**The PTA Board
extends
sincerest congratulations
to all classes of 1976-77
and
wishes to thank all the
parents who have helped
make this school year
successful**

TO THE CLASS OF '77

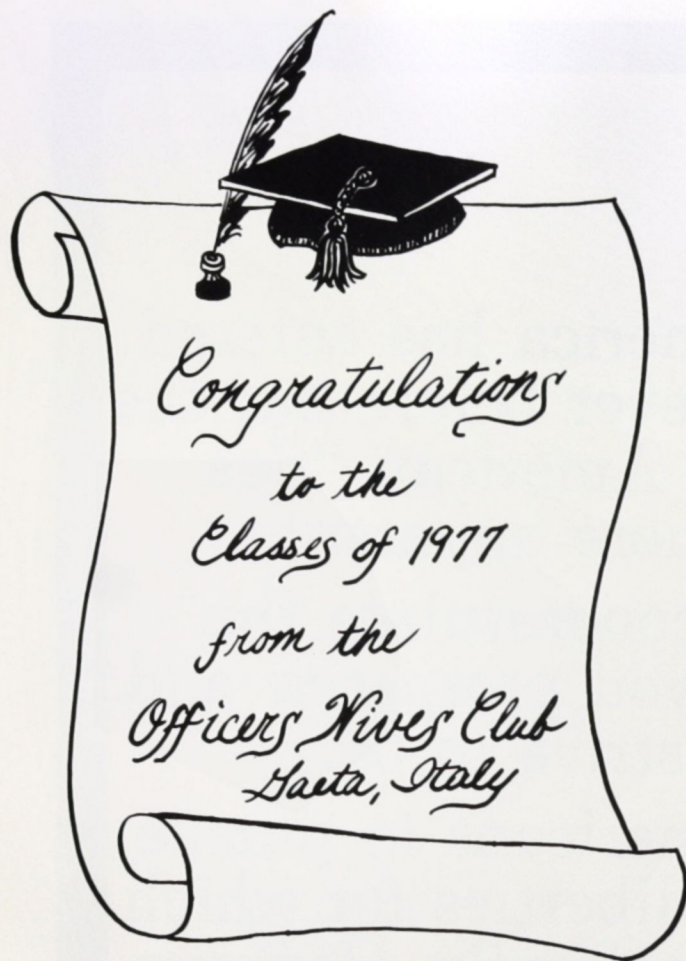

The USS ALBANY CPO Mess congratulate the Joshua Barney Class of 1977 and wish them success in all their endeavors.

To The Class of '77,

The United States of America has entered her third century, and never before has the need and importance for American "Sea Power for Peace" been more apparent.

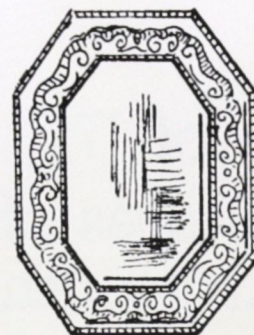

USS ALBANY Officers congratulate the Class of 1977, and wish you prosperity and success in whatever you strive to be.

It is your privilege as Americans to pursue happiness and enjoy the liberties for which our Forefathers fought so gallantly. However, it is also your responsibility to carry the

The Future Is Yours

(Left to right, STANDING) G. Capomaccio (President), G. Toscano, F. Scotto, S. DiMonaco, A. Fedele, M. Conte, G. Tarallo (Coach). (KNEELING) L. Conte, A. Colombi, C. Di Sacco, R. Maiello, M. Grazia.

Although the original intent was to generate interest in a men's basketball team in Gaeta, Coach Tarallo and a few volunteers are presently directing their efforts to improve the Girls' Basketball Team, due to the positive results shown and the fact that the Girls' Team is competing quite strongly in the Lazio Region "B" League.

Through the efforts of NSA Sport Director Tony Galizia and Pres. Carpentiero, permission was obtained to utilize the 6th Fleet Gym at the J.B. School for our regular championship matches. The efforts of all concerned finally culminated in our team reaching the "B" League during the 1975-76 Season under the leadership of President Capomaccio. The strong showing of our girls promises well for the future seasons to come.

This year the team is reinforced with the addition of new valid players, such as Di Monaco and Conte, and with the experience of the "old ones" such as Colombi, Janniello, Fedele and Percuoco. Our final goal, to achieve advancement to the "A" League is well in sight.

The boys' and men's teams utilize the 6th Fleet Gym, also, and at various times have played against American teams, thereby gaining in experience and improving their game.

We appreciate the "Americans" for providing such close cooperation and hope that our relationship continues unabated for the future.
