# Hainerberg Elementary School Wiesbaden, Germany

Hainerberg Elementary is an American school located in the beautiful spa town of Wiesbaden, Germany. HES is available for children whose parents serve in the United States Army, work for the United States Department of Defense, or work for an American contract company. Hainerberg was originally known as Hoyt S. Vandenberg Elementary School when the Air Force Headquarters was in Wiesbaden. When it became an Army community, the name was changed to Hainerberg Elementary.

This yearbook is dedicated to the bright young students who are pictured in this book. These children are our future and will one day be the leaders of our great country. The foundation of understanding new cultures will enhance their fond memories of their European experience.

## HAINERBERG ELEMENTARY SCHOOL

Wiesbaden, Germany

What an exciting year this has been for HES beginning with our fourth AAFES-sponsored Open House luncheon with our guest speaker and USAG Garrison Commander, COL Graham, and a live broadcast from HES complete with the AFN Eagle.

Among many other wonderful initiatives this year at Hainerberg, we continued our after school Reading Academy mentoring program (this year with support from Junior Girl Scout Troop 101 for six weeks); we had our third kindergarten Fall Fest, our second Constitution Day and our first Hispanic Heritage Month assemblies; and our kindergarten, first and second grade classes buddied up with our third, fourth, and fifth grade classes to support them during the Terra Nova testing week with various motivational activities.

The beautification committee continued on this year with its recycling project with a paper-recycling bin in each classroom in the building and weekly emptying. And Ricky Greenland from Troop 107 landscaped our front with perennial plants as an Eagle Scout project.

As you look at these pages in future years, Ms. McKinzy and I hope you will remember your time at HES and in Germany often and fondly. We hope that you will begin (if you just arrived in Germany) or continue to enjoy all the unique and wonderful opportunities that come with living in and exploring Europe.

Ms. McKinzy and I would also like to take this opportunity to thank our wonderful PTO for all the tremendous support they have given our students this year! You're the best!

Dr. Barbara Hickman  
Principal

# "Spirit"

This year Hainerberg has a new addition to the Wiesbaden family. We have adopted a school mascot. Years ago when Hainerberg first opened, the principal would bring his two daschunds to school with him. This is why we have the daschund as our mascot. However, this year we actually adopted Spirit! Our students all came up with many ideas for naming our pup, and after considering all of their wonderful ideas, we decided that the name "Spirit" suited our dog just perfect!

# 5th Grade

**Our last year at HES  
is definitely the Best!**

To most of us, Wiesbaden is a place that we can call home. Our parents work here and most of us live here, but we all go to school at Hainerberg Elementary. We've made many friends, worked very hard, and now we are ready for a new challenge. We will be moving on to Middle School, but we will not forget our fun times at HES.

**Middle School  
here we come!**

Below, the entire 5th grade class is pictured spelling out HES. Now these guys have school spirit! This photo was taken in the school's backyard at the playground where everyone likes to hang out and burn off some of that excess energy. Many of the students live in the housing area that is visible in the background of this photo. Hainerberg is a great place to live and a great place to learn! We love HES.

**Look at these fine artists!**  
Pictured to the left is Noelle Herceg, the winner of our yearbook cover contest. Noelle is in Ms. Batts 5th grade class and has entered every year that she has been here. Her persistency has paid off, and she finally won. Congratulations Noelle! Pictured to the right is Jeane' Rentze who won 3rd place, and her picture will be on the cover of the student handbook. Our 2nd place winner is Alexis DeLoach who is in 2nd grade and you'll find her drawing on the back cover of the yearbook. Way to go!

## Caught Being Good!

It seems as though it's easy for a child to be caught being bad, but this year the PTO has brought a new program to Hainerberg called "Caught Being Good." When someone is caught doing a good deed they are recognized for their efforts. Each week a winner is drawn from the nomination box for each grade. Pictured to the right is Sam Heino for earning his Caught Being Good award for the 4th grade.

Hainerberg Elementary makes a television debut on AFN Kids! Pictured to the right are our very own Peter Lucitt, who is in Ms. Lohmer's 3rd grade class, and Hannah Bajakian, who is in Ms. Allen's 1st grade class. Both of the students are in the Deployment Club which is sponsored by Ms. Limes. The children auditioned to earn the privilege of being on the AFN newscast. Peter and Hannah talked about how the club meets once a month and each time they write a letter, and make a card and a craft to send to their deployed parent. The AFN Kids spot is a new PTO-sponsored event and is chaired by Erica Wetzel and Kathleen Truman.

# 2nd

This was a very exciting year for 2nd grade. We had a read-a-thon, fall festival, winter celebration, and made lots of fun crafts. Some of them included gingerbread houses and animal masks; we even made our own maps of the world. One of the highlights of our winter celebration was our trip around the world with our Polar Express Passport. We visited several countries to learn how they celebrate the holiday season. And talk about exciting, one of our 2nd grade teachers got married. Ms. Martin is now Mrs. Roberts. Congratulations to the happy couple. She is pictured wearing her wedding veil on the right with her second grade class.

## 1st Grade Fun!

Moving from Kindergarten to first grade is a big step. We go from learning our alphabet to reading, writing, and arithmetic. This year at Hainerberg the first graders had many special events, including having a field trip to the Trebur, German school, and having a chocolate party. Of course there was still lots of time for playing outside, and there are always new crafts to be made. What a creative learning environment for lots of first grade fun!

## Fall Fest at HES is the Best!

One of the most exciting days at Hainerberg for Kindergarten is the annual Fall Fest. This is a production that is sponsored by the parents and teachers of all Kindergarteners. The parents are given suggestions, but it is up to them to put it all together. This year we had many fun and unique games and events for all of the children, "Feed the Squirrel," "Pumpkin Toss," "Fishing for Letters," face painting, bowling, decorating cookies, and making macaroni necklaces, just to name a few. The Fall Fest is definitely one of the most fun days for Kindergarteners, but every day at HES is fun!

Pre-School is how we get ready for Kindergarten. There are so many fun things we do! We have a special room that helps us with our motor skills. At Hainerberg we have three wonderful Sure Start classes that are filled with beautiful, smiling faces. As these children prepare for Kindergarten, they spend their time at centers creatively learning their letters and numbers. They are also introduced to the computer and have plenty of time for role play with their cool dress-up costumes and miniature furniture. With the school library just down the hall, they always have time for checking out books.

# SPIRIT

# DAYS

On surprise Fridays, Spirit comes out to play. If you are wearing red on this day, you will get a special goodie from our cute dog who loves to see you show your school spirit. Sometimes it may be a pencil or a sticker, sometimes it may even be a special treat such as a fortune cookie. It's always a surprise with Spirit, so make sure you wear your red on Spirit Friday!

# Remembering The Past

Our History as told by our first principal, Mr. Lenz...

Hainerberg Elementary School used to be called Vandenberg Elementary School until the 1970's when the name of the school was changed. This happened when the Headquarters for USAF Europe left Wiesbaden and the U.S. Army took control of the military communities and housing areas. No reason was ever given for the change in name. The school was simply told it's name was to be changed!

Hainerberg was opened in the early 1950's when the entire housing area was built. It was opened as a K-5 school and serviced all the children in the immediate housing area and all the students on the economy. The 7th and 8th grades were located in the northern part of the building and H. H. Arnold High School was across the street in the next block. As enrollments in the elementary school grew, some of the classes were moved into basement rooms in the housing area along Mississippi Strasse. There were 9 of these classrooms and they were first used for 6th and 5th grade classes and special classes such as art and special education.

In 1982, a new wing was added to the Hainerberg Elementary School which expanded the school considerably. The basement classes were closed and students from three other elementary schools in the Wiesbaden area (Wiesbaden Air Base Elementary School) were bussed to Hainerberg Elementary. The enrollment at this time jumped from 900 to 1500 plus. The faculties from these three schools also became part of Hainerberg.

The Home Page Masterminds/Talent Pool 5th grade were the creators of the Hainerberg Elementary School Home Page. They began this project at the beginning of the school year of 1996-1997. This was a year long project to represent our school on the Internet. Each of the students created their own page. They did this work with the assistance of their computer teacher and their Gifted Ed teacher. The original home page was truly a team effort.

**Marktkirche (Market Church)...**  
The Marktkirche is a Wiesbaden landmark with its tower being the highest point of the city. It is 270 feet high. This Protestant church was built of red brick in Gothic style in 1852. It is open to the public every day except Monday from 10:00AM to 1:00PM. Free organ concerts are held there every Saturday morning at 11:30AM.

**Neues Rathaus (New Townhall)...**  
The Rathaus is the city of Wiesbaden government building where the City Council meets. There are many business offices and conference rooms here. The Oberbürgermeister (the mayor) has his office in this building. It was built in 1888 and is made of red sandstone rocks from the Odenwald (an area near here).

**Altes Rathaus (Old Town Hall)...**  
The Altes Rathaus is the oldest building in Wiesbaden. It was built in 1610. It is located on the Market Square. It was used as an office for storing records. Many civil weddings are held here during the week, especially on Fridays. People then have their church wedding at another time. There is a Keller (wine cellar) under the Rathaus. People gather there in the evening for fun times and enjoy the food and wine served there.

# A visit from the Wiesbaden Garrison Commander

On the first day of school, we had a special visit from the Wiesbaden Garrison Commander and our fun feathered friend, the AFN eagle. AFN had a live broadcast from our school, and all of the children loved the spotlight. Pictured on the left is our very own Dr. Hickman, the AFN Eagle, Garrison Commander COL Graham, and the school liason officer, Peter Witmer.

# Saying Goodbye

This year we sadly have to say goodbye to some of our favorite teachers. They all have been at Hainerberg for many years, and now they are ending their journey of teaching and starting the new untravelled road of "Retirement." They will be missed and remembered by all, and we wish them the best.

## Carolle Bradley

Ms. Bradley taught in Ohio and Florida before coming to Wiesbaden. She came to Hainerberg Elementary School in 1989, just before the "Wall" came down and when school enrollment was 1600 students. One of her proudest moments with her students was creating Hainerberg's first web page. Her 5th grade Gifted class of 1997 were the pioneers in creating the web page and they called themselves the "Home Page Masterminds." Ms. Bradley is pictured on the right and her students are pictured on the opposite page.

## Deborah Gothia

Ms. Gothia started teaching in Texas and taught there for 5 years. She began working for DoDDS in Wiesbaden in 1988. This was her 20th year of teaching and 19 of those years were spent at Hainerberg Elementary. During that time for about 5 years she also worked at the Middle School and also Aukamm.

## Pam Hedges

Ms. Hedges has worked at HES for 10 years. She started teaching for DoDDS in 1986 in Korea, and worked in Iceland, England, and the Azores before coming to Germany. She also taught in her native state, Virginia. She is pictured on the right with her husband, Mr. Hedges. What a wonderful couple!

## John Hedges

Mr. Hedges taught for 5 years in Oregon before coming to DoDDS 25 years ago in 1983. He taught at Regensburg and Hahn, Germany, before going to Seoul, Korea. From there he went to Madrid, Spain, and Lajes, Azores, before coming to Hainerberg. He has taught the 4th grade at Hainerberg for 10 years.

# Student Council

This year the Student Council has really shined. One of their proud accomplishments was helping support the victims of the California wildfire. They did this by having a Penny/Euro drive. They also decided to honor deployed soldiers by putting a patriotic bulletin board by the entrance of the school. This board features stars with the soldiers name or picture. They also organized a school dance, and determined the winner of the yearbook cover contest.

This club is an after-school activity that is sponsored by Ms. Smith. All of the children volunteered to be on the Student Council. However, to become a Student Council officer, the students had to be elected. We had our very own election at the school, and after the voting, the ballots were counted and our officers were elected. Student Council President is Andy Clapp, the Vice President is Alannis Duchanse, and there was a two way tie for Secretary--they are Kathryn Turner and Patrick Lucitt.

# Geography Club

Pictured to the right is Ms. Sweeny with her 4th&5th grade Geography Club. They were learning about Russia the day this photo was taken, and Ms. Sweeny brought in her collection of Russian dolls.

Pictured to the left is the 3rd grade Geography club. Ms. Sweeny brought in her beautiful treasures from China to show the children at this particular meeting.

Pictured to the right is Ms. Sweeny's 2nd grade Geography club. This was their first meeting and also crazy hat day, so Ms. Sweeny brought in her collection of hats from all of the countries she has visited.

# Recycle Club

Ms. Wheeler is all about saving the planet! She has an eager group who meets once a week to make a difference in our community. After school every Thursday, the students gather all of the paper that has been collected to be recycled. They take it to the recycle dumpster and help save some trees. Way to go, Recycle Club!

# Guitar Club

Once a week the guitar club meets after school to practice new songs and play as a group. All of these eager musicians are supported by our music teacher, Ms. Cooke, who is an inspiration to us all with her passion for music.

# The Deployment Club

This year Ms. Limes started a new club to help support the families of deployed soldiers. In this club, the children make crafts and write letters and cards to send to their deployed loved ones. What an outstanding idea! With so many depoyed parents, this club is definitely one of the most needed.

This has been a great year for the H.E.S. PTO. We continued some of the programs that we have promoted in the past, and we also added some new ones. Our purpose is to create a fun learning environment for the students of Hainerberg, to help boost their morale and build self-confidence. We brought many fun activities to the school such as Bingo, Spirit Friday, Honor Roll, School Dances and the School Store. All of the children enjoy these activities, and even the parents seem to have a great time. This year we added two new programs - AFN Kids and "Caught Being Good". We supported the Scholastics Book Fairs and the Reading Counts Program. This yearbook is also sponsored by the H.E.S. PTO. Our biggest fundraisers are Box Tops and class pictures, so thank you to all who support the PTO. We strive to make Hainerberg a better place, and without all who volunteer, none of these extra activities would be possible.

Thanks to all who have participated, and I would like to extend a special thanks to all of our board members for giving your time to make these events possible.
