### HAINERBERG ELEMENTARY SCHOOL Wiesbaden, Germany

What an exciting year this has been for HES beginning with our third year of an AAFES-sponsored Open House luncheon with our guest speaker, USAG Garrison Wiesbaden Commander, LTC Timothy Wulff.

Among many other wonderful initiatives this year at Hainerberg, we continued our after school Reading Academy mentoring program; we held our first "Breakfast with Santa"; and our kindergarten, first, and second grade classes buddied up with our third, fourth, and fifth grade classes to support them during the Terra Nova testing week with various motivational activities.

The beautification committee continued on this year with its recycling project with a paper recycling bin in each classroom in the building and weekly emptying. And a great group of women planted flowers out in front of the building to provide some color.

As you look at these pages in future years, Ms. McKinzy and I hope you will remember your time at HES and in Germany often and fondly. We hope that you will begin (if you just arrived in Germany) or continue to enjoy all the unique and wonderful opportunities that come with living in and exploring Europe.

Ms. McKinzy and I would also like to take this opportunity to thank our wonderful PTO for all the tremendous support they have given our students this year! You're the best!

Principal*

The collage features 12 individual photographs capturing various moments from a 'Breakfast with Santa' event. The photos are arranged in a collage style with white borders and are set against a dark green background with white snowflake patterns. The images show Santa Claus interacting with children, groups of children in Santa hats posing for a group photo, children sitting at tables eating breakfast, and children playing musical instruments like trumpets and saxophones. A small red paw print graphic with the number '90' is located at the bottom center of the collage.
