This year was special for the people of our host country. East and West Germany became one nation again on October 3, 1990. Celebrations took place all around the newly reunified Germany. It was a day to remember.

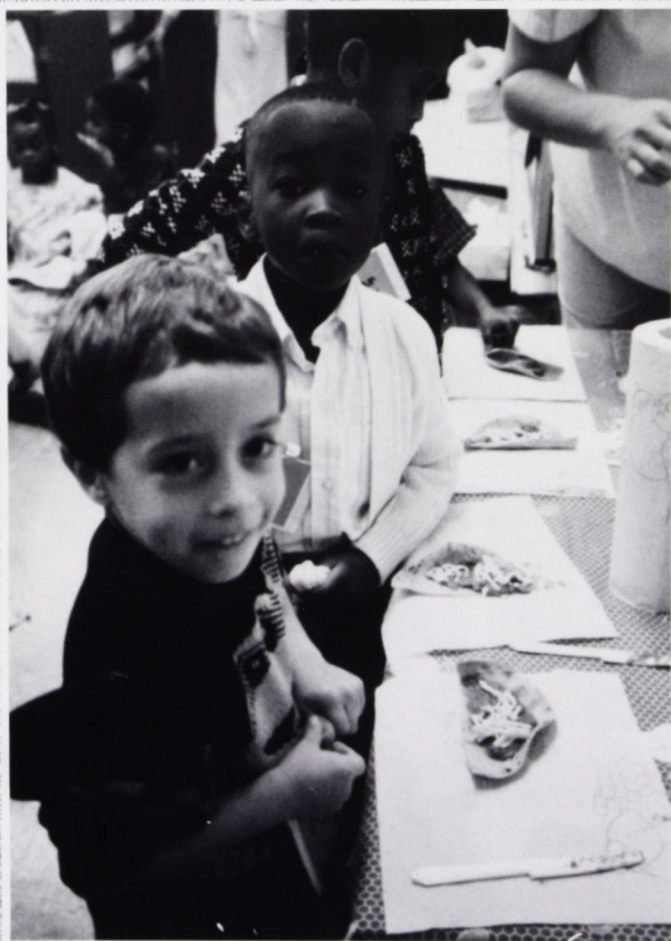

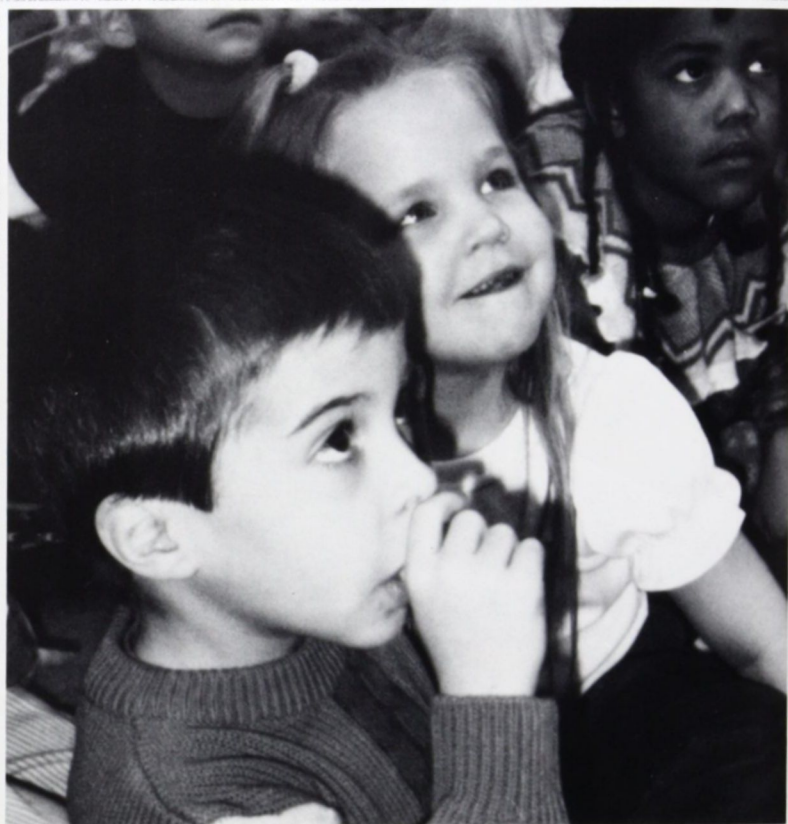

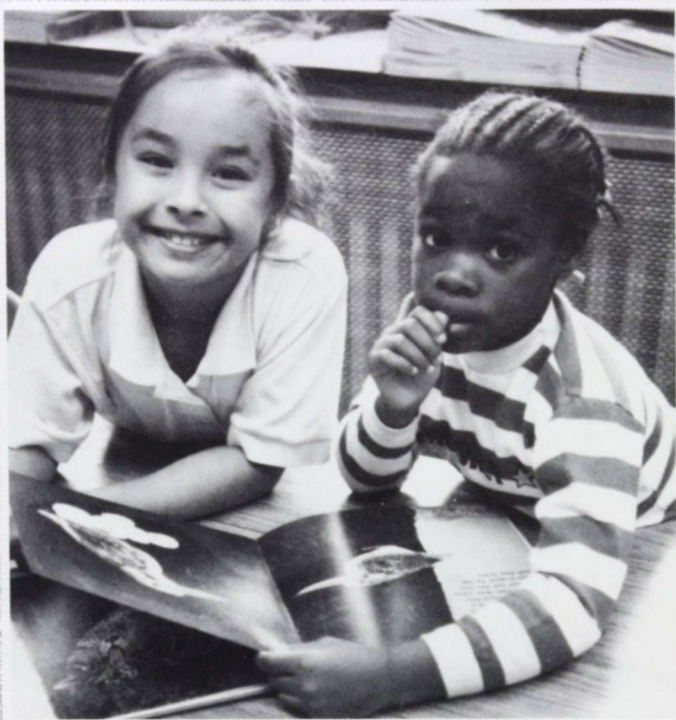

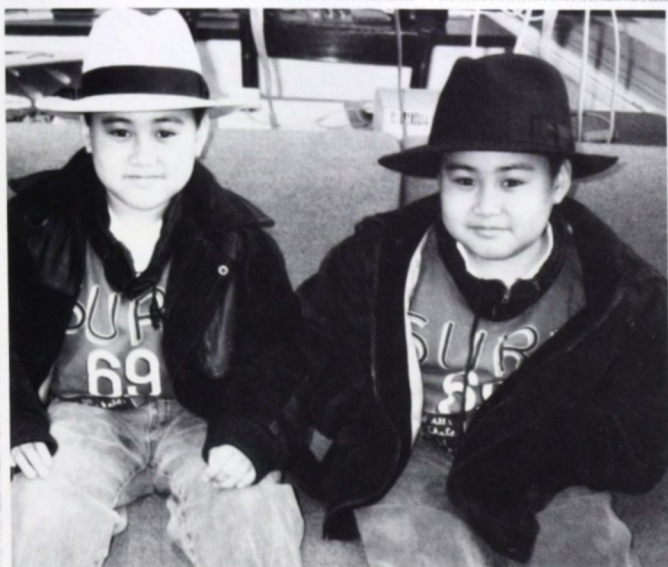

STUDENT LIFE
[AM]

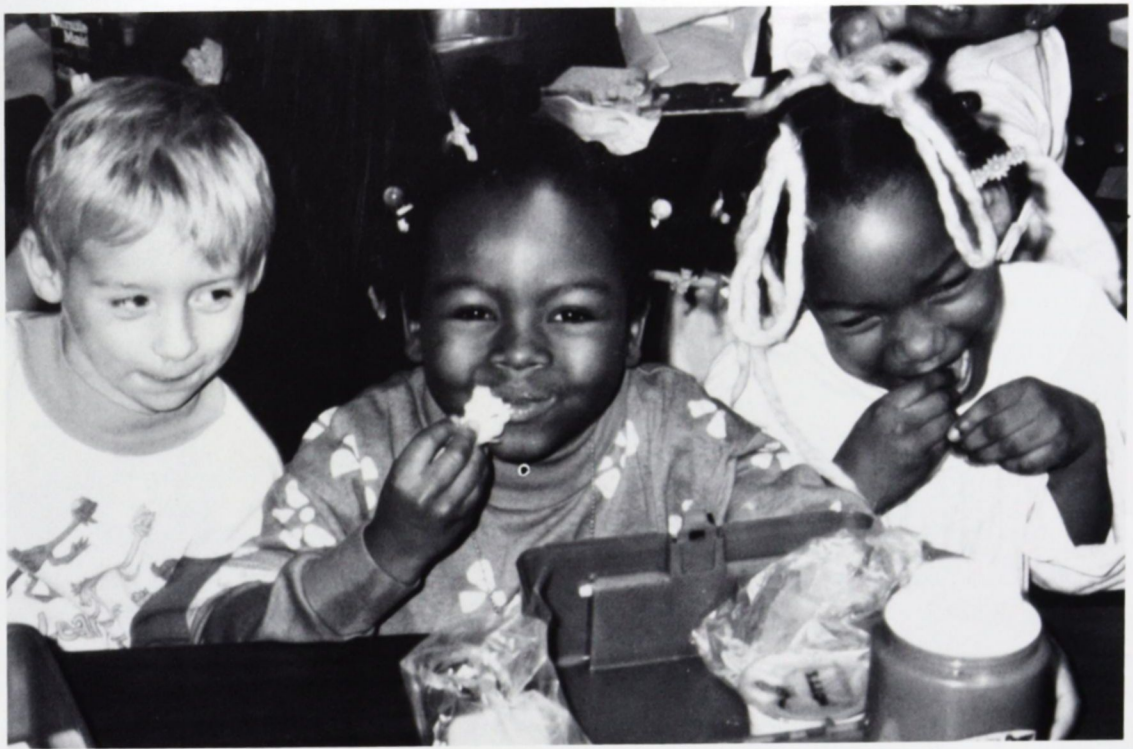

30 AUG

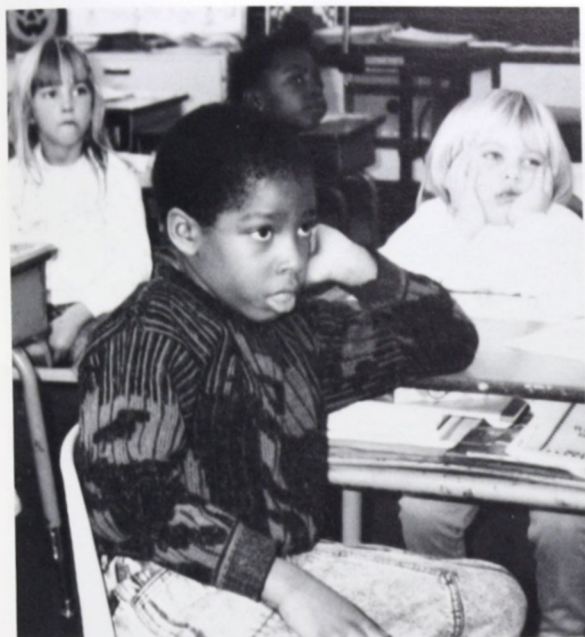

Day By Day

Almost everyone would agree that recess was one of the best parts of the day. However, there were many activities that had to be accomplished each day that were fun and educational. Learning new things and working with friends was rewarding. Many special programs were presented throughout the year. Students were also busy sending cards, letters and packages to soldiers in Saudi Arabia. Recess was fun, but there was so much more to school than that.

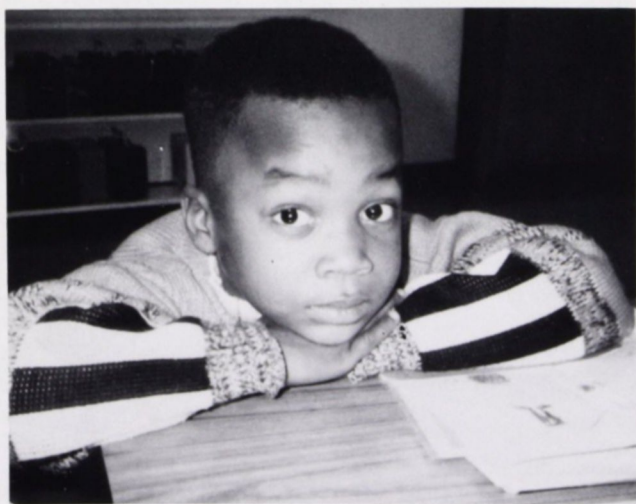

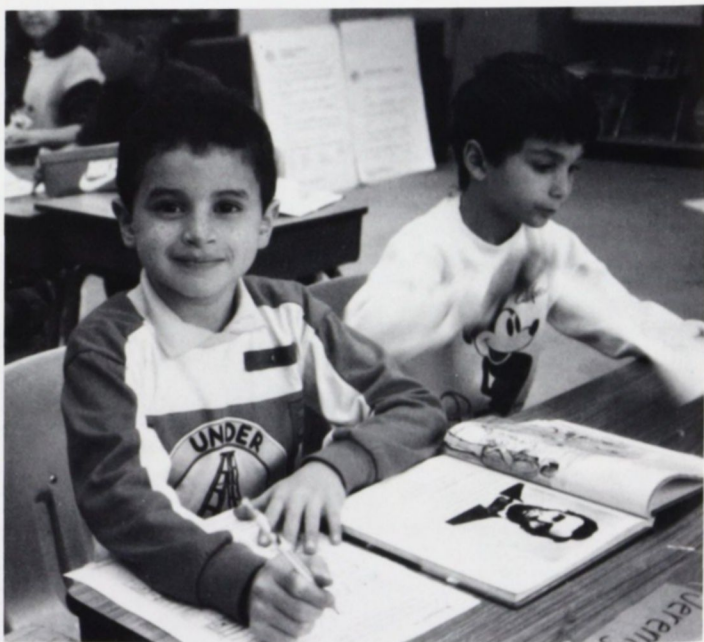

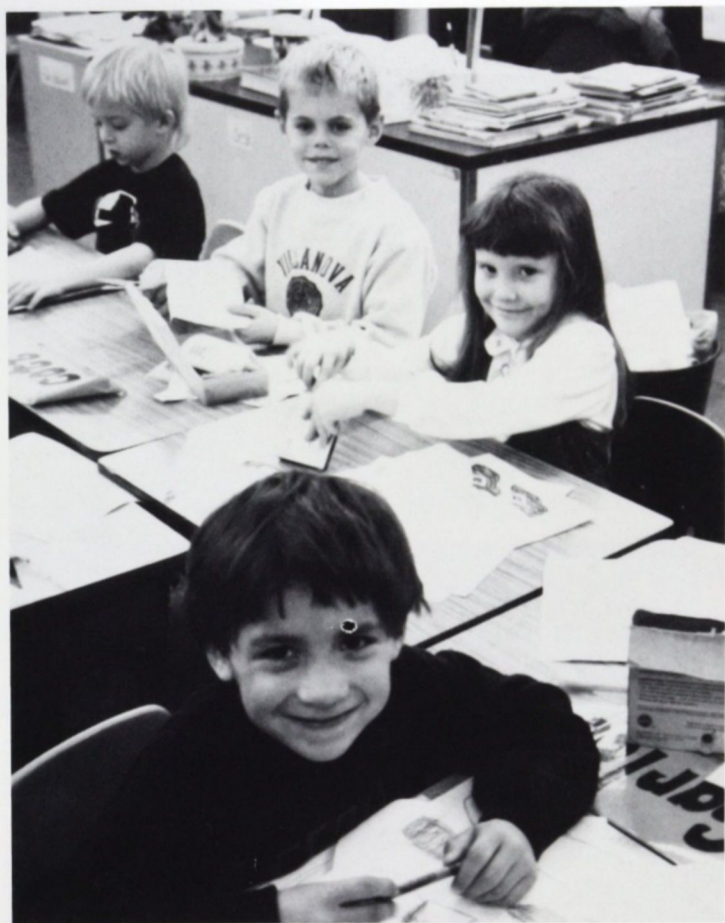

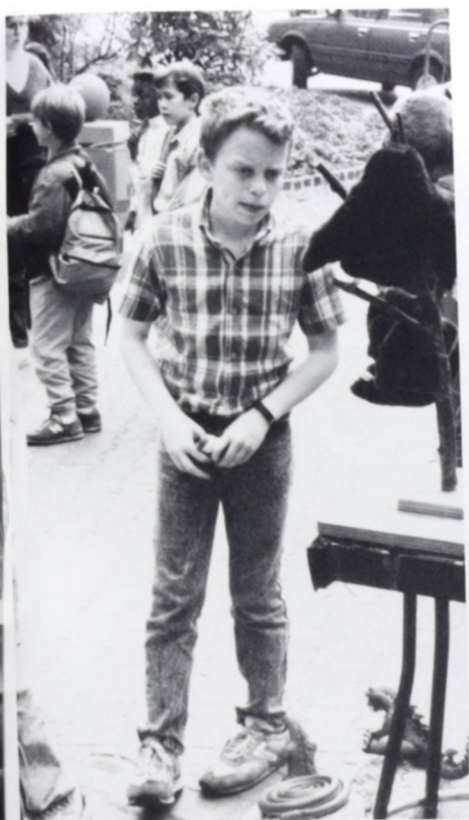

Going Places

From castles to Christmas markets, our field trips took us to many exciting places we will never forget. We traveled by school bus, city bus, train, and weary feet. Everyone had a great time and learned a lot, too. The best way to learn about Germany was to get out and experience it.

A Salute To Soldiers In The Gulf

You're on a mission that's almost complete,
When you come home, at the airport we'll meet.
Your prayers go on far beyond,
You'll be home soon, it won't be long.
So you can write us from over there,
You know that we are almost near.
Your wishes go up and above,
We give you our support with all our love.
We'll keep your love in our hearts,
Just pictures and letters, that's a start.
In Saudi Arabia camels and sheep,
You're over there but your souls we will keep.
You'll be home its almost time,
Just one question, will you be my Valentine?

Antoinette Grier

SAUDI

Saudi Arabia is an ally to us,
We are now solving their fuss.
Iraq is torturing Kuwait
Despite the people's fate.
Saudi has lots of oil,
That Iraq is attempting to spoil.
America is in the process
Of putting Iraq to the test.
Our bombs and our bullets
Should make Saddam cool it.

Heith Powers

My Dad had to leave
To be in the heat.
I hope he's all right
Till the next time we meet.

Kim Froisy

Drawing by Robert Etheredge

ALL YOU SOLDIERS

As you sit in the sand with camel and sort,
Remember you have our love and support.
I hope you know it's clear,
That we all love you here.
If we were birds and we could sing,
You'd be the wind beneath our wings.
If we were bees you'd be our sting.
We love you all you soldiers.

Natasha Thomas

Dad, you are gone far, far away.
We'll miss you till you come home.
We'll stay till this is over.
But you must know we are fighting, too.
