## Hurricanes Wreak Havoc on Southern States

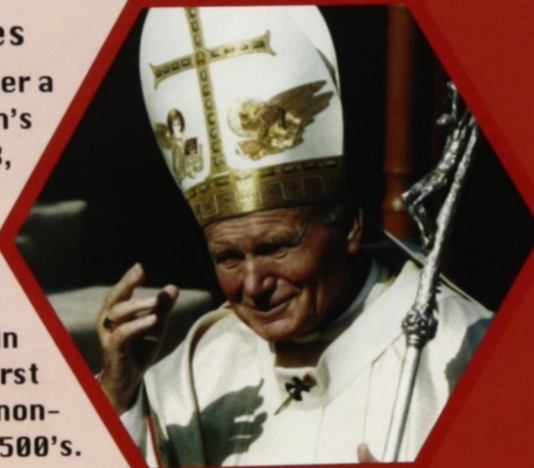

On August 29, 2005, Hurricane Katrina, a category 4 storm pounded the Gulf Coast. Parts of Mississippi were hit particularly hard. The following day New Orleans, which had been spared the full force of the storm, suffered calamitous damage as levees holding back flood waters broke submerging around 80% of the city.

A mere month later, on September 23, a category 3 storm (Rita) causes waves to flood parts of New Orleans and breach yet another levee. Total damage done to New Orleans is estimated at over \$7 million.

## Pope John Paul II Dies

Pope John Paul, 84, died after a long struggle with Parkinson's disease on April 2, 2005. On April 8, he was laid to rest in St. Peter's Basilica after 26 years of leading the world's Catholics. Leaders from more than 70 nations gathered for the largest funeral for a Pope in history. John Paul II was the first Polish Pope and the first non-Italian Pope since the 1500's.

## Space Shuttle Discovery

On July 26, 2005, Space Shuttle Discovery lifted off. The mission of the shuttle was to deliver supplies and test new safety procedures at the International Space Station. Despite difficulties at take off, and two missed passes at a landing, the Discovery and its crew landed safely on August 9, 2005.

## Happy Birthday!

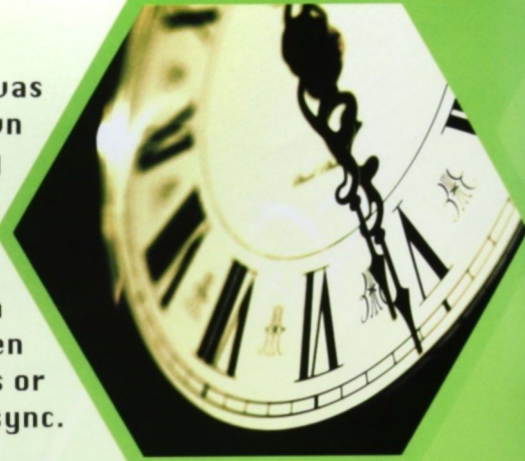

On July 17, thousands of Disney fans came together to celebrate Disneyland's 50th birthday in Anaheim, California. Since the 1955 opening of Disneyland in California, ten other Disney parks have opened world-wide, one of the most popular being Disneyworld (FL) in 1971.

## 2005 Was A Long Year...

Actually, slightly longer than usual. An extra second was added to the end of 2005 to make up for the slowing down of the Earth's rotation. "Leap seconds" used to be very common. This is the first in seven years and shows the unpredictable nature of the planet's behavior. The International Earth Rotation & Reference Systems Service keeps track of time by measuring the Earth's rotation, which varies, along with an atomic clock, which is unwavering. When a difference between the two appears, IERRS adds or subtracts a second to keep the two timing systems in sync.

## Around The World...

Steve Fossett completed a 23,000 mile flight on March 3, 2005. He's the first person to make the solo non-stop journey around the world.

## Doin' Time

Domestic diva, Martha Stewart, was released from a women's prison facility in Alderson, West Virginia after a 5 month stay. Stewart was convicted on four counts of obstructing justice and lying to investigators about a well-timed stock sale.

## Bombs Explode In London

Four coordinated terrorist attacks on London's subway transit system during rush hour kill over 50 people including the attackers, and wound more than 700. The attack coincided with a summit meeting of some of the world's most powerful nations. British Muslims were said to have been responsible.

## Largest Passenger Plane Launched

A prototype of the Airbus A380 had what was considered a very successful test flight in Toulouse, France in January, 2005. The plane is a whopping seven stories high and can seat 555 passengers.

The third installment to George Lucas's prequel trilogy made its big screen debut in 2005. Star Wars Episode III: Revenge of the Sith is one of the top ten highest grossing films of all time along with Star Wars Episode I: The Phantom Menace.

### A Melty Mess

An attempt to set a world record for 'largest popsicle' ends in a sticky mess in June of 2005. Snapple beverage company's attempt at the record was squashed by a warm June afternoon, leaving local fire fighters to clean up the fruity mess.

### BIG HITS ON THE BIG SCREEN

- Harry Potter And The Goblet of Fire
- The Chronicles of Narnia - The Lion, The Witch, and The Wardrobe
- Madagascar
- March of the Penguins
- King Kong
- Charlie & The Chocolate Factory

### FUN MOVIE FACTOID:

Did you know that Deep Roy, the face of the new Oompa Loompa, actually played every single Oompa in the movie? He was digitally replicated to make it seem like there were dozens of the pint sized, cocoa bean loving workers running the factory.

### Golden Boy (& Girl)

Reese Witherspoon and Joaquin Phoenix hold their Golden Globes for best actor and best actress for their work in the movie "Walk the Line", the story of country singers Johnny Cash and June Carter Cash.

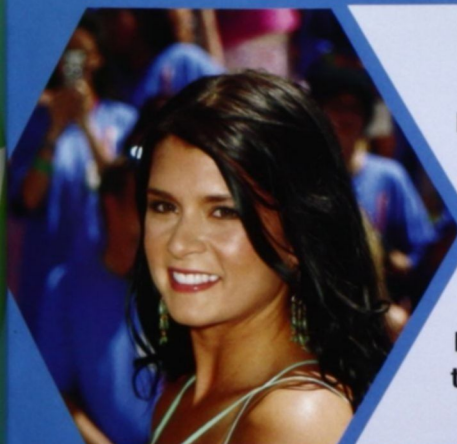

### THE WORLD OF SPORTS

- The Chicago White Sox swept the Houston Astros claiming the World Series Championship in game four.
- The San Antonio Spurs beat the Detroit Pistons in game 7 of the NBA championship with a final score of 81-74.
- The Sacramento Monarchs defeated the Connecticut Sun in the WNBA Championship. The final score of game 4 was 62-59.
- Superbowl XL was taken by the Pittsburgh Steelers in a 21-10 victory over the Seattle Seahawks. The Steelers now share the title of "Most Superbowl Wins" with the San Francisco 49ers and the Dallas Cowboys with 5 wins each.

### DID YOU KNOW?

In 2005, Americans spent \$23.84 billion dollars in the home video industry? \$342 million of that was just on the rental and purchase of the Disney/Pixar production, The Incredibles, released in 2004.

### Her Rookie Year

Danica Patrick took the IndyCar Series by storm in 2005. The 23 year old isn't the first woman driver in the series, but she has quickly proven herself to be the best so far in terms of on-track performances during her first year.

### One More Time

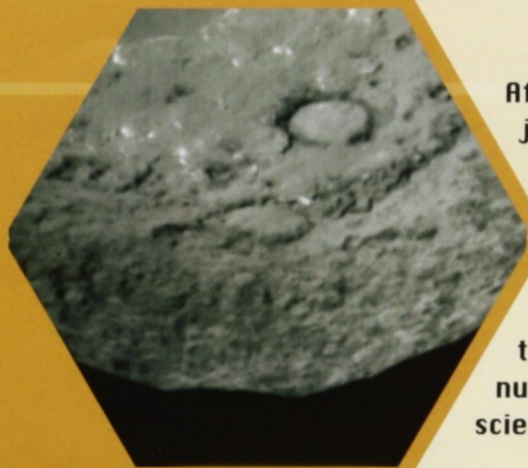

Lance Armstrong wins his seventh Tour de France on July 25, 2005. Earlier in the year, he had announced his retirement from the sport when he completed this year's race.

### A Discovery Down Under

Researchers recently found a new dolphin species along the coast of Australia. The new Snubfin dolphin was given its name because of their bluntly rounded noses and a stubby dorsal fin on their backs. This is the first new dolphin species in over 30 years. Researchers were actually studying another type of endangered dolphin along the coasts of Asia and Australia when they stumbled across the new species. It's estimated that there are only around 1,000 Snubfins in the world making them susceptible to many threats.

### Comet Crash

After a 6 month, 83 million mile journey, NASA's Deep Impact probe hit a comet with a brilliant flash of light. The probe was designed to provide information to scientists about the inside of the comet. Using special cameras, the probe took pictures of the nucleus and sent them back to scientists on Earth to study.

### King Of The Mountain

15 years ago, Ed Diesturs, 44, set out to hike to the top of the world's highest peaks. In 2005, he finished. Diesturs, a Seattle resident, is the only American to climb to the top of the world's 14 highest mountains.

### Iraqi Election

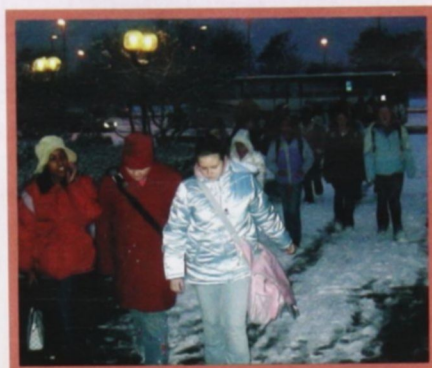

Iraqi expatriates from fourteen countries around the world were able to vote in the election for a Transitional National Assembly in January of 2005. Iraqi people proudly displayed the purple ink on their fingers as a symbol that they had cast their absentee ballot. Iraqis were able to vote if they were born in Iraq, or if their father holds residence in Iraq.

The war in Iraq continues, over two years after its start. With so much going on in our everyday lives, it's easy to forget how many of our fellow Americans have sacrificed to protect us and make a difference in the world today. Remember our troops overseas; our lives wouldn't be the same without them!

citizenship, and  
friendship.

2005-2006

## Hanau American Middle School dedicates the 2005-2006 Yearbook to Mrs. Martha Duncan

Each single one of us is said to be of infinite worth and Mrs. Duncan is worth an infinite amount to Hanau American Middle School

Mrs. Duncan has had an incredible life from serving her country in the Red Cross to serving as an Assistant Principal at Hanau American Middle School. She spends tireless hours doing her best for students. Mrs. Duncan prides herself by knowing every student's name and something personal about them. She has been dedicated to her work and is always understanding and cheerful. In the community, student functions as well as early mornings and late evenings, Mrs. Duncan can be found with a smile. She attends all Hanau community plays in which students participate, attends school dances and concerts in addition to base functions.

## 7th grade celebrates Oktoberfest

To give a cultural flair for living in Germany Oktoberfest was celebrated by the 7th grade on October 21 with root beer and pretzels, games and face painting. Students were given an explanation of Crown Prince Ludwig and Princess Therese wedding ceremony.

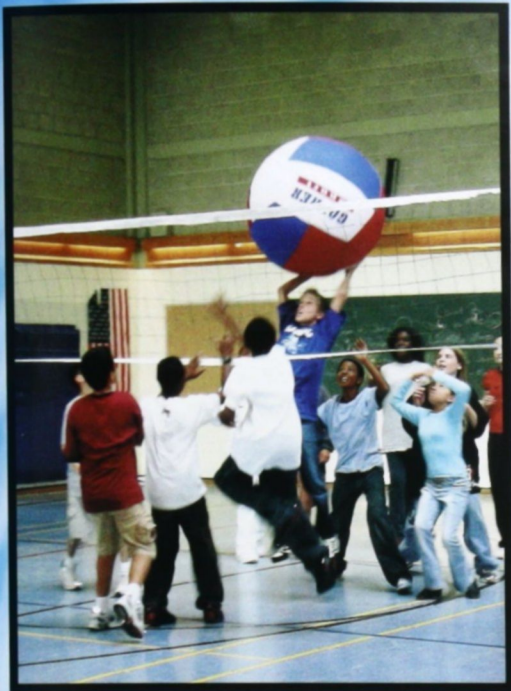

## 7th Grade Math Museum Field Trip in Geissen

The 7th grade class field trip headed to the Math Museum in Geissen for a day of fun filled experiments. Students visited the hand-on museum to explore various math equations and formulas.

$$2 + 2 = 4$$

## 7th Grade Seminar Activities

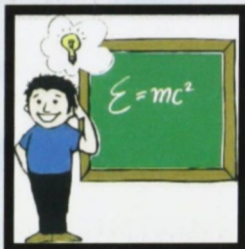

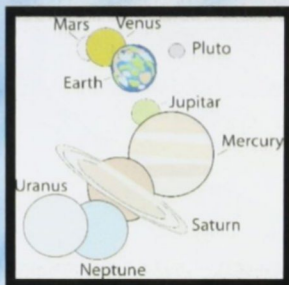

### Ultimate Frisbee Monster Volleyball Seminar Teacher Car Design

To gain cooperative skills, students participated all year in various activities for teambuilding. Mr. Hemmer set up sports activities in the gym on Fridays as well as students using their creative art and problem solving abilities to redesign teachers cars.

# Art Club

Art Club gives students the opportunity to work on their own Artworks. They can get materials, get technical help, or just have a supervised area in which to create their art.

# After School Band

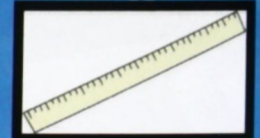

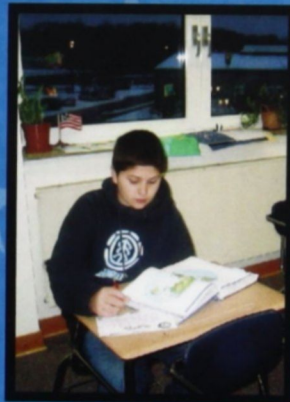

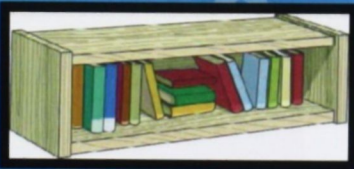

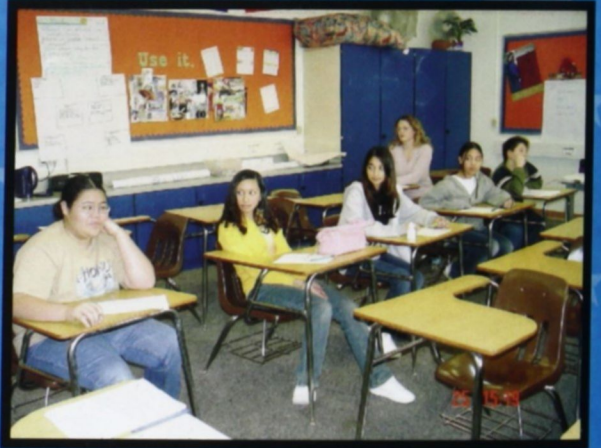

After school band allows students to obtain music lessons for the talented Mrs. Warner-Kingsberry. Guitar, violin, and various other instrument lessons were made available.

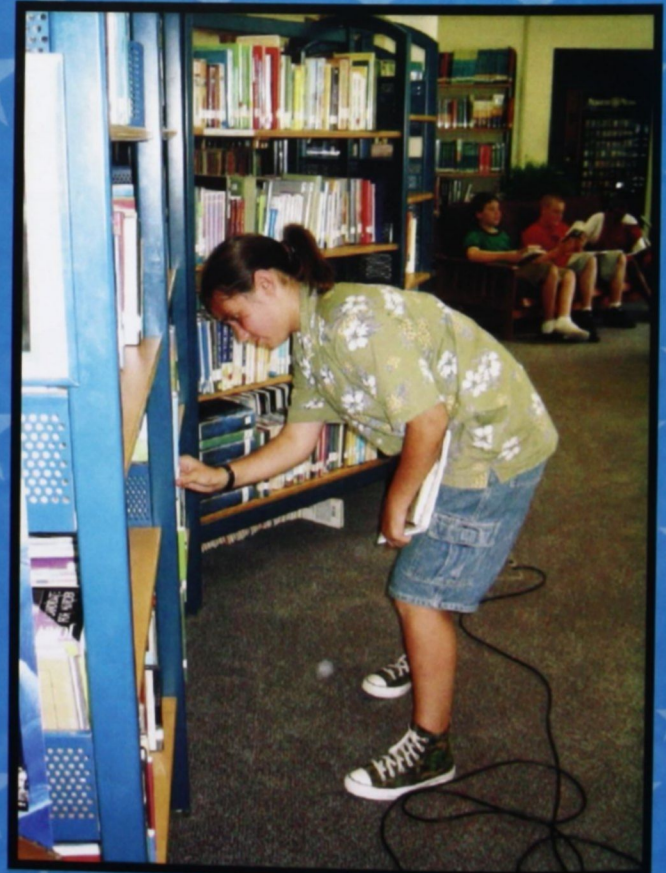

# AVID

The AVID program at HAMS is all about achievement and success. Of course, hard work, collaboration, and support are also important parts of this program. AVID is a college-prep course that identifies students who want to attend college in the future and need the challenge of finding their true potential. Students are selected for the program and voluntarily participate based on their standardized test scores, GPA, DEROS date, attendance, behavior, and teacher recommendation. Students are placed in rigorous courses, ie 8th graders take Algebra I, 7th graders take Math 8 and a foreign language is recommended.

## Accelerated Readers

What's AR points?? When you read accelerated reader books in the library, take a test on the book and pass, you accumulate points....this not only helps your reading ability but your vocabulary and comprehension skills too. This year, it also got you in the Valentines Dance free!!

# Culture Club

*Culture makes our school rock! We have assemblies throughout the year to heighten awareness for Spanish, Native American, and African American heritage. A special thanks to Mrs. Warner Kingsberry and Mr. Fernandez, who coordinate these activities for student participation and education.*

# Drama

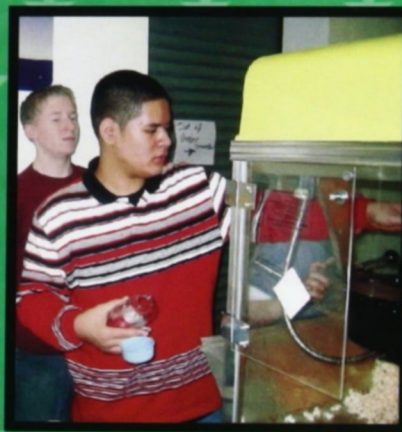

In Drama class students explore most areas of the theatre during the course of a semester. Areas covered are monologue, work, scene work, public relations, costuming, make-up, improvisation, pantomime, and puppetry. After school drama club allows students to participate in plays and musicals.

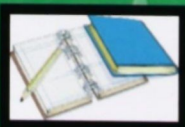

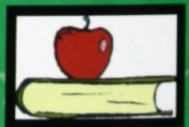

# Future Business Leaders of America

This organization provides students with the opportunity to apply their classroom activities in business practice. This also allows for leadership development activities and competitive event experiences.

# Future Educators of America

Future Educators of America is a club that strives to produce an interest in students in the fields of education, early in their school experience. It also promotes excellence in students interested in the teaching profession by promoting academic achievement, developing a positive self-image, and encouraging leadership responsibilities.

This year's focus has been on school projects, to include assistance with Red Ribbon Week, decorating bulletin boards, and assisting classroom teachers with variety of educational tasks.

# Home Economics Club

Home Economics club allows students to learn various cooking and handicrafts with Mrs. Reade-Pellicano.

## Meeter Greeter

Students are selected for this program to be student ambassadors. They read the morning announcements, welcome and host new students, escort visitors or tours of the school and participate in community service

# National Junior Honor Society

HAMS NJHS members are more than just honor roll students. The NJHS charter establishes rules for membership that are based upon a student's outstanding performance in the areas of scholarship, service, leadership, and character. These criteria for selection form the foundation upon which the organization and its activities are built.

## Race Car Club

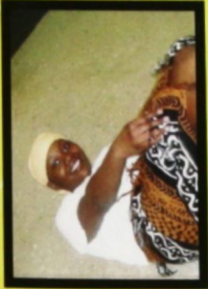

The 7th grade students are known as the engineers. This program allows the students to take their class name a step further than simply hearing about famous people and what they may have done. It ultimately allows them a more hands on approach to the field of engineering and design. Members discuss armatures, windings, batteries, gear ratios and pinions. Also surface temperature, differentials, inertia and speed calculations.

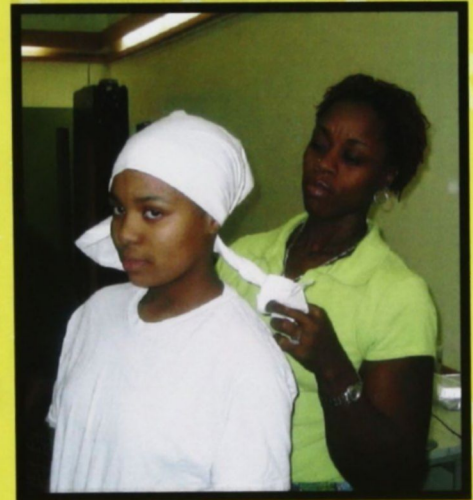

# Sankofa Dance Ensemble

The word Sankofa originates from the country Yoruba which is in Africa. It means learning from the past, building for the future. Sankofa Dance Ensemble was created to bring the cultures of ballet and ethnic dance alive, through teaching the art called Ballethnic

# Sign Language Club

Students meet to learn the basics in American Sign Language and to get an introduction to Deaf culture.

# Student Council

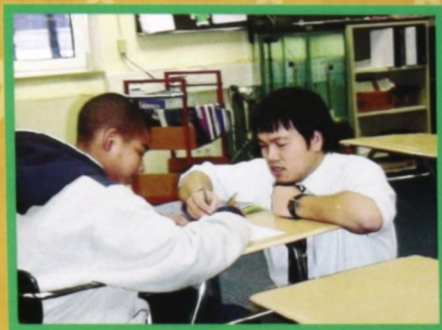

Student council is responsible for volunteer work in the community as well as service to the student body. Student council has had a canned food drive, fundraised for money for phone cards for wounded soldiers, helped support Red Ribbon Week, and supported the Veteran's Day honors. In addition to this, students council also sponsors dances for the student body.

# Students Success Hour and Mentoring

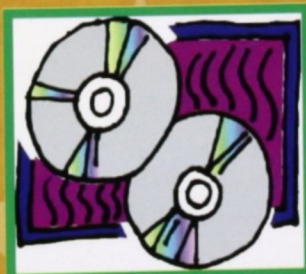

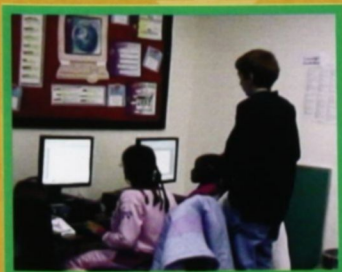

Students of HAMS were provided with a special treat, not only did each grade level provide time after school two days a week for students to obtain extra help, but we also had soldiers from the 57th Air Defense Artillery Unit of the Underwood Kaserne in the Hanau community to mentor students.

Also provided was a Math Success Hour provided by the 8th grade math teacher during seminar, at lunch, and after school

## TLC-Technology Leadership Community

The students have the opportunity to work with technology software and hardware teaching it to others at school and the community. Word, Publisher and PowerPoint are some of the programs members.

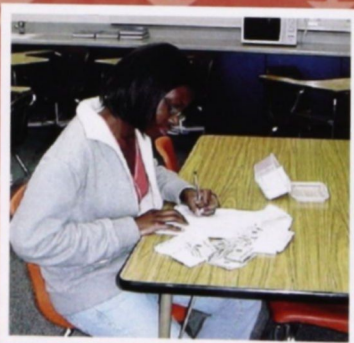

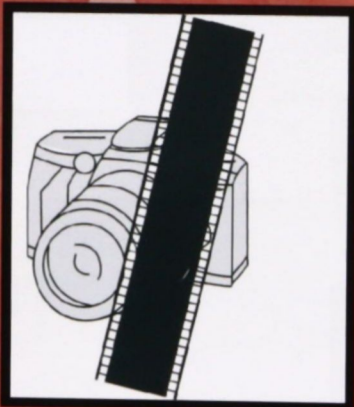

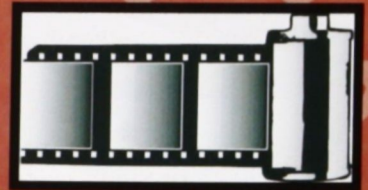

# Yearbook

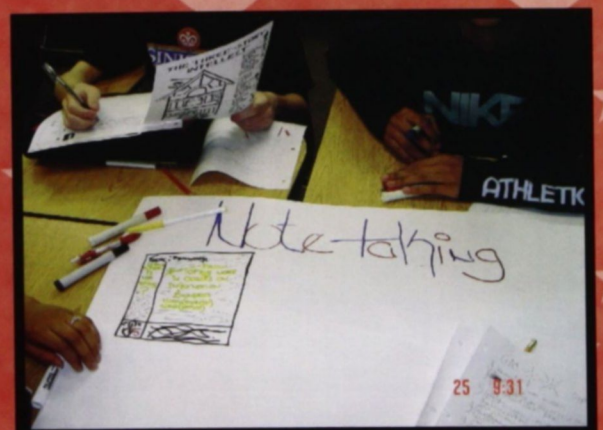

Students make major decisions on how HAMS school year 2005-2006 is documented. Deciding page layout, photographing events and candid's, along proofreading leads to many hours of energy, effort and success. Special thanks to Stephanie Davis for putting in long hours editing with Mrs. Hemmer.

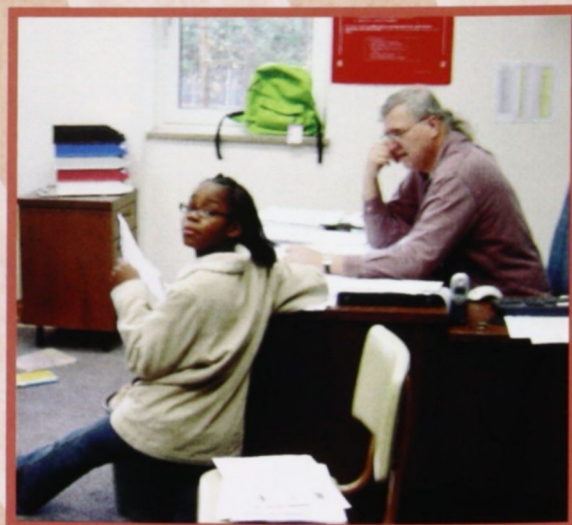

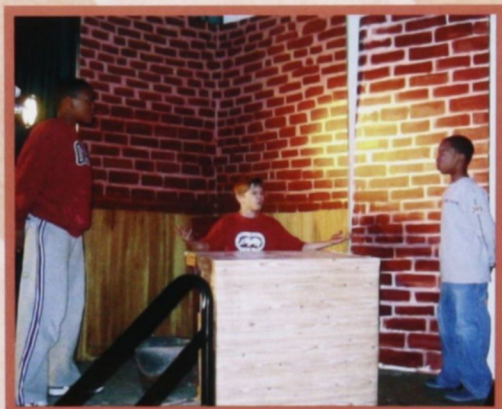

Editor Stephanie Davis

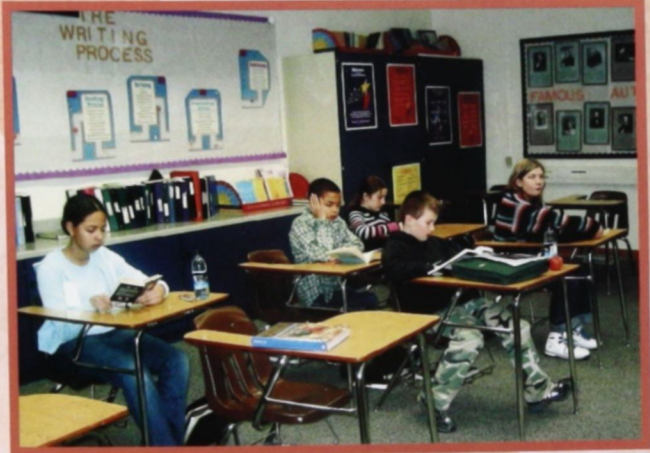

# EVENTS OF THE SCHOOL YEAR 2005-2006

Native American Heritage Celebration

January  
Geography Bee  
Winter Formal Dance  
Bugsy Malone

February  
Valentines Day Dance  
Black History Celebration

March  
Read Across America

## Open House

Open house was held on September 1, 2005 for parents to meet teachers and become aware of the daily happenings of Hanau Middle School.

Parents got a brief glimpse of students daily life by meeting the seminar teacher as well as classroom teachers.

PTSO served Italian ice cream in the cafeteria as well as sold HAMS t-shirts and sweat-shirts. It provided a good opportunity for parents to meet teachers.

# Spanish American Heritage Celebration

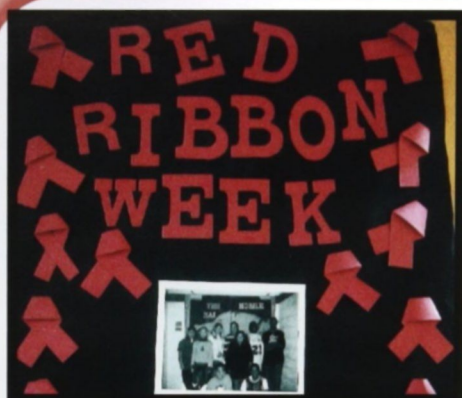

Feel the beat? Get on your feet as we celebrated with a school assembly for Spanish Heritage. Students explained country flags, performed traditional dance and taught HAMS about the Hispanic Culture.

All of this was possible with the help of event coordinator Mr. Pat Fernandez, Mrs. Hashimi, Mrs. Pellicano, Mr. Garrity and Mr. Hauserman.

# Red Ribbon Week

Are things becoming a blur? You're seeing RED? Don't adjust anything, it's just our Red Ribbon Week celebration we had in October to stay drug free.

Lead by our counselors Mrs. Leivermann and Ms. Juergens, students dressed the part daily with a theme to commit to a drug free life. They all wore red hats, sweat suits, and slippers. Many lunch time activities were held, as well as door decorating, essay writing, and poster making contests. Students also participated in a 5km fun run for drug awareness.

# Veterans Day Assembly

November 11 is the day of remembrance. As the band played our national anthem, Student Council presented HAMS veterans with a boutonniere. All veterans then shared stories and answered questions enabling students to show their respect for our service members. Veterans include Mrs. Duncan, Mr. Fernandez, Mr. Hemmer, Mr. Kingsberry, Mr. McLeod, Mr. Ruddock, Mr. Senter, Mr. Shulson, Mr. Songer and Mr. Tinsman.

## HAMS 3rd Annual Geography Bee

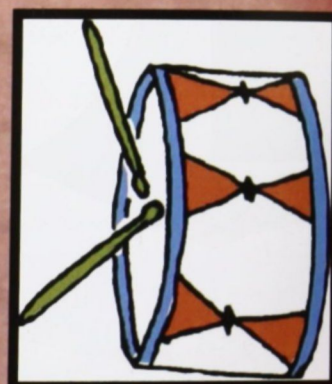

January 10 was the date for the annual Geography Bee. Twelve students from all grade levels were tested on their knowledge of Geography. Jeff Holt was the winner of the Geography Bee with the most correct answers. A special thanks to Mrs. Hauserman for coordinating the event.

# Native American Heritage Celebration

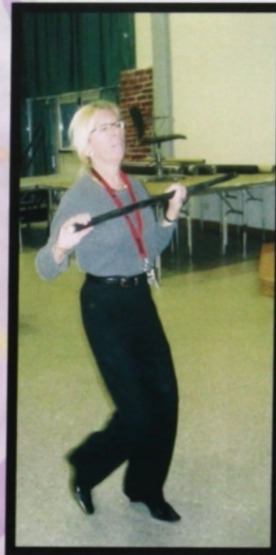

# Winter Formal

# Bugsy Malone

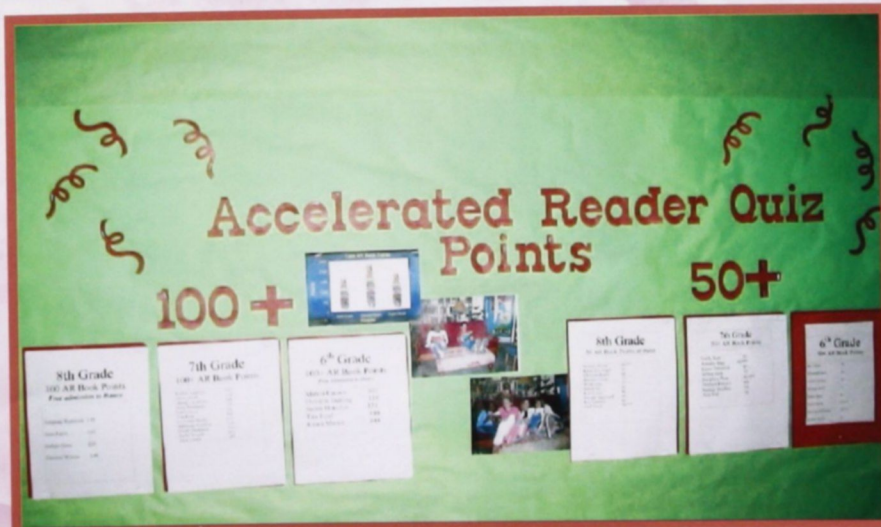

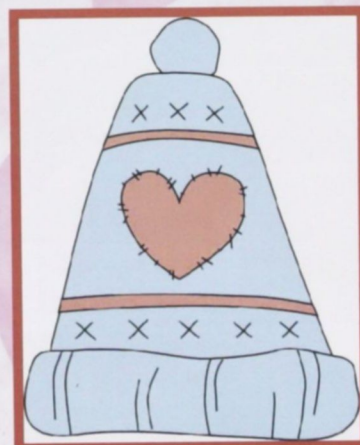

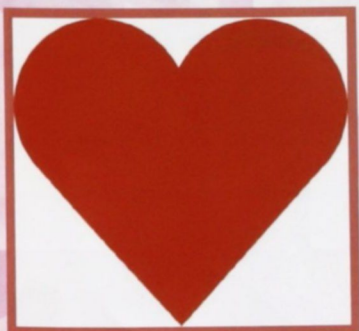

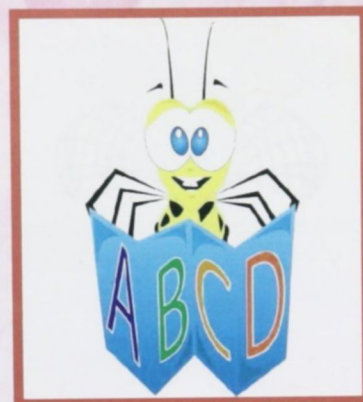

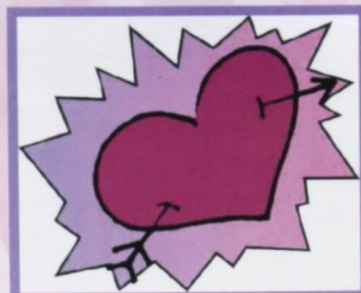

# Valentines Dance

*In conjunction with Student Council, Ms. Avegno sponsored the Valentines Dance as a reward for students with high Accelerated Reader points. Many students received free entry and refreshments to the dance by reading and testing to obtain 100 AR points. Ms. MacFarland and Student Council aided with the dance as a fundraiser contributing to the drama and music department funds.*

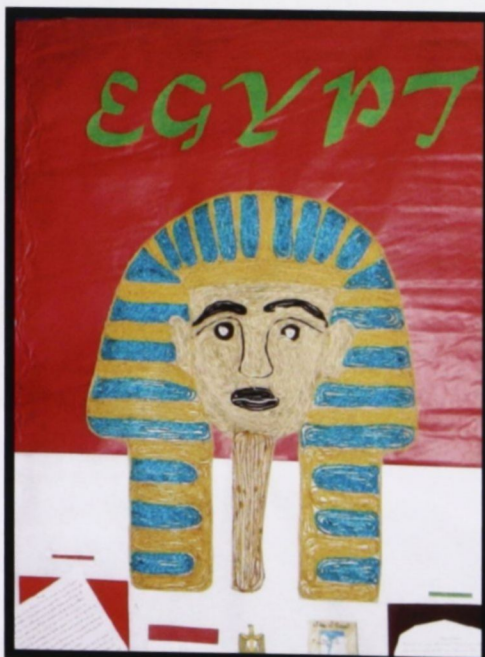

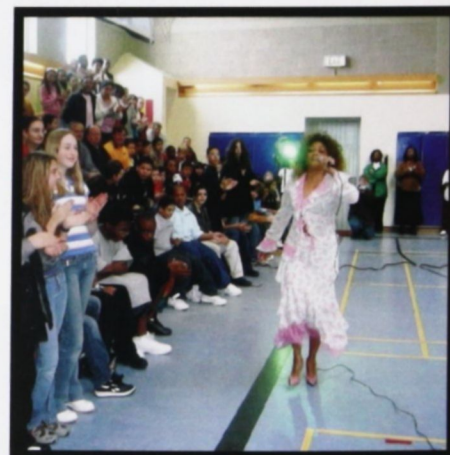

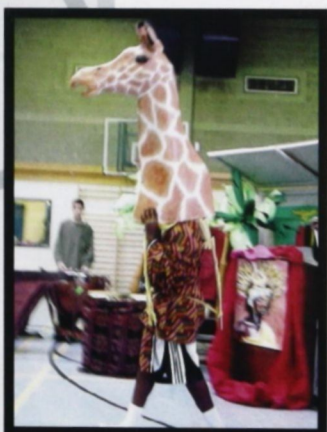

# Black History Month

Hanau students participated in various ways during the month of February for Black History. Trivia was read daily over the intercom for students to win prizes. Classroom doors were decorated with various African nations for students to tour as well as a culminating assembly including student participation, dancing, and a visit from Lady G.

# Book Lovers Luncheon

Every Thursday, students are invited to the library to eat their lunch and talk books. Book talks, guest speakers, and book discussion keeps students coming back for more. Ms. Avegno usually brings a snack to heed her book lovers' creative appetite.

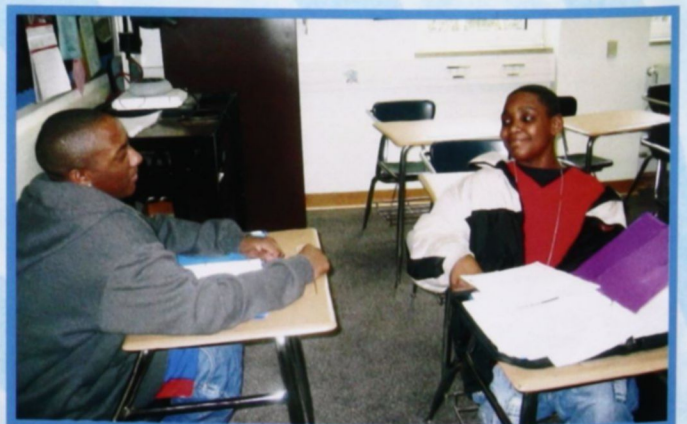

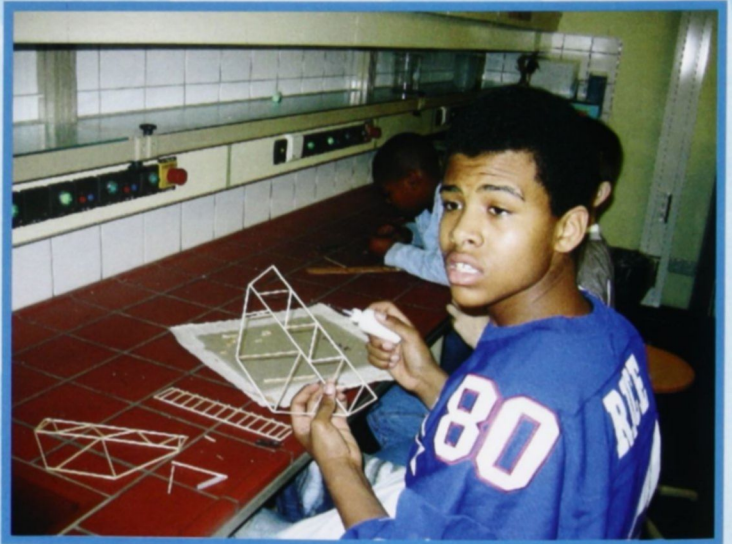

## Read Across America

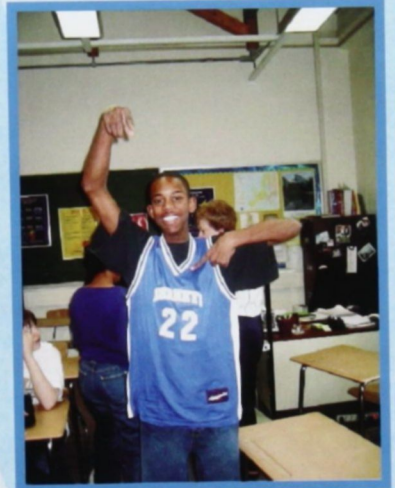

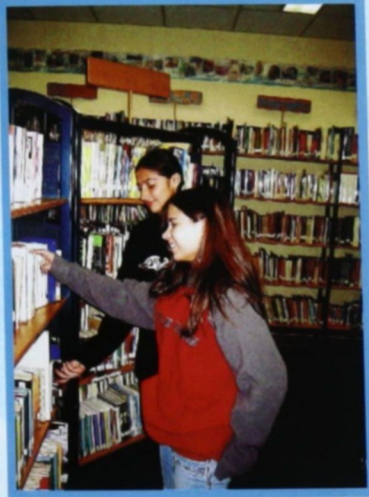

March 2 also known as Dr. Seuss' birthday, allowed HAMS students to participate in various reading workshops. Author Clare Dunkle, was a guest speaker as well as students and staff directing informative lessons about various types of books and authors. Mr. KB kept us riveted with his presentation unlocking the Di Vinci Code. All was coordinated by Mrs. Avegno, our Media Specialist.

# Sport Programs at HAMS

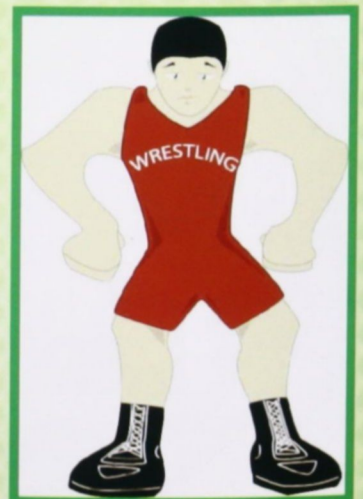

Cross Country and Bowling  
Coach-Monika Juergens

Wrestling Coach-Dave Hemmer

Intermurals during lunch time-  
Jim Lynch

## Lunch League Intramural Sports

During the school year, students from all grade levels were able to participate in several group athletic activities, such as soccer, basketball, and wrap football, after having lunch to burn off excess energy and engage in friendly competition with peers. Rope jump, table tennis, and board games provided alternatives for those who chose not to participate in group sports. Board based participation by male and female teams produced some exciting entertainment. Special thanks to Mr. Jim Lynch for coordinating and supervising and also to Mr. Frank Duncan for supervising.

# Track & Field

Coach Ms. Juergens

Cross Country is an after school extra curricular sport emphasizing the basic skills. This activity culminates with a 5 km fun run in Darmstadt as well as a 5 km run during Red Ribbon Week.

Wrestling offers character building, sportmanship, travel and an opportunity to learn whole body athletic skills.

### Wrestlers

Michelle Williams 103 weight class

 Steven Morton 215 weight class

# Wrestling

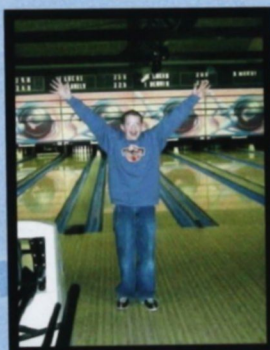

Coach: Mr. Hemmer

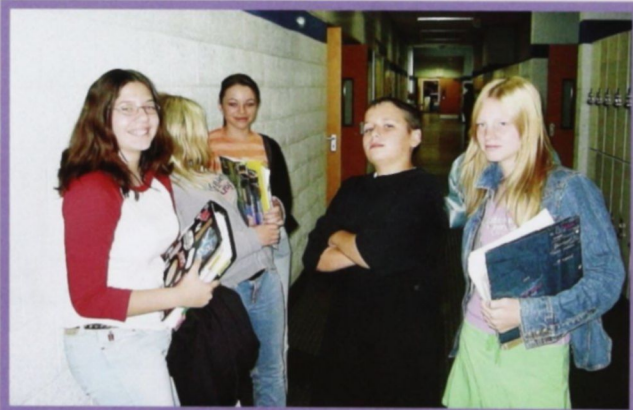

# Bowling Team

Coach Monika Juergens

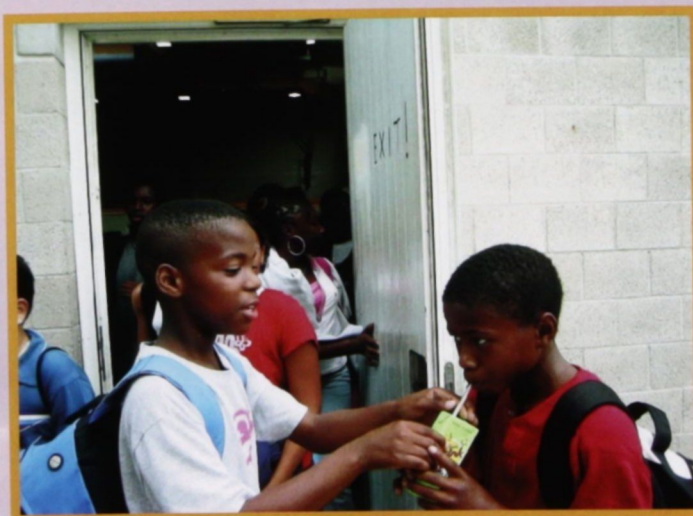

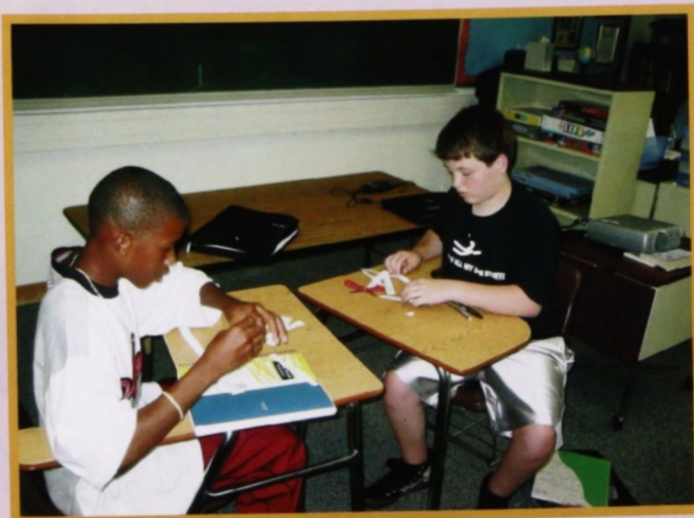

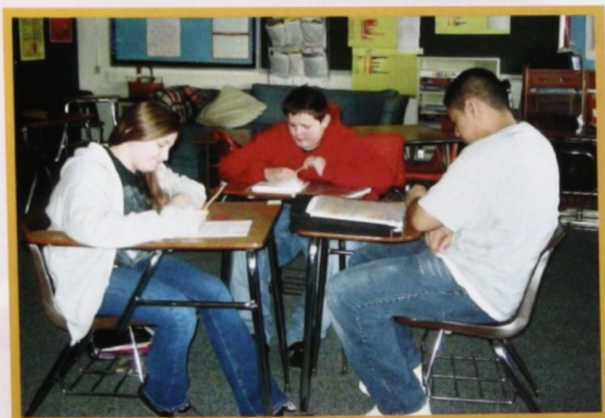

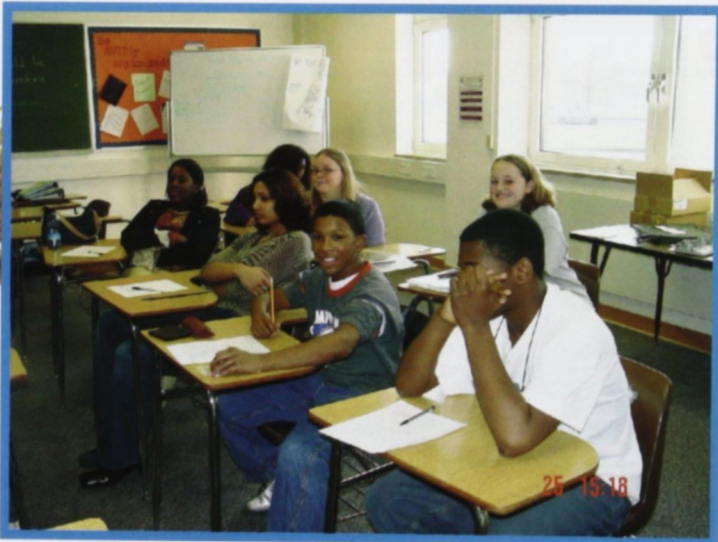

You've got troubles, well I've got them too,  
 There isn't anything I wouldn't do for you,  
 We stick together and we see it through  
 You've got a friend in me

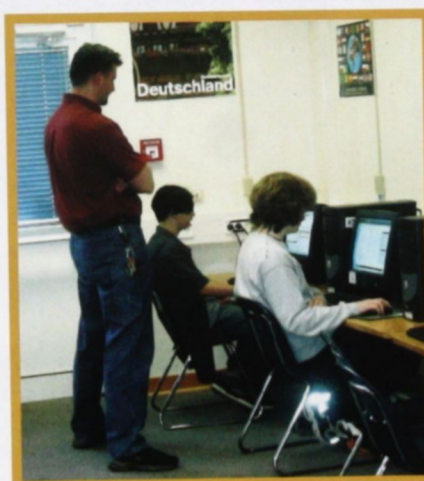

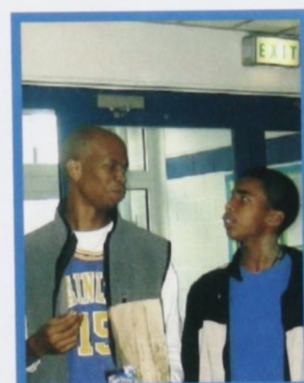

As we go on, we remember  
All the times we had together,  
And as our lives change, from  
whatever,  
We will still be, friends forever.

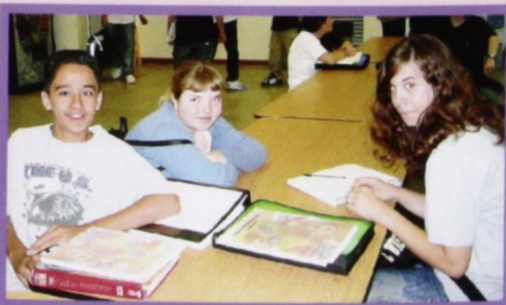

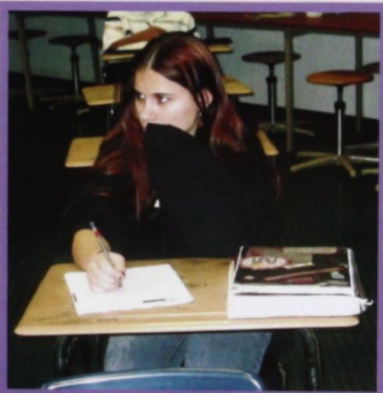

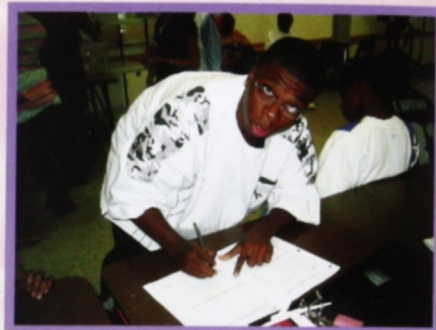

Will we think about tomorrow like we think about now?

Can we survive it out there? Can we make it somehow?

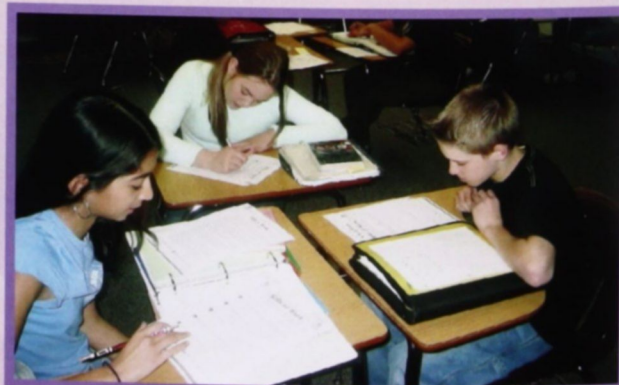

I guess I thought that this would never end  
And suddenly it's like we're women and men.  
Will the past be a shadow that will follow us around?

Will these memories fade when I leave this town  
I keep, I keep thinking that it's not goodbye,  
Keep on thinking it's a time to fly.

And so we talked all night about the rest of our lives,  
 Where we're gonna be when we turn 25,  
 I keep on thinking time will never change  
 Keep on thinking things will always be the same.  
 But when we leave this year we won't be coming  
 back,  
 No more hanging out cause we're on a different  
 track.  
 And if you got something that you need to say,  
 you better say it right now cause you don't have  
 another day.  
 Cause we're moving on and we can't slow down,  
 These memories are playing like a film without  
 sound.
