MARK TWAIN VILLAGE ELEMENTARY
SCHOOL
HEIDELBERG, GERMANY
1986 - 87

Here at Mark Twain Elementary School, our motto is **"BE ALL YOU CAN BE - AT MTV."**

I want all of you to remember Mark Twain in that way. We have tried to create an environment where you students have had the opportunity to grow, to learn, and to "Be all you can be."

In the years ahead, I hope you'll look back and remember your experiences at Mark Twain and your stay in Heidelberg, Germany with warmth and the knowledge that you helped make this good school into a great school.
