A passion for children

"We are people, not grapes. We walk in lines, not bunches."

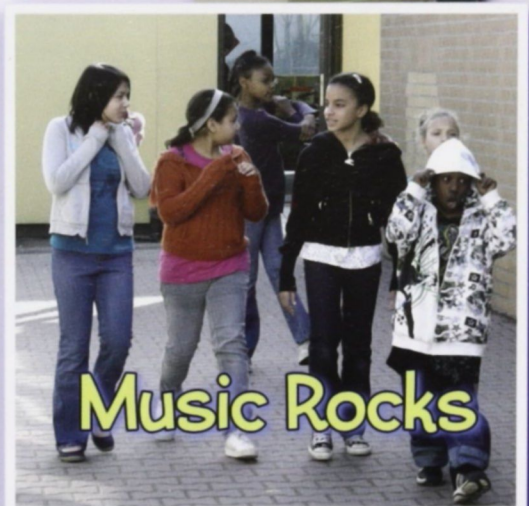

"Ms Saint John was a good person to many of us and we would really like to say she has done a wonderful job with us. She was a great teacher and a great friend, too. We will all miss her very much!"

### Mock Election

A multiage classroom is a randomly selected mixed group of children. It is intended to optimize what can be learned when children of different, as well as same, ages and abilities interact. It becomes a community of learners where every child can develop on his/her own continuum of growth.

The theme was "WOW!"

Thank you for the numerous hours you volunteer. The students lives are enriched because of you!!!

Say Cheese!

Parents and teachers work extra hours on all sorts of projects.
