# The Begining of the New School

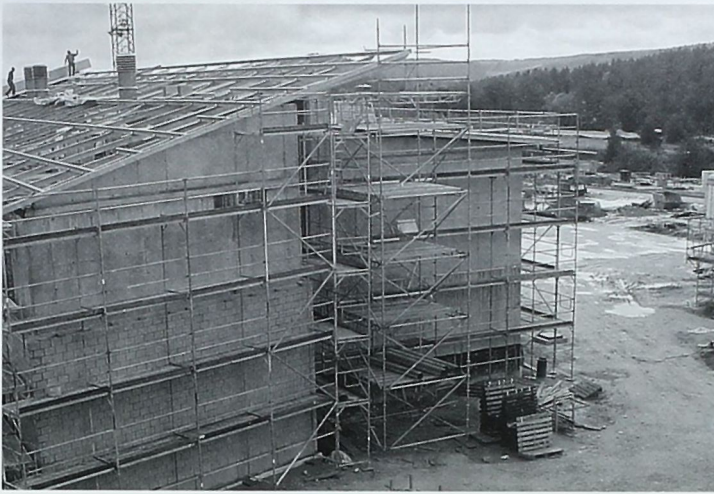

from  
mud....

The Gym floor is laid down

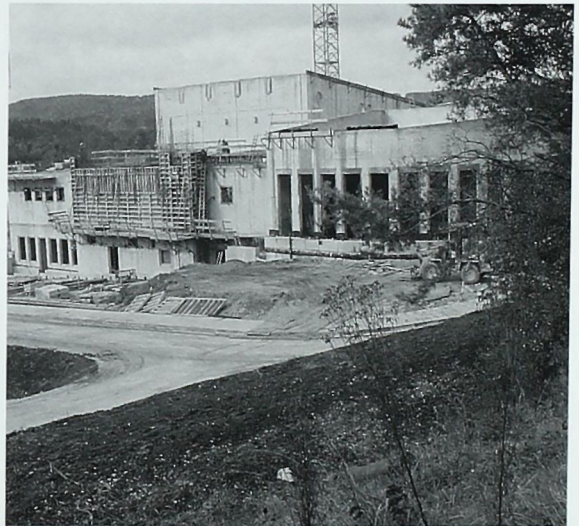

From  
Scaffolds...

The current  
Hohenfels High  
school spent over  
1 year in construc-  
tion and cost over  
10 million dollars!

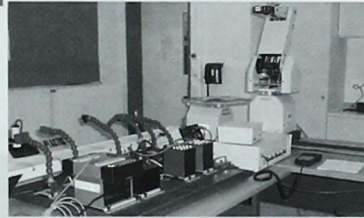

The new school is equipped with its own library and

a cafeteria known as the Great Hall that also has its own stage

The new school also has a new art room including a dark room, new science labs, and a new industrial technologies room

"It has been a pleasure to be the Senior Sponsor for the Class of 2004. Having never sponsored a class before this, the experience I gained will always be of value to me.

I have great hopes for all of you to achieve your dreams.

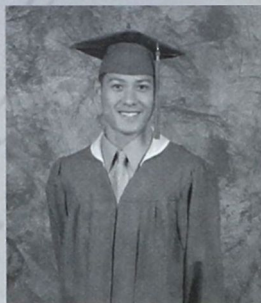

Some wise advice my father gave me years ago:

Don't spend too much time worrying about this week's problems. You will have new ones next week. Thanks especially to Caroline Solomon for being patient with me while we learned together and to LeAnn Dubose for showing up at lunch sales everyday."

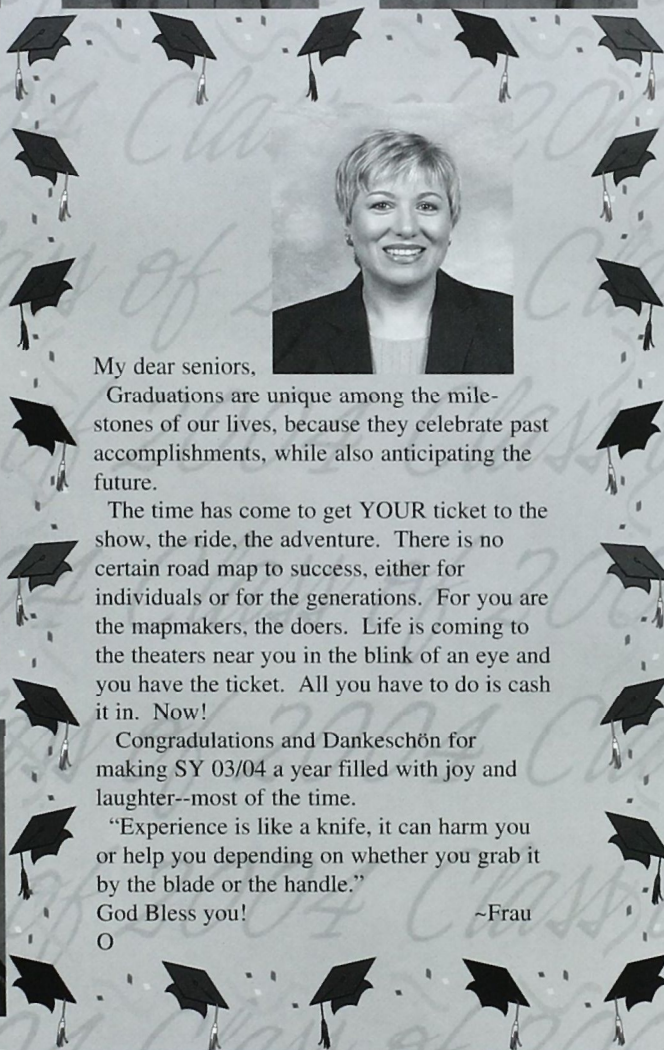

# SENIORS

# 2004

My dear seniors,

Graduations are unique among the milestones of our lives, because they celebrate past accomplishments, while also anticipating the future.

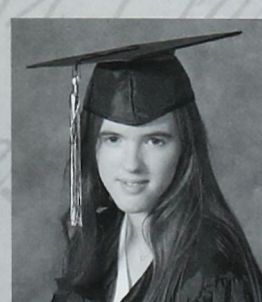

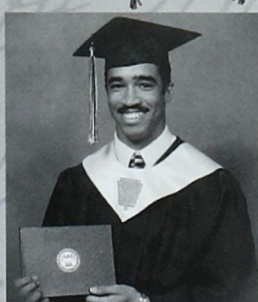

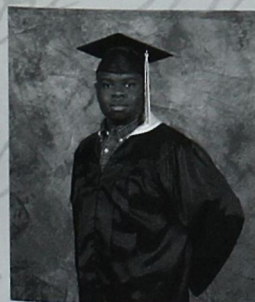

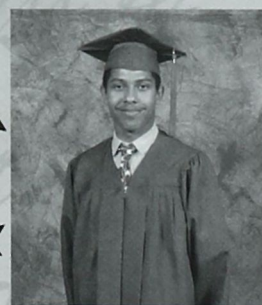

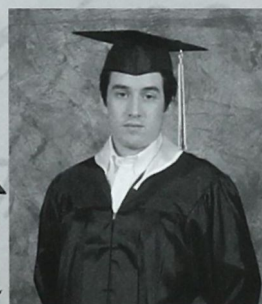

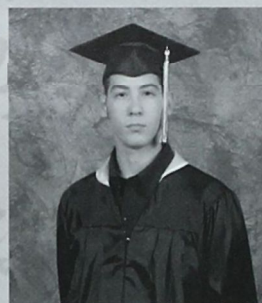

The time has come to get YOUR ticket to the show, the ride, the adventure. There is no certain road map to success, either for individuals or for the generations. For you are the mapmakers, the doers. Life is coming to the theaters near you in the blink of an eye and you have the ticket. All you have to do is cash it in. Now!

Congratulations and Dankeschön for making SY 03/04 a year filled with joy and laughter--most of the time.

"Experience is like a knife, it can harm you or help you depending on whether you grab it by the blade or the handle."  
God Bless you!

So long Hohenfels, its been a long time and now its my turn to leave but before I do I want to leave a message for those I am leaving.

To the class of 2004, good luck, may you all have the greatest success in life. You all have what it takes to succeed. You all are far greater then anyone gives you credit. Don't live up to their poor expectations—exceed them!

To the teachers of Hohenfels, there is no better group of teachers anywhere and I was blessed to be under your tutelage. So many of you have taught me so much more then academics. I can't ever thank you enough for that. Hang in there, whatever trepidations you may face do not give up. What you do here is so precious; you make a difference in every life you touch. If you ever need reassurance of what you do look back to those who made it through because of you—whose success is owed to you.

I owe special thanks to Ms. Pears for putting up with me and Mr. Keeler too, the late hours and craziness, Frau O, ich liebe dich für immer, all your advice and support, Mr. Arnold for your understanding and for working with me when things really got rough, and Mrs. Bennett for her temperance, her understanding and her help in developing my passion for writing.

I would also like to leave a message to a few of my friends without whom I would not have made it through these years, Thanks to Jose for always listening and Jonatan for the fun times and especially LeAnn for all of the support and friendship in the times I needed it most.

~Caroline Solomon

Hey chicas, I am gonna miss you guys so much. This past year has been so much fun. Steffani (Blu) you have always been there for me. We've had our laughs and our x-factor! See you in California.

Joanie (Balony) you've always been there for me to talk too... (but your crazy man) and Tiara (Titty) I know we've had our ups and downs but I'm gonna miss you and our oger dance. I love you guys so much!!! See you soon!! Road Trip..

Love always and forever,  
Your loud friend Nicole  
(Nicci, Nic, and Nitty)

MESSAGES FROM THE HEART

Steffani Ann-

*Where did the years go? You have truly been a blessing in my life!!! You have grown into a remarkable young lady, intelligent, beautiful, and wise (often beyond your years at times). I commend you for all your hard work and achievements! Remember never compromise yourself for anyone and in the big world ahead, stay focused on your goals and what you want out of life.*

*Life is a road and there will be straight-ways, and there will be a few curves, but I know you will blaze your own path. Remember the door to our house and my heart is always open, besides Britt won't have an adversary anymore. We will miss you tremendously!!! I love you so much.*

~ Mother ~

Whitney Marie,

*How did this happen so quickly? I will treasure every minute of this journey we have shared together. I am so proud of the beautiful young woman you have become. God has blessed me with a daughter who is also my friend; someone I can talk to and have fun with, relax with and totally enjoy. You are confident and prepared to find your place in this world. Always remember Corintians 13:13. These three things will guide you through anything. I Love you and believe in you with all my heart - The journey continues.*
