#### MISSION STATEMENT

The Hohenfels Middle / High School provides a safe environment where all students can acquire with effort and guidance, skills, knowledge, and behaviors necessary to be productive citizens in a global society.

# STUDENT LIFE

From Treads to Threads our students have Style!

Style is one thing we have a lot of Hohenfels Middle/High School. Most kids where t-shirts, jeans, and a cool pair of treads on their feet. However, threads are not the only style happening here. Students express their individuality through music, technology, food, and the choices they make. After se veral surveys, the favorites were obvious. See what our students thought was the latest and greatest.

Pepsi? Ne We'd rather take a sip of that Classic Coke.

You might want to play an instrument, and that's cool, but over here...WE SING!

Got Nikes? Then you're good to go at our school.

Strawberry is ok. Vanilla is good, but Chocolate is irreplace tole.

There are so many types of backpacks, but the one that stands out the most is the cartoons.

Some want cell phones, some maybe even want a laptop, but we want our iPods.

Skinny jeans are definitely popular this year. Most girls wore them, but many guys picked up the same style too.

complete teams for boys and girls for the
first time ever. The girls team defeated
all Division II opponents that they faced.
The team continues to develop relations
with the local community and was able
to hold an indoor match in Hemau. Many

# Cross Country

inishing 3rd in Frankfurt this year, the HHS Cross Country team showed immense heart. It takes a lot of discipline to run cross country. It's not on a soft cushioned track, it's over hard rugged terrain. You don't have team members or even opponents to talk to, it's just you and the road. This year the team consisted of nine individuals. Competing against other schools, the tigers came out with 3rd place and beat Heidelberg and Frankfurt. Team Captain Christian Austen recieved 12th place overall for Europeans Division II. When asked about the season, He thanked Mr. Danna for constant motivation, "I couldn't do it without him." The Tigers really improved since last season, and many Cross Country runners, such as junior John Aber, believe that they will do even better next year.

he HHS Volleyball team had a fantastic season this year! The first practices, for the team, occured during the first week of school. After a few girls dropped out, the team had officially formed and tough practicing began. Coach Fitzgerald was coaching for the first time this season, and her rigorous training during practices paid off because the girls had a strong beginning of the season. When faced with troubles they would chant the familiar tune "If you're happy and you know it clap you hands" to raise moral. The Lady Tigers Varsity was composed of mostly returning seniors, which was a first for the team, so their last season was definitely a memorable one. Way to go Lady Tigers!

he HHS cheerleading team of 2009-2010 was one of the best the school had seen. The coaching staff consisted of Head Coach Mini Delamarter, Coach Jessica Rene, and Coach Sue Lopez, During football season, the ten girls on the team all made Varsity and worked hard to cheer on their Tiger football team. By basketball season, however, the numbers had grown large enough to allow for a Junior Varsity cheerleading squad. Together the two teams worked to improve school spirit with locker signs and banners, and by cheering at every game that they could. With the help of the diversely talented coaching staff, the Varsity cheer team had a fantastic showing at competition. WAY TO GO TIGERS!

### Hohenfels Lady Tigers Basketball!

This year the Lady Tigers did an alright job. Yeah, they had their losses, but they had fun at the game. Even though some games were more of a struggle than others, they still didn't give up. In the end, the Lady Tigers proved to be one of the hardest working and most determined teams.

### Rifle

he Hohenfels Rifle Team started the 2009-2010 season with a bang entering four returning shooters from last year's European Championships and bringing on the talent of many promising first-year shooters. Rifle Team Coach, 1st Sargeant Andrews, anticipated another winning season for the team whom he had led to two back-to-back Conference and European titles just two years before. This season the Hohenfels rifle team placed first in their Conference and third in Europe. The top four shooters on the team shot exceptionally well in the Europeans final match: Jacqueline Stone with a score of 278, Emily Adams with a 276, Sarah Adams with a 275, and Jessica Walloch with a 271. For the senior shooters, Sarah and Emily Adams and Jessica Walloch, this season was one they would always remember. All and all, the Hohenfels rifle team stills remains at the top of their game!

### Wrestling

The Hohenfels wrestling team began the season with consequtive wins in their first match against Mannheim. As the season progressed, the competition became more challenging, but the wrestlers continued to do well in their matches. Senior wrestlers Eric Van Fleet and Lester Perez felt that many of the newer wrestlers on the team such as Brandon Reed and Dominic Thompson showed promising talent and tried their hardest during their matches against more advanced opponents. Experienced wrestlers such as Andrew Gibson, John Spiszer, and Drew Martin looked forward to the challenging season and saw the next couple of years as an opportunity to improve upon their skills. Coach Todd Laverents said that this vear all the wrestlers on the team met the standards of competition to the extent of their efforts and abilities. Wrestling is a sport of hardwork, determination and perseverence and not everyone is able to rise up to the challenge. At the Europeans qualifying match in Vilseck, only one wrestler from the team. sophomore Andrew Gibson, qualified to represent Hohenfels at Europeans.

# Girls Soccer

he Hohenfels Tigers Girls Soccer team started the season with an astonishing 5-1 win against their rival team, Ansbach. This season, the team has regained the talent and experience of many of their starters from last year's team: Annan Morelli, Jacqueline Stone, Sarah Adams, Natascha Fluker, Melissa Caples, Emily Adams, and Jessica Walloch. To expand upon this successful start, they Lady Tigers have received fresh talent from many of the new players who have joined the team this year. After the first game, the team took away what they could learn from the game and how their onflow of talent, experienced and new, could exceedingly add to the team's chances of doing exceptionally well this season. Captains Kayla Postma and Victoria Azera look forward to leading the team to an anticipated successful season. "We feel like the team has a lot of potential and started the season off strong. It's going to be a challenge to reach the finish, but we believe we can do it." Coaches Chad Perryman and Abbey Yetter have big plans for the team's future and aniticpate coaching the Lady Tigers to another successful season. "We definitely have a chance of winning it all," says coach Perryman, "but the girls know they'll have to work hard."

"I am a member of a team, and I rely on the team, I defer to it and sacrifice for it, because the team, not the individual, is the ultimate

champion." -Mia Hamm

# Boys Soccer

The 2010 Boys Soccer team could not have had a better start to their season. Obliterating Ansbach 5-1 and following it up with a 4-2 victory over Patch, a D-1 High School, the tigers vaulted to the top early. Returning seniors Danny Cavanaugh, Tim Salerno, Nino Jessup, Josh Cooper, Andrew Morton, and Florian Davis provided an almost unfair advantage over the other teams while new senior talent Chauncey Eaddy strengthed the already amazing defense. Varsity keeper Kevin White stepped up exceptionally well filling in the shoes of Lucas Salerno with no problem. Coach Rodman and Coach Conkright proved to be supberb coaches, using each player to the best of his ability.

**JRAMA** 

Drama at HHS is a process. At the beginning of the year, students take a speech class to help them learn how to project and how to have a stage presence. Students give speeches and overcome their fear of public speaking. In the second semester, some students come in and some leave, and the official drama portion begins. This year, the drama class worked to put on a series of spoofs of AFN skits. They were recieved by a wonderful audience, so HHS drama is planning on another fantastic showing, with a play.

# So We

This year's class of 2010 Seniors has had an exciting last year of high school in Hohenfels, Germany. Many of the graduating class have been together since 7th grade, a feat that is next to impossible on a military base, such as the one the class currently inhabits. Many of the Seniors spent the year in anxiety over college acceptance letters to ASVAB tests for military inductions, but one can not accuse this year's class of being entirely "all work and no play." The Seniors enjoyed a variety of Senior Breakfasts, Senior Meetings and Senior Fundraising projects such as the Car Wash on the 14th of April. There was also the annual Senior Spaghetti Dinner on March 25th, in which there was live entertainment and seniors serving spaghetti. Sports, Grades, and College Scholarships kept most of them busy. All in all, the general consensus of the senior

"There is a good reason they call these ceremonies 'commencement exercises.' Graduation is not the end; it's the beginning."

To my son Corey,

As this important day in your life is drawing closer, I want to take this opportunity to let you know, how proud I am of you and how much I love you! You have accomplished so much in your loving life. You have graduated from a local german School and now are graduating from high school. It is truely amazing how fast time is going by. It seem like yesterday when I walked a little boy to the school bus. Now this little boy has grown up into a remarkable young man with great values. Always remeber: you can accomplish anything and everything as long as you have your heart and your misd set to it. I know how determined you are: Never give up on your goals and on your dreams. I wish you the very best life has to offer, especially good health, success and happiness. Never forget, I will always be there for you.

Hallo lieber Corey, Der Langersehnte Tag Deiner Schulzeit ist nun schon in Sicht. Wir glauben und hoffen doch dass Dir das Lernen spass gemacht hat. Opa hat Dir doch immer gesagt: "Das was Du gelernt hast, kann Dir keiner nehmen." Je mehr Du kannst und je mehr Wissen Du hast, desto besser wirst Du es im spaeteren Leben haven. Ein spruch: "Man sollte nie anfangen aufzuhoren, und nie aufhoeren anzufangen: Doch merke: Erwachsen werden ist nicht schwer, erwachen sein dagegen sehr. Du wirst viele fehler machen, verlerne trotzdem nie das lachen. Nimm Dein Leben mit hinaus und mach das Allerbeste draus. Tuer und Tor stephen Dir bei uns stets offen, dass Du dies nutzt, das wollen wir hoffen. Oma und Opa sind sehr stoltz auf Dich, lieber Corey, vergiss das nicht. Oma und Opa

# YEARBOOK:

# CREATED BY US, INSPIRED BY YOU!

Then a yearbook is being created, it just not the work of one class of students who make it happen. Instead, the efforts of the whole school and community are needed to create a work that is truly representative of the student body. This year the administration was extremely cooperative and we are thankful for that. We would also like to give a special thanks to: the parents who took pictures, especially: Ms. McCoy and Mrs. Bryant; the Viper Team and the Eavarian Times for their exceptional pictures; all of the coaches who allowed "yearbookers" to interrupt practice to grab pictures; students such as: Kiersten Flach, the Cochran brothers, Sung Kim, and Mandy Guthrie, who gave us their pictures from various school events; and finally Amy Keeler, Mr. Hedglin, Walsworth Publishing and Russell Viers for their continual support in the creation of the 2009-2019 Hohhenfels Middle/High School Yearbook. All of your help was greatly appreciated and without you this would not have been possible.
