*Mr. James Lynch, Assistant Principal*

*Mrs. Ramona Wunsch, Secretary*

*FACTOID: Hanau Middle School  
was 10 years old in May.*

Students of Hanau Middle School,

I have enjoyed my first year at HAMS because each day has been a new challenge. I've continued to learn and grow dendrites each and every day. I hope that this year was a pleasant and challenging journey through education also.

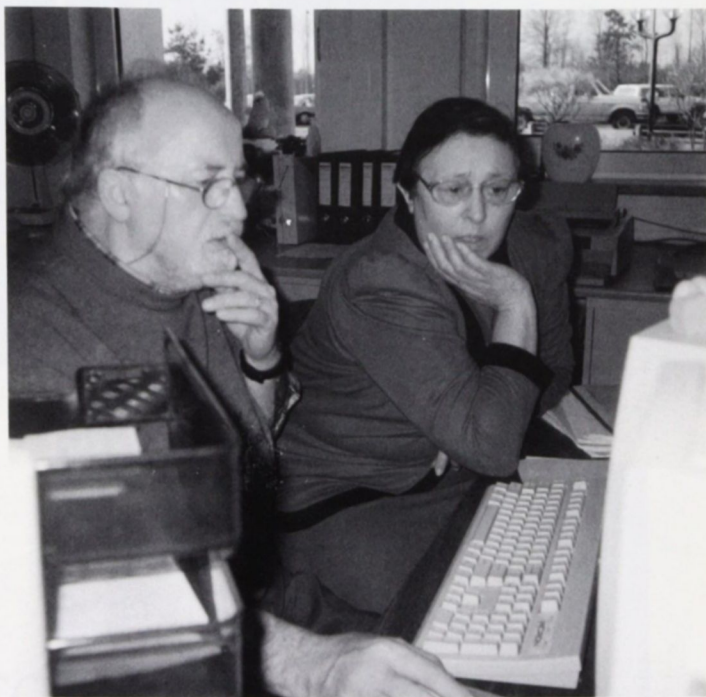

As you proceed through life I hope that you will remember this motto:

**BELIEVE, ACHIEVE, SUCCEED**

If you believe in yourself and your abilities, you can achieve in your classes and succeed in life.

It has been a pleasure to meet and come to know each and every one of you.

Your principal,  
Linda McCauley

6th GRADE

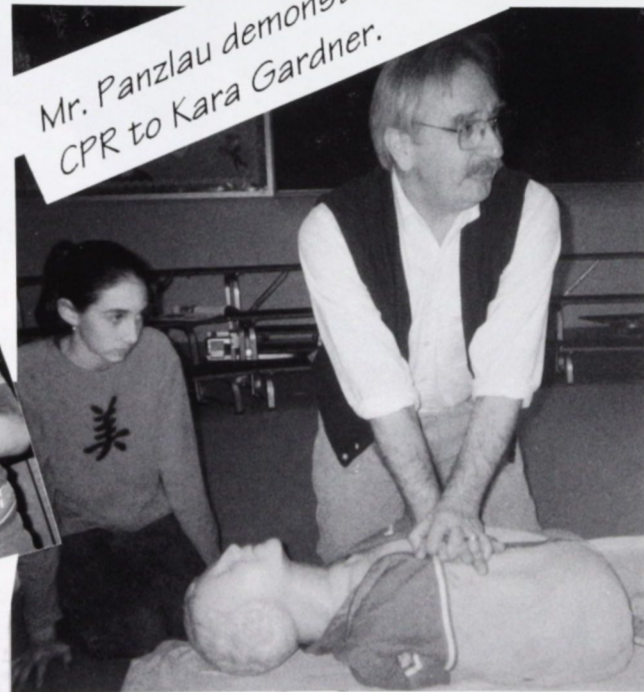

Mrs. Stephens and Frierson learn the "patty-cake," something new to do with new babycakes, Claudia, the smallest sixth-grader. Claudia Stephens was born 12/26/98.

# THREE MEDAL WINNERS in Hanau FUN RUN

**Kara Gardner, Krystie Rancourt and Kyle Knudsen** (First Place) pose with Coach Steele at the HANAU FUN RUN. They won medals in competition against rival Wiesbaden Middle School. (Not pictured is Cameron Warner.)

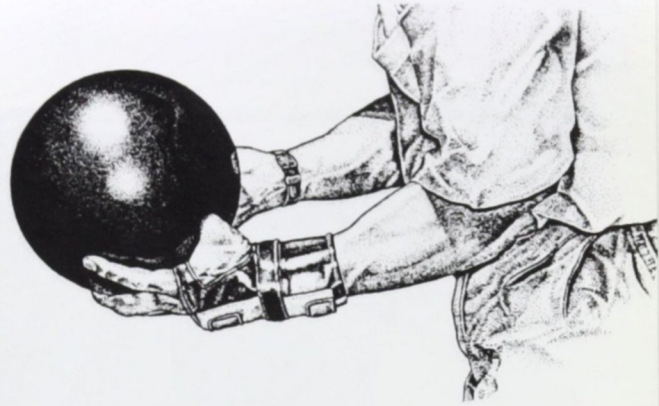

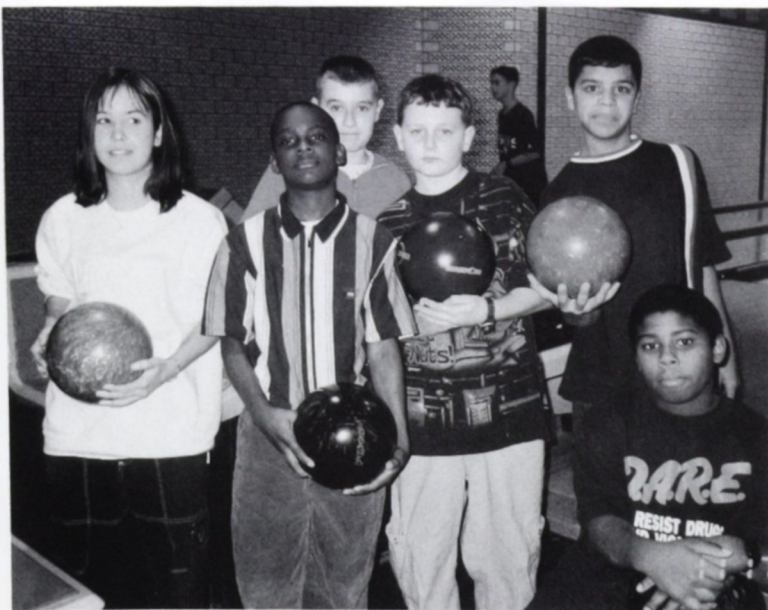

## RUNNING, RUNNING RUNNING...

They ran up the stairs and down again, ran 'round all the corners of the halls, hit the door to jog outside and keep up the momentum. They're HANAU's CROSS-COUNTRY TEAM. The only kids allowed to run in the halls include: (Back Row from left) Thomas Cartwright, Kara Gardner, Paul Hirdler, Kyle Knudsen, Coach Russell Steele; (Front Row, l-r) Krystie Rancourt, Lisa Mills, Tasha Steele and Cameron Warner. Not pictured: Kyle Deitch.

On Feb. 6th, girls and women from the community met at Hanau Middle School for an "All Girls Allowed" sports day. Female athletes shared talents and experience in workshops for basketball, softball, volleyball, conditioning and injuries, martial arts, bicycling, cheerleading and track.

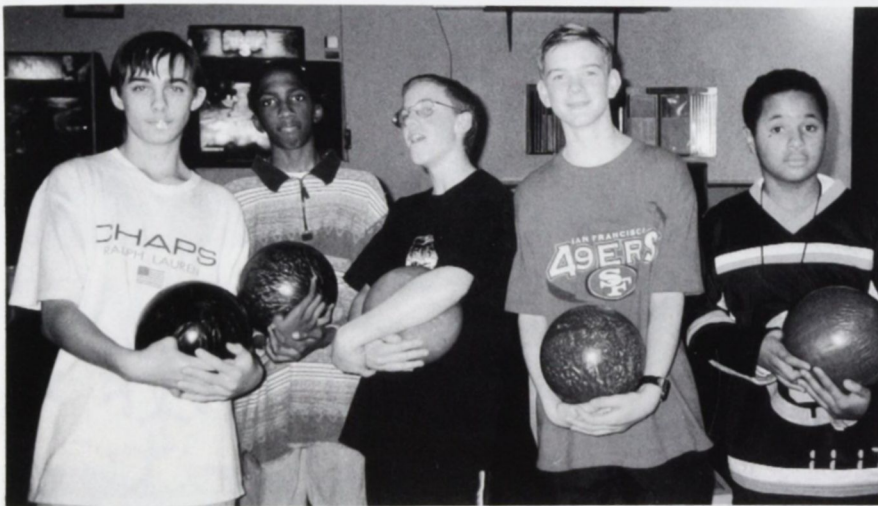

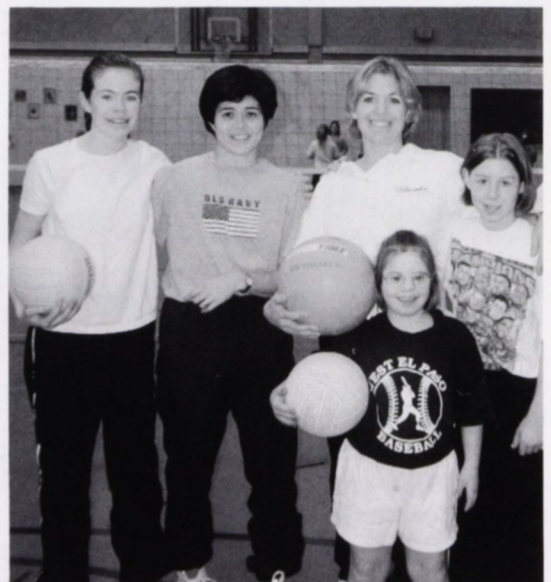

## After School BOWLING

**Keglers! (top)** Lucinda steps away from the afterschool bowling crowd -- Jerrick, Jacob, Matt, Martel and Darrante.

**Timber!** Pins fall like matchsticks when this experienced crowd hits the lanes. Way to go! (from left) Daniel, Jeremy, Dewayne, Tim and Chris.

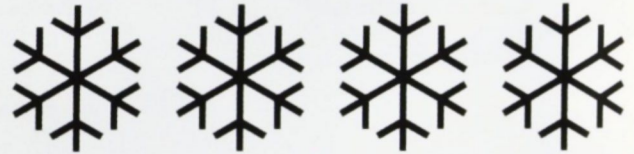

## All Girls Allowed!

Lindsey Cull (left) and Katie McArdle (right) played volleyball with their families.

Conditioning is key to staying off the injured list!

## SKATERS, AWAY!!!

Each year, Mrs. McCloskey takes Physical Education students to the ice rink in Frankfurt to practice the life sport -- skating! It looks like these 7th and 8th graders would rather mug the camera than skate. Among the skaters, you'll find: LaConda, Ashley, Chris, Byron, Derrick, Shatira, Jeremy, Nicole, Nina, Denise, Tricia, Alexis, Jessica, Jodi, Bobby, Anthony, and John Hurley, too.
