"From our orbital vantage point, we observe an Earth without borders, full of peace, beauty and magnificence, and we pray that humanity as a whole can imagine a borderless world as we see it, and strive to live as one... in peace."

-CDR. William "Willie" McCool

**Dear McCool Students, Staff, and Families,**

**It is hard to believe our 2019-2020 school year has come to an end; thank you to all for adapting to our temporary changes on such short notice. Everyone was so supportive and stepped up to the plate to allow our students the ability continue receiving the best education possible.**

**We are very fortunate to have such a loving and dedicated McCool community! We appreciate our amazing PTO and parent volunteers - every PTO event was a huge success!**

**We are thankful for all of our Command Sponsorships - all this wouldn't have been possible without the excellent communication and collaboration between teachers and our base commands.**

**Thank you to everyone who has made an impact this school year! We look forward to coming back strong next year.**

**Sincerely,**

**Kelly Pulliam  
Principal**

**Renee Sharkey  
Assistant Principal**
