**JAMES VAN DIERENDONCK ELEMENTARY**  
**2001-2002**

On September 11, 2001, the people of the United States suffered a tremendous tragedy. The terrorist attacks on the World Trade Center in New York, the Pentagon in Washington, D.C., and the plane crash in a field in Pennsylvania showed us the worst in human nature as others tried to take away our freedom.

Like we saw everywhere, Americans responded at Geilenkirchen NATO Air Base, not only with a renewed sense of patriotism but also of service to the community, and the students of James Van Dierendonck Elementary School are no exception. In a vote to choose the cover for the 2001/2002 yearbook, the students selected the American flag in a landslide vote, and in a fundraising drive to aid

the victims of the attacks on September 11<sup>th</sup>, the students raised \$1,100 by bringing, quite literally, loose change from home and emptying out their own "piggy banks".

The student council researched the various charitable organizations and decided to send the victims' funds to the "Families for Freedom" charity, a scholarship fund for all survivors and dependents of the Pentagon and World Trade Center disasters.

The hope of any nation rests in its children, and the wonderful students of James Van Dierendonck Elementary School are comforting examples of that hope. May their future hold for them a legacy of freedom and peace.
