The secret of joy in work is contained in one word -- excellence.

To know how to do something well is to enjoy it.

FUN TIMES AT HMS

*You must learn day by day, year by year, to broaden your horizon.
The more things you love, the more you are interested in,
the more you enjoy, the more you are indignant about,
the more you have left when anything happens.*

Twenty years from now you will be more disappointed
by the things that you didn't do
than by the ones you did do.

So throw off the bowlines.

Sail away from the safe harbor.

Catch the trade winds in your sails.

Explore. Dream. Discover.
