Argonner Elementary: A History

In 1951, construction was completed on the building that would eventually become Argonner Elementary School. Although some believe it was originally built as a hospital, Argonner was then, as now, a school. In the early 1970's, classes for elementary students occupied the first floor. The High School / Middle School complex had yet to be built, so junior high students held classes on the 2nd floor and if you were a High School student, each day meant a bus ride to and from a school in Frankfurt. Sportfield Elementary School began life as a series of Quonset huts which the children decorated with fairy tale themed murals. Lacking the more modern kindergarten wing and the "new cafeteria," students met in the former Roseland Club (now the Wolfgang PX area), the temporary buildings in the center quad and in the basement. A lot has changed in the last 56 years, and many faces have come and gone. Argonner Elementary School is proud to have been part of the Hanau Military Community's history.

The World's Best PTA

From the First Day of School Picnic to the Field Day at the end of the year, Argonner Elementary's Parent Teacher Association is always there to make sure each child's school experience is supporting, educational and fun! Weekly popcorn sales, holiday shops, Halloween Walkathon, guest speakers, performances, Spirit Wear, book fairs, and Bingo Nights are just some of the high-profile activities sponsored by the PTA, but this dedicated group of parents and teachers is also hard at work behind the scenes supporting our classrooms with the money they raise and the hours they volunteer. Thank You, Argonner PTA – from all of us!

Welcome Back, Soldiers!

Argonner students were privileged to welcome home soldiers from the 130th Engineers -- we appreciate what all soldiers are doing for us everywhere around the world. We hope they all find their way home safely as well.

The Yearbook Club

The Argonner Yearbook Club was: Stephen Abejuela, Justin Ahlers, Albert Bontilao, Brandon Brooking, Sarah Brown, Malik Bryant, Genesis Diaz, Jasmine Duckworth, Elianna Falcon, Makayla Finch, Courtney Gilmer, Megan Glodowske, Jordan Green, Vanessa Hranilovic, Kim Kronemeyer, Michael Mattingly, Clarence Miles, Sabrina Murphy-Sams, Wanda Negrón, April Powell, Justin Pugh, Spencer Shelton, Marc Signorello, Kenidy Springer, Alizah Thurman, Baylee Varnell, Dwayne Williams, & Isaiah Yost.

Thanks to all the students in the Yearbook Club who took pictures, arranged class pages in the computer lab and generally gave Ms. Gregg & Mr. Phillips a few new grey hairs! Just kidding -- the yearbook looks great!

A special thanks to the artwork contributors: Sara Clark (front cover), Natasia Disotell (back cover), the PSCD & SureStart classes, Wendy Phillips (K), John David Ross (1st), Danielle Kula (2nd), Kadeem Thomas-Evans (3rd), Kim Kronemeyer (4th), Deonte Basnight (5th).

And a super special thanks to Lynda George for making past yearbooks available and Gis Olbrich for her (mostly firsthand!) history of Argonner.
