I am pleased to have an opportunity to enthusiastically endorse this yearbook and to express my gratitude for the outstanding effort everyone made at Hainerberg Elementary School this year. I write this message to everyone who views this wonderful yearbook knowing that this is a keepsake that will be a lasting memory for families in years to come. This book is special for many reasons; this book records a time in our life that will never be matched or replaced. I hope that this book will hold many exciting and fond memories for you. Like a song heard from the past, this book will open up past memories and thoughts regarding some very special event or occurrence for you in your life. In later years, this yearbook will allow you to take a journey back in time.

In years to come you will occasionally review this yearbook and reflect upon the times and experiences you had at Hainerberg ES and in this beautiful country - Germany. You may read the thought-provoking message that a dear friend wrote to you in this chronicle. This book will allow you to remember the names of fellow classmates from the past, or perhaps a certain teacher's name, or it will help you to remember the time that you were on that very special Study Trip into Frankfurt or down the Rhein on a ferry boat ride. Perhaps you will reflect upon an after school activity where you first learned to operate a digital camera and were able to print it in our computer laboratory, or when you first learned to speak enough German to impress your parents. For others it might be a special song that you were taught in Music or when you performed for the school's community as a member of the chorus. Maybe you'll remember your visit to a castle or the time you were able to climb all the way up the rope to the ceiling of the gymnasium. There may even come a time in the future that you say in disbelief, "I use to look like that"! Treasure these times and treasure this book.

STORY TIME

I love to read, but sometimes it's really nice,
When my teacher reads to me.

Mmmmm!!!

Pizza dippers, carrots
and corn dogs,
Lunch ticket or bagged,
My friends and I
were very LOUD!
Thanks to everyone
who helped us grow strong.

Lunch!

REFRESH

Let me out!
Where I don't
have to be quiet,
Where I can run around,
I can't sit still forever!

HAINBERG

Red shirts in the halls,
Reading, math and science,
I learned a lot,
In a shirt,
With a Wiener dog on it.

SPIRIT

FALLING INTO AUTUMN

Red and yellow leaves
on the ground,
my new warm jacket,
colorful costumes,
the pilgrims journey
to a new land.

WINTER CELEBRATIONS

Will the holidays ever
get here? December
must be the longest month.
My winter dream,
a safe return for all.

KIDS AT WORK

AND AT PLAY

I know I am learning,
But it seems like fun,
Some things that
seemed so hard,
Seem easy to me now.

PAJAMA DAY

Pajamas in the halls?
Like a giant slumber party,
The most comfortable
outfit I wore all year.

SANTA SHOP

A lot of moms and dads were missing that year,
Some things I bought were sent to a place called "down range."

BOOK FAIR

Pencils, books and stickers,
The best part was when I read my new book on my own.

SCHOOL DANCE

Music and friends in the room where I eat lunch,
I liked having my family at school with me.

A really great book

The Cat in the Hat,
Popcorn for everyone
on a school day.
