LUNCH TIME

..eating with friends

Recess is my Best Subject!

AND RECESS

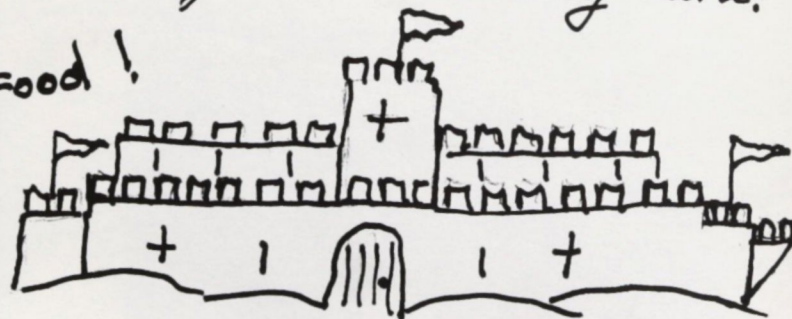

I like Germany because
it has lots of castles that
are unique to Germany.

I
Like
yum! German Food!

I like Germany because.....
there is so many new and
exciting things to learn and do
especially the Heidelberg Castle!

I like Germany because it is
very pretty. There are many
places to go and see. There is new
food to eat and many things to do

I like Germany because,
I think it is much nicer than
many of the other places I've lived,
and here in Germany I get to see and do many things
I would never get to see or do in the states.
