'68

**GOOSE BAY
LABRADOR**

FOREWORD

A year passes slowly when we are in the midst of it. Yet, when we look back, it seems that it has flown by too rapidly. This is true of the 1967-1968 school year. It is the purpose of this annual to help relive last year's memorable flight: to help remember the friends, faculty, and events that made it what it was. We, of the annual staff, hope that the FLIGHT is successful in bringing back pleasant memories of the past year's take-off, cruise, and landing. We may have encountered some turbulence along the way, but there will never be a flight to excel the one just completed.

The 1967-68 FLIGHT is dedicated to a man who has given his all to Goose High School. He has seen its problems both from the point of view of a teacher and a principal. His personal involvement with the students and faculty has brought about such changes as the modular system. Directing and supervising 350 students and 17 faculty members require patience and understanding along with leadership ability. Those who have come in contact with him agree that he possesses these qualities. A genuine warmth and enthusiasm toward students and faculty, unending energy in school activities, and a sincere interest in education characterize this man. The FLIGHT Staff of 1967-68 dedicates this yearbook to

Mr. Robert A. McKanna

COL. WILLIAM WOLFENDON

COL. JAMES O. BRITT WING COMMANDER

HAPPINESS IS SCHOOL!

FACULTY & ADMINISTRATION

Mr. Charles B. Johnson

Mr. C. B. Johnson
Superintendent

Directing the building of the new school, guiding the activities of students and teachers, and representing the school at various base functions are only a few of our superintendent's many duties and responsibilities. Having been here for the past four years, he is eminently qualified to the operation of an educational institution in the northern reaches of the continent.

ADMINISTRATION

Mr. Robert A. McKanna
Secondary School Principal

In his first year as secondary school principal, Mr. Robert A. McKanna has done an outstanding job. His enthusiasm for the activities of students and faculty has promoted school spirit and helped create a better school. We have seen his many new ideas go into effect, and we are, thanks to the efforts of Mr. McKanna truly proud of our school.

Mr. Robert A. McKanna

Mr. T. Dean Brown

Mr. T. Dean Brown
Elementary School Principal

Living in Iceland before coming to the Goose, Mr. Brown was well prepared for the cold weather. A typical day sees Mr. Brown out many times driving between the four elementary school buildings.

Miss Eleanor Patterson, Counselor

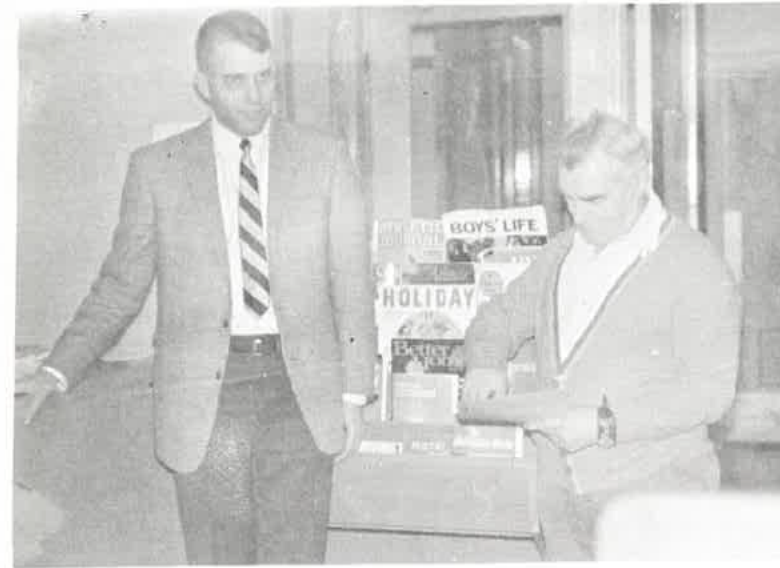

Many students visited the counselor's office during the past year and found help in working out class schedules, selecting a college, and solving personal problems.

Just one more dash of salt.

At Club meetings, held during lunch hours of course, members of the Chefs Club prepared such delicacies as hamburgers, pancakes, spaghetti, pizza and brownies. Presiding over the club activities was Ray Welton.

"O.K. What do we add next?"

DISTRIBUTIVE EDUCATION

Be sure to bring it back on time!

Distributive Education is a course offered to seniors in the field of their choice. D.E. students attended regular classes in the morning and in the afternoon were found at such diversified jobs as librarians, computer programmers, and heavy-equipment Operators.

SENIORS VS. UNDERCLASSMEN

Martin "Carys" the ball

Find the ball.

FOOTBALL GAME

In October, the underclassmen challenged the seniors to do battle in a game of football. The first game ended in a tie, but the seniors displayed their "natural superiority" in the second game and won it.

The senior cheering section

"THE GROUP"

B. G. RAMBLERS

The B. G. Ramblers came again this year to play some swinging tunes for us ice-coldated Goose-Bayers.

"I dig Rock 'n Roll music."

H O O T E N A N N Y

Take-off on the "96th Parallel" wins first place.

"Boohoo. My husband left me!"

The senior-sponsored Hootenanny brought laughter and music to the students and public who attended the two performances. Judy Smay's imitation of Cary Martin helped her group to win first prize.

Laura Clay sings "To Sir, With Love."

Our own swinging teachers!!

SCHOOL DANCES

Miss Rueda, not the Mexican Hat Dance.

Not so hard!!

On certain Saturday nights, the All Purpose Room was transformed into a unit of sound and people. The sound was provided by the fabulous 96th Parallel, consisting of Vic McCadd, Tony and George Fisher, Cary Martin, and Mike Moehring. The seventh through twelfth graders attended and had a swinging time!!

GO! COACH GO!!

"The scene"--the AP room

"A good time was had by all."

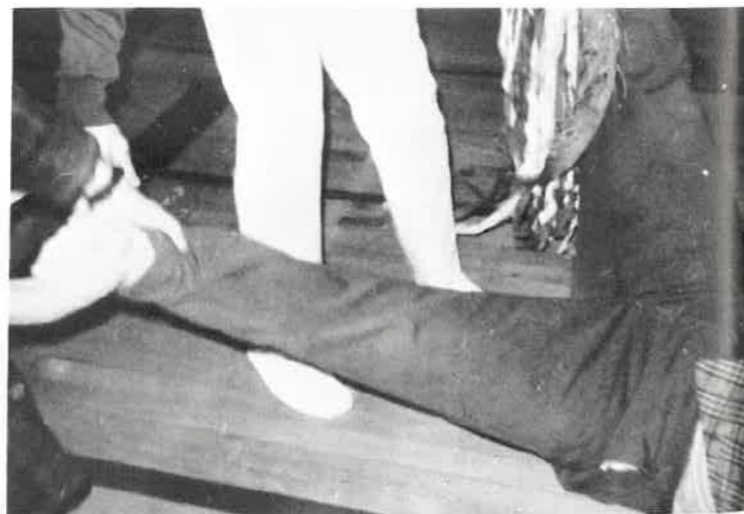

Hey! Who sped up the music?

JUNIORS VS. TEACHERS

And we thought youth would beat age.

The teachers were challenged by the juniors to a rip-roaring, bang-slam, basketball game. On December 9th, bruised and beaten, the juniors admitted defeat to the faculty women's team and cheerleaders.

This just tears me up!

POWDERPUFF BASKETBALL GAME

HUMANITIES TEA

The team, Mrs. Van Beek and Miss Nix

Just before the Christmas holidays the Humanities students gave a tea for their parents and teachers. Foreign pastries, ranging from Japanese shushi to Norweigan krum kaka, were made and served by the students. The purpose of the tea was to acquaint the parents with the Humanities course.

Ken impresses Mrs. Tapia and Mrs. Acuff.

What did I just eat?

Teri serves Russian and Japanese tea.

Dressed in a sari, Patte portrays an Indian woman.

A display on architecture is viewed by Sgt. and Mrs. Welton.

Hostess Lisa Tapia pours tea for students and guests.

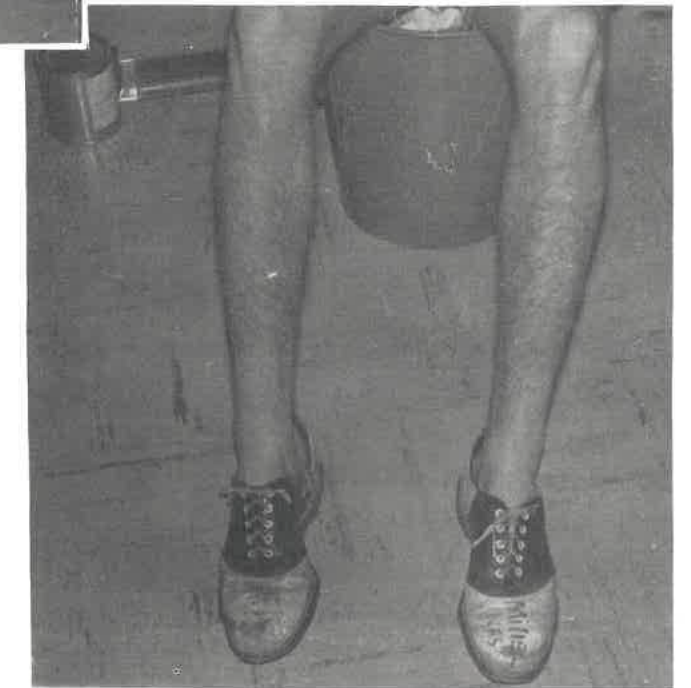

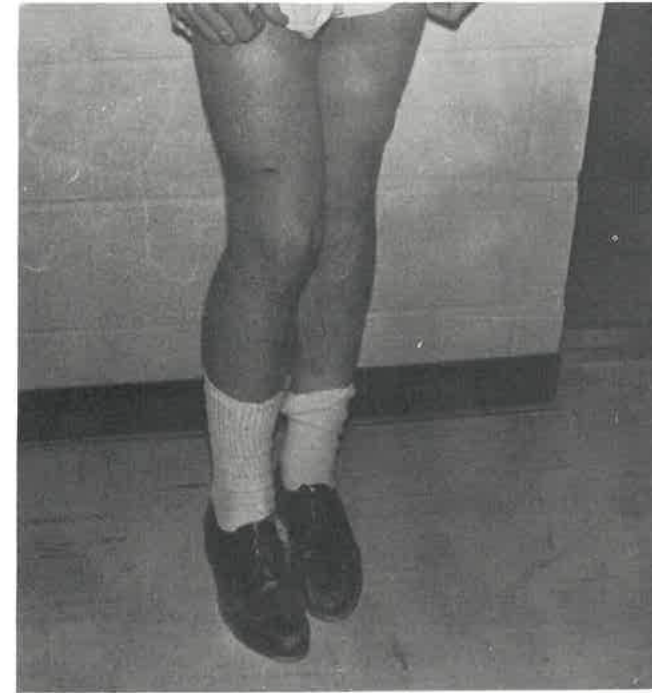

WORLD HISTORY FAIR

The Junior and senior high school students displayed their projects which ranged from bamboo shoot paintings to sugar-cube for-tresses.

BEAUTIFUL LEGS CONTEST

The Sophomore class sponsored a Beautiful Legs contest at a penny a vote. The most admired legs belonged to Jerry Hopkins.

FRANCO- HISPANIC XMAS PARTY

Christmas carols, food, and customs of France and Spanish speaking countries were shared by students of beginning Spanish and French classes. In a joint meeting, the classes alternated in singing and telling how the Christmases are celebrated in France and Spain. Later, a pinata filled with candy was hung in the All Purpose Room and refreshments, Mexican wedding cakes, French bread and candy, were served.

It didn't look that steep!

Well, everybody falls once in a while!!

The very first victim!

It's not like this in Boston!!

Falling is easy; getting up is hard.

Since January is usually an uneventful month, the members of FHA decided to break the monotony of the cold weather with a Luau. Bright-colored flowered robes and Hawaiian music transported the guests to faraway isles.
