senior and junior division. They showed schools three times their size that Fulda was a force to be reckoned with. Individually all the girls did fantastic — most have ribbons and awards from each meet they competed in at Central European Championships, Fulda had the top Class III gymnast out of nine schools and 55 competitors — Amanda Hauser brought this honor home from Wuerzburg. She is back this year along with three others that were on the '88 team, and three juniors in which two are veterans of gymnastics competition and you have . . .

1989 SOCCER

The 1989 soccer season arrived this year with open arms. The boys and girls teams have been participating in fund raisers and other activities to ready themselves for this year. The boys team hoped to be successful this season and took an optimistic attitude toward playing other teams. They impressed the other teams with their good sportsmanship whether they lost or won.

The girls 1988 A Central Championship team had to defend their title this year. This year's team consisted of several promising newcomers and returning players that contributed to the success of this season.

CHEERLEADERS

The 1988-89 Cheerleaders have soared to new heights during football and basketball season. The Falcons placed 4th out of all the cheerleading squads in Europe and came home with a spirit stick this summer. During basketball season the cheerleaders placed first in Single A competition. The cheerleaders have brought a new meaning to spirit in Fulda and have been an encouraging force behind our teams.

AUDI 100

the unique automobile

More options more luxury, more value

So many luxury cars claim to be "completely" equipped, but you may be paying for unwanted options. Audi is now offering seven selections of special equipment for the Audi 100 or the Audi 100 Avant. You will find that Audi has the equipment of your choice at a very fair price. Also there are advantageous financing options and extremely economical leasing. This is what we call a unique automobile!
