OIC - NSA Det - Gaeta, Italy.

This second Joshua Barney School Yearbook once again reflects the teamwork of the Faculty and Student Body and truly depicts the Bicentennial Spirit which started with the U.S. Navy's Birthday in "75" and our Nation's in "76". I know that J.B. School has made 1976 a rewarding year for the students and the Gaeta Community and has also helped strengthen our ties with the Italian Community. I will always share your pride in your marvelous school.

ITALCO-AMERICAN CHRISTMAS TIME

It has become a tradition at J.B. School that we celebrate our High Feasts with students from the Italian Schools, who in their own way and tradition add a touch of vitality and happiness. Our Host Nation Teacher Mr. Roberto Mari helps to coordinate the efforts of one and all. The mixture of cultures always provides for a better understanding of each other needs and desire.

6TH FLEET BAND CHRISTMAS CAROLING

Chief Rainhardt our music teacher led us in songs

Those ever-present 6th Fleet musicians

The contributions of the 6th Fleet band and singers under the leadership of Chief John Reinhardt and WO Larry Gatewood have been many and varie throughout the year. These two gentlemen helped fill the musical gap in our school program and provided the musical punctuations to our holiday celebrations, dances, and general appreciation of the music world.

PARENTS AND THE SCHOOL

PTA-Sponsored Activities provided a source of income spent on students and student-related needs, but were also an opportunity for the adults to share with their children the fun and festivities of the celebrations.

Parents helped throughout the school by volunteering for such diverse activities as the Bucket Brigade, Lunch Duty, Study Trips, Room Mothers, Library Aides, Sick Room, and many more Thank you, one and all!!!
