Day of the Living Dead

Ms. Ware put a little spice into her senior English classes. After reading an autobiography each senior had to spend a day portraying their character. They had to dress and act the part. It was a day when some living became the dead.

Do you always dress like this?

Hey, Kim Norman, does it look good?

Every year at Fulda American High School we invite our German neighbors to take a peek inside our school. This year Mrs. Warrick's Tag class sponsored a visit from an all girls' school in Fulda. Strange faces were roaming the halls until after lunch, at which time everyone headed out for the tanks! After an awesome tour tanks! After an awesome tour of Fulda's Armor, we bowled with our visitors.

It's What We Do For Spirit Week

Dance, parade, spirit competition and crowning highlights of Homecoming Celebration

Homecoming Week, better known as Spirit Week was a hit with the students. Ms. Hauser said, "In my 10 years here, this has been the most spirited." Each day had a special theme such as twins, beach and blue & white day. Each class was given points for their participation. The school was in rivalry to earn spirit points for dress, spirit links and games. Seniors won the spirit link competition, Sophomores won the spirit stick and Freshmen won for over-all spirit during the week.

The Wrestling Team, coached by Mr. Fele-

Thanks to Fulda's coaching staff and players, the Falcons had another winning season. The young and inexperienced team won 5 of their 8 games. The game played against SHAPE was one of the most exciting games in many years. It was a heartbreaking loss when time elapsed before Fulda could complete the winning drive.

1991-92 Yearbook & Talon Staff

The unsung heroes of Fulda American High School: the yearbook and newspaper staffs. These students and teachers worked many hours behind the scenes to make a written and pictorial record of the 1991-92 school year. Somehow, the rest of the student body never realized the number of overtime hours that were spent to bring them the Falcon Talons and the 1991-92 Yearbook. In spite of the limited recognition they received, the staff members trudged faithfully forward to ensure that, when the students who attended Fulda American High School during these past two years looked back from their rocking chairs at age 84, there would be something to vividly remind them of their younger, more active Kashia Gilmore types copy for the days in Fulda Germany.

The 1991-92 school year has been a very busy time for the Future Educators of America. FEA members presented a workshop and cooperative learning demonstration at the annual meeting of the Association for Supervision and Curriculum Development at Ramstein. The group's presentation was so impressive that they were invited to present an inservice to the faculties of the Berlin Elementary and High Schools. In addition to presenting whole-class demonstrations of various learning strategies at workshops, the FEA has been actively involved in the organization of "Celebration of Teaching." This is a one of a kind in DODDS schools. Funding is provided by the support of the Geraldine R. Dodge Foundation, The Fulda PTO, EM/NCO Wives Club and the Border OCWC.
