## Mr. Prielipp - The Conductor

Howard Prielipp has been around music for almost his entire life. Before he became a music teacher he was a musician in the United States Army. After he became a DoDDs Teacher he taught in Schweinfurt and Naples as well as Hohenfels where he has been for the last 6 years. He now helps many kids understand and cherish the music that they not only listen to but also make.

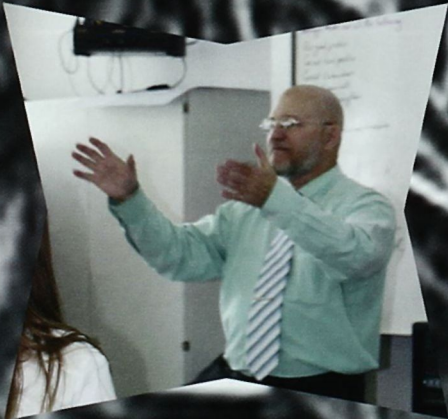

## Special Congratulations...

Special Congratulations go to Julian Byles (Left) for making the NAFME All-Eastern Band. He went to Connecticut for one week in order to participate in this, even that is only held every two years. He also attended the European Honors Band Festival for the third year in a row as the first chair player. Congratulations also go out to Caroline Bourgeois (right) for being the only Senior in Band this year.

Alicia, my little angel, my first..... Where to begin, where to begin. Words cannot even begin to express how very proud of the young woman you have grown into. Your kindness, your beauty, your personality, your humility, your charisma; all the beautiful things that make you who you are and I still cannot believe we made you! I love you so much baby girl and wish you all the happiness and all the greatness you and only you deserve. Thank you for blessing me with your love, your life, and your smile. I'll always be here for you, don't ever forget it. I LOVE YOU.

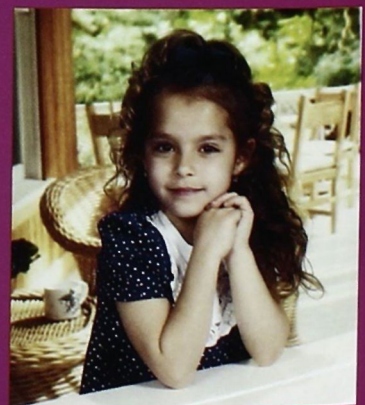

LOVE,  
MOM

My Dear Alicia,

You have been a shining light to me since the first time that I laid my eyes on you. You stole my heart and became daddy's little girl. You have grown into an amazing young woman., and I could not be more proud of you. You are stubborn, just like me, but that's not a bad thing if you recognize it. Stubbornness leads to persistence, which eventually will lead to success. You have all the tools necessary to be a blessing in this crazy world we live in. You are ready to meet your challenges head on, and you will succeed at anything you decide to do. You are a natural leader and a strong young lady. There is a quote by Helen Keller that goes, "Life is either a daring adventure or nothing." Alicia you are ready to start your adventure. You are our angel and you deserve all of the happiness in the world.

LOVE,  
DAD

# Nicoletta

NICOLETTA,

I AM SO PROUD OF ALL THAT YOU HAVE ACHIEVED IN HIGH SCHOOL. BUT AS YOU APPROACH GRADUATION, I AM MOST PROUD OF THE BEAUTIFUL, INTELLIGENT, KIND HEARTED WOMAN YOU HAVE BECOME. I HAVE NO WORRIES ABOUT THE GOALS THAT YOU SET FOR YOURSELF IN THE FUTURE, AS YOU HAVE SHOWN ME HOW WELL YOU HANDLE YOURSELF IN SUCCESS AND FAILURE. LIFE CAN BE SWEET AND SOUR, BUT YOU KNOW HOW TO MAKE LEMONADE, SO GO OUT THERE AND SHOW THIS WORLD HOW GREAT YOU ARE!

Love,  
Mom

# PAT VASS

*Dear Pat,*

As you prepare to go out into the world, we wish you a life full of love, peace, happiness, confidence, success, balance, and contentment.

We wish you *Love*.

Know that no matter what, there is a special group of people, who will always be on your side, even when it seems you are all alone.

We wish you *Peace*.

Accept who you are and be proud of yourself. Do not expect perfection at all times, because (contrary to your nickname) you are only human. Peace will not be far behind.

We wish you *Happiness*.

Focus on what you enjoy. Listen to your heart. Make choices that will result in positives, not in negatives. Happiness will follow.

We wish you *Confidence*.

Know that you are a capable and responsible person. Try new things. Do not be afraid to make mistakes; this is how you will learn and build confidence.

We wish you *Success*.

Work hard even when it seems it's not making a difference; I promise you it is. Success will follow.

We wish you *Balance*.

Know that there is more than one thing that is important. Sometimes you will have to focus on only one thing; but in the long run, maintain a healthy balance between your personal and your professional endeavors. Remember to respect yourself and others.

We wish you *Contentment*.

Know that where you are is exactly where you are supposed to be. Life changes so fast. There is nothing wrong with striving for better, but don't forget to enjoy the now. Look around and be proud of your accomplishments.

We wish all of this and so much more for you. You will always be in our heart, in our life, one of our greatest accomplishments.

We love you.

# Caroline Bourgeois

And no, the end is here  
And so you face the final curtain.....

Regrets, you've had a few  
But then again, too few to mention  
You did what you had to do and saw it through without exemption You  
planned each charted course, each careful step along the byway  
And more, much more than this, you did it your way

Yes, there were times, I'm sure you knew  
When you bit off more than you could chew  
But through it all, when there was doubt  
You ate it up and spit it out  
You faced it all and you stood tall and did it your way

You've loved, you've laughed and cried  
You've had your fill, your share of choosing  
And now, as tears subside, you find it all so amusing  
To think you did all that  
And may you say, not in a shy way,  
"Oh, no ,oh ,no, not you, you did it your way"

Caro, we love you.....keep on doing it your way!

 one. I know I haven't been around enough to

Kelsey,

It does not seem possible that your're graduating from High School and heading off to college. It seems like yesterday that we were bringing you home from the hospital. From the moment you entered this world you taught us the true meaning of unconditional love.

You have become a beautiful young woman with charm, personality, and intelligence and as you begin this new chapter in your life you must always remember that you can do anything you put your mind to!

We love you and wish you only a lifetime of health and happiness  
-Mom & Dad

Dear Kelsey-On your high school graduation, we'd like to stop and say, how proud we are of how much you've done to become who you are today. Reach for the stars and there's no stopping who you'll become. Congratulations and best of luck in college!

Brandon,  
Congratulations for the completion of this chapter in your life. We are blessed to have you as a son and a brother. It has been a pleasure to watch you grow into the bright, thoughtful young man you are now. You are always the first one to forgive and forget, you never held a crutch and you are the type of person that anyone can count on to do the right thing even if it is against popular belief. I am sure that life has something great for you, all you have to do is go out into the world and get it. Stay true to yourself and remember that you will always have your family behind you every step of the way. Good luck and God Bless.
