Capt. John Parker

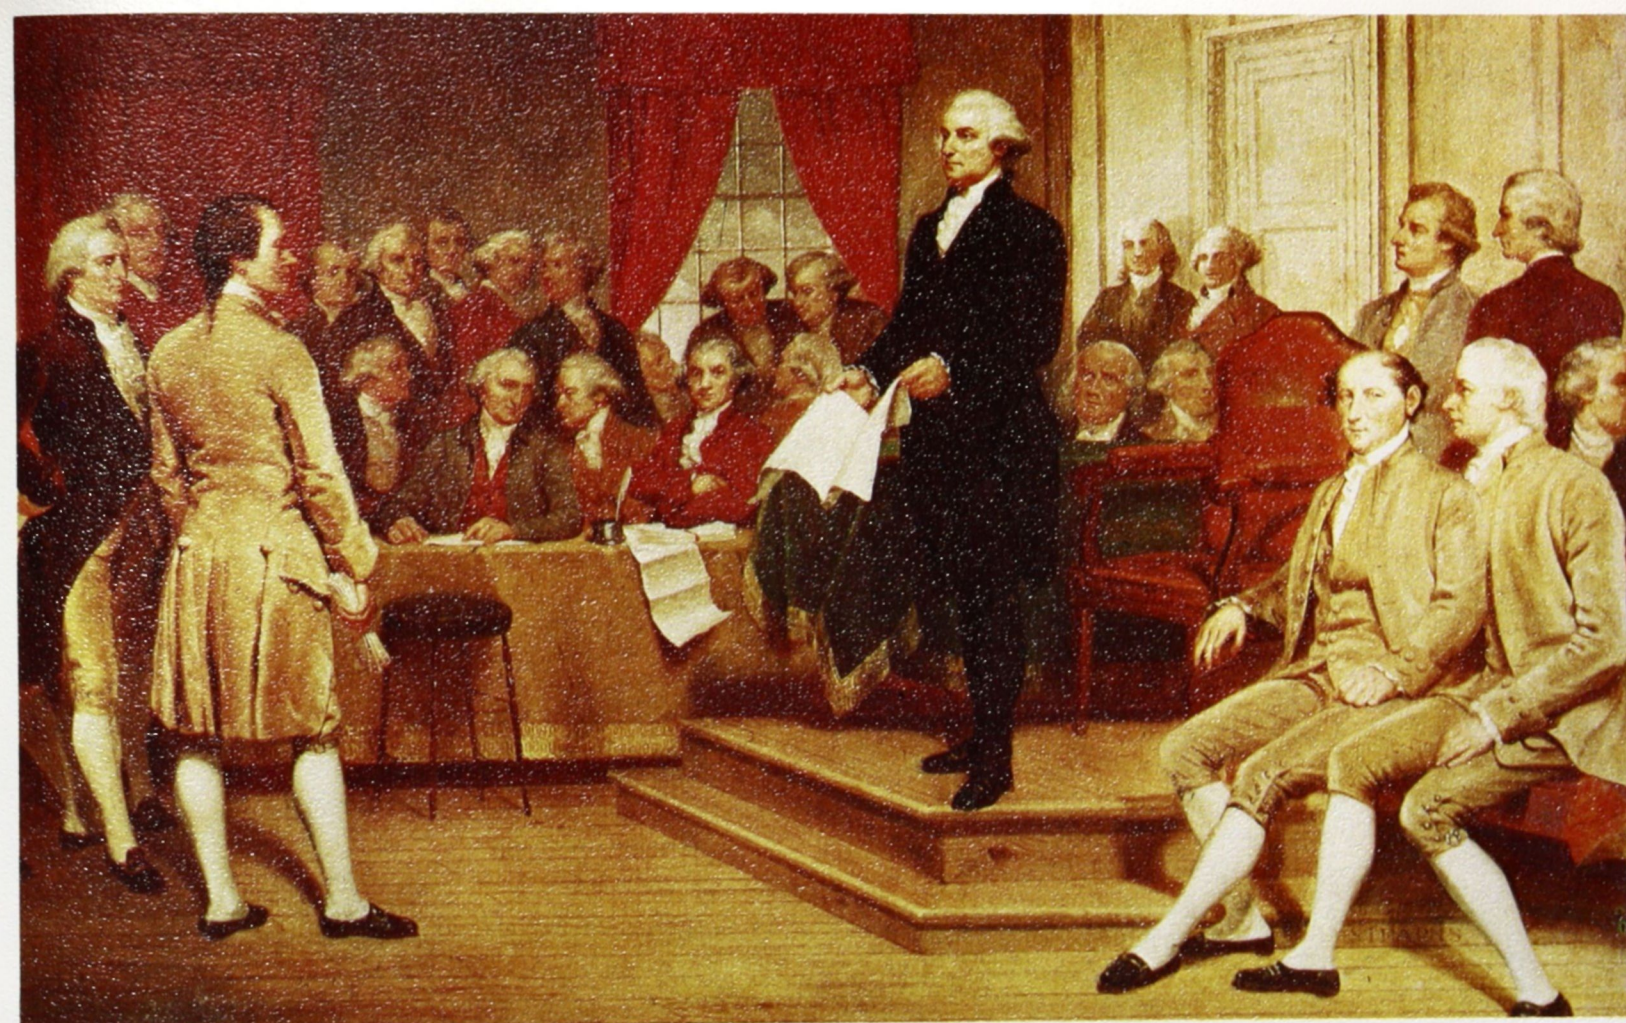

1/ Capt. John Parker uttered those words as the colonial militia under his command prepared to meet the British troops at Lexington. Those words and the painting—*Spirit of '76*—exemplify the dedication and determination of the American patriots in their fight for independence. The colonies had organized to express their grievances in an effort to resolve the differences within the framework of the Empire. Several of the colonial legislatures had instructed their delegates to the Continental Congress in Philadelphia to oppose any move toward independence. The movement for independence was gaining strength and following the publication of Thomas Paine's *Common Sense*, which argued for colonial sovereignty, a resolution was adopted and a committee of five appointed to draft a declaration of independence. 2/ General Washington, who had been appointed commander-in-chief of American forces by the Second Continental Congress, was a brilliant military strategist. It was his decision to take his Continentals across the Delaware River on Christmas night which resulted in the first major colonial victory. That victory at Trenton over Hessian mercenaries gave the ragged army renewed vigor. Supported chiefly through the printing of Continental currency, the colonial army also went through the personal fortunes of many American patriots—among them Washington, Jefferson, Richard Henry Lee and John Adams. These fortunes were donated to the cause of liberty—a cause supported by about one-third of the American population which was near 2,000,000. Another one-third remained loyal to the English crown and the remainder were apathetic. Despite many defeats, the colonies managed to keep an army in the field as a symbol of American resistance, to guarantee a negotiated rather than dictated peace.

“... Give Me Liberty or Give Me Death!”

Patrick Henry

3/ Following the victory at Yorktown, Washington refused the offer of his troops to become king and returned to Philadelphia to aid with the establishment of a permanent government for the new republic—a loose alliance of sovereign states held together by the Articles of Confederation. An envoy composed of Benjamin Franklin, John Adams and John Jay was sent to negotiate with the British. It was not until 1783 that the peace agreement, known as the Treaty of Paris, was signed, guaranteeing the sovereignty of the United States of America. The Articles of Confederation, despite many weaknesses, served to unify the states until 1787 when a special convention was held at Independence Hall in Philadelphia to revise them. The meeting was attended by fifty-five of the most-prominent men of the day. Twenty-nine of the delegates representing a majority of the states met on May 25 and decided to draft an entirely new constitution rather than amend the Articles of Confederation. The meeting then became known as the Constitutional Convention. 4/ The men who assembled for the Constitutional Convention were an illustrious group with nearly every delegate a person of prominence in his home state. A large majority favored a strong central government. After four months of debate, on September 17, 1787, the new constitution was completed. In a little more than four months, six states had ratified the new constitution. Despite the good beginning, the fight for ratification was bitter and it was not until September 13, 1788, that the necessary two-thirds majority of the states had approved the document and Congress could call for states to choose their electors and congressmen. Several of the states had ratified the constitution with the provision that it would be amended. Thus, as one of its first official acts under the new constitution, the Congress added the first ten amendments known as the Bill of Rights. Washington was unanimously elected President and a new nation was launched on a course of democracy.

Cheerleaders

ROW 1 (l. to r.): Kathy Heathcote, Susan Smothermon, Beckie Remillard, Kathy McCrowell ROW 2: Audrey Wharton, Valerie Meadows, Tina Martinez ROW 3: Dorothy Brown, Krista Kuhn

The cheerleaders began preparation for the school year as soon as summer 1975 began. They practiced three or four days each week and had money-making projects throughout the summer. When the 1975-76 school year commenced, they had gone a long way toward polishing their cheerleading skills.

In addition to improving their cheerleading expertise, the girls developed their skills in the culinary arts. This task was accomplished by having two bakesales weekly. The money raised throughout the year was applied toward the purchase of pom-poms and material for uniforms and sweaters.

The cheerleaders, sponsored by Ms. Terry Rottman, travelled to games with the basketball and wrestling teams, as well as cheering for these teams, at home games.

We've got pep, YOU BET!

Soul Makoosa

The "Soul Makoosa" is a creative modern dance group, sponsored by Mr. Hancock. Audrey Wharton has been captain and choreographer for the past two years. The group has danced for school assemblies and multi-cultural affairs. The group's outfits this year were jumpsuits designed individually by each member. The girls who comprise the group include: Donna Linthecome, Soncy Linthecome, Valerie Meadows, Audrey Wharton, Beverly McKenzie, Vanessa McKenzie, Della Wharton, Lori Rhodes, Cindy Gibson, Diana Lukas, DeDe Parthree, Tammy Ryan, Norma Oliphant, Michelle Jackson.

Our Student Exchange Partner School in St. Wendel - Cusanusgymnasium.

The school year 1975-76 was our 11th year in the enriching and educational exchange with our partner school, The Cusanusgymnasium in St. Wendel (Saar). For a week, students from Hahn were hosted by German families and attended school with their son or daughter. This visit was returned for a weeks length by the German students, who were hosted by the families of their American partner. The German students also attended a week of school here at our Hahn Jr. High.

For three years, the Illtalgymnasium in Illingen (Saar) and the Institution Jeanne d' Arc in Remiremont (France) have also participated eagerly in the Exchange Program.

This fine and rewarding program gives students of both cultures the opportunity to gain insight into each other's way of life, education, and school system. It is a good experience for broadening one's mind. It promotes understanding of different cultures and points of view. Hopefully, even if only in a small way, the exchange is an asset towards world peace.

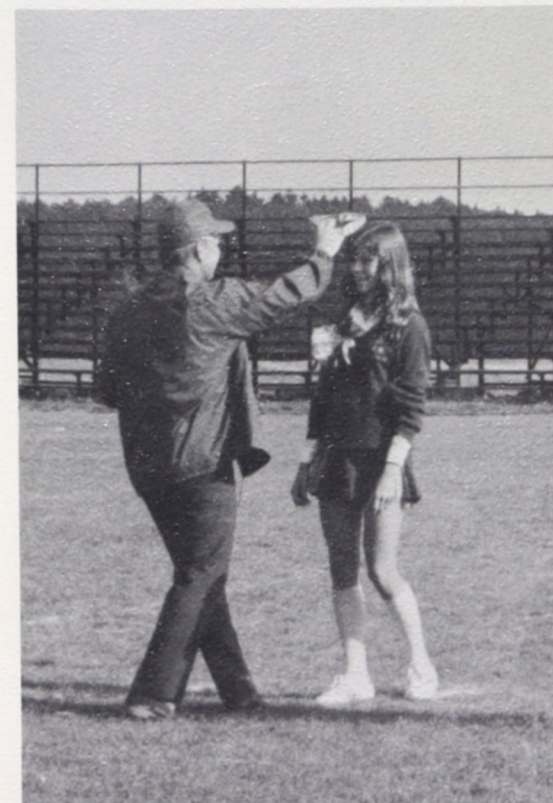

Homecoming

A beautiful, warm day helped the Homecoming game to be a great success. Our Jr. Hawks beat the Rhein-Main Jr. Rockets 36 to 12.

At half-time, the spectators watched while Col. Paul Albritton crowned Diana Lukas as Homecoming Queen. First runner-up, Pam Donelson received flowers from Col. Albritton. There was a tie between second place runners-up, Lynda Brock and Donna Linthecome. Third runner-up went to Tina Martinez.

After the game, the team and cheerleaders participated in a pot luck supper. The Rhein-Main Rockets and their cheerleaders were guests at the pot luck and Homecoming Dance later on that evening. The Hahn Team felt honored to have USAFE'S well-known dance band, the Cornerstones, play for the evenings entertainment. The team guests left around 9:30 but the dance continued until 11:30. The day ended well with everyone satisfied and happy.

Yearbook Staff Fund Raising

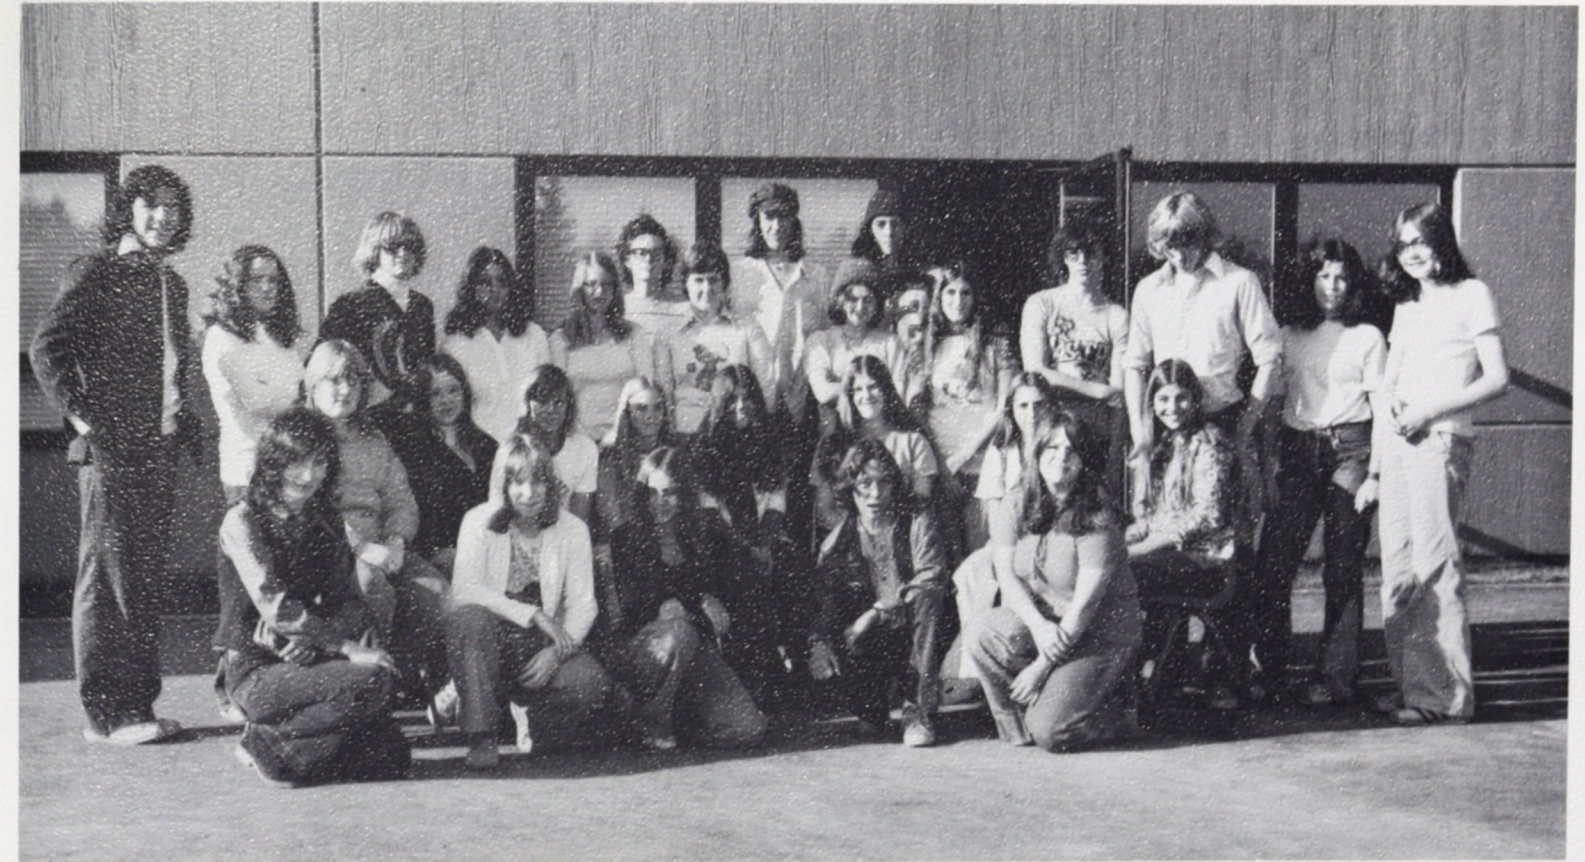

The 1975-76 Yearbook Staff has worked hard. Staff members sold popcorn, candles, photo albums, address books, apples, baked goods, candy, and drinks to raise funds for meeting the contract commitment. The candles - love-lites, lovable, bi-centennial - were ordered from the Abigail Martin Co. in New York. Food sales were conducted in front of the cafeteria. The staff invested in an automatic corn popper and the smell of popcorn brought many inquiring noses to the door of room 18. Apples and drinks were initially purchased on the German economy. Funds were solicited from Housing and ads sold to American and German organizations.

The Staff was divided into four areas: layout, copy, business, and photography. In October, members participated in an informative workshop with Walsworth's company rep, Warren Carlson, from Wiesbaden.

Each department put forth a real effort in making this book a work of which to be proud.

SFC

The purpose of Student-Faculty Council is to represent the student body in a smaller, workable group, and to make policy decisions concerning school operation.

Out student officers for 1975-76 were: Angie Remillard, President; Darren Romero, Vice-President; Debbie Brill, Secretary; Susan Smothermon, Treasurer; and Sandra Meyer, Parliamentarian. Ms. Perkes served as the faculty co-ordinator and sponsor. Other faculty board members included Mr. Dosedel, Ms. Dyson, and Ms. Groff.

The functioning of various committees greatly benefited the school. The Monitor System took care of policing the hallways. The Hut Committee ran the school store. The Welcoming Committee members acted as guides and info sources for new students. The Activity Group planned one function per month for the student body. The Clean-up Committee kept the school and grounds more pleasant and free of litter. The Poster Group advertised SFC functions. The Money-Making Committee Members were the "brains" behind the financial aspects of SFC.

Band

The Jr. High Band is a group of students who have obtained an intermediate, or higher, performance level. The group rehearses daily and performs for various functions throughout the year.

During 75-76, the Band's first performance was at the Open House in Sept. During the Christmas Season, the group played at the OWC Tea, the Freedom-Tree Lighting Ceremony, and gave a concert for parents. A program for grades 4-6 at the Base Theater, and one for our Host Nation Exchange School in St. Wendel were presented in March. The Band also gave a spring performance for the public and played for the Bi-Centennial activities in May.

MISSING: David Cooper, Sharon Martin, Rozanne Smith, Derrick Taylor, Susan Parsley and Shirley Gaddis.

Chorus

Throughout the 75-76 school year, the Chorus has participated in performances in conjunction with the Band. The group's special emphasis for parents in Dec. was a musical entitled, "The Christmas Jazz," a story of the animal's reactions to the "crowding at the Inn."

In addition to program activities, the Chorus and Band were the hosts of two visiting groups, the Wiesbaden Chorus and the German St. Wendel Chorus.

Members wore green sweaters with gold lettering. Chocolate candy was sold as a fund-raising activity. The money helped finance the spring banquet, at which time awards were presented.

Debate Club

This year the Debate Club's topic was one concerned with: How to Handle the Energy Crisis. The topic was: Resolved: That the development and allocation of scarce world resources should be controlled by an international organization.

Last year the Debate Club went to Kaiserslautern for the Dramatic-Forensic Competition and did extremely well in the categories of Impromptu Speaking and Oratory. This year's club plans on returning to the competition.

Drama Club

In its fourth year, the Drama Club produced two full-length productions for the 1975-76 season. The dramatic and sensitive play, "David and Lisa", played for two evenings in December to enthusiastic audiences. The Drama Club's spring play, "Three in One: An Evening of One-Act Plays", was equally as successful in May. Building sets, learning lines, making posters, selling tickets, creating sound effects, collecting props, making costumes, attending cast parties, getting involved - all a part of the Drama Club.

Radio Club

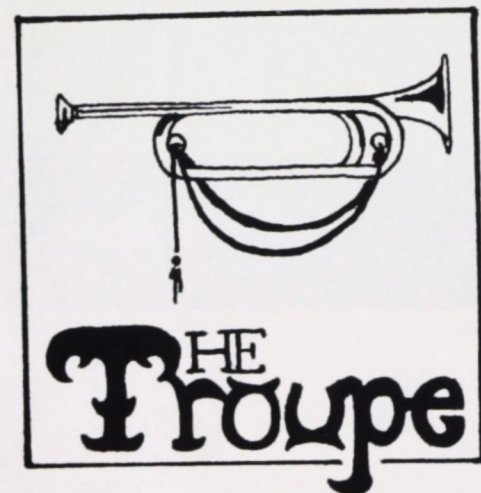

This past year at Hahn, the "Radio Club" was formed, due to the installment of a P.A. System into the new building. Club members were able to broadcast announcements into homerooms. Each session was at least five minutes in length.

Every morning, the "Team" for that day arrived at 8 o'clock to prepare "fillers" (each one being original) and announcements, submitted by teachers, clubs, and students.

Club members worked hard to prepare amusing broadcast programs. Several teams prepared episodes of super-heroes or "soap opera". Students enjoyed listening to the informative and entertaining programs.

"The Troupe"

On the 21st and 22nd of November, the first and only improvisational acting group in the USDESEA School System made its debut at Hahn under the name, "The Troupe". Organized by Mr. Rick Krueger, head of Drama at Hahn Jr. High, "The Troupe" performed improvisations and creative dramatics. Such things as pantomime; character, animal, object imitations; "Freeze and Go"; "Who, What, and Where"; "Fractured Fairy Tales"; plus, other crazy types of improvisational theater were performed by talented TROUPE Members.

This new part of the Drama program at Hahn Jr. High School proved to be a very exciting, worthwhile venture. A great group - THE TROUPE!

"You'll never find out which one of us announced it."

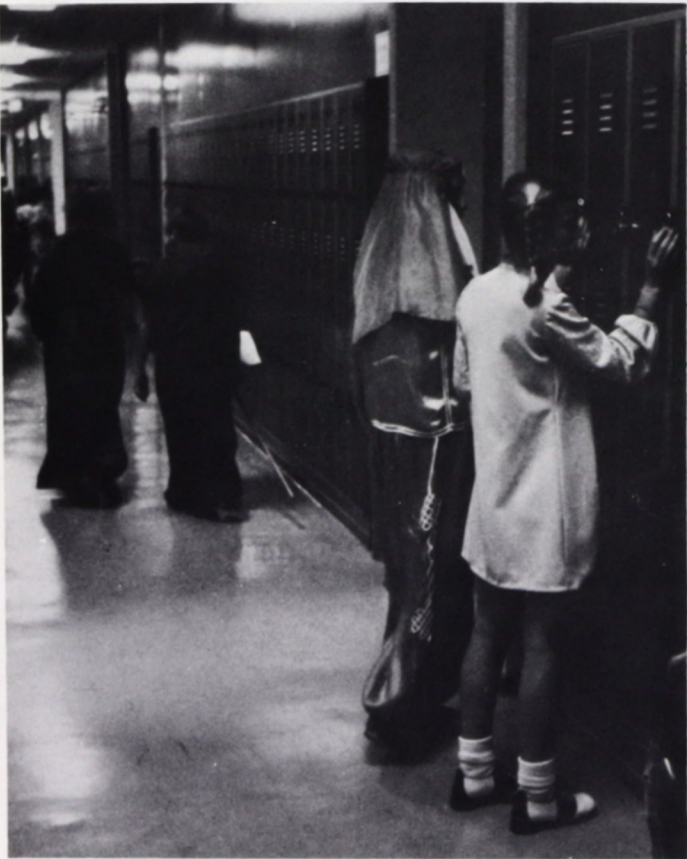

"Good morning! Station K.R.U.D. broadcasting."

Dress Up Day

Dress-up Day, an SFC Activities Committee function, was held on October 31st. Many students participated and arrived at school in very original costumes. Winners of the judging, held during lunch, were: Ron Daugherty, Most Original; Sherri Daugherty, Most Appropriate; Gary Berry, Funniest; and Diana Morris, Scariest.

School Dedication Ceremony

The official opening of the new Jr. High School Building at Hahn took place on Friday afternoon, August 29, 1976. The structure - completed in nine months at a cost of 4,540,000 DM. - contains 1,470 sq. meters of classroom space, color co-ordinated hallways and walls, and thick carpeting.

The celebrated opening was attended by Base officers Brown, Albritton, and Taft; German guests from Kirchberg, Sohren, and Buchenbueren, including Rektor Gobel of the Sohren School District, school administrators; teachers; parents; and representatives of the building corporation, Armbruster-Baumann and Altmann.

Following the ribbon-cutting and turning over of the key, guests were treated to a tour of the new structure and a champagne reception in the multi-purpose room.

Other outstanding performers were Debbie White in the Triple Jump, Doug Gates in the Mile Run, Val Meadows in the Sprints, and Julie Haygood and Jim Post in the Low Hurdles.

Cross Country Team

The season of September and October 1975 witnessed the first Cross-Country Team at Hahn JH. The team competed on the USDESEA level and ran, mainly, Jr. Varsity.

In Cross-Country competition, guys run a 3-mile course and girls a 1.5-mile course. A teams top six or seven runners compete on Varsity level and the remainder on Jr. Varsity.

Hahn had a good beginning season. Bobby Nix ran Varsity and, out of 44 runners, placed 8th. Kathy Berry was the fastest girl competitor until she became ill. Then Julie Wilkinson took over and did a commendable job. The team competed against Bonn, Germany; AFCENT, Holland; and St. John's School of Waterloo, Belgium. The guys won the Jr. Varsity Championship at Bonn.

AYA Football

During the Fall of 1975, the AYA Football Team had a successful season, a complete turnabout from the year before. As playing ability progressed, members developed more "team ball" action, and finished the season by winning the National Conference Championship.

Jump Ball

Girl's Basketball

Basketball is a well-organized USDESEA sport and this is the last year that Jr. High Teams will play against High School Teams. Our girl's played a good season, considering the fact that they competed against older girls from Wiesbaden, Frankfurt International, Bad Kreuznach, Bitburg, Bonn, Baumholder, and AFCENT, Belgium. Michelle Jackson, Tina Brown, and Cindy Gibson constantly played at the beginning of each game. Ms. Julia Pate was coach and Connie Kirk manager. The team gained valuable experience on which to build a High School Team. They were seeded 8th in tournament and placed 7th. The record for the year was: Won 2, Lost 11.

Gymnastics

This was the 1st year in the USDESEA System that Gymnastics had a schedule of meets and was considered a Varsity sport, the only one in which 7th and 8th graders can participate.

Hahn's team competed in meets at Baumholder, Zweibrucken, Wiesbaden, and Kaiserslautern. Regionals and Finals were held at Wurzburg, Germany. Andi Bumgardner did an exceptional job by placing 5th at Regionals on Floor Exercise and tying for 2nd place in the Finals. Cheryl Pierce placed at four meets in Vaulting and Terrie Campfield placed at three meets on the Balance Beam.

The team was coached by Ms. Richard and Ms. Pate.
