Success by Barbara Smallwood and Steve Wilborn

There are many great people who have achieved wealth and fame. There are fewer known who are equally as great. They have left a mark that many will long remember. This is the purpose of our dedication: to honor the person who has worked long and hard for the student body here at Hanau Middle School showing concern for the education of our youth.

Our lives have been touched by a caring and concerned teacher. She has a certain uniqueness which makes her stand out in the crowd. She has influenced us as a teacher and as a valued friend. It is with love and admiration that the student body of Hanau Middle School dedicates the 1989-1990 yearbook to Merlene Bennett.

A NEW MIDDLE SCHOOL

Hanau Middle School is a new school with a new attitude. Construction for this six million dollar facility began in October 1987 and ended in May 1989. It was built for 750 students with a complete computer lab, home economics room, media center, fully equipped stage, multi-purpose room, typing lab, gymnasium, art room, science labs, 26 classrooms, and an industrial arts room, which is still under construction. Most of the teachers moved in to the school in June 1989 for the school's opening in August 1989. The student population is approximately 800 and even though the hallways are packed between classes, it's a great facility.

Opening day was a trip. Not only was the school crowded, but students were getting lost. Many students had holes in their schedules. A hole in your schedule meant you went to the cafeteria for that period. There were as many as

100 students in the cafeteria per period. Fortunately, this only lasted a few days. Within a week it was back to the same old grind of homework, homework, and more homework.

Hanau

Hanau is located on the Main River approximately 15 miles east of Frankfurt and has a population of about 90,000. Hanau is the birthplace of Jacob and Wilhelm Grimm, authors of Grimm Fairytales. On the marketplace, you find the monument to the Grimm Brothers. There are two market days a week and market is often visited by our students and their teachers. Other attractions are the Town Hall, the Phillipsruhe

Hanau

Castle, the Goldsmith's House, and the resort of Wilhelmsbad.

Hanau also has many American style facilities on the various kasernes. We have a post exchange, commissary, bookstore, bowling alley, roller rink, movie theaters, banks, libraries, gyms, and snack bars.

Hanau has a lot to offer and can be a really fun place to live and learn.

Most perfect contraption that's ever been seen.
Just put in your homework, then drop in a dime,
Snap on the switch, and in ten seconds' time,
Your homework comes out, quick and clean as can be.
Here it is—"nine plus four?"
and the answer is "three."

What is a Middle Schooler?

What is a middle schooler?
I was asked one day.
I knew what he was,
But what should I say?

He is noise and confusion.
He is silence that is deep.
He is sunshine and laughter,
Or a cloud that will weep.

He is swift as an arrow.
He is a master of time.
He wants to be rich,
But cannot save a dime.

He is rude and nasty.
He is as polite as can be.
He wants parental guidance,
But fights to be free.

He is aggressive and bossy.
He is timid and shy.
He knows all the answers,
But still will ask "why."

He is awkward and clumsy.
He is graceful and poised.
He is ever changing,
But do not be annoyed.

What is a middle schooler?
I was asked one day.
He is the future unfolding,
so do not stand in his way.

 If Huck Finn rescues Jim,
 If Willie Loman never finds happiness?
 They're just characters in books.
 What have they got to do with me?
 I mean, I'm never going to fight in the civil war.
 And I certainly don't live in the Dust Bowl.
 Tell me instead how to
 Make money, pick up girls.
 Then maybe I'll listen.

STUDENT COUNCIL

Newspaper

The Bull's Eye staff works each month to put together a unique newspaper for and about the Hanau Middle School. Drawing on student talent, these hardworking kids describe or illustrate things around them, as they see it. Each Bull's Eye staff member contributes as their talents lead. This provides a totally middle school oriented newspaper.

The 1990 Yearbook Staff began their adventure into the unknown in September. Designing pages, editing copy, meeting deadlines, and working through dinner are just a few of the many phases of creating "A New Attitude". The staff was very thankful for Anthony's Pizza which was just around the corner.

A yearbook does not appear by magic. It is the product of several hardworking, dedicated people.

DESIDERATA

*Go placidly amid the noise and haste,
and remember what peace there may be in silence.
As far as possible without surrender
be on good terms with all persons.
Speak your truth quietly and clearly;
and listen to others, even the dull and ignorant;
they too have their story.
Avoid loud and aggressive persons,
they are vexations to the spirit.
If you compare yourself with others,
you may become vain and bitter; for always
there will be greater and lesser persons than yourself.
Enjoy your achievements as well as your plans.
Keep interested in your own career, however humble;
it is a real possession in the changing fortunes of time.
Exercise caution in your business affairs;
for the world is full of trickery.
But let this not blind you to what virtue there is;
many persons strive for high ideals;
and everywhere life is full of heroism.
Be yourself. Especially, do not feign affection.
Neither be cynical about love;
for in the face of all aridity and disenchantment
it is perennial as the grass.
Take kindly the counsel of the years,
gracefully surrendering the things of youth.
Nurture strength of spirit to shield you in sudden misfortune. But do not distress your-
self with imaginings.
Many fears are born of fatigue and loneliness.
Beyond a wholesome discipline, be gentle with yourself.
You are a child of the universe,
no less than the trees and the stars;
you have a right to be here.
And whether or not it is clear to you,
no doubt the universe is unfolding as it should.
Therefore be at peace with God,
whatever you conceive Him to be,
and whatever your labors and aspirations,
in the noisy confusion of life keep peace with your soul.
With all its sham, drudgery and broken dreams,
it is still a beautiful world.
Be careful. Strive to be happy.*

1989-90
Yearbook Staff

We must leave behind the special times
And treasured moments,
And search out new worlds and inspirations.
Many are the dreams we have made,
Harbored now in those pages of the past.

Amidst the forgotten Laughter and Love
Between Yesterday and the Future,
We Stand,
Knowing that we have come this far on
Our own.

And who is to say what lies ahead?
Tomorrow belongs to us.
